Cultivating Inclusion, Inc.  
*A Community Farming Project*

## **A Unique Community Garden**

**Non-Profit 501(c)(3)**

**Serving Our Special Needs Community**

**Providing Food To Local Food Banks**

**Volunteers Needed**

Community Outreach is what Cultivating Inclusion is all about. Our programs assist many of the underserved members of our communities. Servicing the Special Needs population of Murrieta, Temecula, and surrounding areas, C.I. partners with organizations to provide opportunities for on-the-job training in the areas of gardening, farming, and agriculture. The garden also provides therapeutic benefits to volunteers and clients, and serves as a supportive social environment with games, crafts, and other activities. All of the produce grown on the farm is donated and delivered to local food banks.

The work at the garden is volunteered-based and funded through donations and grants. We are developing additional programs for fund raising. We need your help. Let us know if you'd like to support our efforts through donations or volunteering.

To contact C.I., call Mary Ann Tams, Garden Director, at (951) 296-7756. The garden is located behind the Alta Murrieta Sports Park, 39775 Alta Murrieta Dr. For more information visit:
