Legislative Workgroup Subcommittee

The screenshot shows the City of Murrieta website's Legislative Affairs Program page. The header includes the city logo with the tagline "CONNECTED BY COMMUNITY" and navigation links for Government, Community, Services, and How Do I... The main content area is titled "Legislative Affairs Program" and contains three sections: "Position Letters" (describing the process for preparing letters for the Mayor or Mayor Pro Tem), "City of Murrieta Legislative Workgroup" (describing the process for placing items on the City Council agenda), and "Legislative Directory" (with a link to the 2023 directory). A "Recent Letters of Support/Opposition" section is also visible with a link to the AB 791 letter of support.

For a list of recent letters signed in opposition and support please visit the Legislative Affairs page:
