PROTECTING FAMILIES

At the SAFE Family Justice Centers, you can expect a private consultation with a confidential victim advocate, who will serve as your guide to help you identify services and options that meet your needs.

SEEKING JUSTICE

We can provide information about your rights as a victim of crime (Marsy's Law), provide court support, and assist in applying for restitution.

Our mission is to provide comprehensive services that help protect families, seek justice, and promote SAFE futures for children, youth, and families affected by violence.

Promoting SAFE Futures

We offer adult support groups, youth programs (Police Activities League), attend community events, train community members, offer school-based interventions, and host 40-hour Domestic Violence Counselor training.

Providing trauma-informed confidential services to victims of **domestic violence, sexual assault, human trafficking, child abuse, elder abuse, and youth at risk.**
