

PLANNING COMMISSION RESOLUTION NO.2024-XX

**A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MURRIETA,
CALIFORNIA, MAKING A FINDING TO THE CITY COUNCIL THAT THE PROPOSED
ADDITIONS TO THE CAPITAL IMPROVEMENT PLAN FOR FISCAL YEARS 2024/25
THROUGH 2028/29 ARE IN CONFORMANCE WITH THE CITY OF MURRIETA
GENERAL PLAN 2035**

WHEREAS, Government Code Section 65401 requires the city planning agency to review and report as to the conformity of capital projects with the adopted general plan; and

WHEREAS, the City of Murrieta's Capital Improvement Plan provides designated funding for planned public improvement projects and master plans for the City to continue to maintain public infrastructure and fulfill community and Economic Development objectives; and

WHEREAS, the Planning Commission of the City of Murrieta reviewed the proposed additions to the Capital Improvement Plan for Fiscal Years 2024/25 through 2028/29, as identified in Exhibit "A", for consistency with the goals and policies implementing the City of Murrieta General Plan 2035 ("Proposed Project"); and

WHEREAS, on May 8, 2024, at a regular meeting of the Planning Commission, the Planning Commission considered all public comments received both before and during the public meeting, the staff report, the staff presentation, and all other pertinent documents regarding the Proposed Project.

**NOW, THEREFORE, THE PLANNING COMMISSION OF THE CITY OF MURRIETA,
CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:**

1. That the project, the proposed additions to the Capital Improvement Plan FY 2024/25-2028/29 (Exhibit "A"), is in conformance with the City of Murrieta General Plan 2035, as identified by the applicable General Plan 2035 policies identified in Exhibit "B" and that finding shall be reported to the City Council.

2. That the Proposed Project supports the goals and policies of the City of Murrieta General Plan 2035 as identified in Exhibit B.

3. That the consideration of the additions to the CIP is not a "project" as defined in CEQA Guidelines Section 15378 because it involves citywide budget allocations which, on its own accord, will not cause an environmental impact. As such, this activity is not subject to CEQA pursuant to Section 15060(c)(3). This determination is predicated on Section 15004 of the guidelines, which provides direction to lead agencies on the appropriate timing for environmental review. The projects for which this budget is intended may require the preparation of an environmental document in accordance with State CEQA Guidelines.

PASSED AND ADOPTED this 8th day of May, 2024.
