Hello, I'm writing to ask that the Santa stops continue in this great city of Murrieta!! I grew up here and am now raising my 8, 6, 4, and 2 year old and one of my fondest memories as a child and as being a mom is doing these Santa Stops. It makes our city so unique and special and I will forever cherish these memories and hope to make many more of them with my sweet young kids. Please continue this! We love seeing Santa and waiting on curb and hearing the sirens to know he is coming, and I love bringing canned food to show my kids how we can donate to those in need, especially during Christmas time. When it stopped during Covid, we were all so sad and worried it wouldn't come back, and we were ecstatic when it did! This truly is a special thing that makes Murrieta the very best place to grow up and raise a family in, please don't stop that tradition! I've attached pictures to show you how much we love our Santa Stops!
