Dear Ms. Summers:

Thank you for providing a response to the Desert Valleys Builders Association's (DVBA) letter of March 6, 2024, commenting on issues with the City of Murrieta's *Development Impact Fee Study*.

We appreciate that the City took the time to review and evaluate our concerns with the study. Staff and Wildan Financial Services made several corrections and a few explanations based on our letter.

The DVBA looks forward to working again with the City of Murrieta.
