RE: Second Request for Fiscal Year 2024-2025 - Performer Funds Only

This memo for the 2024-2025 fiscal year is a request for funding specifically for program performers only. We have received and deposited one check already for \$46,000 for collection development and supplies and are very grateful for the continued support.

Should you approve this second request for funds, a check or checks made out to the Murrieta Public Library at any time during this fiscal year in an amount not to exceed \$12,000 would be most appreciated.

Sincerely,

Melvin Racelis
Library Manager
