SECTION II COMPENSATION

ARTICLE 2.01 SALARIES

A. Salary Schedules.

1. Effective the first full pay period in July, 2023, the base pay of all represented employees is increased by a cost-of-living-adjustment ("COLA") of four percent (4.0%). In addition, the base pay of all represented employees is increased by a market compensation equity adjustment of five and a half percent (5.5%). These two adjustments shall not be compounded and represent a total nine and one-half percent (9.5%) salary increase.
2. Effective the first full pay-period in July 2024, the base pay of all represented employees will be increased by a COLA of four percent (4.0%). If revenues fall by more than 5% below FY 2023-24 budget, the CITY can reopen the MOU to discuss modifications to the COLA.
3. Effective the first full pay-period in July 2025, the base pay of all represented employees will be increased by a COLA of four percent (4.0%). If revenues fall by more than 5% below FY 2024-25 budget, the CITY can reopen the MOU to discuss modifications to the COLA.

B. Appointment and Advancement. Step A is the normal starting rate of pay. An employee shall serve six months in this class before becoming eligible for advancement to Step B. Thereafter, the employee shall serve one year in a step prior to eligibility for advancement to the next step.

In exceptional circumstances, a new employee may be appointed at a higher step, in which case the employee must serve one year before becoming eligible for a step advancement.

Step advancements shall be granted only for meritorious service. The employee's supervisor and the Chief of Police shall file with the City Manager the prescribed form of employee evaluation along with a recommendation to approve, deny or delay a step advancement. The City Manager may approve or modify this recommendation.

When a normal step advance is denied, it may be reconsidered at any time, and if advancement occurs, the employee shall serve one year in the new step before becoming eligible for advancement to the next step.

- C. **Promotions.** The CITY agrees that all promotions in rank shall result in an increase of at least five percent (5%) over the employee's previous salary which includes base salary and any special assignment pay. Temporary Assignment Pay and other Assignment Pay will not be part of this calculation.
- D. **Longevity Pay.** Effective the first full pay-period in July 2023, the base pay of all represented employees with fifteen (15) full years of CITY sworn service shall receive a two percent (2%) base salary increase and those with twenty (20) full years shall receive an additional three percent (3%) base salary increase (for a combined total of 5%).

ARTICLE 2.02 SPECIAL ASSIGNMENT PAY AND OTHER SPECIAL COMPENSATION

A. **Special Assignment Pay**

The chief of police shall have the discretion to designate any sworn employee, including Police Officers, Corporals, Detective I, Detective II, Detective III, Traffic Investigator I, Traffic Investigator II, and Sergeants to a Special Assignment if needed. Sworn Employees are subject to appointment and removal by the chief of police or designee at their discretion. These assignments will be temporary or permanent based on the operational needs of the Department as determined by the chief of police.

Employees designated to the following assignments shall receive the appropriate premium pay or special assignment pay for the duration of the specialty assignment. Special Assignments and Special Assignment Pay may be reportable as pensionable compensation as defined by CalPERS regulations for Classic and PEPRA members. Reportable Special Assignment Pay shall be reported as such to CalPERS to extent permitted by law pursuant to Title 2 CCR, Sections 571 and 571.1 (governing Classic and PEPRA employees, respectively), and any other applicable provisions of State or federal law.

Specialty Pay assignments and compensation shall be as follows:

1. **School Resource Officer Pay:** Any sworn employee assigned as a School Resources Officer shall, during the period of such assignment, receive in addition to their regular monthly compensation, compensation at the rate of five percent (5%) of the employee's actual base salary step per month.

School Resource Officer Pay will be reported as Police Liaison Premium pensionable compensation. Actual compensability will be determined by the extent to which such compensation is permitted by law pursuant to Title 2 CCR, Sections 571 and 571.1, and any other applicable provisions of State or federal law.

2. Field Training Officer Pay: Any sworn employees assigned as a Field Training Officer shall, for each day or portion thereof, in which they are assigned a trainee, receive in addition to their regular monthly compensation, compensation at the rate of five percent (5%) of the employee's actual base salary step per month.

Canine handlers (other than Bloodhounds) will work a 4/10 schedule with their assigned hours based on the needs of the department and subject to change. One of those days will consist of a canine training day. The canine training day will be 6 hours with the remaining 4 hours of the handler's scheduled 10 hour shift considered as "Canine Maintenance Compensation" to provide for the care, grooming, exercise and maintenance of the police service dogs and their equipment.

Once a month, Adlerhorst International (or the designated training facility) will schedule the required 8 hour maintenance day. Handlers will attend as scheduled by the canine coordinator. The training day will be considered a normal 10 hour workday for all handlers. After completion of the maintenance day training, the remaining 2 hours of that 10 hour work day will be considered as "Canine Maintenance Compensation" for the handlers.

This would complete the 14 hours of straight time compensation per 28 day pay cycle in accordance with the Fair Labor Standards Act ("FLSA").

Bloodhound handlers are distinct in that they rely on an outside trainer with a schedule that can vary based on factors out of our control. In order to fairly compensate them per FLSA, the handler will work a 4/10 schedule, and out of the 28 day pay cycle, 26 hours will be designated as K9 training/FLSA compensation and paid at straight time. This schedule is based on department needs and subject to change while still considering compensation per FLSA.

The parties agree to meet and confer during the term of the MOU term to address compensation of the "Comfort" dog handler and whether any additional MOU language is required for the new "Comfort" dog or whether any and all policies shall be in the PD Manual. Association does not object to the Comfort Dog Program.

5. Temporary Assignment Pay. As a result of vacancies, leaves of absence, or other reasons, it may be necessary to reassign the duties of an authorized position to another employee. When such assignments require the employee to assume substantial additional duties which are outside the scope of the employee's regular assignment, the employee shall be entitled to a salary adjustment to reflect the new duties. The following shall apply in these instances:

Approval Required. Upon the recommendation of the department head and with the approval of the City Manager, an employee may temporarily be assigned to a higher level classification provided that:

- a. The higher-level position is vacant and is approved by the City Manager for new or continued staffing.

Nightshift premium pay of 5% is authorized only through a Personnel Action Form, which will be finalized by the Human Resources Department. Employees assigned to night shift shall not use any paid shift overtime codes as the 5% premium will be added automatically to those hours. If the employee instead wishes to add those overtime hours to their comp leave bank, they must use the appropriate overtime shift compensation paycode in Telestaff.

New hires in training assigned to night shift during the field training process are not eligible to receive nightshift premium pay.

- b. **Shift Differential Premium Pay.** All other represented employees not assigned to nightshift as described above, who work between the hours of 6:00 p.m. and 6:00 a.m. shall be paid a shift differential of two and one-half (2.5%) of the employee's base salary only for those hours worked between 6 p.m. and 6 a.m. In no case shall an employee be eligible to receive both the 5% and the 2.5% differentials simultaneously.

The 2.5% shift differential premium is activated by the use of designated paycodes.

ARTICLE 2.03 TOTAL COMPENSATION

The parties agree to meet and confer to update the definition of total compensation categories and comparable cities during the term of the MOU for purposes of successor MOU negotiations.

ARTICLE 2.04 OVERTIME

- A. Compensation.** Overtime shall be compensated at the rate of time and one-half the employee's hourly salary for all hours actually worked in excess of the regularly- scheduled work shift and/or 80 hours in the pay period. Pursuant to Section 7(k) of the Fair Labor Standards Act, the work period for sworn law enforcement officers represented by the Association consists of a series of recurring fourteen-day (14) periods, which coincide with the fourteen-day (14) shift schedules. The work period for all shifts shall consist of the same fourteen- day (14) period. Use of vacation, sick, holiday and compensatory leave shall be considered hours worked in determining overtime hours during a pay period, but not during a shift. All hours worked in conjunction with special activities that are reimbursed by a third party will be paid at the rate of time and one-half.

- B. Compensatory Time.** In lieu of overtime pay, an employee, at the employee's option, may be compensated with compensatory time off ("CTO") at the rate of one and one-half times the employee's regular hourly rate of pay. An employee may accumulate a maximum of 120 hours of compensatory time. Once an employee accrues 120 hours of compensatory time, any additional overtime hours will be paid to the employee in the pay period earned. Employees will not be allowed to accrue compensatory hours beyond the 120 hour maximum.
- C. Overtime Restrictions.** Employees are generally restricted to forty-eight hours of voluntary overtime per pay period and must have at least six (6) hours off duty during any twenty-four (24) hour period. "Voluntary" pertains to all overtime that does not result from a supervisory order, subpoena, or other legal mandate or from circumstances outside the employee's control (i.e. late arrest/call for service, etc.). Additionally, employees are generally restricted to eighteen (18) consecutive working hours regardless of the nature of the work (straight time or overtime.) These restrictions may be waived by the chief of police or their designee.
1. Starting calendar year 2024, employees shall be entitled to cash out accrued CTO twice yearly (in June and December), but they must first irrevocably designate in writing the amount of leave to be cashed out in the calendar year preceding the cash-out. Cash-out is at the employee's rate of pay at the time paid. Finance will supply the irrevocable designation form upon request. Such requests shall be in writing to the Finance Department via the chain of command.
 2. An employee who has accrued CTO shall, upon termination, be paid for all unused compensatory time. This pay out shall be at the employee's final regular rate of pay.

Restrictions of CTO Use Under Existing Staffing

Represented employees requesting the use of CTO shall give at least a seven day notice via a leave request form submitted to his/her supervisor if the requested time off will require backfill overtime or if the requesting officer finds his/her replacement under the limitations listed below:

1. Under current staffing levels, supervisors may grant CTO requests that cause staffing to drop to one officer below the minimum staffing for that shift. Under no circumstances shall the staffing be allowed to drop by more than one officer below minimum staffing on the shift. (If any requests are denied, the affected officer can either voluntarily withdraw the CTO request or receive payment for the requested CTO hours during that pay period.)
2. If backfill overtime is required due to a CTO request, the following officers shall not be eligible as replacements:
 - a. Officers who would be ordered in to work on their normally scheduled day off or past their normally scheduled shift in order to accommodate the request
 - b. Officers who have worked over 48 hours of overtime within the pay period.

If the CTO request cannot be filled first by overtime sign-up or second, by an eligible voluntary replacement under the above guidelines, the request may be denied.

Restrictions of CTO Use Under Increased Staffing Levels

It is anticipated that police department staffing will be increased in FY 2005/06. On each shift, once there is a minimum of two officers and/or corporals plus a sergeant above the minimum staffing specified for that shift, the following shall apply:

Represented employees shall not be permitted to use CTO if it will cause staffing to drop below the minimum staffing level established by the Chief of Police for each shift

Management may make exceptions to these restrictions on a case by case basis when considering long term exigent circumstances due to officers injured on duty (100), personal medical leave, training commitments, or participating in a CITY or department sanctioned event.

D. **Court Assignments.** The CITY shall pay a minimum of four hours at the rate of time and one-half for authorized time spent on court assignments, including court appearances as well as being placed "on call" for such appearances, outside the scheduled work shift.

1. Payment for Court Assignments shall begin one-half hour before the indicated subpoena time. This one-half hour shall be considered "prep time" which shall include travel to the court and obtaining necessary evidence and reports.
2. Court Assignment shall include payment for lunch breaks as directed by the Court
3. Court Assignment shall include time spent returning to the Murrieta Police Department.
4. If a represented employee returns directly to his/her residence from Court the Court Assignment pay shall cease when the employee leaves the Court. If the employee must return evidence to the Murrieta Police Department, court assignment will end upon return to the Murrieta Police Department
5. Eligibility for court minimum compensation under this MOU shall require the represented employee to exercise a good faith and timely effort to check the status of their subpoenaed case to ensure their appearance is still required. This may be accomplished by checking case status via the subpoena hotline at (951) 304-5479 or the Riverside County Court website at <http://www.riverside.courts.ca.gov/>. "Good faith and timely" is defined as occurring after 5:00 pm the court day prior to the subpoenaed appearance date (excluding court holidays.)

E. **Call-back Assignments.** The CITY shall pay a minimum of two hours at the rate of time and one-half to employees called back to work at times other than their scheduled shifts.

ARTICLE 2.05 UNIFORM ALLOWANCE

Represented employees shall be paid an allowance of \$150 per month for the purposes of acquiring and maintaining prescribed uniforms and equipment required for the performance of their duties, except badges and patches, which are to be provided by the CITY. The allowance will be paid equally across all payroll periods in the fiscal year and reported to CalPERS as an aggregate amount for each pay period per CalPERS Circular Letter 200-050-19 dated October 30, 2019. It is agreed that \$10 of this amount shall be considered as "safety allowance" which is to be used for the purchase of safety equipment such as bullet proof vests, firearms, ammunitions and safety

shoes. The safety allowance is not reportable to CalPERS as a uniform allowance.

Uniform Allowance will be reported to CalPERS as pensionable compensation to the extent allowable under the provisions of pension law. Actual compensability will be determined by the extent to which such compensation is permitted by law pursuant to Title 2 CCR, Sections 571 and 571.1, and any other applicable provisions of State or federal law. F. "**Cafeteria Plan.**" The CITY shall provide a "cafeteria plan" benefit for represented employees.

The CITY contribution for health insurance for purposes of the Act shall be the minimum monthly contribution required by PEMHCA and shall be adjusted to correspond with the changes in the minimum employer contribution requirements. (The minimum mandated employer contribution ("MEC") under PEMHCA shall be \$151 monthly per employee in calendar year 2023, \$157 for calendar year 2024, and \$158 for calendar year 2025.)

In addition to the monthly MEC, as that number may from time to time change, the CITY shall fund a Section 125 cafeteria plan on behalf of each employee in the following amount which includes the MEC:

No increases in the CITY's contribution will be required again until the relevant plan premium cost increases above the total amount then paid by the CITY toward the cafeteria plan. The 50% split will then be calculated only on the amount that the new relevant plan premium cost exceeds the premium cost that the CITY's cafeteria plan contribution is based on.

The following 2 examples reflect the parties' understanding of how the CITY's contributions will be calculated based on the above formula:

2023 Monthly Contribution Calculation Example:

- G. **Directive Memorandum.** When oral communication has not been sufficient, a directive memorandum can be issued to inform and direct the employee in writing how to complete a task and perform correctly in the future. It may also be used to give general direction to one or more employees.
- H. **Corrective Counseling/Memorandum.** A pre-disciplinary formal counseling process

which includes a dialogue between the supervisor and the employee that results in a corrective memorandum issued to the employee which informs the employee that even after previous direction, a task is still being completed incorrectly. - I. **Written Reprimand.** A written reprimand shall be prepared for the continued or more serious offense. The reprimand shall take the form of a memorandum including a full, accurate and factual statement of the reason for the reprimand. The memorandum shall be given to the employee in private. - K. **Reduction in Salary.** In lieu of, or in addition to other forms of discipline, when facts justify, the Chief of Police may impose a reduction in salary upon the employee to a lower step on the present salary range or to a lower salary range, as may be appropriate. Should an employee respond, the Chief of Police shall consider the response in reaching a decision or a disciplinary action. The employee is entitled to respond in writing or orally, personally or through a designated representative, or any combination thereof. If the employee requests a meeting to present a response, the meeting shall not be conducted as an adversarial hearing.

The employee may not cross-examine the department's witnesses nor present a formal case to support the response. The employee shall be given the opportunity to make any representations the employee believes might affect the disciplinary decision. Any time extensions shall be permitted only with the consent of the Chief of Police. If the employee fails to respond within the time specified, the chief may proceed with a decision.

The chief has the right to conduct further investigations. If new charges result from this investigation, the employee shall be given another opportunity to respond.

- P. **Chief of Police Response.** The Chief of Police shall provide a written answer to an employee's response at the earliest practical date, not to exceed 14 calendar days following the response of the employee. The CITY and Association agree to select a list of arbitrators that can be alternatively used when called on. Arbitrators may be added or deleted from the list only by mutual agreement of the CITY and the Association. Arbitration decisions shall be binding.

The expense of the arbitrator shall be shared equally by the parties. Any costs associated with a request for transcripts of the arbitration proceedings will be paid for by the requesting party. Each party is responsible for making arrangements and for paying any expenses of any witness that may be called on to testify. Employees of the CITY will be released from work without loss of compensation to attend the arbitration hearing. The arbitrator shall not decide on any issue that has not already been submitted within the statement of issues as presented previously. This includes issues that have not been raised and considered at the earlier steps of the disciplinary process.

Any remedy issued by an arbitrator may not conflict with the provisions contained within this Agreement or CITY policy.

R. Appeal of Disciplinary Actions by Employee without Association Support.

In the event that the Association does not support a represented employee's disciplinary appeal and/or pay half the costs of any proposed arbitration, then the employee shall have the right to appeal the chief's decision to the City Manager within 14 calendar days after the receipt by the employee of the chief's answer. Appeals from discipline shall be in writing, signed by the appellant and delivered to the City Manager, who shall set a time for a hearing by the City Manager and/or their designee. 3. The city manager, prior to or during a hearing, may grant a continuance for any reason deemed to be important to the City Manager in reaching a fair and proper decision.
4. The City Manager shall give all parties to the action a reasonable opportunity to be heard on relevant issues. The police department's representative shall first present an opening statement and oral and/or documentary evidence in support of the department's position. The affected employee may present oral or documentary evidence and may cross-examine any witness called by the department. The appellant may make an opening statement on the employee's behalf. The department's representative may cross-examine any witness called by the employee. Both the department and the appellant may present rebuttal evidence. The department may then make a closing statement, followed by the employee's closing statement.
5. The city manager shall not be bound by technical rules of evidence.
6. The city manager may, at the manager's discretion, appoint a hearing officer to conduct the hearing on the manager's behalf and to report findings and recommendations to the City Manager for final decision. In this case, a copy of the hearing officer's report shall be provided to the employee.
7. The employee shall be entitled to copies of any relevant material used in the disciplinary decision-making process and the CITY shall pay the costs of any recording or reporting, including transcripts, of the hearing. Each party shall bear their own attorney fees and associated costs.
8. The City Manager shall, within 14 calendar days after the conclusion of the hearing, cause findings and a decision to be prepared in writing. The City Manager shall determine whether the proposed action of the Chief of Police is supported by the evidence. Should the City Manager find that none of the charges are supported by

the evidence presented; the decision shall be that no disciplinary action be taken. A decision not to impose discipline shall be accompanied by a directive from the City Manager to delete all references to the appealed action from the employee's personnel file. Should the City Manager find that any or all of the charges are supported, the manager shall affirm, overrule or modify in whole or in part the disciplinary action imposed by the Chief of Police. The City Manager shall cause a copy of the findings and decision to be delivered to the affected employee. The decision shall indicate the effective date of any discipline imposed. The decision of the City Manager is final with no other or further right of internal administrative appeal.

- S. **Employee Status during Pre-disciplinary Period.** Except as otherwise provided an employee against who disciplinary action is proposed is entitled to be retained in an active status during the pre-disciplinary period. When circumstances are such that retention of the employee on active status may result in damage to CITY property or may be detrimental to the interests of the CITY or injurious to the employee, fellow employees or the public, the Chief of Police may, following discussion with the employee, or at the employee's option, temporarily assign the employee to duties in which these conditions do not exist or place the employee on paid suspension until proceedings are concluded or circumstances causing the suspension change. Such action shall not be inconsistent with Section 3303 of the California Government Code.
- T. **Time Limits.** All time limitations of this section may be extended or shortened only by mutual agreement of the parties.
