

EXHIBIT B

General Plan policies for additional projects in the Capital Improvement Plan for FY 2026/27 to FY 2030/31, ensuring consistency with the City of Murrieta General Plan 2035.

- CIR-1.1** Ensure the transportation system can adequately serve the concentrations of population and employment activities identified by the Land Use Element.
- CIR-1.2** Maintain a Level of Service “D” or better at all intersections during peak hours. Maintain a Level of Service “E” or better at freeway interchanges during peak hours.
- CIR-1.4** Continue to improve signal coordination and advanced traffic management systems at major intersections and along roadway corridors in order to optimize traffic flow through the City and reduce traffic queuing.
- CIR-1.8** Identify and evaluate the major intersections requiring special design treatment to increase their vehicular capacity.
- CIR-1.9** Provide a coordinated traffic control system that moves traffic within and through the City in an efficient and orderly manner. Upgrade systems as technology evolves.
- CIR-2.2** Maintain an ongoing maintenance program to ensure the safety of the City’s roadway system.
- CIR-7.3** Encourage safe pedestrian walkways and ensure compliance with the Americans with Disabilities Act (ADA) requirements within all developments.
- INF-1.12** When managed by the City, continue to maintain and replace aging storm drain systems to ensure the provision of these services to all areas of the community.
- INF-3.1** Ensure that the Capital Improvement Program (CIP) meets the City’s needs.
- INF-3.3** Amend as necessary and adopt a Capital Improvement Program.
- LU-1.6** Promote future patterns of development and land use that reduce infrastructure construction costs and make better use of existing and planned public facilities.
- ROS-2.1** Pursue the development of active recreation facilities through improvements to parks and existing facilities as well as the development of facilities in new parkland.
- SAF-6.4** Ensure sufficient personnel and appropriate apparatus to provide emergency operations and fire suppression for mid and high rise buildings and large warehouses pursuant to the Community Risk Assessment - Standards of Cover.
- SAF-9.5** Explore options for funding needed facilities, staff, and equipment.
