

Adopt-A-Trail Sponsor-A-Trail

Make a lasting impact on Murrieta's natural beauty through our Adopt-A-Trail and Sponsor-A-Trail programs. Community volunteers and businesses can contribute through annual clean-ups or monetary donations.

ADOPT-A-TRAIL

Murrieta has several trails providing opportunities to conduct volunteer clean-ups and enhancements. Volunteers can take a hands-on approach for team building and community service while beautifying the City of Murrieta community. Applications and requirements for the Adopt-A-Trail program can be found on the City of Murrieta website www.MurrietaCA.gov

SPONSOR-A-TRAIL

Businesses and organizations can help encourage environmental awareness and community pride while advertising through corporate sponsorships.
