CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 3.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Javier Carcamo, Finance Director

PREPARED BY: Tanner Benson, Financial Analyst

SUBJECT:
Monthly Investment Transaction Report for May 2026

ABSTRACT

The May 2026 Monthly Investment Transaction Report is submitted to the City Council in compliance with California Government Code Section 53607, which requires monthly disclosure of investment activity. The report summarizes the City's long-term investment activity managed by Chandler Asset Management, short-term investments held with the Local Agency Investment Fund, and earnings from the Wells Fargo Cash Sweep Program and the JPMorgan Chase Account.

As of May 31, 2026, the City's total ending book value for investment accounts held with Chandler Asset Management and Local Agency Investment Fund was $219,916,595.61. Additionally, the Cash Sweep Programs generated $175,550.72 in earnings for May.

RECOMMENDATION

Receive and file the Monthly Investment Transaction Report for May 2026.

PRIOR ACTION/VOTE

None.

STRATEGIC ALIGNMENT

This item aligns with the City Council to: maintaining a high performing organization that values fiscal sustainability, transparency, accountability and organizational efficiency relating to an administrative priority.

DISCUSSION

This report is filed with the City Council in compliance with Government Code Section 53607, which states that a monthly report of transactions related to the purchase, sale, or exchange of securities is made monthly to the legislative body. The City of Murrieta (City) has both long-term and short-term investments. The City's managed investment portfolio is for longer-term investments, managed by Chandler Asset Management. The

Local Agency Investment Fund (LAIF), managed by the California State Treasurer, is used for short-term investments and functions more like a savings account to facilitate cash flow.

This report includes funds under management from Chandler Asset Management, funds deposited with LAIF, and earnings received from the Wells Fargo Cash Sweep Program and the JPMorgan Chase Account. Bond funds held by the City's Trustee, US Bank, are not included in this report but are on file and available upon request.

The transactions in the long-term investment portfolio for May 2026 include dispositions of $8,238,425.45 in cash, payables, receivables, maturities, and sales, which also includes a withdrawal for bank fees. Subsequently, these proceeds, together with the dispositions and monthly interest earnings, were reinvested in security and money market fund purchases totaling $8,809,118.04.

The California State Treasurer allocates and reinvests LAIF interest earnings on a quarterly basis. Quarterly interest earnings are reflected in the statement one month following the end of the quarter. The account received the last interest earnings deposit in April 2026 for the previous quarter. The balance in LAIF, as of May 31, 2026, was $62,774,278.85. The monthly yield on the LAIF portfolio was 3.810%, down 0.001% from the 3.811% earned at the end of April 2026.

As of May 31, 2026, the City's Total Ending Book Value (or what the City actually paid for the investments) for both investment accounts (long and short-term accounts) is $219,916,595.61. Both accounts combined had an overall increase of $638,890.33, or 0.29%, which includes any deposits, dispositions, applicable interest earnings, and any realized gain/loss, less monthly fees charged to the account.

The City is also earning monthly dividends in the General Checking accounts. The Wells Fargo "Cash Sweep Program" allows the City to earn a return on uninvested cash balances in our General Checking Account by automatically "sweeping" cash balances into a Sweep investment vehicle until such balances are otherwise needed to satisfy obligations arising in the account.

The total earnings from the Cash Sweep Program for the month of April were $167,990.25.

The City is also earning interest monthly in the General Checking account with JPMorgan Chase. This account allows the City to earn a return on uninvested cash balances in the General Checking Account. The City has begun earning interest on the funds transferred in January 2026. In May, the account earned interest totaling $7,560.47.

Attached are the investment portfolio accounts for Chandler Asset Management for the month of May 2026 (Attachment 1) and the regular monthly statement for LAIF (Attachment 2), which lists all transactions associated with the respective accounts. Attachment 3 provides a summary of daily transactions for the Wells Fargo Cash Sweep Program. In addition, Attachment 4 provides a summary of daily transactions for the new JPMorgan Chase Account.

This report also includes a statement of compliance with state law and the City's investment policy for the various investment categories.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item).

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

The recommended action has no fiscal impact. Interest earnings projections are included in the Fiscal Year 2025/26 Operating Budget.

Chandler Asset Management, Inc. ("Chandler") is an SEC registered investment adviser. For additional information about our firm, please see our current disclosures (Form ADV). To obtain a copy of our current disclosures, you may contact your client service representative by calling the number on the front of this statement or you may visit our website at www.chandlerasset.com.

Information contained in this monthly statement is confidential and is provided for informational purposes only and should not be construed as specific investment or legal advice. The information contained herein was obtained from sources believed to be reliable as of the date of this statement, but may become outdated or superseded at any time without notice.

Custody: Your qualified custodian bank maintains control of all assets reflected in this statement and we urge you to compare this statement to the one you receive from your qualified custodian. Chandler does not have any authority to withdraw or deposit funds from/to the custodian account.

Valuation: Prices are provided by IDC, an independent pricing source. In the event IDC does not provide a price or if the price provided is not reflective of fair market value, Chandler will obtain pricing from an alternative approved third party pricing source in accordance with our written valuation policy and procedures. Our valuation procedures are also disclosed in Item 5 of our Form ADV Part 2A.

Performance: Performance results are presented gross-of-advisory fees and represent the client's Total Return. The deduction of advisory fees lowers performance results. These results include the reinvestment of dividends and other earnings. Past performance may not be indicative of future results. Therefore, clients should not assume that future performance of any specific investment or investment strategy will be profitable or equal to past performance levels. All investment strategies have the potential for profit or loss. Economic factors, market conditions or changes in investment strategies, contributions or withdrawals may materially alter the performance and results of your portfolio.

Index returns assume reinvestment of all distributions. Historical performance results for investment indexes generally do not reflect the deduction of transaction and/or custodial charges or the deduction of an investment management fee, the incurrence of which would have the effect of decreasing historical performance results. It is not possible to invest directly in an index.

Ratings: Ratings information have been provided by Moody's, S&P and Fitch through data feeds we believe to be reliable as of the date of this statement, however we cannot guarantee its accuracy.

Security level ratings for U.S. Agency issued mortgage-backed securities ("MBS") reflect the issuer rating because the securities themselves are not rated. The issuing U.S. Agency guarantees the full and timely payment of both principal and interest.

LGIP Yields: Reported yields for local government investment pools may be presented as either the 30-day yield or the monthly distribution yield, as applicable. For certain funds, the 30-day yield is calculated using reported daily yield data. Yield calculations are subject to change and may not be directly comparable across funds.

LAIF Yields: Additional Disclosure for CA Clients - As a result of a reporting lag from the Local Agency Investment Fund (LAIF), reported LAIF yields represent the most recently available Daily Effective Yield and may reflect data from approximately 7–10 days prior to month-end.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 4.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Diego Chavez, Administrative Services Director

PREPARED BY: Michelle Tamez, Senior Human Resources Analyst

SUBJECT:
Amending and Restating the Comprehensive Pay Schedule for Fiscal Year 2026/27 and Updating Schedule of Authorized Positions for Fiscal Year 2026/27

ABSTRACT

The proposed resolution amends and restates the City of Murrieta's Comprehensive Pay Schedule for Fiscal Year 2026/27, effective July 7, 2026, in compliance with applicable California Code of Regulations and California Public Employees' Retirement System (CalPERS) requirements related to publicly available pay schedules. The updated Pay Schedule incorporates compensation changes authorized through negotiated tentative labor agreements with the Murrieta Police Officers Association and the Murrieta Police Management Association that will be considered by the City Council on July 7, 2026. Amending and restating the Pay Schedule will ensure that it reflects the up-to-date compensation ranges for all City classifications, including part-time positions.

Staff also proposes approving an updated Schedule of Authorized Positions for Fiscal Year 2026/27. The updated Authorized Positions List clarifies and corrects position titles to reflect actions previously approved by the City Council, including newly created and eliminated positions, ensuring consistency and alignment with the Comprehensive Pay Schedule.

RECOMMENDATION

Adopt Resolution No. 26-4955 entitled: *A Resolution of the City Council of the City of Murrieta, California, Amending and Restating the Comprehensive Pay Schedule for Fiscal Year 2026/27*; and

Approve the Updated Schedule of Authorized Positions.

PRIOR ACTION/VOTE

On June 16, 2026, the City Council adopted Resolution No. 26-4949, approving the Comprehensive Pay Schedule for Fiscal Year 2026/27 (5-0) and approving the Updated Schedule of Authorized Positions.

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of maintaining a high performing organization that values fiscal

sustainability, transparency, accountability and organizational efficiency relating to an administrative priority. Amending and restating the Fiscal Year 2026/27 Comprehensive Pay Schedule ensures compliance with CalPERS' and regulatory requirements, while promoting transparent, accurate, and consistent compensation practices.

DISCUSSION

Amended and Restated Pay Schedule

The amended and restated comprehensive pay schedule for Fiscal Year (FY) 2026/27 presented for City Council consideration would incorporate compensation changes authorized through negotiated tentative labor agreements with the Murrieta Police Officers Association (MPOA) and the Murrieta Police Management Association (MPMA) that will be considered by the City Council on July 7, 2026. These tentative agreements with MPOA and MPMA had not yet been reached as of the June 16, 2026, City Council meeting, when the City Council approved the pay schedule for 2026/27 fiscal year by the adoption of Resolution No. 26-4949.

The amended and restated Pay Schedule reflects the following compensation adjustments that will be considered by the City Council on July 7, 2026, under separate agenda items:

- Adjustments to the classifications represented by the MPOA to allow for a two percent (2%) base compensation cost of living adjustment (COLA), subject to City Council approval of the proposed Tentative Agreement for a successor MPOA Memorandum of Understanding (MOU) for the period July 1, 2026 - June 30, 2029 (Agenda Item No. 6).

- Adjustments to the classifications represented by the MPMA to allow for a two percent (2%) base compensation COLA, subject to City Council approval of the proposed Tentative Agreement for a successor MPMA MOU for the period July 1, 2026 - June 30, 2029 (Agenda Item No. 5).

Adoption of the amended and restated pay schedule will ensure that the City's pay schedule is up-to-date and satisfies CalPERS' requirements.

Schedule of Authorized Positions

New positions, staffing changes, position reclassifications, and title corrections are periodically necessary to ensure the City's organizational structure accurately reflects operational needs and prior City Council actions. Staff recommends that the City Council approve the updated Schedule of Authorized Positions for Fiscal Year 2026/27 (Attachment 2).

The City Council previously adopted the FY 2026/27 Schedule of Authorized Positions on June 16, 2026. Since that time, staff identified several administrative updates needed to ensure the schedule accurately reflects prior City Council-approved actions and maintains consistency with the Comprehensive Pay Schedule. These updates include one (1) position reclassification within the Public Works/Engineering Department by adding one (1) Public Works Inspection Superintendent position and removing one (1) Public Works Inspector position, resulting in no net change to the total number of Full-Time Equivalent (FTE) positions.

In addition, staff recommends the following administrative title corrections to align the Schedule of Authorized Positions with previously approved classifications and the Comprehensive Pay Schedule:

- IT Systems Administrator to Network Systems Engineer

- Homeless Program Manager to Homeless Services Manager
- Traffic Investigator I to Police Traffic Investigator I/II
- Police Aide to P/T Police Aide
- P/T Dispatcher I/II to P/T Public Safety Dispatcher I/II
- P/T Librarian to P/T Librarian I/II

These updates are administrative in nature and do not create additional positions or increase the total authorized FTEs. Presenting the updated Schedule of Authorized Positions concurrently with the Comprehensive Pay Schedule ensures both documents are accurate, consistent, and reflect the City's current authorized classifications.

As part of the FY 2026/27 First Quarter Operating Budget Update, staff will present the net fiscal impact associated with the Public Works position reclassification.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item).

FISCAL IMPACT

The budgetary impact associated with the public safety labor groups' compensation packages are reported in the respective agenda reports for approval of the Tentative Agreements for successor MOUs. The fiscal impact will be incorporated into the FY 2026/27 First Quarter Operating Budget.

RESOLUTION NO. 26-4955

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA AMENDING AND RESTATING THE COMPREHENSIVE PAY SCHEDULE FOR FISCAL YEAR 2026/27

WHEREAS, each fiscal year, the City Council of the City of Murrieta (City) adopts an amended and restated Comprehensive Pay Schedule (Pay Schedule), a document that includes a list of employment classifications for the City and their corresponding compensation ranges; and

WHEREAS, the City, through negotiations with various employee bargaining groups, has established corresponding Memorandums of Understanding, which are in full force and effect, and has also established a Compensation Plan for Management, Professional, and Confidential employees and an employment agreement with the City Manager; and

WHEREAS, the California Public Employees' Retirement System ("CalPERS") limits "compensation earnable" for retirement purposes to amounts listed on a pay schedule meeting requirements set forth in section 570.5 of title 2 of the California Code of Regulations, including that government agency employers provide and make available to the public the salary of all full-time, part-time employees and elected officials in a single salary format specified by CalPERS; and

WHEREAS, Section 36506 of the California Government Code requires that the City Council of the City fix compensation of all appointive officers and employees by resolution or ordinance; and

WHEREAS, on June 16, 2026, the City Council adopted Resolution No. 26-4949, approving the Comprehensive Pay Schedule for Fiscal Year 2026/27; and

WHEREAS, following the adoption of Resolution No. 26-4949, the City reached tentative agreements with the Murrieta Police Officers Association (MPOA) and the Murrieta Police Management Association (MPMA) for successor memoranda of understanding for the period July 1, 2026 – June 30, 2029; and

WHEREAS, the City has compiled the necessary salary data to establish an amended and restated Comprehensive Pay Schedule for Fiscal Year 2026/27 ("2026/27 Pay Schedule"), as shown in the document attached hereto as Exhibit A, in compliance with the requirements of CalPERS: and

WHEREAS, the amended and restated FY 26/27 Pay Schedule reflects a 2% increase to the pay ranges of classifications represented by the MPOA; and

WHEREAS, the amended and restated FY 26/27 Pay Schedule reflects a 2% increase to the pay ranges of classifications represented by the MPMA; and

WHEREAS, the City now desires to adopt the amended and restated FY 26/27 Pay Schedule, as shown in the document attached hereto as Exhibit A, in compliance with the requirements of CalPERS.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. That the amended and restated FY 26/27 Pay Schedule attached hereto as Exhibit A is adopted and shall be effective July 7, 2026. Compensation ranges for individual classification shall be effective as of the "start date" for the classification specified in the FY26/27 Salary Schedule.

PASSED, APPROVED, AND ADOPTED this 7th day of July 2026, by the City Council of the City of Murrieta, State of California.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 5.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Diego Chavez, Administrative Services Director

PREPARED BY: Michelle Tamez, Senior Human Resources Analyst

SUBJECT:

Approving a Tentative Agreement for a Successor Memorandum of Understanding between the City of Murrieta and the Murrieta Police Management Association for the Period July 1, 2026, through June 30, 2029

ABSTRACT

The City of Murrieta (City) and the Murrieta Police Management Association (MPMA) have successfully completed negotiations for a successor Memorandum of Understanding (MOU). The parties reached a Tentative Agreement addressing wages, benefits, and other terms and conditions of employment for employees represented by MPMA. The Tentative Agreement has been ratified by the Association and is being presented to the City Council for consideration and approval. Upon approval of the Tentative Agreement, the parties will prepare a successor MOU that will establish the negotiated terms for the agreement period and support the City's continued commitment to maintaining competitive compensation, operational effectiveness, and fiscal responsibility.

RECOMMENDATION

Adopt Resolution No. 26-4956 entitled: *A Resolution of the City Council of the City of Murrieta, California, Approving A Tentative Agreement for A Successor Memorandum of Understanding between the City of Murrieta and the Murrieta Police Management Association for the Period July 1, 2026, Through June 30, 2029.*

PRIOR ACTION/VOTE

On February 3, 2026, the City Council adopted Resolution No. 26-4908, approving, adopting, and implementing a successor Memorandum of Understanding between the City of Murrieta and the Murrieta Police Management Association for the period July 1, 2023, through June 30, 2026 (Vote: 5-0)

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of: maintaining a high performing organization that values fiscal sustainability, transparency, accountability and organizational efficiency relating to an administrative priority. The Tentative Agreement supports employee recruitment and retention, operational effectiveness, and the City's long-term financial planning objectives.

DISCUSSION

Through the process of collective bargaining, the City of Murrieta (City) periodically negotiates with the respective employee organizations for the purpose of establishing and/or updating compensation, benefits, and other terms and conditions of employment for their represented employees, including tentative agreements for successor Memoranda of Understanding (MOU) affecting compensation and benefits. All such agreements must be voted on and passed by a majority of each affected employee organization's membership (ratification) and subsequently approved by the City Council before becoming effective. Once approved by the City Council, the terms of tentative agreements for successor MOUs are immediately effective but are also then memorialized in the successor MOU or through MOU amendments and brought back to the City Council for final approval.

The current MOU between the City and the Murrieta Police Management Association (MPMA or Association), adopted by City Council Resolution No. 26-4908 covering the period July 1, 2023, through June 30, 2026 (MPMA MOU 2023-26), expired on June 30, 2026. MPMA currently represents eight (8) City employees, including six (6) Police Lieutenants, and two (2) Police Captains.

The labor representatives of the City and MPMA commenced labor negotiations for a successor MOU with their first meeting on February 24, 2026. The parties met again on April 28, 2026, and May 18, 2026. The labor representatives of the City and MPMA have met and conferred in good faith and have come to a ratified Tentative Agreement on a fair and equitable package of compensation and benefits for a successor MPMA MOU covering the period July 1, 2026, through June 30, 2029, pursuant to the Meyers-Milias-Brown Act (MMBA) (Government Code sections 3500-3511) and the City's Employer-Employee Relations Resolution No. 93-214.

The members of the Association have voted to ratify the Tentative Agreement, and the labor representatives of the City and the MPMA have executed it, subject to final approval by the City Council. Staff has prepared Resolution No. 26-4956 (Attachment 1) for the City Council to consider approving the executed Tentative Agreement for a successor MPMA MOU for the period July 1, 2026, through June 30, 2029.

As negotiated, the proposed Tentative Agreement for a successor MOU includes the following compensation and benefit terms:

- Two percent (2%) base salary Cost of Living Adjustment (COLA), effective the pay period beginning July 12, 2026.
- Two percent (2%) base salary COLA effective July 11, 2027.
- Two percent (2%) base salary COLA effective July 9, 2028.
- Effective the first payday in calendar year 2029, the monthly health contribution shall increase by fifty dollars ($50) to $2,050.
- Increase Administrative Leave Bank from sixty (60) hours per year to seventy-five (75) hours per year.

A fully executed copy of the Tentative Agreement, which contains the full successor MOU agreement deal points, is attached to Resolution No. 26-4956 as Exhibit A.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item).

FISCAL IMPACT

The projected fiscal impact of implementing the MPMA MOU for the period July 1, 2026, through June 30, 2029, is $525,655. This includes vacant and new positions authorized in the Fiscal Year 2026/27 Operating Budget. A budget adjustment for Fiscal Year 2026/27 will be included in the First Quarter Budget update. The fiscal impact for fiscal years 2027/28 and 2028/29 will be included in the next proposed biennial budget.

Fiscal Year 2026/27	$ 87,697
Fiscal Year 2027/28	$ 169,404
Fiscal Year 2028/29	$ 268,554

WHEREAS, the City of Murrieta ("City") endeavors to recruit and retain the most qualified and talented employees to serve its citizens; and

WHEREAS, the compensation and benefits offered by the City to its employees are designed to aid in the City's employee recruitment and retention efforts; and

WHEREAS, Section 36506 of the California Government Code requires that the City Council of the City fix the compensation of all appointive officers and employees by resolution or ordinance; and

WHEREAS, on February 3, 2026, the City Council adopted Resolution No. 26-4908, adopting and implementing a Memorandum of Understanding ("MOU") between the City of Murrieta and the Murrieta Police Management Association ("MPMA") effective for the period July 1, 2023, through June 30, 2026; and

WHEREAS, the City and MPMA have met and conferred in good faith and have prepared a written Tentative Agreement on a fair and equitable package of compensation and benefits for a successor MPMA MOU for the period July 1, 2026 through June 30,2029 ("MPMA MOU 2026-29") subject to MPMA ratification and City Council approval, pursuant to the Meyers-Milias-Brown Act ("MMBA") (Government Code sections 3500-3511) and the City's Employer-Employee Relations Resolution No. 93-214; and

WHEREAS, the members of the MPMA have voted to ratify the Tentative Agreement and the labor representatives of the City and the MPMA have executed the Tentative Agreement, which is still subject to City Council approval; and

WHEREAS, the MMBA provides in Section 3505.1:

> "If a tentative agreement is reached by the authorized representatives of the public agency and a recognized employee organization or recognized employee organization, the governing body shall vote to accept or reject the tentative agreement within 30 days of the date it is first considered at a duly noticed public meeting. A decision by the governing body to reject the tentative agreement shall not bar the filing of a charge of unfair practice for failure to meet and confer in good faith. If the governing body adopts the tentative agreement, the parties shall jointly prepare a written memorandum of understanding."

WHEREAS, once the City Council adopts the Tentative Agreement for the MPMA MOU 2026-

29, the parties are required to jointly prepare a written MOU to present to the City Council at a later date for consideration, adoption, and implementation consistent with the Tentative Agreement; and

WHEREAS, once approved by the City Council, the Tentative Agreement and the successor MPMA MOU 2026-29 become binding agreements between the parties, each in their own right; and

WHEREAS, upon City Council approval of the Tentative Agreement, the compensation and benefit changes outlined therein shall be implemented and incorporated into the Annual Operating Budget for Fiscal Year 2026-27; and

WHEREAS, the City Council, having considered the Tentative Agreement, desires to accept, adopt, and implement the Tentative Agreement for the Successor MPMA MOU 2026-29.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The recitals set forth above are true and correct and incorporated herein by this reference.

TENTATIVE AGREEMENT

FOR A SUCCESSOR MOU BETWEEN THE CITY OF MURRIETA AND

THE MURRIETA POLICE MANAGEMENT ASSOCIATION

JUNE 18, 2026

The current Memorandum of Understanding (MOU) between the City of Murrieta (City) and the Murrieta Police Management Association (MPMA or Association), adopted by City Council Resolution No. 26-4908 covering the period July 1, 2023, through June 30, 2026 (MPMA MOU 2023-26), is set to expire June 30, 2026. MPMA currently represents eight total City employees, including six Police Lieutenants and two Police Captains.

Pursuant to the Meyer-Millias-Brown Act ("MMBA") (Gov't Code Section 3500 – 3511) and the City's Employer-Employee Relations Resolution No. 93-214, the labor relations representatives of the City and the Association commenced labor negotiations for a successor MOU with their first meeting on February 24, 2026. The parties met again on April 28, 2026, and May 18, 2026. The parties exchanged proposals and counter proposals for a successor MOU during this time and up through and including June 8, 2026. On June 17, 2026, the Association notified the City that the Association's membership had voted to approve the City's latest revised Proposal #2 dated June 8, 2026. Accordingly, the City and the Association have reached a Tentative Agreement on the deal terms for a successor MFMA MOU covering the period from July 1, 2026, through June 30, 2029, as set forth in this document.

All items affecting compensation within the current MPMA MOU 2023-26 not addressed herein are proposed to remain unchanged. The parties intend to prepare a redlined version of the successor MOU, which will include additional cleanup edits and language changes, subject to meet-and-confer. In addition, any language that has a sunset will be deemed to have no further force or effect. The following deal terms were ratified by the Association, but remain subject to formal approval and adoption by the City Council per the MMBA and specifically California Government Code Section 3505.1, which provides:

> "If a tentative agreement is reached by the authorized representatives of the public agency and a recognized employee organization or recognized employee organizations, the governing body shall vote to accept or reject the tentative agreement within 30 days of the date it is first considered at a duly noticed public meeting. A decision by the governing body to reject the tentative agreement shall not bar the filing of a charge of unfair practice for failure to meet and confer in good faith. If the governing body adopts the tentative agreement, the parties shall jointly prepare a written memorandum of understanding."

MOU ARTICLE	TENTATIVE AGREEMENT
Term Article 1.07	**Replace the current language in Article 1.07, in its entirety, with the following:** This Agreement shall become effective July 1, 2026, and shall remain in effect until June 30, 2029.

MOU ARTICLE	TENTATIVE AGREEMENT
Computer Upgrade Reimbursement Article 2.11	**Delete Article 2.11, in its entirety.** **Current Language in Article 2.11:** Employees who have taken advantage of the computer equipment reimbursement program (Section XVIII of Resolution No. 91-64), and have had the original reimbursement completely forgiven, will be eligible to receive a one-time computer "upgrade" loan for the purchase of authorized computer equipment and/or software up to $500 as funds permit. Participation in the computer upgrade program must be recommended by the Police Chief and approved by the City Manager. Reimbursement of the loan shall occur over the twelve (12) months following payment to the employee. This additional contribution of funds will be deducted from the employee's paycheck each pay period over a period of time not to exceed twelve (12) months or twenty-six (26) pay periods. If the employee who has received a computer upgrade loan leaves the employment of the CITY prior to the expiration of the loan period, the loan balance will be deducted from the employee's final paycheck.

MOU ARTICLE	TENTATIVE AGREEMENT
Sick Leave Bank Article 3.02	**Delete Article 3.02, in its entirety.** **Current Language in Article 3.02** A. Sick Leave Bank. 1. All sick leave balances accumulated since the employee's date of hire up to and including the pay period ending July 6, 1996, are not added to annual leave, but are frozen and placed in a sick leave bank for the respective employee. In an effort to reduce the financial liability to the CITY of an employee's bank of unused sick time prior to retirement or other separation from employment, the employee may use sick leave time as time off for non-illness-related reasons. 2. At the time of an employee's resignation or retirement from the CITY, employees with continuous CITY employment of five (5) years or more shall be eligible to receive a payment of twenty-five percent (25%) of the unused sick leave in the sick leave bank at the employee's then rate of compensation. Employees with continuous CITY employment of ten (10) years or more shall be eligible to receive payment for fifty percent (50%) of the unused sick leave in the sick leave bank. Employees with continuous CITY employment of fifteen (15) years or more shall be eligible to receive payment for seventy-five (75%) of the unused sick leave in the sick leave bank.

	B. Sick Leave Bank Cash Out. 1. Four times each fiscal year during payroll periods as determined by the employee, those individuals may request a cash payout or deferral to a Deferred Compensation or Retiree Healthcare Trust Plan of unused sick leave in their frozen sick leave bank accounts on the books in excess of four hundred eighty (480) hours subject to the following schedule: **Years of Service** — **Cash Out Available *** 1-5 — No cash out during the first five years 6-10 — # of excess hours x base hourly rate x .25 11 -15 — # of excess hours x base hourly rate x .50 16+ — # of excess hours x base hourly rate x .75 *Sick leave bank cash outs shall be calculated to include the Education Achievement Pay received by the employee. 2. When cashing out sick leave bank time, a balance of at least four hundred eighty (480) hours of sick leave shall be maintained at all times. 3. Starting calendar year 2024, employees shall be limited to cash-outs of sick leave twice yearly, provided the employee irrevocably designates in writing the amount of leave to be cashed out in the year preceding the cash-out. Cash-out is at the employee's rate of pay at the time paid. Human Resources and/or Finance will supply the irrevocable designation form upon request.

MOU ARTICLE	TENTATIVE AGREEMENT
Salaries Article 2.01	**Replace the current language in Article 2.01, paragraph A. (Salary/Pay Schedules) in its entirety, with the following:** **A. Salary/Pay Schedules.** Police Lieutenant base monthly salary/pay range and Police Captain base monthly salary/pay range will be maintained with five (5) pay steps titled "A" step through "E" step. Each pay step up to step "E" will be five percent (5%) greater than the previous step. The salary ranges for Police Lieutenant and Police Captain shall be adjusted, as necessary, so that the bottom step base salary for Police Lieutenant shall always remain five percent (5%) greater than the top step base salary for Police Sergeant and the salary range for Police Captain shall be adjusted, as necessary, so that the bottom step base salary shall remain five percent (5%) greater than the top step base salary for Police Lieutenant. **Year 1** Effective the pay period beginning July 12, 2026, or the first full pay period after City Council approval of the tentative agreement, whichever is later, the base pay of all represented employees will increase by a two percent (2.0%) cost-of-living adjustment (COLA).

	Year 2 Effective the pay period beginning July 11, 2027, the base pay of all represented employees will increase by a two percent (2.0%) COLA. **Year 3** Base COLA - Effective the pay period beginning July 9, 2028, the base pay of all represented employees will increase by a two percent (2.0%) COLA.

MOU ARTICLE	TENTATIVE AGREEMENT
Total Compensation Article 2.03	**Replace the current language in Article 2.03, in its entirety, with the following:** In order to attract and retain qualified sworn police employees, the CITY endeavors to maintain salaries and benefits that are comparable in the local market. A. Definition. The combination of salaries and benefits is known as total compensation. CITY and ASSOCIATION agree that total compensation shall consist of the following, as applicable and as may be provided by the CITY: Base salary (top step) for each classification, member retirement contribution paid by employer, employer retirement contribution paid by employer, health care contribution (including employer contribution for medical, dental, vision, and life insurance), uniform allowance, holiday leave, annual leave, bereavement leave, educational pay incentives, special assignment pay (e.g., Admin On-Call Pay, Night Premium Pay), tuition reimbursement, longevity pay, and employer-sponsored plan contributions (e.g., deferred compensation, long-term disability). B. Comparable Cities. CITY and ASSOCIATION agree that, when collecting information regarding total compensation or elements of total compensation, the following cities will be surveyed: City of Riverside, Riverside County, Escondido, Chino, Corona, Indio, Oceanside, Menifee, Redlands, and Hemet. The comparable agencies listed above shall automatically be updated to match the comparable agency list agreed upon between the City and the Murrieta Police Officers' Association. C. This Article does not obligate the CITY to establish base salary or total compensation based on any local market survey, nor does it require the CITY to establish compensation at any specific market position, ranking, or percentile.

MOU ARTICLE	TENTATIVE AGREEMENT
Insurance Article 2.05	**Replace the current language in Article 2.05, paragraph A., in its entirety, with the following:** **A. Cafeteria Plan.** The CITY shall provide a "cafeteria plan" benefit for represented employees. The CITY shall provide funding for medical and related expenditures as follows: The City of Murrieta is a contracting agency for participation under PEMHCA. Government Code §22892 sets the minimum employer contributions required for enrollment in the Act. The CITY contribution for health insurance for purposes of the Act shall be the minimum monthly contribution required by PEMHCA and shall be adjusted to reflect changes in the minimum employer contribution requirements. In addition to the monthly MEC, as that number may from time to time change, the CITY shall fund a Section 125 cafeteria plan on behalf of each employee in the following amount, which includes the MEC: • Effective the first payday in calendar year 2026, the total monthly contribution shall be two thousand dollars (**$2,000**). • Effective the first payday in calendar year 2029, the total monthly contribution shall be two thousand and fifty dollars (**$2,050**). <u>The total monthly contribution has the following restrictions:</u> 1. Up to $933.43 of the Cafeteria Plan may be utilized only for medical insurance premiums. The remaining amount may be used for other allowable "Cafeteria Plan" expenditures, such as medical premiums and Flexible Spending Account contributions. 2. No provision for cash-in-lieu (a taxable cash payment). 3. No provision for a Deferred Compensation contribution from the CITY's monthly contribution. **Continuation upon Retirement** 1. **Employees hired prior to January 1, 2008** - eligible retirees shall receive the monthly MEC to participate in PEMHCA ($133.00 per month for calendar year 2018) and a $700.33 monthly contribution to a Retirement Health Savings Plan ("RHS"). The total monthly expenditure for pre-January 1, 2008, employees who thereafter retire shall remain fixed at a maximum $833.43 (consisting of the MEC to participate in PEMHCA, as from time to time changes, and the RHS contribution.)

	2. **January 1, 2008 and later employees (10 complete years of City service)** Employees hired on and after January 1, 2008 and who thereafter retire from City service with a minimum ten (10) complete years of service with the City, shall receive City-funded medical insurance for the retiree and eligible dependents, in an amount not to exceed $360.00 per month up to the date of eligibility to receive Medicare. (The $360.00 maximum amount is computed by adding the MEC, to an RHS contribution, which shall, when totaled, equal $360.00 per month.) Upon employee eligibility for Medicare, the City contribution to medical insurance shall be in the MEC. 3. **January 1, 2008 and later employees (less than 10 complete years of City service)** - For those employees hired on and after January 1, 2008, who then retire from City service with less than ten (10) full years of City service, the City medical insurance contribution shall be equivalent to the MEC.

MOU ARTICLE	TENTATIVE AGREEMENT
Personal Leave Article 3.04	**Increase the administrative leave from 60 hours per year to 75 hours per year.**

MOU ARTICLE	TENTATIVE AGREEMENT
Re-Openers Article 4.12	**Replace the current language in Article 4.12, in its entirety, with the following:** The parties agree to meet and confer during the term of this MOU regarding the following matters: A. Update to CITY's Employer-Employee Relations Resolution and/or local labor relations rules and procedures. B. Update Personnel Rules and PD Manual. C. In the event the Murrieta Police Officers' Association (MPOA) and the City negotiate and implement any new compensation or benefit enhancement during the term of this Agreement, the City shall, upon request of the Association, meet and confer regarding the applicability of such enhancement to employees covered by this Agreement.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 6.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Diego Chavez, Administrative Services Director

PREPARED BY: Michelle Tamez, Senior Human Resources Analyst

SUBJECT:

Approve a Tentative Agreement for a Successor Memorandum of Understanding between the City of Murrieta and the Murrieta Police Officers Association for the Period July 1, 2026, through June 30, 2029

ABSTRACT

The City of Murrieta (City) and the Murrieta Police Officers Association (MPOA) have successfully completed negotiations for a successor Memorandum of Understanding (MOU). The parties reached a Tentative Agreement addressing wages, benefits, and other terms and conditions of employment for employees represented by MPOA. The Tentative Agreement has been ratified by the Association and is being presented to the City Council for consideration and approval. Upon approval of the Tentative Agreement, the parties will prepare a successor MOU that establishes the negotiated terms for the agreement period and supports the City's continued commitment to maintaining competitive compensation, operational effectiveness, and fiscal responsibility.

RECOMMENDATION

Adopt Resolution No. 26-4957 entitled: *A Resolution of the City Council of the City of Murrieta, California, Approving a Tentative Agreement for a Successor Memorandum of Understanding between the City of Murrieta and the Murrieta Police Officers Association for the Period July 1, 2026, Through June 30, 2029.*

PRIOR ACTION/VOTE

On August 20, 2024, the City Council adopted Resolution No. 24-4775, adopting and implementing a successor Memorandum of Understanding between the City of Murrieta and the Murrieta Police Officers Association for the period July 1, 2023, through June 30, 2026 (Vote: 5-0).

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of: maintaining a high performing organization that values fiscal sustainability, transparency, accountability and organizational efficiency relating to an administrative priority. The Tentative Agreement supports employee recruitment and retention, operational effectiveness, and the City's long-term financial planning objectives.

DISCUSSION

Through the process of collective bargaining, the City of Murrieta (City) periodically negotiates with the respective employee organizations for the purpose of establishing and/or updating compensation, benefits, and other terms and conditions of employment for their represented employees, including tentative agreements for successor Memoranda of Understanding (MOU) affecting compensation and benefits. All such agreements must be voted on and passed by a majority of each affected employee organization's membership (ratification) and subsequently approved by the City Council before becoming effective. Once approved by the City Council, the terms of tentative agreements for successor MOUs are immediately effective, but are also then memorialized in the successor MOU or through MOU amendments and brought back to the City Council for final approval.

The current MOU between the City and the Murrieta Police Officers Association (MPOA or Association), adopted by City Council Resolution No. 24-4775 covering the period July 1, 2023, through June 30, 2026 (MPOA MOU 2023-26), expired on June 30, 2026. MPOA currently represents 104 total City employees, including 71 Police Officers, 10 Police Corporals, 6 Police Detectives, 15 Police Sergeants, and 2 Traffic Investigators.

The labor representatives of the City and MPOA commenced labor negotiations for a successor MOU with their first meeting on February 18, 2026. The parties met again on March 5, 2026, March 18, 2026, April 9, 2026, April 27, 2026, May 5, 2026, May 14, 2026, June 15, 2026, and June 18, 2026. The labor representatives of the City and MPOA have met and conferred in good faith and have come to a ratified Tentative Agreement on a fair and equitable package of compensation and benefits for a successor MPOA MOU covering the period July 1, 2026, through June 30, 2029, pursuant to the Meyers-Milias-Brown Act (MMBA) (Government Code sections 3500-3511) and the City's Employer-Employee Relations Resolution No. 93-214.

The members of the Association have voted to ratify the Tentative Agreement, and the labor representatives of the City and the MPOA have executed it, subject to final approval by the City Council. Staff has prepared Resolution No. 26-4957 (Attachment 1) for the City Council to consider approving the executed Tentative Agreement for a successor MPOA MOU for the period July 1, 2026, through June 30, 2029.

As negotiated, the proposed Tentative Agreement for a successor MOU includes the following compensation and benefit terms:

- Two percent (2%) base salary Cost of Living Adjustment (COLA), effective the pay period beginning July 12, 2026.
- Effective the first payday in calendar year 2027, the monthly health contribution shall increase from $1,826.90 to $2,000 and shall remain in effect through calendar year 2028.
- Effective the first payday in calendar year 2029, the monthly health contribution shall increase by fifty dollars to $2,050.

In addition, the following Educational Pay Incentive tiers shall become effective beginning the first full pay period following City Council approval of the Tentative Agreement and completion of necessary payroll implementation, whichever occurs later:

- $3.00 per hour for possession of an Advanced POST Certificate.
- $3.00 per hour for possession of a Supervisory POST Certificate.

- $4.00 per hour for possession of a Bachelor's Degree from an accredited college or university.
- $5.00 per hour for possession of a Master's Degree from an accredited college or university.
- $6.00 per hour total for possession of both an Advanced POST Certificate and a Supervisory POST Certificate. ($3.00 for Advanced POST and $3.00 for Supervisory POST)
- $7.00 per hour total for possession of both an Advanced POST Certificate and a Bachelor's Degree from an accredited college or university. ($3.00 for Advanced POST and $4.00 for Bachelor's Degree)
- $8.00 per hour total for possession of both an Advanced POST Certificate and a Master's Degree from an accredited college or university. ($3.00 for Advanced POST and $5.00 for Master's Degree)
- $10.00 per hour total for possession of an Advanced POST Certificate, a Supervisory POST Certificate, and a Bachelor's Degree from an accredited college or university. ($3.00 for Advanced POST, $3.00 for Supervisory POST, and $4.00 for Bachelor's Degree)
- $11.00 per hour total for possession of an Advanced POST Certificate, a Supervisory POST Certificate, and a Master's Degree from an accredited college or university.($3.00 for Advanced POST, $3.00 for Supervisory POST, and $5.00 for Master's Degree)

A fully executed copy of the Tentative Agreement, which contains the full successor MOU agreement deal points, is attached to Resolution No. 26-4957 as Exhibit A.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item).

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

The projected fiscal impact of implementing the MPOA MOU for the period July 1, 2026, through June 30, 2029, is $4,813,583. This includes vacant and new positions authorized in the Fiscal Year 2026/27 Operating Budget. The fiscal impact for Fiscal Years 2027/28 and 2028/29 will be included in the next proposed biennial budget.

Fiscal Year 2026/27	$ 1,489,288
Fiscal Year 2027/28	$ 1,629,157
Fiscal Year 2028/29	$ 1,695,138

TENTATIVE AGREEMENT

FOR A SUCCESSOR MOU BETWEEN THE CITY OF MURRIETA AND

THE MURRIETA POLICE OFFICERS ASSOCIATION

JUNE 22, 2026

The current Memorandum of Understanding (MOU) between the City of Murrieta (City) and the Murrieta Police Officers Association (MPOA or Association), adopted by City Council Resolution No. 24-4775 covering the period July 1, 2023, through June 30, 2026 (MPOA MOU 2023-26), is set to expire June 30, 2026. MPOA currently represents 104 total City employees, including 71 Police Officers, 10 Police Corporals, 6 Police Detectives, 15 Police Sergeants, and 2 Traffic Investigators.

Pursuant to the Meyer-Millias-Brown Act ("MMBA") (Gov't Code Section 3500 – 3511) and the City's Employer-Employee Relations Resolution No. 93-214, the labor relations representatives of the City and the Association commenced labor negotiations for a successor MOU with their first meeting on February 18, 2026. The parties met again on March 5, 2026, March 18, 2026, April 9, 2026, April 27, 2026, May 5, 2026, May 14, 2026, June 15, 2026, and June 18, 2026. The parties exchanged proposals and counter proposals for a successor MOU during this time and up through and including June 17, 2026. On June 21, 2026, the Association notified the City that the Association's membership had voted to approve the City's latest revised Proposal #4 dated June 17, 2026. Accordingly, the City and the Association have reached a Tentative Agreement on the deal terms for a successor MPOA MOU covering the period from July 1, 2026, through June 30, 2029, as set forth in this document.

All items affecting compensation within the current MPOA MOU 2023-26 not addressed herein are proposed to remain unchanged. The parties intend to prepare a redlined version of the successor MOU, which will include additional cleanup edits and language changes, subject to meet-and-confer. In addition, any language that has a sunset will be deemed to have no further force or effect. The following deal terms were ratified by the Association, but remain subject to formal approval and adoption by the City Council per the MMBA and specifically California Government Code Section 3505.1, which provides:

> "If a tentative agreement is reached by the authorized representatives of the public agency and a recognized employee organization or recognized employee organizations, the governing body shall vote to accept or reject the tentative agreement within 30 days of the date it is first considered at a duly noticed public meeting. A decision by the governing body to reject the tentative agreement shall not bar the filing of a charge of unfair practice for failure to meet and confer in good faith. If the governing body adopts the tentative agreement, the parties shall jointly prepare a written memorandum of understanding."

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 7.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Diego Chavez, Administrative Services Director

PREPARED BY: Michelle Tamez, Senior Human Resources Analyst

SUBJECT:

Second Reading and Adoption of Ordinance No. 633-26 and Ordinance No. 634-26 Amending the City of Murrieta and Murrieta Fire District Contracts with the California Public Employees' Retirement System (CalPERS) to Include Public Employees' Pension Reform Act (PEPRA) Language

ABSTRACT

The proposed action provides for the second reading and adoption of Ordinance No. 633-26 and Ordinance No. 634-26, which amend the City of Murrieta and Murrieta Fire District contracts with the California Public Employees' Retirement System (CalPERS) to incorporate Public Employees' Pension Reform Act (PEPRA) language. These administrative amendments ensure the contracts accurately reflect current statutory requirements and do not change retirement benefits or contribution rates.

RECOMMENDATION

Conduct the second reading and adopt Ordinance No. 633-26 entitled: *An Ordinance of the City Council of the City of Murrieta, California, Approving an Amendment to the Contract Between the City Council of the City of Murrieta and the Board of Administration of the California Public Employees' Retirement System to Include Public Employees' Pension Reform Act (PEPRA) Language*;

Acting as the Board of Directors of the Murrieta Fire Protection District, conduct the second reading and adopt Ordinance No. 634-26 entitled: *An Ordinance of the City Council of the City of Murrieta, California, Acting as the Murrieta Fire District, Approving an Amendment to the Contract Between the Board of Directors of the Murrieta Fire District and the Board of Administration of the California Public Employees' Retirement System to Include Public Employees' Pension Reform Act (PEPRA) Language*; and

Authorize the City Manager or designee to execute the documents and forms necessary to effectuate the City of Murrieta and Murrieta Fire District Contracts with CalPERS to incorporate PEPRA language.

PRIOR ACTION/VOTE

On June 2, 2026, the City Council adopted Resolution Nos. 26-4937 and MFD 26-227 and also introduced Ordinances Nos. 633-26 and 634-26 for approval of an Amendment to CalPERS Contracts to include Public Employees' Pension Reform Act (PEPRA) language for the City of Murrieta and the Murrieta Fire District

(Vote: 5-0).

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of: maintaining a high performing organization that values fiscal sustainability, transparency, accountability and organizational efficiency relating to an administrative priority. Amending the City's contract with CalPERS to incorporate PEPRA language ensures legal compliance, strengthening internal controls and standardizing pension administration. Incorporating PEPRA provisions helps manage long-term pension liabilities, improves financial predictability, and reduces risk.

DISCUSSION

On June 2, 2026, the City Council adopted Resolution No. 26-4937 and Resolution No. MFD 26-227 and introduced Ordinances Nos. 633-26 and 634-26 for first reading. The proposed ordinances amend the City and Murrieta Fire District contracts with CalPERS to formally incorporate PEPRA provisions into the contracts, consistent with current State law and CalPERS requirements. The CalPERS contract amendments were requested by CalPERS.

The amendments are administrative in nature and do not modify employee retirement benefits, contribution rates, or pensionable compensation limits. Adoption of the ordinances completes the contract amendment process and ensures the City and Murrieta Fire District contracts remain consistent with applicable statutory requirements.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item).

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

There is no fiscal impact associated with the proposed ordinances. Retirement benefits and contributions will continue to be administered in accordance with State law and existing City policies.

ORDINANCE NO. 633-26

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA, APPROVING AN AMENDMENT TO THE CONTRACT BETWEEN THE CITY COUNCIL OF THE CITY OF MURRIETA AND THE BOARD OF ADMINISTRATION OF THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM TO INCLUDE PUBLIC EMPLOYEES' PENSION REFORM ACT (PEPRA) LANGUAGE

Summary: This ordinance approves an amendment to the City's contract with the Board of Administration of the California Public Employees' Retirement System (CalPERS) to reference Public Employees' Pension Reform Act (PEPRA) language.

WHEREAS, the City of Murrieta (the "City") participates in the California Public Employees' Retirement System ("CalPERS") pursuant to a contract with the Board of Administration of CalPERS (the "Board"); and

WHEREAS, the Public Employees' Pension Reform Act of 2013 ("PEPRA") established new requirements and limitations applicable to public retirement systems and participating agencies, including provisions governing pensionable compensation and benefit structures; and

WHEREAS, the City desires to ensure that its CalPERS contract provisions are consistent with and fully compliant with the requirements of PEPRA and applicable state law; and

WHEREAS, the Board has requested that participating agencies amend their contracts to expressly incorporate and clarify compliance with PEPRA provisions where necessary; and

WHEREAS, the City Council of the City of Murrieta has determined that it is in the best interest of the City to approve an amendment to its contract with CalPERS to incorporate PEPRA language and ensure continued participation in the CalPERS retirement system in accordance with state law.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. That an amendment to the contract between the City Council of the City of Murrieta and the Board of Administration, California Public Employees' Retirement System, is hereby authorized, a copy of said amendment being attached hereto, marked Exhibit A, and by such reference made a part hereof as though herein set out in full.

SECTION 2. The Mayor of the City Council is hereby authorized, empowered, and directed to execute said amendment for and on behalf of the City of Murrieta.

SECTION 3. This ordinance is exempt from the California Environmental Quality Act ("CEQA") under Section 15061(b)(3) of the CEQA Guidelines, which provides that CEQA only

applies to projects that have the potential for causing a significant effect on the environment. Where, as here, it can be seen with certainty that there is no possibility that the activity in question would have a significant effect on the environment, the activity is not subject to CEQA.

SECTION 4. If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of any competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each and every section, subsection, sentence, clause and phrase thereof not declared invalid or unconstitutional without regard to whether any portion of the ordinance would be subsequently declared invalid or unconstitutional.

SECTION 5. This Ordinance shall become effective on the thirty-first (31st) day after its passage and adoption, and within fifteen (15) days after its final passage and the City Clerk shall cause it to be posted and published in a newspaper of general circulation, printed, published and circulated in the City in the manner required by law and shall cause a copy of this Ordinance and its certification, to be entered in the Book of Ordinances of the City.

Public Employees' Retirement System

AMENDMENT TO CONTRACT

Between the Board of Administration California Public Employees' Retirement System and the City Council City of Murrieta

The Board of Administration, California Public Employees' Retirement System, hereinafter referred to as Board, and the governing body of the above public agency, hereinafter referred to as Public Agency, having entered into a contract effective February 9, 1992, and witnessed January 13, 1992, and as amended effective February 7, 1993, June 26, 1994, September 16, 1994, June 22, 1997, October 5, 2001, November 1, 2002, July 13, 2003, November 7, 2004, June 24, 2007, and December 30, 2012, which provides for participation of Public Agency in said System, Board and Public Agency hereby agree as follows:

A. Paragraphs 1 through 15 are hereby stricken from said contract as executed, effective December 30, 2012, and hereby replaced by the following paragraphs numbered 1 through 17 inclusive:

1. All words and terms used herein which are defined in the Public Employees' Retirement Law shall have the meaning as defined therein unless otherwise specifically provided. "Normal retirement age" shall mean age 55 for classic local miscellaneous members entering membership in the miscellaneous classification on or prior to December 30, 2012, age 60 for classic local miscellaneous members entering membership for the first time in the miscellaneous classification after December 30, 2012, age 62 for new local miscellaneous members, age 50 for classic local safety members entering membership in the safety classification on or prior to December 30, 2012, age 55 for classic local safety members entering membership for the first time in the safety classification after December 30, 2012, and age 57 for new local safety members.

2. Public Agency shall participate in the Public Employees' Retirement System from and after February 9, 1992, making its employees as hereinafter provided, members of said System subject to all provisions of the Public Employees' Retirement Law except such as apply only on election of a contracting agency and are not provided for herein and to all amendments to said Law hereafter enacted except those, which by express provisions thereof, apply only on the election of a contracting agency.

3. Public Agency agrees to indemnify, defend and hold harmless the California Public Employees' Retirement System (CalPERS) and its trustees, agents and employees, the CalPERS Board of Administration, and the California Public Employees' Retirement Fund from any claims, demands, actions, losses, liabilities, damages, judgments, expenses and costs, including but not limited to interest, penalties and attorney fees that may arise as a result of any of the following:

   (a) Public Agency's election to provide retirement benefits, provisions or formulas under this Contract that are different than the retirement benefits, provisions or formulas provided under the Public Agency's prior non-CalPERS retirement program.

   (b) Any dispute, disagreement, claim, or proceeding (including without limitation arbitration, administrative hearing, or litigation) between Public Agency and its employees (or their representatives) which relates to Public Agency's election to amend this Contract to provide retirement benefits, provisions or formulas that are different than such employees' existing retirement benefits, provisions or formulas.

   (c) Public Agency's agreement with a third party other than CalPERS to provide retirement benefits, provisions, or formulas that are different than the retirement benefits, provisions or formulas provided under this Contract and provided for under the California Public Employees' Retirement Law.

4. Employees of Public Agency in the following classes shall become members of said Retirement System except such in each such class as are excluded by law or this agreement:

   a. Local Police Officers (herein referred to as local safety members);

   b. Employees other than local safety members (herein referred to as local miscellaneous members).

5. In addition to the classes of employees excluded from membership by said Retirement Law, the following classes of employees shall not become members of said Retirement System:

   a. FIREFIGHTERS.

6. The percentage of final compensation to be provided for each year of credited prior and current service as a classic local miscellaneous member in employment before and not on or after June 24, 2007, shall be determined in accordance with Section 21354 of said Retirement Law (2% at age 55 Full).

7. The percentage of final compensation to be provided for each year of credited prior and current service as a classic local miscellaneous member in employment on or after June 24, 2007, and not entering membership for the first time in the miscellaneous classification after December 30, 2012, shall be determined in accordance with Section 21354.5 of said Retirement Law (2.7% at age 55 Full).

8. The percentage of final compensation to be provided for each year of credited current service as a classic local miscellaneous member entering membership for the first time in the miscellaneous classification after December 30, 2012, shall be determined in accordance with Section 21353 of said Retirement Law (2% at age 60 Full).

9. The percentage of final compensation to be provided for each year of credited prior and current service as a new local miscellaneous member shall be determined in accordance with Section 7522.20 of said Retirement Law (2% at age 62 Full).

10. The percentage of final compensation to be provided for each year of credited prior and current service as a classic local safety member entering membership in the safety classification on or prior to December 30, 2012, shall be determined in accordance with Section 21362.2 of said Retirement Law (3% at age 50 Full).

11. The percentage of final compensation to be provided for each year of credited current service as a classic local safety member entering membership for the first time in the safety classification after December 30, 2012, shall be determined in accordance with Section 21363.1 of said Retirement Law (3% at age 55 Full).

12. The percentage of final compensation to be provided for each year of credited prior and current service as a new local safety member shall be determined in accordance with Section 7522.25(d) of said Retirement Law (2.7% at age 57 Full).

13. Public Agency elected and elects to be subject to the following optional provisions:

    a. Section 20042 (One-Year Final Compensation) for those classic local miscellaneous members and classic local safety members entering membership on or prior to December 30, 2012.

    b. Section 20965 (Credit for Unused Sick Leave).

c. Section 21151 (Industrial Disability Retirement for Local Miscellaneous Members).

d. Section 20938 (Limit Prior Service to Members Employed on Contract Date) for local safety members only.

e. Section 21574 (Fourth Level of 1959 Survivor Benefits).

f. Section 21024 (Military Service Credit as Public Service) for local miscellaneous members only.

g. Section 20475 (Different Level of Benefits): Section 21353 (2% @ 60 Full formula) and Section 20037 (Three-Year Final Compensation) are applicable to classic local miscellaneous members entering membership for the first time with this agency in the miscellaneous classification after December 30, 2012.

Section 21363.1 (3% @ 55 Full formula) and Section 20037 (Three-Year Final Compensation) are applicable to classic local safety members entering membership for the first time with this agency in the safety classification after December 30, 2012.

h. Section 20516 (Employees Sharing Cost of Additional Benefits):

Section 21362.1 (3% @ 50 Full formula) effective July 13, 2003, for local safety members entering membership on or prior to December 30, 2012.

The employee cost sharing contributions are 5.66%. The maximum employee cost sharing contribution is the normal cost plus the increase in the accrued liability due to the benefit improvement amortized over 20 years. In no event shall the employee cost sharing contribution attributable to the unfunded liability remain in effect beyond July 13, 2023. Thereafter, in any given contribution year, the maximum employee cost sharing contribution cannot exceed 3.030% of payroll.

14. Public Agency shall contribute to said Retirement System the contributions determined by actuarial valuations of prior and future service liability with respect to local miscellaneous members and local safety members of said Retirement System.

15. Public Agency shall also contribute to said Retirement System as follows:

a. Contributions required per covered member on account of the 1959 Survivor Benefits provided under Section 21574 of said Retirement Law. (Subject to annual change.) In addition, all assets and liabilities of Public Agency and its employees shall be pooled in a single account, based on term insurance rates, for survivors of all local miscellaneous members and local safety members.

b. A reasonable amount, as fixed by the Board, payable in one installment within 60 days of date of contract to cover the costs of administering said System as it affects the employees of Public Agency, not including the costs of special valuations or of the periodic investigation and valuations required by law.

c. A reasonable amount, as fixed by the Board, payable in one installment as the occasions arise, to cover the costs of special valuations on account of employees of Public Agency, and costs of the periodic investigation and valuations required by law.

16. Contributions required of Public Agency and its employees shall be subject to adjustment by Board on account of amendments to the Public Employees' Retirement Law, and on account of the experience under the Retirement System as determined by the periodic investigation and valuation required by said Retirement Law.

17. Contributions required of Public Agency and its employees shall be paid by Public Agency to the Retirement System within fifteen days after the end of the period to which said contributions refer or as may be prescribed by Board regulation. If more or less than the correct amount of contributions is paid for any period, proper adjustment shall be made in connection with subsequent remittances. Adjustments on account of errors in contributions required of any employee may be made by direct payments between the employee and the Board.

B. This amendment shall be effective on the _____ day of _____, _____.

ORDINANCE NO. 634-26

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA, ACTING AS THE MURRIETA FIRE DISTRICT APPROVING AN AMENDMENT TO THE CONTRACT BETWEEN THE BOARD OF DIRECTORS OF THE MURRIETA FIRE DISTRICT AND THE BOARD OF ADMINISTRATION OF THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM TO INCLUDE PUBLIC EMPLOYEES' PENSION REFORM ACT (PEPRA) LANGUAGE

Summary: This ordinance approves an amendment to the Murrieta Fire District's contract with the Board of Administration of the California Public Employees' Retirement System (CalPERS) to reference Public Employees' Pension Reform Act (PEPRA) language.

WHEREAS, the Murrieta Fire District (the "District") participates in the California Public Employees' Retirement System ("CalPERS") pursuant to a contract with the Board of Administration of CalPERS (the "Board"); and

WHEREAS, the Public Employees' Pension Reform Act of 2013 ("PEPRA") established new requirements and limitations applicable to public retirement systems and participating agencies, including provisions governing pensionable compensation and benefit structures; and

WHEREAS, the District desires to ensure that its CalPERS contract provisions are consistent with and fully compliant with the requirements of PEPRA and applicable state law; and

WHEREAS, the Board has requested that participating agencies amend their contracts to expressly incorporate and clarify compliance with PEPRA provisions where necessary; and

WHEREAS, the Board of Directors of the Murrieta Fire District has determined that it is in the best interest of the District to approve an amendment to its contract with CalPERS to incorporate PEPRA language and ensure continued participation in the CalPERS retirement system in accordance with state law.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. That an amendment to the contract between the Board of Directors of the Murrieta Fire District and the Board of Administration, California Public Employees' Retirement System, is hereby authorized, a copy of said amendment being attached hereto, marked Exhibit A, and by such reference made a part hereof as though herein set out in full.

SECTION 2. The Chair of the Murrieta Board of Directors of the Murrieta Fire District is hereby authorized, empowered, and directed to execute said amendment for and on behalf of the Murrieta Fire District.

SECTION 3. This ordinance is exempt from the California Environmental Quality Act ("CEQA") under Section 15061(b)(3) of the CEQA Guidelines, which provides that CEQA only applies to projects that have the potential for causing a significant effect on the environment. Where, as here, it can be seen with certainty that there is no possibility that the activity in question would have a significant effect on the environment, the activity is not subject to CEQA.

SECTION 4. If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of any competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Directors hereby declares that it would have passed this ordinance, and each and every section, subsection, sentence, clause and phrase thereof not declared invalid or unconstitutional without regard to whether any portion of the ordinance would be subsequently declared invalid or unconstitutional.

SECTION 5. This Ordinance shall become effective on the thirty-first (31st) day after its passage and adoption, and within fifteen (15) days after its final passage and the City Clerk shall cause it to be posted and published in a newspaper of general circulation, printed, published and circulated in the City in the manner required by law and shall cause a copy of this Ordinance and its certification, to be entered in the Book of Ordinances of the City.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 8.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Brian Ambrose, Community Services Director

PREPARED BY: Brian Ambrose, Community Services Director

SUBJECT:
Funding Agreement with the Riverside County Flood Control and Water Conservation District and Award of Agreement for On-Call Encampment Cleanup Services

ABSTRACT

As part of the City's ongoing homeless services strategy to achieve and maintain functional zero homelessness, staff conducts proactive encampment resolution efforts following repeated outreach and engagement attempts to connect individuals experiencing homelessness with housing opportunities, supportive services, and other critical resources.

The actions before the City Council are to:

1. Approve a three-year reimbursement agreement with the Riverside County Flood Control and Water Conservation District and authorize the associated revenue budget appropriation; and
2. Approve agreements with two (2) vendors to provide on-call encampment cleanup services in support of ongoing encampment resolution efforts throughout the City, including on Flood Control District property.

RECOMMENDATION

Amend the Fiscal Year (FY) 2026/27 Operating Budget to establish a revenue budget of $75,000 as detailed in the fiscal impact statement;

Approve a funding agreement between the City of Murrieta and Riverside County Flood Control and Water Conservation District for the cleanup of trash, debris, and other items on District-owned property and authorize the City Manager to execute all applicable documents;

Approve a three year agreement with Restore Environmental, LLC in the amount of $135,00 for on-call Homeless Encampment Clean-Up Services;

Approve a three year agreement with Hunter's Consulting, Inc. dba HCI Environmental in the amount of $225,000 for on-call Homeless Encampment Clean-Up Services; and

Authorize the City Manager to execute agreements with HCI Environmental and Restore Environmental, LLC,

and to execute any future extensions to the agreement as provided within the terms of the agreements.

PRIOR ACTION/VOTE

On August 15, 2023, the City Council, approved a three-year funding agreement with the Riverside County Flood Control and Water Conservation District and awarded three-year encampment clean-up service agreements to Clean Harbors and Hunter's Consultant Inc. (Vote:5-0).

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of: coordinating and delivering responsive, effective community services relating to an administrative priority.

DISCUSSION

The Riverside County Flood Control and Water Conservation District (District) owns and maintains major creeks and flood control channels throughout the City of Murrieta (City), including portions of Murrieta Creek. These waterways are occasionally impacted by homeless encampments, resulting in the accumulation of trash, debris, abandoned property, and hazardous materials that can adversely affect flood control operations, environmental resources, public safety, and water quality.

The attached funding agreement (Attachment 1) authorizes the City and its contractors to access District-owned property to perform encampment cleanup services at the District's request, or as determined necessary by City staff. Under the terms of the agreement, the District will reimburse the City for eligible costs associated with these services, including contractor expenses incurred on the City's behalf. The agreement authorizes the City to perform these services from July 1, 2026, through June 30, 2029, with a not-to-exceed amount of $225,000 over the term of the agreement. This represents the second, three-year reimbursement agreement between the City and the District for encampment clean-up services.

Due to the specialized staffing, equipment, and hazardous materials handling expertise required to safely conduct encampment cleanups, the City does not perform these services in-house. Accordingly, staff recommends entering into agreements with qualified vendors to continue providing these services on an as-needed basis. As the City's current agreements will expire on June 30, 2026, staff released a Request for Proposals (RFP) on April 29, 2026, seeking qualified contractors to provide as-needed encampment cleanup services.

The RFP application period closed on May 20, 2026, and the City received 11 proposals. Staff reviewed all submitted proposals and selected five (5) vendors to participate in interviews on June 5, 2026. Following the interview process, staff found that Restore Environmental, LLC and HCI Environmental were the most qualified firms and offered the best overall value to the City for the requested services. HCI Environmental is currently a contractor for encampment clean-up services, and Restore Environmental, LLC has been used by the City in the past. Both have provided timely services of complex clean-ups and understand public safety and encampment protocols.

The proposed agreements are structured on an as-needed basis to provide operational flexibility in responding to varying encampment conditions throughout the City, including large-scale debris removal and biohazard remediation. The selected vendors will provide cleanup services both within Murrieta Creek under the District reimbursement agreement and throughout other areas of the City as needed. These agreements will support the City's ongoing encampment resolution efforts while protecting public health, environmental resources, and critical flood control infrastructure.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item).

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

Approving the two (2) on-call encampment contractor agreements will result in expenditures not to exceed $360,000 over the terms of both agreements. However, annual expenditures are anticipated to be approximately $120,000. The agreements are on an as-needed basis and based upon rates submitted by the vendors. Funding for any work provided on District property will be reimbursed.

Funding for these activities is already available for FY 2026/27 in account 1105100-60480.

If the City Council approves the Funding Agreement with the Riverside County Flood Control and Water Conservation District, staff recommends an amendment to the Fiscal Year (FY) 2026/27 Operating Budget to establish a revenue budget of $75,000 in general ledger account 1105100-42223 to reflect expected reimbursements from the County.

FUNDING AGREEMENT
Removal of Debris Materials

This Funding Agreement ("AGREEMENT"), dated as of _____, is entered into by and between the Riverside County Flood Control and Water Conservation District, a body corporate and politic, ("DISTRICT") and the City of Murrieta, a California municipal corporation ("CITY"). DISTRICT and CITY are individually referred to herein as "Party" and collectively referred to herein as the "Parties". The Parties hereto agree as follows:

RECITALS

A. DISTRICT is the owner of certain real property located in the city of Murrieta ("PROPERTY"), as shown in concept in red on **Exhibit "A"**, attached hereto and incorporated herein by this reference. PROPERTY is used for flood control and water conservation facilities and open space. A significant portion of PROPERTY is in its natural condition.

B. At various times, significant amounts of trash, debris, biological materials, abandoned personal property and other similar material ("MATERIALS") accumulate on PROPERTY, which need to be cleaned up in order to maintain the efficiency of the flood control and water conservation facilities, the integrity of the natural state of PROPERTY and to reduce the risk of soil and water contamination.

C. CITY benefits from the efforts to maintain the efficiency of the flood control and water conservation facilities, the integrity of the natural state of PROPERTY and to reduce the risk of soil and water contamination as residential, commercial, parks and recreation facilities are located around PROPERTY and are within the jurisdictional boundaries of CITY.

D. CITY has experience and expertise in the maintenance of drainage facilities and the implementation of stormwater quality programs and activities to comply with the

requirements of the National Pollutant Discharge Elimination System permit and Municipal Separate Storm Sewer System permit.

E. DISTRICT and CITY desire to use their respective resources to maintain PROPERTY for the mutual benefit of both Parties.

NOW, THEREFORE, in consideration of the preceding recitals and the mutual covenants hereinafter contained, the Parties hereto mutually agree that the above recitals are true and correct and incorporated into the terms of this AGREEMENT and as follows:

AGREEMENT

1. Maintenance of DISTRICT PROPERTY.

A. DISTRICT hereby grants to CITY, its agents and contractors the authority to enter PROPERTY for the purpose of removing MATERIALS, subject to the terms of this AGREEMENT. The General Manager-Chief Engineer of DISTRICT shall designate in writing to CITY the person who shall represent DISTRICT in the coordination and supervision of the removal of MATERIALS ("DISTRICT REPRESENTATIVE") and the contact information for such representative. CITY's City Manager shall designate in writing to DISTRICT the person who shall represent CITY in the coordination and supervision of the removal of MATERIALS ("CITY REPRESENTATIVE") and the contact information for such representative.

B. CITY, its agents and contractors may enter PROPERTY for the purpose of the removal of MATERIALS either at the request of DISTRICT or upon its own determination that such MATERIALS are present on PROPERTY. If CITY determines MATERIALS are on PROPERTY and need to be removed, CITY shall notify DISTRICT REPRESENTATIVE in writing as soon as practicable following such determination of the location and nature of MATERIALS. CITY shall attempt to make such notification at least ten calendar days prior to the removal of MATERIALS, in accordance with the Material Removal Procedures as set forth

in **Exhibit "B"**, attached hereto and incorporated herein by this reference. However, CITY's notification shall be no less than three business days prior to MATERIALS removal.

C. Once the pre-material removal assessment and other requisite actions have been taken, CITY shall remove MATERIALS with its own forces or with contractor in accordance with (i) **Exhibit "B"**, Material Removal Procedures, (ii) CITY's Standard Operating Procedures regarding the removal of unlawful campsites, bulky items and personal property and (iii) all applicable federal, state and local laws, rules and regulations in order to prevent the infringement of any state or federal rights. Additionally, CITY shall record the removal of MATERIALS in accordance with **Exhibit "C"**, Cleanup Report ("REPORT"), attached hereto and incorporated herein by this reference. The General Manager-Chief Engineer of DISTRICT and the City Manager of CITY are hereby authorized to amend this AGREEMENT for the limited purpose of (i) updating PROPERTY as shown in **Exhibit "A"** and (ii) revising the procedures and/or reporting set forth in **Exhibits "B" and "C"**.

D. CITY must submit a completed REPORT(s) to DISTRICT within seven calendar days after the completion of each MATERIALS removal.

E. DISTRICT reserves the right to postpone the removal of MATERIALS located on PROPERTY and/or reassign the removal of MATERIALS to DISTRICT by following the procedures set forth in the Materials Removal Procedures. Such delays and reassignments shall be handled on a case-by-case basis as to be determined by DISTRICT REPRESENTATIVE in consultation with CITY staff.

2. REGULATORY PERMITS.

A. Any permits, approvals or agreements required by any federal, state or local resource and/or regulatory agency for the removal of MATERIALS must be obtained prior to commencing removal of MATERIALS. Such documents include, but are not limited to, those issued by the U.S. Fish and Wildlife Service, U.S. Army Corps of Engineers, California Regional

Water Quality Control Board, California Department of Fish and Wildlife, State Water Resources Control Board and Western Riverside County Regional Conservation Authority, hereinafter called "REGULATORY PERMITS". DISTRICT shall be responsible for determining what, if any, REGULATORY PERMITS must be obtained prior to the removal of MATERIALS. Responsibility for REGULATORY PERMITS shall be handled on a case-by-case basis as to be determined by DISTRICT REPRESENTATIVE.

B. In the event that CITY needs to obtain any of the REGULATORY PERMITS, CITY shall ensure that any REGULATORY PERMITS secured by CITY, including any subsequent renewal or amendments thereto, will not (i) impede DISTRICT's ability to perform all necessary operation and maintenance activities for PROPERTY as determined by DISTRICT or (ii) include any stipulations that would result in additional mitigation obligations being placed upon DISTRICT for maintenance operations within DISTRICT's right of way.

3. Compensation for Services Performed by CITY.

A. The compensation for services performed by CITY under this AGREEMENT shall not exceed the total of sum of Two Hundred Twenty-Five Thousand Dollars ($225,000) over the entire term of this AGREEMENT ("DISTRICT CONTRIBUTION") and shall be used by CITY solely for the purpose of removal of MATERIALS as set forth herein. DISTRICT CONTRIBUTION is contingent upon the availability of DISTRICT funds and budgetary approval.

B. In the event AGREEMENT is terminated, DISTRICT shall make payment for all services performed in accordance with this AGREEMENT to the date of termination in accordance with Section 5(b)(c).

4. Accounting for Services Performed by CITY.

A. Prior to the commencement of any removal of MATERIALS, CITY shall submit to DISTRICT an estimate of costs for removal of MATERIALS and obtain approval by

DISTRICT of the costs. DISTRICT shall pay to CITY the CITY's actual reasonable costs of performing the work to remove MATERIALS as provided in this AGREEMENT, including, but not limited to, the costs of contractors performing such work on behalf of CITY and any onsite hazardous materials assessment that may be needed.

B. On a quarterly basis, CITY shall prepare and submit to DISTRICT an itemized invoice, prepared in a form satisfactory to DISTRICT, within thirty calendar days after the end of the quarter in which CITY removed MATERIALS from PROPERTY.

Quarter	**Start**	**End**	**Invoice Due Date**
First Quarter	July 1	September 30	October 31
Second Quarter	October 1	December 31	January 31
Third Quarter	January 1	March 31	April 30
Fourth/Final Accounting Quarter	April 1	June 30	July 31

C. CITY's invoice shall include a detailed breakdown of all costs, including, but not limited to, AGREEMENT tracking number, the date(s) the removal of MATERIALS was performed, an itemization of labor and hours worked by each unique classification, contractor and associated costs, and other such documents as may be necessary to establish the actual cost of MATERIALS removal. A copy of the completed REPORT(S) must also be attached to the invoice.

D. DISTRICT shall notify CITY of any objections to such invoices within thirty calendar days of submission of the invoice to DISTRICT. In the event CITY determines that a charge was billed incorrectly, an addendum to the invoice in question shall be provided, and DISTRICT shall be reimbursed or credited for the amount incorrectly charged. Within forty-five calendar days of receipt of an appropriate invoice, DISTRICT shall pay the invoice. DISTRICT shall not pay interest or finance charges on any outstanding balance(s).

E. CITY shall maintain records of the costs incurred in accordance with reasonable accounting standards.

F. CITY shall keep an accurate accounting of all MATERIALS removal costs and include this final accounting for each DISTRICT fiscal year (July 1 through June 30) when invoicing DISTRICT for MATERIAL removal costs.

G. DISTRICT, the County of Riverside or any of their duly authorized representatives shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this AGREEMENT. CITY agrees to maintain such records for possible audit for a minimum of three years after final payment. CITY agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records.

5. Term and Termination.

A. The term of this AGREEMENT shall commence on July 1, 2026, and shall terminate on June 30, 2029, unless terminated sooner.

B. CITY's City Manager or DISTRICT's General Manager-Chief Engineer may terminate this AGREEMENT for any reason or no reason upon ten business days written notice to the other Party stating the extent and effective date of terminate ("Notice of Termination").

C. In the event this AGREEMENT is terminated, CITY shall stop all work under this AGREEMENT on the date specified in the written Notice of Termination. DISTRICT shall not reimburse for costs incurred after the termination date and shall make payment for all services performed in accordance with this AGREEMENT to the date of termination, a total amount which bears the same ratio to the total maximum fee otherwise payable under this AGREEMENT as the services actually bear to the total services necessary for performance of this AGREEMENT.

6. Prevailing Wage.

All contracted workers shall be paid not less than the general prevailing rate of wages and benefits for work of a similar character in the locality in which the work is performed, as provided in Labor Code Sections 1770 et seq. Pursuant to the Labor Code, DISTRICT has obtained for the Board of Supervisors of DISTRICT from the Director of the Department of Industrial Relations, State of California, the determinations of general prevailing rates of per diem wages applicable to the work and for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed, as set forth on the schedule, which is on file at DISTRICT office and which will be made available to any interested person upon request.

7. Indemnification.

A. CITY shall indemnify, defend and hold harmless DISTRICT and County of Riverside (including each of their Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives) (individually and collectively hereinafter referred to as "Indemnitees") from any liability whatsoever, based or asserted, upon any acts, omissions or services of CITY or CITY's independent contractor(s) and subcontractor(s), its officers, employees, agents or representatives arising out or in any way relating to this AGREEMENT, including, but not limited to, property damage, bodily injury or death, or any other element of any kind or nature whatsoever arising from the performance of CITY or CITY's independent contractor(s) and subcontractor(s), its officers, employees, agents or representatives ("Indemnitors") from this AGREEMENT. CITY or CITY's independent contractor(s) and subcontractor(s) shall defend, at its sole expense, all costs and fees, including, but not limited to, attorney fees, cost of investigation, defense, and settlements or awards, the Indemnitees in any claim or action based upon such alleged acts or omissions.

B. With respect to any action or claim subject to indemnification herein by CITY of CITY's construction contractor(s), CITY or CITY's construction contractor(s) shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle or compromise any such action or claim without the prior consent of DISTRICT and the County of Riverside, provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes CITY or CITY's construction contractor(s) indemnification to Indemnitees as set forth herein.

C. CITY or CITY's construction contractor(s) obligation hereunder shall be satisfied when CITY or CITY's construction contractor(s) has provided to DISTRICT and the County of Riverside the appropriate form of dismissal relieving DISTRICT and the County of Riverside from any liability for the action or claim involved.

D. The specified insurance limits required in this AGREEMENT shall in no way limit or circumscribe CITY's contractor(s) obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

E. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve CITY's construction contractor(s) from indemnifying the Indemnitees to the fullest extent allowed by law.

F. This AGREEMENT is to be construed in accordance with the laws of the State of California. Any action at law or in equity brought by any of the Parties hereto for the purpose of enforcing a right or rights provided for by AGREEMENT shall be tried in a court of competent jurisdiction in the County of Riverside, State of California, and the Parties hereto waive all provisions of law providing for a change of venue in such proceedings to any other county.

G. If any provision in this AGREEMENT is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

8. Insurance.

A. Without limiting or diminishing CITY's obligation to indemnify or hold DISTRICT harmless, CITY shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this AGREEMENT. As respects to the insurance section only, DISTRICT herein refers to the Riverside County Flood Control and Water Conservation District, County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

i. Workers' Compensation. If CITY has employees as defined by the State of California, CITY shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than $1,000,000 per person per accident. Policy shall be endorsed to waive subrogation in favor of DISTRICT.

ii. Commercial General Liability. Commercial General Liability insurance coverage, including, but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of CITY's performance of its obligations hereunder. Policy shall name DISTRICT as Additional Insured. Policy's limit of liability shall not be less than $2,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this AGREEMENT or be no less than two times the occurrence limit.

iii. Vehicle Liability. If CITY's vehicles or mobile equipment are used in the performance of the obligations under this AGREEMENT, then CITY shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than $1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this AGREEMENT or be no less than two times the occurrence limit. Policy shall name DISTRICT and the County of Riverside, its agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

iv. General Insurance Provisions – All Lines.

a. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A.M. BEST rating of not less than an A: VIII (A: 8) unless such requirements are waived, in writing, by DISTRICT Risk Manager. If DISTRICT Risk Manager waives a requirement for a particular insurer, such waiver is only valid for that specific insurer and only for one policy term.

b. CITY must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds $500,000 per occurrence, each such retention shall have the prior written consent of DISTRICT Risk Manager before the commencement of operations under this AGREEMENT. Upon notification of self-insured retention deemed unacceptable to DISTRICT, and at the election of DISTRICT Risk Manager, CITY's carriers shall either: 1) reduce or eliminate such self-insured retention with respect to this AGREEMENT with DISTRICT; or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

c. CITY shall cause their insurance carrier(s) or its contractor's insurance carrier(s) to furnish DISTRICT with 1) a properly executed original certificate(s) of insurance and certified original copies of endorsements effecting coverage as required herein;

and 2) if requested to do so orally or in writing by DISTRICT Risk Manager, provide original certified copies of policies, including all endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that a minimum of thirty calendar days written notice shall be given to DISTRICT prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. If CITY's insurance carrier(s) policies does not meet the minimum notice requirement found herein, CITY shall cause CITY's insurance carrier(s) to furnish a 30-day Notice of Cancellation Endorsement. In the event of a material modification, cancellation, expiration or reduction in coverage, this AGREEMENT shall terminate forthwith, unless DISTRICT receives, prior to such effective date, another properly executed original certificate of insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto, evidencing coverages set forth herein and the insurance required herein is in full force and effect. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the certificate of insurance.

d. It is understood and agreed by the Parties hereto that CITY's insurance shall be construed as primary insurance, and DISTRICT's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.

e. If, during the term of this AGREEMENT or any extension thereof, there is a material change in the scope of services or there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.); or the term of this AGREEMENT, including any extensions thereof, exceeds five years, DISTRICT reserves the right to adjust the types of insurance required under this AGREEMENT and the monetary limits

of liability for the insurance coverages currently required herein, if, in DISTRICT Risk Manager's reasonable judgment, the amount or type of insurance carried by CITY has become inadequate.

f. CITY shall pass down the insurance obligations contained herein to all tiers of contractor(s) and subcontractor(s) working under this AGREEMENT.

g. The insurance requirements contained in this AGREEMENT may be met with a program(s) of self-insurance acceptable to DISTRICT.

h. CITY agrees to notify DISTRICT of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this AGREEMENT.

B. CITY shall not commence operations until DISTRICT has been furnished with original certificate(s) of insurance and original certified copies of endorsements and, if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. In addition, CITY's contractor(s) shall, within thirty calendar days prior to expiration of this insurance, furnish to DISTRICT certificates of insurance and endorsements evidencing renewal of the insurance. DISTRICT reserves the right to require complete certified copies of all policies of CITY's contractors and subcontractors at any time.

9. General.

A. This AGREEMENT is made and entered into for the sole protection and benefit of the Parties hereto. No other person or entity shall have any right or action based upon the provisions of this AGREEMENT.

B. The Parties hereto each pledge to cooperate in regard to their respective responsibilities under this AGREEMENT.

C. Any waiver by DISTRICT or by CITY of any breach of any one or more of the terms of this AGREEMENT shall not be construed to be a waiver of any subsequent or other

breach of the same or of any other term hereof. Failure on the part of DISTRICT or CITY to require exact, full and complete compliance with any terms of this AGREEMENT shall not be construed as in any manner changing the terms hereof or estopping DISTRICT or CITY from enforcement hereof.

D. This AGREEMENT is to be construed in accordance with the laws of the State of California.

E. Any action at law or in equity brought by any of the parties hereto for the purpose of enforcing a right or rights provided for by this AGREEMENT shall be tried in a court of competent jurisdiction in the County of Riverside, State of California, and the Parties hereto waive all provisions of law providing for a change of venue in such proceedings to any other county.

F. Any and all notices sent or required to be sent to the Parties of this AGREEMENT will be mailed by first class United States Mail, postage prepaid, effective on the second business day following deposit in the United States Mail, to the following addresses:

To DISTRICT: **RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT**
1995 Market Street
Riverside, CA 92501
Attn: Helio Takano, Chief of Operations

To CITY: **CITY OF MURRIETA**
1 Town Square
Murrieta, CA 92562
Attn: Lindsay Sisti, Management Analyst
Email Address: LSisti@murrietaca.gov

G. If any provision in this AGREEMENT is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

H. The obligation(s) of DISTRICT is limited by and contingent upon the availability of DISTRICT funds for DISTRICT's CONTRIBUTION toward this AGREEMENT as set forth herein. In the event that such funds are not forthcoming for any reason, DISTRICT shall immediately notify CITY in writing.

I. This AGREEMENT is the result of negotiations between the Parties hereto and the advice and assistance of their respective counsel. The fact that this AGREEMENT was prepared as a matter of convenience by DISTRICT shall have no import or significance. Any uncertainty or ambiguity in this AGREEMENT shall not be construed against DISTRICT because DISTRICT prepared this AGREEMENT in its final form.

J. This AGREEMENT is intended by the Parties hereto as a final expression of their understanding with respect to the subject matter hereof and as a complete and exclusive statement of the terms and conditions thereof and supersedes any and all prior and contemporaneous agreements and understandings, oral and written, in connection therewith. This AGREEMENT may be changed or modified only upon the written consent of the Parties hereto.

K. This AGREEMENT may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. Each Party of this AGREEMENT agrees to the use of electronic signatures, such as digital signatures that meet the requirements of the California Uniform Electronic Transactions Act ("CUETA") Cal. Civ. Code §§ 1633.1 to 1633.17), for executing this AGREEMENT. The Parties further agree that the electronic signatures of the Parties included in this AGREEMENT are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means an electronic sound, symbol or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to CUETA as amended from time to time.

CUETA authorizes use of an electronic signature for transactions and contracts among Parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the Party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the Parties. For purposes of this section, a digital signature is a type of "electronic signature" as defined in subdivision (i) of Section 1633.2 of the Civil Code.

MATERIAL REMOVAL PROCEDURES

PURPOSE: To describe the procedure for coordination between the Riverside County Flood Control and Water Conservation District ("DISTRICT") and the City of Murrieta ("CITY") regarding the removal of trash, debris, biological material, abandoned personal property and other similar material ("MATERIALS") from DISTRICT facilities and rights of way.

SCOPE: This procedure is for CITY and DISTRICT staff involved in the removal of MATERIALS within DISTRICT facilities and rights of way in the city of Murrieta.

REFERENCE REGULATIONS:

- Federal Clean Water Act, Section 402, including the National Pollution Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System (MS4) Permits
- Code of Federal Regulations (CFR), Title 40, Part 112 (40 CFR Part 112) - Oil Pollution Prevention
- 40 CFR Part 122 - EPA Administered Permit Programs: The National Pollutant Discharge Elimination System
- 40 CFR Part 261 - Identification and Listing of Hazardous Waste
- California Health and Safety Code, Division 20, Chapter 6.5 - Hazardous Waste Control
- California Water Code, Division 7, Chapter 5.5 - Compliance With the Provisions of the Federal Water Pollution Control Act as Amended in 1972
- California Code of Regulations, Title 22, Division 4.5 - Environmental Health Standards for the Management of Hazardous Waste
- California Code of Regulations, Title 24, Part 9 - California Fire Code, Chapter 50 - Hazardous Materials - General Provisions
- County of Riverside Ordinance 651 - Disclosure of Hazardous Materials and Formulation of Business Emergency Plans
- Drainage Area Management Plan for the Santa Ana/Santa Margarita Watersheds
- DISTRICT's Municipal Facility Pollution Prevention Plan/Stormwater Management Plan

BACKGROUND: At various times, significant amounts of MATERIALS accumulate on DISTRICT's facilities and rights of way. Such MATERIALS must be removed to maintain the

efficiency of the flood control and water conservation facilities, the integrity of the natural state of DISTRICT's facilities and rights of way, and to reduce the risk of soil and water contamination. DISTRICT, through its statutory authority, must undertake efforts to address illegal dumping on DISTRICT-owned property that may result in the discharge of pollutants to flood control facilities to the extent feasible.

The removal of MATERIALS from DISTRICT facilities and rights of way ("MATERIALS REMOVAL") comes with safety hazards beyond those normally encountered when working with tools, equipment, etc. Potential hazards include biological material (e.g., human feces, used needles), violent encounters, and contact with other hazardous materials, including munitions. These potential hazards require planning and coordination with other county and local agencies prior to cleanup to assure it is safe for staff to proceed.

PROCEDURE: DISTRICT's Operations Division has primary responsibility for MATERIALS REMOVAL within DISTRICT flood control facilities and/or rights of way. As such, DISTRICT's Chief of Operations Division is designated as DISTRICT REPRESENTATIVE for the purposes of MATERIALS REMOVAL and associated funding agreement. At the request of the Chief of Operations Division or his/her designee, DISTRICT's Watershed Protection Division will provide support for hazardous waste removal and reporting.

All reports of MATERIALS located within DISTRICT facilities and/or rights of way are to be directed to DISTRICT's Chief of Operations Division. The Chief of Operations Division or his/her designee, as well as DISTRICT's General Manager-Chief Engineer and Assistant Chief Engineer, may also initiate a response on DISTRICT's behalf without having received a first received a report. A report must be filed via email.

1. MATERIALS IDENTIFICATION AND NOTIFICATION

A. Upon a determination that MATERIALS are impacting DISTRICT rights of way, CITY staff shall conduct a site visit and begin documenting MATERIALS REMOVAL strategy in the Cleanup Report, including pre-MATERIALS REMOVAL photographs of the location(s).

B. Notwithstanding Chapter 8.20 of CITY's Municipal Code, CITY shall not declare DISTRICT's PROPERTY a public nuisance and initiate public nuisance abatement proceedings against DISTRICT. DISTRICT's PROPERTY shall be defined as public property for purposes of CITY's Standard Operating Procedures regarding the removal of unlawful campsites, bulky items and personal property.

C. CITY must notify DISTRICT's Chief of Operations Division via email as soon as practicable following such determination of the location(s) and nature of MATERIALS. CITY shall attempt to make such notification at least ten (10) days prior to MATERIALS REMOVAL; however, CITY's notification shall be no less than three (3) business days prior to MATERIALS REMOVAL. The notification shall include:

i. A map depicting the location(s) of MATERIALS;

ii. The corresponding coordinates of the location(s);

iii. Site characteristics (e.g., located in a watercourse or channel, discharging into receiving waters, discharging into a storm drain);

iv. Size and scope of proposed MATERIALS REMOVAL;

v. Estimated cost to complete the MATERIALS REMOVAL;

vi. Substances involved (e.g., electronic waste, oil/grease, human waste/sewage, household products, trash, fuel, chemicals, weapons/ammunition, sharps/medical waste);

vii. Approximate quantities of MATERIALS;

viii. Unique circumstances, including but not limited to the following: MATERIALS are located in a riparian area, or one or more ramps are needed;

ix. Whether proposed MATERIALS REMOVAL includes vegetation clearing;

x. Investigation details;

xi. Initial photographs of MATERIALS;

xii. Description of photographs;

xiii. Whether CITY intends to perform the removal of the MATERIALS by its own forces or by procurement of a contractor; and

xiv. Proposed starting date(s) and time(s) of MATERIALS REMOVAL.

D. Chief of Operations Division or his/her designee will review the information and, as appropriate:

i. Assign an Operations Division representative to scout the site(s) and/or attend the pre-MATERIALS REMOVAL assessment;

ii. Obtain any regulatory permits and/or provide any notifications that are needed;

iii. Approve or disapprove proposed removal of vegetation. DISTRICT has mitigation areas on PROPERTY from which vegetation cannot be removed. Notwithstanding Step Four: Clean Up contained in CITY's Administrative

Procedure, which states, "Contractor will take every step necessary to remove vegetation from the encampment in an effort to eliminate natural shelters and increase public visibility of the encampment area," CITY and DISTRICT agree that CITY will not remove vegetation on DISTRICT's PROPERTY unless DISTRICT expressly grants CITY permission to do so;

iv. Approve proposed starting date(s) and time(s) of MATERIALS REMOVAL;

v. Notify CITY if the proposed starting date(s) and/or starting time(s) of MATERIALS REMOVAL needs to be postponed; or

vi. Reassign MATERIALS REMOVAL to DISTRICT.

2. PRE-MATERIALS REMOVAL ASSESSMENT

A. Once the MATERIALS REMOVAL starting date(s) and time(s) have been set by CITY and approved by DISTRICT, CITY shall conduct a pre-MATERIALS REMOVAL assessment. The assessment shall include a determination if hazardous materials/items are present.

B. If hazardous materials/items are present or if CITY is unsure of their presence, CITY shall conduct/arrange for an onsite hazardous materials assessment. If the assessment finds MATERIALS in PROPERTY that endanger health or the environment, CITY must:

i. Immediately notify DISTRICT's Chief of Operations Division and Chief of Watershed Protection via email that a hazardous materials cleanup is needed; and

ii. Notify the appropriate agencies – which may include but is not limited to the appropriate Regional Water Quality Control Board, local Fire Department, County of Riverside Hazardous Materials Management Division and the California Office of Emergency Services – California State Warning Center – in accordance with all applicable federal, state, and local laws, rules, and regulations. CITY may request DISTRICT's assistance in notifying the appropriate agencies.

3. REMOVAL OF MATERIALS

A. If necessary, CITY shall coordinate the removal of hazardous materials from PROPERTY once the necessary permits are obtained and all required regulatory notifications are completed.

B. CITY implements the MATERIALS REMOVAL for non-hazardous materials in accordance with appropriate procedures, including CITY's Administrative Procedure regarding the Removal of Unlawful Campsites, Bulky Items, and Personal Property, and safety guidelines once the necessary permits are obtained and all required regulatory notifications are completed.

4. CLOSEOUT

A. CITY must document the completion of MATERIALS REMOVAL strategy in the Cleanup Report, including photographs of the location(s) post-cleanup.

B. CITY must submit a completed Cleanup Report to DISTRICT within seven (7) calendar days after the completion of each MATERIALS REMOVAL.

C. CITY shall submit invoice to DISTRICT. The invoice shall include a detailed breakdown of all costs, including but not limited to:

i. The Funding Agreement tracking number;

ii. Date of the invoice;

iii. The date(s) of the MATERIALS REMOVAL;

iv. An itemization of CITY's labor and hours worked by each unique classification;

v. Contractor(s), subcontractor(s), and associated costs; and

vi. Other such documents as may be necessary to establish the actual cost of the MATERIALS REMOVAL.

D. If applicable, DISTRICT's Watershed Protection Division shall document the Hazardous MATERIALS REMOVAL in the Illicit Connection/Illegal Discharge (ICID) Complaints Database and follow up with the Regional Board as necessary.

RECITALS

The City desires to contract with a Contractor to provide services on an on-call basis as more further set forth herein.

The City circulated a Request for Quotes or Proposals for the above-described services.

Contractor submitted a quote or proposal to City to provide the above-described services.

City Staff has reviewed all the proposals and after considering the demonstrated competence of Contractor, the qualifications of Contractor, and the fairness and reasonableness of Contractor's proposed cost, staff has determined that an agreement to provide the required services should be awarded to Contractor.

ON-CALL AGREEMENT FOR GENERAL SERVICES
WITH THE CITY OF MURRIETA ("CITY")

THIS AGREEMENT FOR SERVICES ("**Agreement**") is made and entered into and effective on the date executed by the City by and between CITY OF MURRIETA, a California municipal corporation ("**City**") and ("**Contractor**"). City and Contractor may be referred to individually as "**Party**" or collectively as "**Parties**." In consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. SERVICES OF CONTRACTOR

1.1 Scope of Services. In compliance with all terms and conditions of this Agreement, Contractor shall provide those services specified in the "**Scope of Services**" attached hereto as **Exhibit "A"** and incorporated herein by this reference, which may be referred to herein as the "**services**" or "**work**" hereunder. As a material inducement to City entering into this Agreement, Contractor represents and warrants: a) it has the qualifications, experience, and facilities necessary to properly perform the Services required under this Agreement b) all services set forth in the Scope of Services will be performed in a competent and satisfactory manner; c) all materials used for services will be both of good quality as well as fit for the purpose intended; and, d) Contractor shall follow the highest standards and practices in performing the services required hereunder. Individual tasks under the Scope of Services shall be established on a per project basis. Upon request by City, the Contractor shall provide a detailed task proposal including pricing consistent with those hourly rates as provided in Article II, below. Contractor shall not commence work until an Task Order is issued by the City authorizing the Contractor to perform such work.

1.2 Contractor's Proposal. The Scope of Services shall include the scope of services or work included in Contractor's proposal or bid, which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal or bid, and this Agreement, the terms of this Agreement shall govern. No other terms and conditions from Contractor's proposal or bid, other than description of scope of services or work, shall apply to this Agreement, unless specifically agreed to by City in writing.

1.3 Compliance with Law. All services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules and regulations of City and any federal, State or local governmental agency having jurisdiction in effect at the time services are rendered. City, and its officers, employees and agents, shall not be liable at law or in equity for failure of Contractor to comply with this Section.

1.4 Licenses, Permits, Fees and Assessments. Contractor shall obtain at its sole cost and expense such licenses, permits and approvals as may be required by law for the performance of the services required by this Agreement. Contractor shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for

Contractor's performance of the services required by this Agreement, and shall indemnify, defend and hold harmless City against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

1.5 Familiarity with Work. By executing this Agreement, Contractor represents and warrants Contractor: a) has thoroughly investigated and considered services to be performed, b) has carefully considered how services should be performed, and c) fully understands the facilities, difficulties and restrictions attending performance of services under this Agreement.

1.6 Software and Computer Services. If the Scope of Services includes the provision and/or installation of any software, computer system, or other computer technology, Contractor represents and warrants that it is familiar with and/or has inspected City's current infrastructure, equipment, computer system and software and that the software, computer system, or other computer technology provided and/or installed by Contractor under this Agreement is compatible, and shall be fully functional, with such infrastructure, equipment, computer system and software of City. Contractor acknowledges that City is relying on this representation by Contractor as a material consideration in entering into this Agreement.

1.7 Prevailing Wages. If services include any "public work" or "maintenance work," as those terms are defined in California Labor Code section 1720 *et seq.* and California Code of Regulations, Title 8, section 16000 *et seq.*, and if the total compensation is $1,000 or more, Contractor shall pay prevailing wages for such work and comply with the requirements in California Labor Code section 1770 *et seq.* and 1810 *et seq.*, and all other applicable laws.

1.8 Contract Modifications. Additional terms and conditions of this Agreement, if any, or any modifications or revisions to the standard terms and conditions herein are made a part hereof as set forth in the "Contract Modifications" attached hereto as **Exhibit "B"** and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT

2.1 Contract Sum. Subject to any limitations set forth in this Agreement, City agrees to pay Contractor the flat fee and/or rates specified in **Exhibit "C"**, Schedule of Compensation and/or within any Task Order. The total compensation for all work, including reimbursement for actual expenses, shall not exceed the Contract Sum set forth above. Compensation may include reimbursement, for actual and necessary expenditures, if both are specified in the any quote or Task Order, as well as approved by City in advance.

2.2 Invoices. In any month in which Contractor wishes to receive payment, no later than the first business day of such month, Contractor shall submit to City, in a form approved by City's Finance Director, an invoice for services rendered prior to the

date of the invoice. By submitting an invoice for payment under this Agreement, Contractor is certifying compliance with all provisions of this Agreement. Except as provided in Sections 7.3, 7.4 and 7.5, City shall pay Contractor for all expenses stated thereon which are approved by City pursuant to this Agreement generally within thirty (30) days, and City will use its best efforts to make payment no later than forty-five (45) days, from the submission of an invoice in an approved form. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Contractor for correction and resubmission. Review and payment by City for any invoice provided by Contractor shall not constitute a waiver of any rights or remedies provided herein or any applicable law. Each invoice is to include (unless otherwise specified by City): 1) line items for all personnel describing the work performed, the number of hours worked, and the hourly rate; 2) line items for all materials and equipment properly charged to the Services; 3) line items for all other approved reimbursable expenses claimed, with supporting documentation; and 4) line items for all approved subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

ARTICLE 3. PERFORMANCE SCHEDULE

3.0 Time of Essence. Time is of the essence in the performance of this Agreement.

3.1 Term. The Agreement shall commence upon the Effective Date set forth above and will continue until the Termination Date. This Agreement may be extended for up to two, additional one-year periods upon the mutual agreement in writing of both parties.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of any ongoing services, which shall be no later than the Termination Date set forth above. Notwithstanding the foregoing, the Indemnification and Insurance provisions set forth in Article 5 shall survive the termination of this Agreement.

3.2 Schedule of Performance. Contractor shall commence the services pursuant to this Agreement upon receipt of a written Task Order and shall perform all services within the time period(s) established in the Task Order but no later than the Termination Date.

3.3 Force Majeure. The time period(s) specified in any Task Order for performance of services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of Contractor, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including City, if Contractor shall within ten (10) days of the commencement of such delay notify City in writing of the causes of the delay. City shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of City such delay is justified. City's determination shall be final and

conclusive upon the Parties to this Agreement. In no event shall Contractor be entitled to recover damages against City for any delay in the performance of this Agreement, however caused, Contractor's sole remedy being extension of this Agreement pursuant to this Section.

ARTICLE 4. COORDINATION OF WORK

4.1 Representative of Contractor. The Contractor Representative is authorized to act on Contractor's behalf with respect to the work or services specified herein and to make all decisions in connection therewith. It is expressly understood that the experience, knowledge, capability and reputation of the representative was a substantial inducement for City to enter into this Agreement. Therefore, the representative shall be responsible during the term of this Agreement for directing all activities of Contractor and devoting sufficient time to personally supervise the services hereunder. For purposes of this Agreement, the representative may not be replaced nor may their responsibilities be substantially reduced by Contractor without the express written approval of City.

4.2 Department Contact for City. The Department Contact (or other person designated by the City Manager) shall be the primary person on behalf of City responsible for the administration of the Agreement. It shall be Contractor's responsibility to assure that the Department Contact is kept informed of both the progress of the performance of the services as well as any decisions which must be made by City.

4.3 Approvals from City. City approvals or actions, pursuant to the authority of this Agreement, are to be made (unless otherwise specified) either by the City Representative, City Manager or by their delegate as provided for in writing.

4.4 Independent Contractor. Neither City, nor any of its officers, employees or agents, shall have any control over the manner or means by which Contractor, or its officers, employees, agents or subcontractors, perform the services required herein, except as otherwise set forth herein. Contractor shall perform all services required herein as an independent contractor of City and shall remain under only such obligations as are consistent with that role. Contractor shall not at any time or in any manner represent that it, or any of its officers, employees, agents or subcontractors, are officers, employees or agents of City. City shall not in any way or for any purpose become or be deemed to be a partner of Contractor in its business or otherwise or a joint venturer or a member of any joint enterprise with Contractor. Contractor shall not incur or have the power to incur any debt, obligation or liability whatever against City, or bind City in any manner. Contractor represents and warrants that the personnel used to provide services to City pursuant to this Agreement shall at all times be under Contractor's exclusive control and direction. No City employee benefits shall be available to Contractor, its officers, employees, agents or subcontractors, in connection with the performance of this Agreement. City shall not be liable for compensation or indemnification to Contractor, its

officers, employees, agents or subcontractors, for injury or sickness arising out of performing services hereunder.

4.5 Subcontracting or Assignment. The experience, knowledge, capability and reputation of Contractor, its principals and employees were a substantial inducement for City to enter into this Agreement. Therefore, without express written approval of City, Contractor shall not contract with any other entity to perform in whole or in part services required hereunder without express written approval of City, and neither this Agreement nor any interest herein may be transferred or assigned. No approved transfer shall release Contractor, or any surety or insured of Contractor, of any liability hereunder without express written consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages. Prior to commencement of any services under this Agreement, and without limiting Contractor's indemnification obligation to City, Contractor shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, for the duration of the Agreement, primary policies of insurance of the type and amounts set forth in the "Insurance Requirements" attached hereto as **Exhibit "D"** and incorporated herein by this reference.

5.2 <u>Indemnification.</u>

(a) General Obligations. Contractor agrees, to the full extent permitted by law, to indemnify, defend and hold harmless City and its elected and appointed officers, employees and agents (each an "**Indemnitee**" and collectively, "**Indemnitees**") against, and will hold and save them and each of them harmless from, whether actual or threatened, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities (herein "**Claims or Liabilities**") that may be asserted or claimed by any person, firm or agency arising out of or in connection with the performance of the work, operations or activities provided herein of Contractor, its officers, employees, agents, subcontractors, or invitees, or any individual or City for which Contractor is legally liable (each an "**Indemnitor**" and collectively, "**Indemnitors**"), and in connection therewith: 1) Contractor will defend any action or actions filed or threatened in connection with any such Claims or Liabilities, or at option of Indemnitee(s) will reimburse and pay for all costs and expenses, including legal costs and attorneys' fees, incurred by Indemnitee(s) in connection therewith; and, 2) Contractor will promptly pay any judgment rendered against Indemnitee(s) for any such Claims or Liabilities, and will save and hold Indemnitee(s) harmless therefrom.

Further Provisions. The indemnity obligation herein shall be binding on successors, assigns and heirs of Contractor and shall survive termination of this Agreement. Contractor shall incorporate similar indemnity agreements as provided herein with its subcontractors, and if Contractor fails to do so Contractor shall be fully responsible to indemnify City hereunder therefor. Failure of City and/or City

Parties (collectively "City" for solely this Section 5.2(b)) to monitor compliance with any of the indemnification provisions herein shall not be a waiver hereof. Payment of invoices by City is not a condition precedent to enforcement of the indemnity obligation herein. In the event of any dispute between Contractor and City, as to whether liability arises from the sole negligence or willful misconduct of City, Contractor will be obligated to pay for City's defense until such time as a final judgment has been entered adjudicating City as solely negligent or responsible for willful misconduct. Contractor will not be entitled in the absence of such a determination to any reimbursement of defense costs including but not limited to attorney's fees, expert fees and costs of litigation.

ARTICLE 6. RECORDS, REPORTS AND RELEASE OF INFORMATION

6.1 **Records.** Contractor shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder ("**books and records**") as shall be necessary to perform the services required by this Agreement and enable City to evaluate the performance of such services. Any and all such books and records shall be maintained in accordance with generally accepted accounting principles, shall be complete and detailed, and shall be readily accessible. City shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts. Such books and records shall be maintained for a period of three (3) years following completion of the services hereunder. City shall have access to such books and records in the event any audit is required. Contractor shall fully cooperate with City in providing access to any and all Contractor records and documents if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 **Ownership of Documents.** All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials ("**documents and materials**") prepared by Contractor, its officers, employees, agents and subcontractors in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of City and/or upon the termination of this Agreement, and Contractor shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership, use, reuse, or assignment of the documents and materials hereunder. Contractor may retain copies of such documents and materials for its own use. Contractor shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents and materials prepared by them, and in the event Contractor fails to secure such assignment, Contractor shall indemnify City for all damages resulting therefrom. Moreover, with respect to any Contractor documents and

materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for City.

6.3 Confidentiality and Release of Information. All information gained or work product produced by Contractor in its performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Contractor. Contractor shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from City. Contractor, its officers, employees, agents or subcontractors, shall not, without prior written authorization from City or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Contractor immediately gives City notice of such court order or subpoena. If Contractor, or any officer, employee, agent or subcontractor of Contractor, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Contractor for any damages, costs and fees, including attorney's fees, caused by or incurred as a result of Contractor's conduct. As concerning, regarding or related to, in any way, this Agreement and the work performed thereunder: a) Contractor shall immediately notify City should Contractor, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party; b) City retains the right, but has no obligation, to represent Contractor or be present at any deposition, hearing or similar proceeding; and, c) Contractor agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Contractor, however, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Riverside, State of California, or any other appropriate court in such county, and Contractor agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Riverside, State of California.

7.2 Suspension, or Termination, Prior to Expiration of Term. This Section shall govern any termination of this Agreement except as specifically provided in Section 7.4 for termination for cause. City reserves the right to terminate or suspend this Agreement, or any portion hereof, at any time, for any reason, with or without cause, upon ten (10) days' notice to Contractor, except that where termination or

suspension is due to the fault of Contractor, the period of notice may be such shorter time as determined by City. Upon receipt of any notice of termination or suspension, Contractor shall immediately cease all services hereunder, unless the notice provides otherwise, or except such as specifically approved by City. Upon submittal of an invoice consistent with Section 2.2, Contractor shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination or suspension and for any services authorized by City thereafter in accordance with the any Task Order, or such as may be approved by City, except as provided in Section 7.5. In event of termination, or suspension, without cause pursuant to this Section, there is no need to provide opportunity to cure pursuant to Section 7.3.

7.3 Default of Contractor and Opportunity to Cure. In the event that Contractor is in default under the terms of this Agreement, City shall not have any obligation or duty to continue compensating Contractor for any work performed after the date of default. Instead, City may give notice to Contractor of the default and the reasons for the default. The notice shall include the timeframe in which Contractor may cure the default. This timeframe is presumptively ten (10) days, but may be extended, or reduced, if circumstances warrant, as determined by City. During the period of time that Contractor is in default, City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices, without liability for interest. In the alternative, City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Contractor does not cure the default by conclusion of noticed timeframe, City may immediately both terminate this Agreement with notice to Contractor as well as pursue the remedy in Section 7.4, without prejudice to any other remedy to which City may be entitled at law, in equity or under this Agreement. Any failure on the part of City to give notice of Contractor's default shall not be deemed to result in a waiver of City's legal rights or any rights arising out of any provision of this Agreement.

7.4 Termination for Default of Contractor. If termination is due to the failure of Contractor to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.3, take over the work and prosecute the same to completion by contract or otherwise, and Contractor shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to Contractor for the purpose of set-off or partial payment of the amounts owed City therefor.

7.5 Retention of Funds. Contractor hereby authorizes City to deduct from any amount payable to Contractor (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Contractor's acts or omissions in performing or failing to perform Contractor's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Contractor, or any

indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of Contractor to insure, indemnify, and protect City as elsewhere provided herein.

7.6 Waiver. Waiver by any Party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Contractor shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting Party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either Party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement. Contractor acknowledges and agrees that any actual or alleged failure on the part of City to inform Contractor of non-compliance with any requirement of this Agreement imposes no additional obligations on City nor does it waive any rights hereunder. Payment to Contractor for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Contractor.

7.7 Rights and Remedies are Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the Parties are cumulative and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

7.8 Legal Action. In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Contractor shall file a statutory claim pursuant to Government Code sections 905 *et seq*. and 910 *et seq*., in order to pursue a legal action under this Agreement.

7.9 Attorneys' Fees. If either Party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorneys' fees. Attorneys' fees shall include attorneys' fees on any appeal, and a Party entitled to attorneys' fees shall be entitled to all other reasonable costs for investigating such action, Contractors' fees, taking depositions and discovery and all other necessary costs the court allows which are incurred in such

litigation. Such fees and costs shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. INDIVIDUAL LIABILITY, CONFLICTS AND NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees. No officer or employee of City shall be personally liable to Contractor, or any successor in interest, in the event of any default or breach by City or for any amount which may become due to Contractor or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest. Contractor covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Contractor's performance of services under this Agreement. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of City. Contractor agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement. City, in its sole discretion, shall determine the existence of a conflict of interest and may terminate this Agreement in the event such a conflict of interest exists upon sending Contractor written notice describing the conflict. No officer or employee of City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to this Agreement which affects their financial interest or the financial interest of any corporation, partnership or association in which they are, directly or indirectly, interested, in violation of any State statute or regulation. Contractor warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination. Contractor covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of this Agreement. Contractor shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices. Any notice or other communication either Party desires or is required to give to the other Party or any other person in regards to this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by a reputable document delivery service, such as but not limited to, Federal Express, which provides a receipt showing date and time of delivery, or (iii) mailing in the United States Mail, certified mail, postage prepaid, return receipt requested, in the case of

City addressed to City Clerk at City of Murrieta, 1 Town Square, Murrieta California 92562, and in the case of Contractor, to the person(s) at the address designated on the cover page of this Agreement. Either Party may change its address by notifying the other Party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either Party by reason of the authorship of this Agreement, headings used, or any other rule of construction which might otherwise apply.

9.3 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, and such counterparts shall constitute one and the same instrument.

9.4 Integration; Amendment. This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the Parties as to the Agreement. It is understood that there are no oral agreements between the Parties hereto affecting this Agreement, and this Agreement supersedes and cancels any and all prior and contemporaneous negotiations, arrangements, agreements and understandings, if any, between the Parties, concerning this Agreement, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by Contractor and by City.

9.5 Severability. Should a portion of this Agreement be declared invalid or unenforceable by a judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the Parties unless the invalid provision is so material that its invalidity deprives either Party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 No Undue Influence. Contractor declares and warrants that no undue influence or pressure was used against or in concert with any officer or employee of City in connection with the award, terms or implementation of this Agreement, including any method of coercion, confidential financial arrangement, or financial inducement. No officer or employee of City has or will receive compensation, directly or indirectly, from Contractor, or from any officer, employee or agent of Contractor, in connection with the award of this Agreement or any work to be conducted as a result of this Agreement. Violation of this Section shall be a material breach of this Agreement entitling City to remedies in Section 7.4 and any and all remedies at law or equity.

9.7 Corporate Authority. The persons executing this Agreement on behalf of the Parties hereto warrant that (i) such Party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said Party,

(iii) by so executing this Agreement, such Party is formally bound to the provisions of this Agreement, and (iv) entering into this Agreement does not violate any provision of any other agreement to which said Party is bound. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the Parties.

9.8 **Federal Funding**. If federal funding is being utilized to fund any part of the Project, as indicated on the Cover Page of this Agreement, the terms of **Exhibit D** are hereby incorporated herein by this reference. If no federal funding is being utilized, Exhibit D may be omitted.

EXHIBIT "B"

CONTRACT MODIFICATIONS
(Superseding Contract Boilerplate)

Exhibit D section 5 for Cyber Liability Insurance is hereby waived.

Exhibit D is hereby amended to include a new section 4 to read as follows:

"Contractors' Pollution Legal Liability and/or Asbestos Legal Liability and/or Errors and Omissions (if project involves environmental hazards) with limits no less than $1,000,000 per occurrence or claim and $2,000,000 policy aggregate."

EXHIBIT "C"

I. The Scope of Work set forth herein shall be compensated for in the following manner:

☒ Multiple flat rates for different specified services as set forth in Exhibit "A."

☒ An hourly rate for some or all of the proposed services as set forth in Exhibit "A."

II. The total compensation for all Services shall not exceed the Contract Sum as provided in the Cover Page of this Agreement.

III. Contractor's billing rates for any hourly Services are set forth in Exhibit "A." In connection with the services provided pursuant to the terms of this Agreement, City will pay Contractor upon City's receipt of a written invoice provided by Contractor no more than monthly. City will pay Contractor for work completed, billed in increments of six minutes (0.1 hours), not to exceed the Contract Sum. The City will reimburse the Contractor for reasonable out-of-pocket expenses related to performing services set forth in exhibit "A" that are approved in advance in writing by the City such as mileage, copies, binding costs, postage, parking, travel, and lodging expenses as part of the not to exceed Contract Sum. To receive reimbursements, the Contractor must provide the City with a receipt and a description of the expense incurred along with the invoice. No mark up on expenses may be added.

EXHIBIT D

INSURANCE REQUIREMENTS

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

1. Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **$2,000,000 per occurrence.** If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit**.**

2. Automobile Liability: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than **$1,000,000 per accident for bodily injury and property damage.**

3. Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than **$1,000,000 per accident for bodily injury or disease.** (Not required if Contractor provides written verification it has no employees)

5. Cyber: Vendor/Contractor shall procure and maintain for the duration of the contract insurance against claims for security breaches, system failures, injuries to persons, damages to software, or damages to property (including computer equipment) which may arise from or in connection with the performance of the work hereunder by the Vendor, its agents, representatives, or employees. Vendor shall procure and maintain for the duration of the contract insurance claims arising out of their services and including, but not limited to loss, damage, theft or other misuse of data, infringement of intellectual property, invasion of privacy and breach of data.

Cyber Liability Insurance, with limits not less than **$2,000,000** per occurrence or claim, **$2,000,000** aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Vendor in this agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property,

including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Other Insurance Provisions
The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status
The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage
For any claims related to this contract, the Contractor**'s insurance coverage shall be primary and non-contributory** and at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Umbrella or Excess Policy
The Contractor may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Contractor's primary and excess liability policies are exhausted.

Notice of Cancellation
Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City.

Waiver of Subrogation
Contractor hereby grants to City a waiver of any right to subrogation which any insurer of said Contractor may acquire against the City by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions
Self-insured retentions must be declared to and approved by the City. The City may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds $25,000 unless approved in writing by City. Any and all deductibles and SIRs shall be the sole responsibility of Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. City may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. City reserves the right to obtain a copy of any policies and endorsements for verification.

Acceptability of Insurers
Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

Claims Made Policies (note – should be applicable only to professional liability, see below)
If any of the required policies provide claims-made coverage:

1. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.

2. Insurance must be maintained and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

3. If coverage is canceled or non-renewed, and not replaced **with another claims-made policy form with a Retroactive Date prior** to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of **five (5) years after completion of work.**

Verification of Coverage
Contractor shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause **and a copy of the Declarations and Endorsements Pages of the CGL and any Excess policies listing all policy endorsements.** All certificates and endorsements and copies of the Declarations & Endorsements pages are to be received and approved by the City before work commences. However, failure to

obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time. City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Subcontractors

Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors.

Duration of Coverage

CGL & Excess liability policies **for any construction related work, including, but not limited to, maintenance, service, or repair work,** shall continue coverage for a minimum of 5 years for Completed Operations liability coverage. Such Insurance must be maintained, and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

Special Risks or Circumstances

City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

ON-CALL AGREEMENT FOR GENERAL SERVICES
WITH THE CITY OF MURRIETA ("CITY")

THIS AGREEMENT FOR SERVICES ("**Agreement**") is made and entered into and effective on the date executed by the City by and between CITY OF MURRIETA, a California municipal corporation ("**City**") and ("**Contractor**"). City and Contractor may be referred to individually as "**Party**" or collectively as "**Parties**." In consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. SERVICES OF CONTRACTOR

1.1 Scope of Services. In compliance with all terms and conditions of this Agreement, Contractor shall provide those services specified in the "**Scope of Services**" attached hereto as **Exhibit "A"** and incorporated herein by this reference, which may be referred to herein as the "**services**" or "**work**" hereunder. As a material inducement to City entering into this Agreement, Contractor represents and warrants: a) it has the qualifications, experience, and facilities necessary to properly perform the Services required under this Agreement b) all services set forth in the Scope of Services will be performed in a competent and satisfactory manner; c) all materials used for services will be both of good quality as well as fit for the purpose intended; and, d) Contractor shall follow the highest standards and practices in performing the services required hereunder. Individual tasks under the Scope of Services shall be established on a per project basis. Upon request by City, the Contractor shall provide a detailed task proposal including pricing consistent with those hourly rates as provided in Article II, below. Contractor shall not commence work until an Task Order is issued by the City authorizing the Contractor to perform such work.

1.2 Contractor's Proposal. The Scope of Services shall include the scope of services or work included in Contractor's proposal or bid, which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal or bid, and this Agreement, the terms of this Agreement shall govern. No other terms and conditions from Contractor's proposal or bid, other than description of scope of services or work, shall apply to this Agreement, unless specifically agreed to by City in writing.

1.3 Compliance with Law. All services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules and regulations of City and any federal, State or local governmental agency having jurisdiction in effect at the time services are rendered. City, and its officers, employees and agents, shall not be liable at law or in equity for failure of Contractor to comply with this Section.

1.4 Licenses, Permits, Fees and Assessments. Contractor shall obtain at its sole cost and expense such licenses, permits and approvals as may be required by law for the performance of the services required by this Agreement. Contractor shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for

Contractor's performance of the services required by this Agreement, and shall indemnify, defend and hold harmless City against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

1.5 Familiarity with Work. By executing this Agreement, Contractor represents and warrants Contractor: a) has thoroughly investigated and considered services to be performed, b) has carefully considered how services should be performed, and c) fully understands the facilities, difficulties and restrictions attending performance of services under this Agreement.

1.6 Software and Computer Services. If the Scope of Services includes the provision and/or installation of any software, computer system, or other computer technology, Contractor represents and warrants that it is familiar with and/or has inspected City's current infrastructure, equipment, computer system and software and that the software, computer system, or other computer technology provided and/or installed by Contractor under this Agreement is compatible, and shall be fully functional, with such infrastructure, equipment, computer system and software of City. Contractor acknowledges that City is relying on this representation by Contractor as a material consideration in entering into this Agreement.

1.7 Prevailing Wages. If services include any "public work" or "maintenance work," as those terms are defined in California Labor Code section 1720 *et seq.* and California Code of Regulations, Title 8, section 16000 *et seq.*, and if the total compensation is $1,000 or more, Contractor shall pay prevailing wages for such work and comply with the requirements in California Labor Code section 1770 *et seq.* and 1810 *et seq.*, and all other applicable laws.

1.8 Contract Modifications. Additional terms and conditions of this Agreement, if any, or any modifications or revisions to the standard terms and conditions herein are made a part hereof as set forth in the "Contract Modifications" attached hereto as **Exhibit "B"** and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT

2.1 Contract Sum. Subject to any limitations set forth in this Agreement, City agrees to pay Contractor the flat fee and/or rates specified in **Exhibit "C"**, Schedule of Compensation and/or within any Task Order. The total compensation for all work, including reimbursement for actual expenses, shall not exceed the Contract Sum set forth above. Compensation may include reimbursement, for actual and necessary expenditures, if both are specified in the any quote or Task Order, as well as approved by City in advance.

2.2 Invoices. In any month in which Contractor wishes to receive payment, no later than the first business day of such month, Contractor shall submit to City, in a form approved by City's Finance Director, an invoice for services rendered prior to the

date of the invoice. By submitting an invoice for payment under this Agreement, Contractor is certifying compliance with all provisions of this Agreement. Except as provided in Sections 7.3, 7.4 and 7.5, City shall pay Contractor for all expenses stated thereon which are approved by City pursuant to this Agreement generally within thirty (30) days, and City will use its best efforts to make payment no later than forty-five (45) days, from the submission of an invoice in an approved form. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Contractor for correction and resubmission. Review and payment by City for any invoice provided by Contractor shall not constitute a waiver of any rights or remedies provided herein or any applicable law. Each invoice is to include (unless otherwise specified by City): 1) line items for all personnel describing the work performed, the number of hours worked, and the hourly rate; 2) line items for all materials and equipment properly charged to the Services; 3) line items for all other approved reimbursable expenses claimed, with supporting documentation; and 4) line items for all approved subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

ARTICLE 3. PERFORMANCE SCHEDULE

3.0 Time of Essence. Time is of the essence in the performance of this Agreement.

3.1 Term. The Agreement shall commence upon the Effective Date set forth above and will continue until the Termination Date. This Agreement may be extended for up to two, additional one-year periods upon the mutual agreement in writing of both parties.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of any ongoing services, which shall be no later than the Termination Date set forth above. Notwithstanding the foregoing, the Indemnification and Insurance provisions set forth in Article 5 shall survive the termination of this Agreement.

3.2 Schedule of Performance. Contractor shall commence the services pursuant to this Agreement upon receipt of a written Task Order and shall perform all services within the time period(s) established in the Task Order but no later than the Termination Date.

3.3 Force Majeure. The time period(s) specified in any Task Order for performance of services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of Contractor, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including City, if Contractor shall within ten (10) days of the commencement of such delay notify City in writing of the causes of the delay. City shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of City such delay is justified. City's determination shall be final and

conclusive upon the Parties to this Agreement. In no event shall Contractor be entitled to recover damages against City for any delay in the performance of this Agreement, however caused, Contractor's sole remedy being extension of this Agreement pursuant to this Section.

ARTICLE 4. COORDINATION OF WORK

4.1 Representative of Contractor. The Contractor Representative is authorized to act on Contractor's behalf with respect to the work or services specified herein and to make all decisions in connection therewith. It is expressly understood that the experience, knowledge, capability and reputation of the representative was a substantial inducement for City to enter into this Agreement. Therefore, the representative shall be responsible during the term of this Agreement for directing all activities of Contractor and devoting sufficient time to personally supervise the services hereunder. For purposes of this Agreement, the representative may not be replaced nor may their responsibilities be substantially reduced by Contractor without the express written approval of City.

4.2 Department Contact for City. The Department Contact (or other person designated by the City Manager) shall be the primary person on behalf of City responsible for the administration of the Agreement. It shall be Contractor's responsibility to assure that the Department Contact is kept informed of both the progress of the performance of the services as well as any decisions which must be made by City.

4.3 Approvals from City. City approvals or actions, pursuant to the authority of this Agreement, are to be made (unless otherwise specified) either by the City Representative, City Manager or by their delegate as provided for in writing.

4.4 Independent Contractor. Neither City, nor any of its officers, employees or agents, shall have any control over the manner or means by which Contractor, or its officers, employees, agents or subcontractors, perform the services required herein, except as otherwise set forth herein. Contractor shall perform all services required herein as an independent contractor of City and shall remain under only such obligations as are consistent with that role. Contractor shall not at any time or in any manner represent that it, or any of its officers, employees, agents or subcontractors, are officers, employees or agents of City. City shall not in any way or for any purpose become or be deemed to be a partner of Contractor in its business or otherwise or a joint venturer or a member of any joint enterprise with Contractor. Contractor shall not incur or have the power to incur any debt, obligation or liability whatever against City, or bind City in any manner. Contractor represents and warrants that the personnel used to provide services to City pursuant to this Agreement shall at all times be under Contractor's exclusive control and direction. No City employee benefits shall be available to Contractor, its officers, employees, agents or subcontractors, in connection with the performance of this Agreement. City shall not be liable for compensation or indemnification to Contractor, its

officers, employees, agents or subcontractors, for injury or sickness arising out of performing services hereunder.

4.5 Subcontracting or Assignment. The experience, knowledge, capability and reputation of Contractor, its principals and employees were a substantial inducement for City to enter into this Agreement. Therefore, without express written approval of City, Contractor shall not contract with any other entity to perform in whole or in part services required hereunder without express written approval of City, and neither this Agreement nor any interest herein may be transferred or assigned. No approved transfer shall release Contractor, or any surety or insured of Contractor, of any liability hereunder without express written consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages. Prior to commencement of any services under this Agreement, and without limiting Contractor's indemnification obligation to City, Contractor shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, for the duration of the Agreement, primary policies of insurance of the type and amounts set forth in the "Insurance Requirements" attached hereto as **Exhibit "D"** and incorporated herein by this reference.

5.2 <u>Indemnification.</u>

(a) General Obligations. Contractor agrees, to the full extent permitted by law, to indemnify, defend and hold harmless City and its elected and appointed officers, employees and agents (each an "**Indemnitee**" and collectively, "**Indemnitees**") against, and will hold and save them and each of them harmless from, whether actual or threatened, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities (herein "**Claims or Liabilities**") that may be asserted or claimed by any person, firm or agency arising out of or in connection with the performance of the work, operations or activities provided herein of Contractor, its officers, employees, agents, subcontractors, or invitees, or any individual or City for which Contractor is legally liable (each an "**Indemnitor**" and collectively, "**Indemnitors**"), and in connection therewith: 1) Contractor will defend any action or actions filed or threatened in connection with any such Claims or Liabilities, or at option of Indemnitee(s) will reimburse and pay for all costs and expenses, including legal costs and attorneys' fees, incurred by Indemnitee(s) in connection therewith; and, 2) Contractor will promptly pay any judgment rendered against Indemnitee(s) for any such Claims or Liabilities, and will save and hold Indemnitee(s) harmless therefrom.

Further Provisions. The indemnity obligation herein shall be binding on successors, assigns and heirs of Contractor and shall survive termination of this Agreement. Contractor shall incorporate similar indemnity agreements as provided herein with its subcontractors, and if Contractor fails to do so Contractor shall be fully responsible to indemnify City hereunder therefor. Failure of City and/or City

Parties (collectively "City" for solely this Section 5.2(b)) to monitor compliance with any of the indemnification provisions herein shall not be a waiver hereof. Payment of invoices by City is not a condition precedent to enforcement of the indemnity obligation herein. In the event of any dispute between Contractor and City, as to whether liability arises from the sole negligence or willful misconduct of City, Contractor will be obligated to pay for City's defense until such time as a final judgment has been entered adjudicating City as solely negligent or responsible for willful misconduct. Contractor will not be entitled in the absence of such a determination to any reimbursement of defense costs including but not limited to attorney's fees, expert fees and costs of litigation.

ARTICLE 6. RECORDS, REPORTS AND RELEASE OF INFORMATION

6.1 **Records.** Contractor shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder ("**books and records**") as shall be necessary to perform the services required by this Agreement and enable City to evaluate the performance of such services. Any and all such books and records shall be maintained in accordance with generally accepted accounting principles, shall be complete and detailed, and shall be readily accessible. City shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts. Such books and records shall be maintained for a period of three (3) years following completion of the services hereunder. City shall have access to such books and records in the event any audit is required. Contractor shall fully cooperate with City in providing access to any and all Contractor records and documents if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 **Ownership of Documents.** All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials ("**documents and materials**") prepared by Contractor, its officers, employees, agents and subcontractors in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of City and/or upon the termination of this Agreement, and Contractor shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership, use, reuse, or assignment of the documents and materials hereunder. Contractor may retain copies of such documents and materials for its own use. Contractor shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents and materials prepared by them, and in the event Contractor fails to secure such assignment, Contractor shall indemnify City for all damages resulting therefrom. Moreover, with respect to any Contractor documents and

materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for City.

6.3 Confidentiality and Release of Information. All information gained or work product produced by Contractor in its performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Contractor. Contractor shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from City. Contractor, its officers, employees, agents or subcontractors, shall not, without prior written authorization from City or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Contractor immediately gives City notice of such court order or subpoena. If Contractor, or any officer, employee, agent or subcontractor of Contractor, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Contractor for any damages, costs and fees, including attorney's fees, caused by or incurred as a result of Contractor's conduct. As concerning, regarding or related to, in any way, this Agreement and the work performed thereunder: a) Contractor shall immediately notify City should Contractor, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party; b) City retains the right, but has no obligation, to represent Contractor or be present at any deposition, hearing or similar proceeding; and, c) Contractor agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Contractor, however, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Riverside, State of California, or any other appropriate court in such county, and Contractor agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Riverside, State of California.

7.2 Suspension, or Termination, Prior to Expiration of Term. This Section shall govern any termination of this Agreement except as specifically provided in Section 7.4 for termination for cause. City reserves the right to terminate or suspend this Agreement, or any portion hereof, at any time, for any reason, with or without cause, upon ten (10) days' notice to Contractor, except that where termination or

suspension is due to the fault of Contractor, the period of notice may be such shorter time as determined by City. Upon receipt of any notice of termination or suspension, Contractor shall immediately cease all services hereunder, unless the notice provides otherwise, or except such as specifically approved by City. Upon submittal of an invoice consistent with Section 2.2, Contractor shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination or suspension and for any services authorized by City thereafter in accordance with the any Task Order, or such as may be approved by City, except as provided in Section 7.5. In event of termination, or suspension, without cause pursuant to this Section, there is no need to provide opportunity to cure pursuant to Section 7.3.

7.3 Default of Contractor and Opportunity to Cure. In the event that Contractor is in default under the terms of this Agreement, City shall not have any obligation or duty to continue compensating Contractor for any work performed after the date of default. Instead, City may give notice to Contractor of the default and the reasons for the default. The notice shall include the timeframe in which Contractor may cure the default. This timeframe is presumptively ten (10) days, but may be extended, or reduced, if circumstances warrant, as determined by City. During the period of time that Contractor is in default, City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices, without liability for interest. In the alternative, City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Contractor does not cure the default by conclusion of noticed timeframe, City may immediately both terminate this Agreement with notice to Contractor as well as pursue the remedy in Section 7.4, without prejudice to any other remedy to which City may be entitled at law, in equity or under this Agreement. Any failure on the part of City to give notice of Contractor's default shall not be deemed to result in a waiver of City's legal rights or any rights arising out of any provision of this Agreement.

7.4 Termination for Default of Contractor. If termination is due to the failure of Contractor to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.3, take over the work and prosecute the same to completion by contract or otherwise, and Contractor shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to Contractor for the purpose of set-off or partial payment of the amounts owed City therefor.

7.5 Retention of Funds. Contractor hereby authorizes City to deduct from any amount payable to Contractor (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Contractor's acts or omissions in performing or failing to perform Contractor's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Contractor, or any

indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of Contractor to insure, indemnify, and protect City as elsewhere provided herein.

7.6 Waiver. Waiver by any Party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Contractor shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting Party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either Party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement. Contractor acknowledges and agrees that any actual or alleged failure on the part of City to inform Contractor of non-compliance with any requirement of this Agreement imposes no additional obligations on City nor does it waive any rights hereunder. Payment to Contractor for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Contractor.

7.7 Rights and Remedies are Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the Parties are cumulative and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

7.8 Legal Action. In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Contractor shall file a statutory claim pursuant to Government Code sections 905 *et seq*. and 910 *et seq*., in order to pursue a legal action under this Agreement.

7.9 Attorneys' Fees. If either Party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorneys' fees. Attorneys' fees shall include attorneys' fees on any appeal, and a Party entitled to attorneys' fees shall be entitled to all other reasonable costs for investigating such action, Contractors' fees, taking depositions and discovery and all other necessary costs the court allows which are incurred in such

litigation. Such fees and costs shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. INDIVIDUAL LIABILITY, CONFLICTS AND NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees. No officer or employee of City shall be personally liable to Contractor, or any successor in interest, in the event of any default or breach by City or for any amount which may become due to Contractor or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest. Contractor covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Contractor's performance of services under this Agreement. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of City. Contractor agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement. City, in its sole discretion, shall determine the existence of a conflict of interest and may terminate this Agreement in the event such a conflict of interest exists upon sending Contractor written notice describing the conflict. No officer or employee of City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to this Agreement which affects their financial interest or the financial interest of any corporation, partnership or association in which they are, directly or indirectly, interested, in violation of any State statute or regulation. Contractor warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination. Contractor covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of this Agreement. Contractor shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices. Any notice or other communication either Party desires or is required to give to the other Party or any other person in regards to this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by a reputable document delivery service, such as but not limited to, Federal Express, which provides a receipt showing date and time of delivery, or (iii) mailing in the United States Mail, certified mail, postage prepaid, return receipt requested, in the case of

City addressed to City Clerk at City of Murrieta, 1 Town Square, Murrieta California 92562, and in the case of Contractor, to the person(s) at the address designated on the cover page of this Agreement. Either Party may change its address by notifying the other Party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either Party by reason of the authorship of this Agreement, headings used, or any other rule of construction which might otherwise apply.

9.3 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, and such counterparts shall constitute one and the same instrument.

9.4 Integration; Amendment. This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the Parties as to the Agreement. It is understood that there are no oral agreements between the Parties hereto affecting this Agreement, and this Agreement supersedes and cancels any and all prior and contemporaneous negotiations, arrangements, agreements and understandings, if any, between the Parties, concerning this Agreement, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by Contractor and by City.

9.5 Severability. Should a portion of this Agreement be declared invalid or unenforceable by a judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the Parties unless the invalid provision is so material that its invalidity deprives either Party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 No Undue Influence. Contractor declares and warrants that no undue influence or pressure was used against or in concert with any officer or employee of City in connection with the award, terms or implementation of this Agreement, including any method of coercion, confidential financial arrangement, or financial inducement. No officer or employee of City has or will receive compensation, directly or indirectly, from Contractor, or from any officer, employee or agent of Contractor, in connection with the award of this Agreement or any work to be conducted as a result of this Agreement. Violation of this Section shall be a material breach of this Agreement entitling City to remedies in Section 7.4 and any and all remedies at law or equity.

9.7 Corporate Authority. The persons executing this Agreement on behalf of the Parties hereto warrant that (i) such Party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said Party,

(iii) by so executing this Agreement, such Party is formally bound to the provisions of this Agreement, and (iv) entering into this Agreement does not violate any provision of any other agreement to which said Party is bound. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the Parties.

9.8 **Federal Funding**. If federal funding is being utilized to fund any part of the Project, as indicated on the Cover Page of this Agreement, the terms of **Exhibit D** are hereby incorporated herein by this reference. If no federal funding is being utilized, Exhibit D may be omitted.

The City will reimburse the Contractor for reasonable out-of-pocket expenses related to performing services set forth in exhibit "A" that are approved in advance in writing by the City such as mileage, copies, binding costs, postage, parking, travel, and lodging expenses as part of the not to exceed Contract Sum. To receive reimbursements, the Contractor must provide the City with a receipt and a description of the expense incurred along with the invoice. No mark up on expenses may be added.

EXHIBIT D

INSURANCE REQUIREMENTS

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

1. Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **$2,000,000 per occurrence.** If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit**.**

2. Automobile Liability: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than **$1,000,000 per accident for bodily injury and property damage.**

3. Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than **$1,000,000 per accident for bodily injury or disease.** (Not required if Contractor provides written verification it has no employees)

5. Cyber: Vendor/Contractor shall procure and maintain for the duration of the contract insurance against claims for security breaches, system failures, injuries to persons, damages to software, or damages to property (including computer equipment) which may arise from or in connection with the performance of the work hereunder by the Vendor, its agents, representatives, or employees. Vendor shall procure and maintain for the duration of the contract insurance claims arising out of their services and including, but not limited to loss, damage, theft or other misuse of data, infringement of intellectual property, invasion of privacy and breach of data.

Cyber Liability Insurance, with limits not less than **$2,000,000** per occurrence or claim, **$2,000,000** aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Vendor in this agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property,

including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Other Insurance Provisions
The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status
The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage
For any claims related to this contract, the Contractor**'s insurance coverage shall be primary and non-contributory** and at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Umbrella or Excess Policy
The Contractor may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Contractor's primary and excess liability policies are exhausted.

Notice of Cancellation
Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City.

Waiver of Subrogation
Contractor hereby grants to City a waiver of any right to subrogation which any insurer of said Contractor may acquire against the City by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions
Self-insured retentions must be declared to and approved by the City. The City may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds $25,000 unless approved in writing by City. Any and all deductibles and SIRs shall be the sole responsibility of Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. City may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. City reserves the right to obtain a copy of any policies and endorsements for verification.

Acceptability of Insurers
Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

Claims Made Policies (note – should be applicable only to professional liability, see below)
If any of the required policies provide claims-made coverage:

1. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.

2. Insurance must be maintained and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

3. If coverage is canceled or non-renewed, and not replaced **with another claims-made policy form with a Retroactive Date prior** to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of **five (5) years after completion of work.**

Verification of Coverage
Contractor shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause **and a copy of the Declarations and Endorsements Pages of the CGL and any Excess policies listing all policy endorsements.** All certificates and endorsements and copies of the Declarations & Endorsements pages are to be received and approved by the City before work commences. However, failure to

obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time. City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Subcontractors

Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors.

Duration of Coverage

CGL & Excess liability policies **for any construction related work, including, but not limited to, maintenance, service, or repair work,** shall continue coverage for a minimum of 5 years for Completed Operations liability coverage. Such Insurance must be maintained, and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

Special Risks or Circumstances

City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 9.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Scott Agajanian, Deputy City Manager/Economic Development Director

PREPARED BY: Martha Coleman, Management Analyst

SUBJECT: Murrieta Innovation Center Tenant Improvements Capital Improvement Project (CIP) 21029

ABSTRACT

The Murrieta Innovation Center project is nearing completion; however, additional funding is requested to complete the remaining work..

RECOMMENDATION

Amend the Fiscal Year 2025/26 Capital Improvement Budget for CIP No. 21029 to increase the expenditure budget by $350,000 using General Fund Capital Unassigned Fund Balance; and

Authorize the City Manager to approve: (i) a contract amendment in a form approved by the City Attorney's office, an amended purchase order and task budget for RWBID/The Cumming Group Construction Management LLC, (ii) a contract amendment in a form approved by the City Attorney's office, an amended purchase order and task budget for the general contractor, Optima RPM, Inc, and (iii) an amended agreement in a form approved by the City Attorney's office, purchase order, and task budget for the design team, BAM Creative; and

Authorize the City Manager to execute the contract amendments described above.

PRIOR ACTION/VOTE

On October 20, 2020, the City Council adopted Resolution No. 20-4321, authorizing submittal of a grant funding application to the U.S. Economic Development Agency for the purpose of constructing a wet lab, dry lab, and additional tenant improvements in the Murrieta Innovation Center; and authorized the Mayor to execute a commitment letter as part of the grant application package (Vote: 5-0).

On February 15, 2022, the City Council adopted Resolution No. 22-4520, authorizing the Mayor to sign a Lien Acknowledgement Letter to the United States Economic Development Administration for the Murrieta Innovation Center (Vote: 5-0).

On May 17, 2022, City Council adopted Resolution No. 22-4568, entitled: A Resolution of the City Council of

the City of Murrieta, California, Accepting the U.S. Department of Commerce's Economic Development Agency's Grant for $2,429,910 to Support Extensive Real Estate Improvements to the Murrieta Innovation Center; Authorizing City Manager to Execute All Grant Related Documents, and Amending the Capital Improvement Plan Budget to Allocate and Appropriate the Grant Funds (Vote: 5-0).

On February 18, 2025, the City Council approved a construction contract with Optima RPM, Inc., for the Murrieta Innovation Center (MIC) tenant improvement project, for a total not-to-exceed amount of $3,668,059.37. The City Council also approved a $155,000 purchase order for RWBID Construction Management, LLC, to provide construction management services, including labor compliance, for the MIC tenant improvements. Lastly, the City Council also approved an additional contingency of $324,888.84 for unanticipated expenditures, bringing the total construction budget to $4,147,948.21 (Vote: 5-0).

On December 16, 2025, the City Council authorized the reallocation of funding within the current budget for project completion, specifically for construction and construction management; and authorized the City Manager to approve an amended purchase order and task budget for RWBID Construction Management LLC, as well as a change order and a purchase for the general contractor, Optima RPM, Inc. (Vote: 5-0).

STRATEGIC ALIGNMENT

This item aligns with the City Council goal to aggressively pursue economic development relating to priority Tier 1. The project is included in the City of Murrieta Capital Improvement Plan (Fiscal Years 2024/25-2028/29) as the Murrieta Innovation Center Upgrades project.

DISCUSSION

In 2022, the City of Murrieta was awarded grant funding from the U.S. Economic Development Agency (EDA) for the purpose of constructing a wet lab, dry lab, and additional tenant improvements to renovate the Murrieta Innovation Center into a best-in-class life science start-up incubator and a driver of job creation in Southwest Riverside County. The design was completed at the end of 2024, and construction began in March 2025 by Optima RPM, Inc.

The initial construction schedule estimated project completion in October 2025. However, as work progressed, unforeseen site conditions and necessary adjustments to the interior improvements emerged, requiring the use of additional contingency funding to complete the project as planned.

Multiple change orders resulted in the use of a substantial percentage of the current contingency budget. The prior change orders also had an impact on the progress of the project, which has extended the anticipated project completion date to the third quarter of 2026.

The project's change orders and Errors & Omissions during construction will result in overruns of approximately 22%, or $829,888.84, over the original contract value. As a result, an additional $350,000 in funding is needed to complete the remaining change order work. The anticipated final Contract amount is $4,497,948.21, of which $2,429,910.00 is from the EDA.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item).

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

Staff recommends amending the Fiscal Year 2025/26 Capital Improvement Budget for CIP No. 21029 to increase the expenditure budget by $350,000 using General Fund Capital (Fund 112) Unassigned Fund Balance.

City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 10.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Scott Agajanian, Deputy City Manager/Economic Development Director

PREPARED BY: Martha Coleman, Management Analyst

SUBJECT: Professional Services Agreement - Market Research and Data Analysis

ABSTRACT

Approval of an agreement for market research and analysis services to support the City's economic development efforts by providing data-driven insights, identifying market opportunities, and assisting with business attraction and retention strategies.

RECOMMENDATION

Approve a two-year agreement for market research and analysis services with up to two (2) one-year optional extensions with The Retail Coach, LLC for a total contract amount not-to-exceed $110,000, over the entire contract term; and

Authorize the Mayor to execute the agreement.

PRIOR ACTION/VOTE

On April 16, 2024, the City Council authorized the City Manager to enter into a two-year agreement for market research and analysis services with up to three (3) one-year optional extensions with The Retail Coach, LLC, in a form acceptable to the City Attorney (Vote: 5-0).

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of to: aggressively pursue economic development relating to priority Tier 3. The goal of the Retail Market Analysis is to analyze the Murrieta retail market, to identify retail gaps and growth opportunities, proactively recruit new businesses to Murrieta, and provide ongoing support for business and industry recruitment and community development.

DISCUSSION

On April 13, 2026, the City issued a Request for Proposal (RFP) and received three (3) proposals. Following an evaluation of the submissions, one (1) proposal was determined to be non-responsive, and two (2) proposals were deemed responsive. After a thorough review of the responsive proposals, The Retail Coach

was identified as the lowest, most responsible proposer and is recommended for award.

Proposal Received - Company Name	**Cost Proposal**	Total Cost
Retail Strategies	1st Year - $54,930 2nd Year - $54,930 (plus reimbursable expenses)	$109,860 for 2 years (plus reimbursable expenses)

RECITALS

The City desires to contract with a Consultant to provide professional services as more further set forth herein.

The City circulated a Request for Quotes or Proposals for the above-described professional services.

Consultant submitted a proposal to City to provide the above-described professional services.

City Staff has reviewed all the proposals and after considering the demonstrated competence of Consultant, the professional qualifications of Consultant, and the fairness and reasonableness of Consultant's proposed cost, staff has determined that an agreement to provide the required services should be awarded to Consultant.

AGREEMENT FOR PROFESSIONAL SERVICES
WITH THE CITY OF MURRIETA ("CITY")

THIS AGREEMENT FOR SERVICES ("**Agreement**") is made and entered into as of the effective on the date executed by the City by and between CITY OF MURRIETA, a California municipal corporation ("**City**") and THE RETAIL COACH, a Mississippi limited liability company ("**Consultant**"). City and Consultant may be referred to individually as "**Party**" or collectively as "**Parties**." In consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. SERVICES OF CONSULTANT

1.1 Scope of Services. In compliance with all terms and conditions of this Agreement, Consultant shall provide those services specified in the "**Scope of Services**" attached hereto as **Exhibit "A"** and incorporated herein by this reference, which may be referred to herein as the "**services**" or "**work**" hereunder. As a material inducement to City entering into this Agreement, Consultant represents and warrants: a) it has the qualifications, experience, and facilities necessary to properly perform the Services required under this Agreement b) all services set forth in the Scope of Services will be performed in a competent and satisfactory manner; c) all materials used for services will be both of good quality as well as fit for the purpose intended; and, d) Consultant shall follow the highest professional standards and practices in performing the services required hereunder.

1.2 Consultant's Proposal. The Scope of Services shall include the scope of services or work included in Consultant's proposal or bid, which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal or bid, and this Agreement, the terms of this Agreement shall govern. No other terms and conditions from Consultant's proposal or bid, other than description of scope of services or work, shall apply to this Agreement, unless specifically agreed to by City in writing.

1.3 Compliance with Law. All services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules and regulations of City and any federal, State or local governmental agency having jurisdiction in effect at the time services are rendered. City, and its officers, employees and agents, shall not be liable at law or in equity for failure of Consultant to comply with this Section.

1.4 Licenses, Permits, Fees and Assessments. Consultant shall obtain at its sole cost and expense such licenses, permits and approvals as may be required by law for the performance of the services required by this Agreement. Consultant shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for Consultant's performance of the services required by this Agreement, and shall

indemnify, defend and hold harmless City against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

1.5 Familiarity with Work. By executing this Agreement, Consultant represents and warrants Consultant: a) has thoroughly investigated and considered services to be performed, b) has carefully considered how services should be performed, and c) fully understands the facilities, difficulties and restrictions attending performance of services under this Agreement.

1.6 Software and Computer Services. If the Scope of Services includes the provision and/or installation of any software, computer system, or other computer technology, Consultant represents and warrants that it is familiar with and/or has inspected City's current infrastructure, equipment, computer system and software and that the software, computer system, or other computer technology provided and/or installed by Consultant under this Agreement is compatible, and shall be fully functional, with such infrastructure, equipment, computer system and software of City. Consultant acknowledges that City is relying on this representation by Consultant as a material consideration in entering into this Agreement.

1.7 Prevailing Wages. If services include any "public work" or "maintenance work," as those terms are defined in California Labor Code section 1720 *et seq.* and California Code of Regulations, Title 8, section 16000 *et seq.*, and if the total compensation is $1,000 or more, Consultant shall pay prevailing wages for such work and comply with the requirements in California Labor Code section 1770 *et seq.* and 1810 *et seq.*, and all other applicable laws.

1.8 Contract Modifications. Additional terms and conditions of this Agreement, if any, or any modifications or revisions to the standard terms and conditions herein are made a part hereof as set forth in the "Contract Modifications" attached hereto as **Exhibit "B"** and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit B and any other provisions of this Agreement, the provisions of Exhibit B shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT

2.1 Contract Sum. Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the rates specified in the "Schedule of Compensation" attached hereto as **Exhibit "C"** and incorporated herein by this reference. The total compensation for all work, including reimbursement for actual expenses, shall not exceed the Contract Sum set forth above. Compensation may include reimbursement, for actual and necessary expenditures, if both are specified in the Schedule of Compensation, as well as approved by City in advance.

2.2 Invoices. Unless some other method of payment is specified in Exhibit C, Schedule of Compensation, in any month in which Consultant wishes to receive payment, no later than the first business day of such month, Consultant shall submit to City, in a form approved by City's Finance Director, an invoice for services rendered prior

to the date of the invoice. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of this Agreement. Except as provided in Sections 7.3, 7.4 and 7.5, City shall pay Consultant for all expenses stated thereon which are approved by City pursuant to this Agreement generally within thirty (30) days, and City will use its best efforts to make payment no later than forty-five (45) days, from the submission of an invoice in an approved form. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by City for any invoice provided by Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law. Each invoice is to include (unless otherwise specified by City): 1) line items for all personnel describing the work performed, the number of hours worked, and the hourly rate; 2) line items for all materials and equipment properly charged to the Services; 3) line items for all other approved reimbursable expenses claimed, with supporting documentation; and 4) line items for all approved subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

ARTICLE 3. PERFORMANCE SCHEDULE

3.0 Time of Essence. Time is of the essence in the performance of this Agreement.

3.1 Term. The Agreement shall commence and become effective upon the date executed by the City and will continue until the Termination Date. This Agreement may be extended for up to two additional one-year periods upon the execution of an amendment to this agreement.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of any ongoing services, which shall be no later than the Termination Date set forth above. Notwithstanding the foregoing, the Indemnification and Insurance provisions set forth in Article 5 shall survive the termination of this Agreement.

3.2 Schedule of Performance. Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed from City and shall perform all services within the time period(s) established in Exhibit A.

3.3 Force Majeure. The time period(s) specified in Exhibit A for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including City, if Consultant shall within ten (10) days of the commencement of such delay notify City in writing of the causes of the delay. City shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of City such delay is justified. City's determination shall be final and

conclusive upon the Parties to this Agreement. In no event shall Consultant be entitled to recover damages against City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of this Agreement pursuant to this Section.

ARTICLE 4. COORDINATION OF WORK

4.1 Representative of Consultant. The Consultant Representative is authorized to act on Consultant's behalf with respect to the work or services specified herein and to make all decisions in connection therewith. It is expressly understood that the experience, knowledge, capability and reputation of the representative was a substantial inducement for City to enter into this Agreement. Therefore, the representative shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the services hereunder. For purposes of this Agreement, the representative may not be replaced nor may their responsibilities be substantially reduced by Consultant without the express written approval of City.

4.2 Department Contact for City. The Department Contact (or other person designated by the City Manager) shall be the primary person on behalf of City responsible for the administration of the Agreement. It shall be Consultant's responsibility to assure that the Department Contact is kept informed of both the progress of the performance of the services as well as any decisions which must be made by City.

4.3 Approvals from City. City approvals or actions, pursuant to the authority of this Agreement, are to be made (unless otherwise specified) either by the Department Contact, City Manager or by their delegate as provided for in writing.

4.4 Independent Contractor. Neither City, nor any of its officers, employees or agents, shall have any control over the manner or means by which Consultant, or its officers, employees, agents or subcontractors, perform the services required herein, except as otherwise set forth herein. Consultant shall perform all services required herein as an independent contractor of City and shall remain under only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it, or any of its officers, employees, agents or subcontractors, are officers, employees or agents of City. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturer or a member of any joint enterprise with Consultant. Consultant shall not incur or have the power to incur any debt, obligation or liability whatever against City, or bind City in any manner. Consultant represents and warrants that the personnel used to provide services to City pursuant to this Agreement shall at all times be under Consultant's exclusive control and direction. No City employee benefits shall be available to Consultant, its officers, employees, agents or subcontractors, in connection with the performance of this Agreement. City shall not be liable for compensation or indemnification to Consultant, its officers, employees, agents or subcontractors, for injury or sickness arising out of performing services hereunder. In the event that Consultant or any officer,

employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a federal or state agency, a court of competent jurisdiction, or the California Public Employees' Retirement System, to be classified as other than an independent contractor for City, then Consultant shall indemnify, defend, and hold harmless City for the payment of any and all assessed fines, penalties, judgments, employee and/or employer contributions, and any other damages and costs assessed to City as a consequence of, or in any way attributable to, the assertion that Consultant, or any officer, employee, agent, or subcontractor Consultant used to provide services under this Agreement, is/are employees of City.

4.5 Subcontracting or Assignment. The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for City to enter into this Agreement. Therefore, without express written approval of City, Consultant shall not contract with any other City to perform in whole or in part services required hereunder without express written approval of City, and neither this Agreement nor any interest herein may be transferred or assigned. No approved transfer shall release Consultant, or any surety or insured of Consultant, of any liability hereunder without express written consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages. Prior to commencement of any services under this Agreement, and without limiting Consultant's indemnification obligation to City, Consultant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, for the duration of the Agreement, primary policies of insurance of the type and amounts set forth in the "Insurance Requirements" attached hereto as **Exhibit "D"** and incorporated herein by this reference.

5.2 <u>Indemnification.</u>

(a) General Obligations. Except as set forth for Design Professionals below, Consultant agrees, to the full extent permitted by law, to indemnify, defend and hold harmless City and its elected and appointed officers, employees and agents (each an "**Indemnitee**" and collectively, "**Indemnitees**") against, and will hold and save them and each of them harmless from, whether actual or threatened, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities (herein "**Claims or Liabilities**") that may be asserted or claimed by any person, firm or City arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Consultant is legally liable (each an "**Indemnitor**" and collectively, "**Indemnitors**"), or arising from Indemnitors' reckless or willful misconduct, or arising from Indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith: 1) Consultant will defend any action or actions filed or threatened in connection with any such Claims or Liabilities, or at option of Indemnitee(s) will reimburse

and pay for all costs and expenses, including legal costs and attorneys' fees, incurred by Indemnitee(s) in connection therewith; and, 2) Consultant will promptly pay any judgment rendered against Indemnitee(s) for any such Claims or Liabilities, and will save and hold Indemnitee(s) harmless therefrom.

(b) Further Provisions. The indemnity obligation herein shall be binding on successors, assigns and heirs of Consultant and shall survive termination of this Agreement. Consultant shall incorporate similar indemnity agreements as provided herein with its subcontractors, and if Consultant fails to do so Consultant shall be fully responsible to indemnify City hereunder therefor. Failure of City and/or City Parties (collectively "City" for solely this Section 5.2(b)) to monitor compliance with any of the indemnification provisions herein shall not be a waiver hereof. The indemnification provisions herein do not apply to claims or liabilities occurring as a result of City's sole negligence or willful misconduct, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnification provided herein includes Claims or Liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Indemnitors in the performance of professional services hereunder. Payment of invoices by City is not a condition precedent to enforcement of the indemnity obligation herein. In the event of any dispute between Consultant and City, as to whether liability arises from the sole negligence or willful misconduct of City, Consultant will be obligated to pay for City's defense until such time as a final judgment has been entered adjudicating City as solely negligent or responsible for willful misconduct. Consultant will not be entitled in the absence of such a determination to any reimbursement of defense costs including but not limited to attorney's fees, expert fees and costs of litigation.

(c) Pursuant to the full language of California Civil Code §2782, and only if Consultant qualifies as a Design Professional, Consultant agrees to indemnify, including the cost to defend, City and its officers, officials, employees, and volunteers from and against any and all claims, demands, costs, or liability that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant and its employees or agents in the performance of services under this contract, but this indemnity does not apply to liability for damages arising from the sole negligence, active negligence, or willful acts of the City; and does not apply to any passive negligence of the City unless caused at least in part by the Consultant. The City agrees that in no event shall the cost to defend charged to the Consultant exceed Consultant's proportionate percentage of fault. This duty to indemnify shall not be waived or modified by contractual agreement or acts of the parties.

5.3 **Professional Liability**. When the law establishes a professional standard of care for Consultant's services, to the fullest extent permitted by law, Consultant shall indemnify, defend and hold harmless Indemnitees against, and will hold and save them and each of them harmless from, whether actual or threatened, any and all Claims and Liabilities, consistent with all obligations provided for in this Section

5.3, to the extent same are caused in whole or in part by any negligent or wrongful act, error or omission, or reckless or willful misconduct of Indemnitors in the performance of professional services under this Agreement.

ARTICLE 6. RECORDS, REPORTS AND RELEASE OF INFORMATION

6.1 Records. Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder ("**books and records**") as shall be necessary to perform the services required by this Agreement and enable City to evaluate the performance of such services. Any and all such books and records shall be maintained in accordance with generally accepted accounting principles, shall be complete and detailed, and shall be readily accessible. City shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts. Such books and records shall be maintained for a period of three (3) years following completion of the services hereunder. City shall have access to such books and records in the event any audit is required. Consultant shall fully cooperate with City in providing access to any and all Consultant records and documents if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 Ownership of Documents. All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials ("**documents and materials**") prepared by Consultant, its officers, employees, agents and subcontractors in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of City and/or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership, use, reuse, or assignment of the documents and materials hereunder. Consultant may retain copies of such documents and materials for its own use. Consultant shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents and materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom. Moreover, with respect to any Consultant documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for City.

6.3 Confidentiality and Release of Information. All information gained or work product produced by Consultant in its performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from City. Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from City or unless requested by the City Attorney, voluntarily provide documents, declarations, letters

of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant immediately gives City notice of such court order or subpoena. If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorney's fees, caused by or incurred as a result of Consultant's conduct. As concerning, regarding or related to, in any way, this Agreement and the work performed thereunder: a) Consultant shall immediately notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party; b) City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding; and, c) Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant, however, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Riverside, State of California, or any other appropriate court in such county, and Consultant agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Riverside, State of California.

7.2 Suspension, or Termination, Prior to Expiration of Term. This Section shall govern any termination of this Agreement except as specifically provided in Section 7.4 for termination for cause. City reserves the right to terminate or suspend this Agreement, or any portion hereof, at any time, for any reason, with or without cause, upon ten (10) days' notice to Consultant, except that where termination or suspension is due to the fault of Consultant, the period of notice may be such shorter time as determined by City. Upon receipt of any notice of termination or suspension, Consultant shall immediately cease all services hereunder, unless the notice provides otherwise, or except such as specifically approved by City. Upon submittal of an invoice consistent with Section 2.2, Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination or suspension and for any services authorized by City thereafter in accordance with the Schedule of Compensation, or such as may be approved by City, except as provided in Section 7.5. In event of termination, or suspension,

without cause pursuant to this Section, there is no need to provide opportunity to cure pursuant to Section 7.3.

7.3 Default of Consultant and Opportunity to Cure. In the event that Consultant is in default under the terms of this Agreement, City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively ten (10) days, but may be extended, or reduced, if circumstances warrant, as determined by City. During the period of time that Consultant is in default, City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices, without liability for interest. In the alternative, City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default by conclusion of noticed timeframe, City may immediately both terminate this Agreement with notice to Consultant as well as pursue the remedy in Section 7.4, without prejudice to any other remedy to which City may be entitled at law, in equity or under this Agreement. Any failure on the part of City to give notice of Consultant's default shall not be deemed to result in a waiver of City's legal rights or any rights arising out of any provision of this Agreement.

7.4 Termination for Default of Consultant. If termination is due to the failure of Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.3, take over the work and prosecute the same to completion by contract or otherwise, and Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to Consultant for the purpose of set-off or partial payment of the amounts owed City therefor.

7.5 Retention of Funds. Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, or any indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.6 Waiver. Waiver by any Party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting Party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either Party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement. Consultant acknowledges and agrees that any actual or alleged failure on the part of City to inform Consultant of non-compliance with any requirement of this Agreement imposes no additional obligations on City nor does it waive any rights hereunder. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

7.7 Rights and Remedies are Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the Parties are cumulative and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

7.8 Legal Action. In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code sections 905 *et seq*. and 910 *et seq*., in order to pursue a legal action under this Agreement.

7.9 Attorneys' Fees. If either Party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorneys' fees. Attorneys' fees shall include attorneys' fees on any appeal, and a Party entitled to attorneys' fees shall be entitled to all other reasonable costs for investigating such action, consultants' fees, taking depositions and discovery and all other necessary costs the court allows which are incurred in such

litigation. Such fees and costs shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. INDIVIDUAL LIABILITY, CONFLICTS AND NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees. No officer or employee of City shall be personally liable to Consultant, or any successor in interest, in the event of any default or breach by City or for any amount which may become due to Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest. Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of City. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement. City, in its sole discretion, shall determine the existence of a conflict of interest and may terminate this Agreement in the event such a conflict of interest exists upon sending Consultant written notice describing the conflict. No officer or employee of City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to this Agreement which affects their financial interest or the financial interest of any corporation, partnership or association in which they are, directly or indirectly, interested, in violation of any State statute or regulation. Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination. Consultant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices. Any notice or other communication either Party desires or is required to give to the other Party or any other person in regards to this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by a reputable document delivery service, such as but not limited to, Federal Express, which provides a receipt showing date and time of delivery, or (iii) mailing in the United States Mail, certified mail, postage prepaid, return receipt requested, in the case of

City addressed to City Clerk at City of Murrieta, 1 Town Square, Murrieta California 92562, and in the case of Consultant, to the person(s) at the address designated on the cover page of this Agreement. Either Party may change its address by notifying the other Party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either Party by reason of the authorship of this Agreement, headings used, or any other rule of construction which might otherwise apply.

9.3 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, and such counterparts shall constitute one and the same instrument.

9.4 Integration; Amendment. This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the Parties as to the Agreement. It is understood that there are no oral agreements between the Parties hereto affecting this Agreement, and this Agreement supersedes and cancels any and all prior and contemporaneous negotiations, arrangements, agreements and understandings, if any, between the Parties, concerning this Agreement, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by Consultant and by City.

9.5 Severability. Should a portion of this Agreement be declared invalid or unenforceable by a judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the Parties unless the invalid provision is so material that its invalidity deprives either Party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 No Undue Influence. Consultant declares and warrants that no undue influence or pressure was used against or in concert with any officer or employee of City in connection with the award, terms or implementation of this Agreement, including any method of coercion, confidential financial arrangement, or financial inducement. No officer or employee of City has or will receive compensation, directly or indirectly, from Consultant, or from any officer, employee or agent of Consultant, in connection with the award of this Agreement or any work to be conducted as a result of this Agreement. Violation of this Section shall be a material breach of this Agreement entitling City to remedies in Section 7.4 and any and all remedies at law or equity.

9.7 Corporate Authority. The persons executing this Agreement on behalf of the Parties hereto warrant that (i) such Party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said Party,

(iii) by so executing this Agreement, such Party is formally bound to the provisions of this Agreement, and (iv) entering into this Agreement does not violate any provision of any other agreement to which said Party is bound. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the Parties.

9.8 **Federal Funding**. If federal funding is being utilized to fund any part of the Project, as indicated on the Cover Page of this Agreement, the terms of **Exhibit "E"** are hereby incorporated herein by this reference. If no federal funding is being utilized, Exhibit E may be omitted.

[SIGNATURES ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the date and year first-above written.

SCOPE OF SERVICES

I. Consultant will perform the following Services:

See Attachment 1; references to "The Retail Coach" refer to the Consultant.

II. All work product is subject to review and acceptance by the City, and must be revised by the Consultant without additional charge to the City until found satisfactory and accepted by City.

Retail Market Analysis

Custom Retail Trade Area Analysis + Mobile Location Data

Mobile Location Data has become a powerful tool for retail, restaurant, and entertainment concept site selection processes. We will utilize data to confirm the primary retail trade area, but also to evaluate specific location consumer draw and performance. This can also be helpful for existing businesses to know how they stack up against their competition and to visualize cannibalization.

Due to changes in privacy laws and mobile location data providers report availability, our mobile location data reports maybe limited to week-long periods for custom points-of-interest or polygons. More granular reports to measure weekend or single-day events may no longer be available.

Demographic + Psychographic Analysis

Our demographic profiles include population and projected population growth, ethnicity, average and median household incomes, median age, households and household growth, and educational attainment. We will create comprehensive 2020 Census, 2024, and 2029 Demographic Profiles for the Retail Trade Area and Murrieta community.

Submarket Analysis

Every community has multiple retail submarkets. Having a strong understanding of your community's submarkets and what drives retail in each submarket is vital to overall retail recruitment success. We will provide a Submarket Analysis highlighting key areas of focus for retail growth, development, or redevelopment and analyze existing retail, cannibalization effects of new businesses, and submarket viability in relation to Murrieta as a whole.

Downtown Murrieta

The Retail Coach will place an emphasis on the Downtown submarket to assist with identifying and recruiting new restaurants and businesses to fill existing vacancies in this area. Custom trade area reports will be created along with a tailored recruitment strategy that will be downtown-specific and differ from city-wide retail recruitment efforts.

SCOPE OF WORK - TASK 2

Determining Retail Opportunities

Retail GAP + Demand Analyses

One way to quantify retail opportunity is through a Retail Demand Analysis, which provides a summary of the primary projected retail demand growth — or opportunities — for 68 retail sectors. The analysis is ultimately used to identify recruitment targets for the community. The Retail Coach will also compare the demand to current sales projects to generate a GAP or retail leakage report. This will help identify which sectors are strengths or currently under served by the existing retail market.

Consumer Report

The Retail Coach will perform a Marginal Propensity Index analysis to measure the likely demand for a product or service in an area. The analysis compares the expected number of local consumers to the national demand for a particular product or service. The resulting Marginal Propensity Index (MPI) provides insight into the Murrieta consumer market and identifies key products/services that are in high demand.

SCOPE OF WORK - TASK 3

Identifying Development / Redevelopment Opportunities

Site Identification

Retailers are interested not only in the market data on your community, but also in evaluating all available property vacancies and sites that fit their location preferences. Successful retail recruitment begins to happen with the introduction of available sites. We will identify priority retail vacancies and development/ redevelopment sites to market, as well as evaluate their highest and best use.

Retail Site Profiles

A critical step in attracting retail is providing accurate and current information on each identified vacancy and site. The Retail Coach will create a Retail Site Profile for each identified vacancy and site with current site-specific information, including:

- Location
- Aerial Photography
- Site Plan
- Demographic Profile
- Property Size & Dimensions
- Traffic Counts
- Appropriate Contact Information

Identifying Retailers & Developers for Recruitment

Identifying Potential Retailers

The Retail Coach will target national and regional retail brands that are a good "fit" for the community. This means that the Retail Trade Area population, disposable incomes, consumer spending habits, and education levels meet the retailers' ideal location criteria.

The Retail Coach will develop and review a master list of potential retailers with Murrieta staff and work together to prepare a final target list of retailers for recruitment. This list will include retailers from our analysis as well as new retail/restaurant concepts or regional retailers and restaurants that may be a good fit for the community.

Identifying Potential Developers

Much of our recruitment success comes from establishing a network of regional and national retail developers over the past 23 years. Developer networking and recruitment have become key components in a community's retail recruitment and development/redevelopment success.

If a higher-tier retailer were to express interest in a community, and there was not sufficient ready-to-lease properties matching their needs and brand requirements, a developer must be identified to build the interested retailer a suitable property.

The Retail Coach will use our network to identify commercial real estate developers active in Murrieta and the region for recruitment. We will also work with City staff to contact and build relationships with developers active in the region.

Marketing & Branding

Retail Market Profile

To attract targeted retailers, the most critical step is to provide accurate and current community data and site-specific information on available vacancies and sites. It is important that this marketing information positively reflects the community's attributes and brand to corporate site selectors, real estate brokers, and developers, because it is essential in making initial decisions about locating in the community.

We will develop a Retail Market Profile tailored to the specific needs of targeted retailers' essential site selection and location criteria for Murrieta.

The profile serves as a community introduction, and includes:

- Retail Trade Area Map
- Location Map
- Traffic Count Map
- Demographic Profile Summary
- Appropriate Logo and Contact Information

Retailer-Specific Feasibility Packages

Unlike the more general Retail Market Profile, a Retailer Feasibility Package is developed to send specifically to the real estate department or broker for individual retailers.

We will create retailer-specific feasibility packages to address essential location criteria. These feasibility packages will include:

- Community Overview & Demographic Profile
- Retail Site Profiles
- Location Map
- Retail Trade Area Map
- Existing Retailer Map
- Retail Trade Area Demographic & Psychographic Profiles
- Retail Trade Area Demand Analysis Summary
- Area Traffic Generators
- Appropriate Logo and Contact Information

Marketing & Branding

Developer Opportunity Package

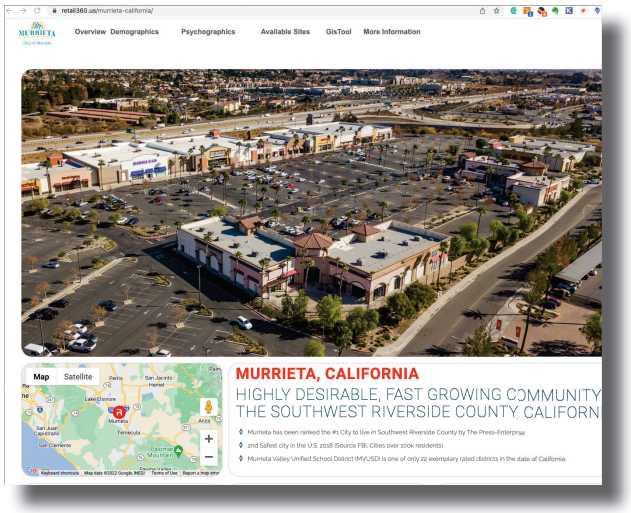
Our team creates a Developer Opportunity Package to send specifically to retail developers active in the community and/or region to spark their interest in retail opportunities.

The Retail Coach will create a Developer Opportunity Package to highlight development and redevelopment opportunities in Murrieta.

Online Retail Dashboard

Being able to quickly and easily access and share retail opportunity information greatly increases a community's opportunity for success. To assist with this, we develop a custom online retail dashboard that can be accessed online anytime through a branded Retail:360® link.

We will create a Retail:360® Retail Dashboard for Murrieta, which will be available for visual presentation and easy downloading of all data sets and marketing information. With a few clicks, retailers, brokers and developers can learn about your community's retail potential like never before.



Recruiting Retailers & Developers

Retail Recruitment Plan

The Retail Coach is the first national retail recruitment firm to introduce retailer and developer recruitment specifically for communities. Twenty-four years and 850 projects later, the recruitment of retailers remains one of the primary metrics of success. Today, our experience has proven that a community must move beyond just gathering data sets, and proactively recruit retail.

We will actively recruit retailers on Murrieta's behalf. Our retailer recruitment process includes:

1. Introductory emails and retail market profile are sent to each targeted retailer
2. Personal phone calls are placed to measure interest level
3. Personal emails and retailer feasibility packages are sent to each targeted retailer
4. Personal emails and retail site profiles for prime vacancies are sent to targeted retailers
5. Personal emails are sent to inform targeted retailers of significant market changes
6. Personal emails are sent to decision markers once per quarter to continue seeking responses regarding their interest level in the community
7. A retailer status report is provided with each retailer's complete contact information and comments resulting from recruitment activities

Commercial Real Estate Conference Representation

Recruitment is a relationships business, and retail conferences are essential to getting in front of and forging relationships with key site selectors and decision-makers. Having a prominent presence at ICSC and Retail LIVE events has been a staple for The Retail Coach for over 20 years. In our partnership with the City, we will assist in marketing Murrieta - and its vacancies and sites - to retailers, developers, and brokers at retail industry conferences. For any Murrieta Staff attending, TRC will assist with conference planning and setting appointments.

Key Events: ICSC Las Vegas, ICSC Monterey, ICSC Western; Retail LIVE!

Targeted Retail Studies

Having effective marketing material is essential. The Retail Coach will prepare targeted retail studies and deliverables that properly illustrate the potential in Murrieta that staff can use to assist ongoing recruitment efforts,

Status Summary + Updates

Communication is key to a successful Retail Recruitment Plan. The Retail Coach will provide a link to recruitment status tracking form in addition to monthly team calls.

Downtown Retail

Custom Retail Trade Area Analysis + Mobile Location Data

Downtown Districts provide unique retail, dining, and entertainment experiences for residents and visitors alike. The demand generated by these areas create opportunities that differ from traditional retail centers. The Retail Coach will analyze Downtown Murrieta and determine its own Retail Trade Area map.

Demographic + Psychographic Analysis

Our demographic profiles include population and projected population growth, ethnicity, average and median household incomes, median age, households and household growth, and educational attainment. We will create comprehensive 2020 Census, 2024, and 2029 Demographic Profiles for the Downtown Retail Trade Area.

Downtown Stakeholder Discussions & Small Business Workshops

Local buy-in is a must have for communities looking to build a comprehensive recruitment program. The Retail Coach will meet with local property owners, franchisees, brokers, and other stakeholders to assist with their ongoing projects or goals and to make direct introductions with targeted brand representatives. Our team will also meet with small businesses to share market findings and implications.

Coaching + Ongoing Support

Retail Recruitment Status Summary

To ensure transparency, The Retail Coach will provide a Live Retail Tracking form for City staff to access 24/7 to report the status of ongoing recruitment discussions, points of contact (along with contact information), deliverables, and overall project progress.

Monthly Update Calls

To keep clear and open lines of communication, The Retail Coach will set monthly Zoom meetings with City staff to discuss updates, retailer feedback, and strategy. Additionally, our team is always available on demand to brainstorm, connect with personnel, or otherwise be a resource to City staff.

Visible Presence

Being a part of your team means being seen. The Retail Coach will make at least two trips to Murrieta during the 12 month engagement to meet with city staff, prospective retail site selectors, developers, local property owners, and to host workshops for stakeholders.

Data Access

The Retail Coach implements a number of data sources and providers into our recruitment strategy. As such, our clients can gain unlimited access to GIS and data reports from the following: Claritas; ESRI ArcGIS & Business Analyst; AGS & Inrex via SitesUSA; Retail Lease Trac; CoStar/LoopNet; Seamless; Unacast, Advan, & Olvin Via AlphaMap; BLS; Census Bureau; and State DOTs.

The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.

6. Technology Professional Liability Errors & Omissions
(Only if vendor is providing a technology service (data storage, website designers, etc.,) or product (software providers)
Technology Professional Liability Errors and Omissions Insurance appropriate to the Consultant's profession and work hereunder, with limits not less than $2,000,000 per occurrence. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by the Vendor in this agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.

a. The Policy shall include, or be endorsed to include, ***property damage liability coverage*** for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the Agency in the care, custody, or control of the Vendor.

If the Consultant maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Other Insurance Provisions
The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status
The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Consultant including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Consultant's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage
For any claims related to this contract, the Consultant**'s insurance coverage shall be primary and non-contributory** and at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Consultant's insurance

and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Umbrella or Excess Policy
The Consultant may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Consultant's primary and excess liability policies are exhausted.

Notice of Cancellation
Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City.

Waiver of Subrogation
Consultant hereby grants to City a waiver of any right to subrogation which any insurer of said Consultant may acquire against the City by virtue of the payment of any loss under such insurance. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions
Self-insured retentions must be declared to and approved by the City. The City may require the Consultant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds $25,000 [fill in the amount for your comfort level for the specific Consultant and job – it could be much higher, or in the case of a very small Consultant, you might want it lower] unless approved in writing by City. Any and all deductibles and SIRs shall be the sole responsibility of Consultant or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. City may deduct from any amounts otherwise due Consultant to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. City reserves the right to obtain a copy of any policies and endorsements for verification.

Acceptability of Insurers
Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

Claims Made Policies (note – should be applicable only to professional liability, see below)
If any of the required policies provide claims-made coverage:

1. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.

2. Insurance must be maintained and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

3. If coverage is canceled or non-renewed, and not replaced **with another claims-made policy form with a Retroactive Date prior** to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of **five (5) years after completion of work.**

Verification of Coverage
Consultant shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause **and a copy of the Declarations and Endorsements Pages of the CGL and any Excess policies listing all policy endorsements.** All certificates and endorsements and copies of the Declarations & Endorsements pages are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time. City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Subcontractors
Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors.

Duration of Coverage
CGL & Excess liability policies **for any construction related work, including, but not limited to, maintenance, service, or repair work,** shall continue coverage for a minimum of 5 years for Completed Operations liability coverage. Such Insurance must be maintained, and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

Special Risks or Circumstances
City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 11.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Javier Carcamo, Finance Director

PREPARED BY: Evan Crockett, Management Analyst - Finance

SUBJECT:
Fiscal Year 2026/27 Tax Rates for the Community Facilities Districts

ABSTRACT

This report presents the proposed Fiscal Year 2026/27 special tax rates for the City's Community Facilities Districts (CFDs). It requests City Council adoption of the required resolutions to approve the annual levies. The recommended tax rates ensure each district generates sufficient revenue to meet debt service obligations, administrative costs, and authorized public services in accordance with the Mello-Roos Act and each district's Rate and Method of Apportionment. For FY 2026/27, the combined levy totals $9,310,450 for seventeen bonded CFDs and $129,984.84 for the Safety and Maintenance CFDs. Adoption of these resolutions maintains compliance with County requirements and supports the City's commitment to fiscal sustainability and transparency.

RECOMMENDATION

Adopt the Resolutions approving the Fiscal Year 2026/27 Tax Rates for the Community Facilities Districts:

Resolution No. 26-4958 entitled: *A Resolution of the City Council of the City of Murrieta, County of Riverside, State of California, Ordering the Levy and Collection of Special Taxes Within Each Community Facilities District Listed Below for Fiscal Year 2026/2027*:

Community Facilities District No. 2005-5 IA B (Golden City),
Community Facilities District No. 2025-3 (Discovery Village), and
Community Facilities District No. 2025-4 (Rustic Meadows)

Resolution No. 26-4959 entitled: *A Resolution of the City Council of the City of Murrieta, County of Riverside, State of California, Ordering the Levy and Collection of Special Taxes Within Community Facilities District No. 2025-S and No. 2025-2 Fiscal Year 2026/2027*.

This item includes:

Community Facilities District No. 2025-S (Safety Services - original and all annexations) and
Community Facilities District No. 2025-2 (Maintenance Services - original and all annexations).

PRIOR ACTION/VOTE

On July 1, 2025, the City Council approved the levy for Fiscal Year 2025/26 for the districts contained herein.

On July 15, 2025, the City Council approved the levy for Fiscal Year 2025/26 for the districts contained herein.

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of maintaining a high performing organization that values fiscal sustainability, transparency, accountability, and organizational efficiency. The item is consistent with the City's Debt Policy (Policy No. 400-03), which establishes guidelines for the issuance and administration of debt and land-based financings, including Community Facilities Districts. The item also advances the City Departments' Top Projects List related to the implementation of public safety and maintenance services through Community Facilities Districts (CFDs).

DISCUSSION

The Fiscal Year (FY) 2026/27 budget for each Bonded Community Facilities District (CFD) is designed to cover principal and interest payments, construction of future facilities, administrative costs, and/or service costs. These CFDs have existed since at least the year 2000, at the request of the corresponding developer, to finance certain public improvements through the levy of special taxes and the issuance of bonds. The County of Riverside requires the resolution as confirmation for the special tax amounts to be added to the assessment rolls. The special taxes were previously approved and established at the time of each CFD's formation, with the adoption of the ordinance associated with each CFD.

From 2000 to 2005, the City of Murrieta (City) formed and issued bonds for thirteen CFDs to fund improvements related to the development of residential subdivisions. Additionally, in FY 2016/17, the City issued bonds for a fourteenth district, CFD 2005-5 Improvement A, formed in 2006, that had been dormant for ten years. In 2012 and 2016, the City completed refunding all outstanding bonds for the thirteen districts that previously issued bonds to take advantage of lower interest rates than when the districts were formed. On October 2, 2018, on behalf of the CFDs, the City issued bonds for the fifteenth district, CFD 2005-5 Improvement Area B (Golden City) Special Tax Bonds Series 2018, in the amount of $11,505,000. These fifteen CFDs formed from 2000 to 2005 are referred to as the legacy CFDs.

In June 2022, on behalf of the CFDs, the City took advantage of historic low-interest rates to refinance five CFDs that were previously refinanced (2012 Reassessment District). This refinancing reduced the annual levy

for property owners in the five (5) districts and changed the debt service schedule for one of the districts from an annually increasing schedule to a level debt service payment, while maintaining the original payoff dates for each district (2022 Local Agency Revenue Refunding).

In December 2023, the City evaluated the fiscal impact of significant development activity that had occurred in recent years on essential municipal services, particularly public safety and maintenance services. The analysis determined that existing revenue sources were insufficient to support the staffing levels necessary to maintain the City's desired level of service as development continued to increase service demands.

In response, the City established a Public Safety Community Facilities District (CFD) and a Maintenance Services CFD to provide an equitable funding mechanism based on the principle that "growth pays for growth." Since that time, the City has established CFD 2025-S (Safety Services) and CFD 2025-2 (Maintenance Services).

Only new residential developments are annexed into the Public Safety and Maintenance Services CFDs. As a result, these assessments do not apply to existing residential properties and have no financial impact on current homeowners.

A summary of the FY 2026/27 annual levy assessments for the “New CFDs”, including bonded facilities, public safety services, and maintenance services, is provided in the tables contained within this report. A description of services funded by the new CFDs is also listed below.

Regarding bonded CFDs, bonds are generally issued for a period of 30 years, and the annual debt service payments and costs to administer the districts are the responsibility of the owners of property within each CFD. While the City facilitates the formation and administration of the districts, ultimately, the City of Murrieta has no financial responsibility for the repayment of the debt. The actual tax amount levied per property will vary by district and usually depends on the size of the home, the number of homes in the district, and the total cost of facilities acquired with bond proceeds.

The City contracts with Willdan Financial Services to administer the legacy CFDs. The legacy CFDs were formed between 2000 and 2005. The City also contracts with Spicer Consulting Group to form and administer new CFDs. The consultants determine tax rates based on the Rate and Method of Apportionment adopted for each district at the time of formation. The tax rate applied to the property tax bill may not exceed the rate approved by the qualified electors in each district and should generate enough revenue to cover debt service payments and administrative costs.

The table below summarizes the annual levy amounts needed for each district to cover district obligations for FY 2026/27. The total levy for all seventeen districts for FY 2026/27 is $9,310,450.

CFD - Maintenance Services

Under the Mello-Roos Act, the City may establish CFDs to finance certain public services through the levy of a special tax. These services includes landscape maintenance and lighting of parks, parkways, streets, roads and open space, maintenance (including irrigation and replacement) of landscaping vegetation situated on or adjacent to parks, parkways, streets, roads and open space; maintenance and repair of irrigation facilities; maintenance of public signage; graffiti removal from and maintenance and repair of public structures situated on parks, parkways, streets, roads and open space; maintenance and repair of playground or recreation program equipment or facilities situated on any park; and maintenance and operation of water quality improvements which include storm drainage and flood protection facilities and public street sweeping.

CFD - Safety Services

Under the Mello-Roos Act, the City may also establish CFDs to finance certain public services through the levy of a special tax. Eligible services include police protection services, including criminal justice functions related to jails, detention facilities, and juvenile halls; fire protection and suppression services; and ambulance and paramedic services.

The table below shows the annual levy amounts needed for safety services and maintenance CFDs to cover district obligations for FY 2026/27. The total levy for the safety services CFDs is $64,896.00, and the total levy for the maintenance services CFDs is $65,088.84.

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund associated with this report. All revenue collected from Bonded CFD levies is considered fiduciary funds, i.e., not directly spendable by the City. The FY 2026/27 budget for each CFD is designed to cover principal and interest payments, construction of future facilities, administrative costs, and/or service costs.

Each district's maintenance and safety services are funded by special tax assessments on parcels within the district and may be used only for administrative costs and maintenance services provided therein. The proposed revenues and expenditures were included in the adopted FY 2026/27. Staff will include any budgetary adjustments in the quarterly budget update report.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 12.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Brian Crawford, Municipal Services Director

PREPARED BY: Garrett Strang, Capital Projects Program Manager

SUBJECT:
Award Construction Contract for the Auto Mall, Date Street, and Hobie Circle Slurry Seal Project, CIP No. 13080, MSD Project No. 26-010

ABSTRACT

The purpose of this item is to award the construction contract for the Auto Mall, Date Street, and Hobie Circle Slurry Seal Project to the lowest responsive and responsible bidder and find the project to be exempt from CEQA.

RECOMMENDATION

Amend the Fiscal Year 2026/27 Capital Improvement Plan (CIP) Budget and establish an appropriation of $100,000 using Measure A Fund Unassigned Fund Balance into CIP No. 13080;

Find the Auto Mall, Date, and Hobie Slurry Seal Project, CIP No. 13080, MSD Project No. 26-010, to be exempt from CEQA and award the construction contract to Roy Allan Slurry Seal, Inc. in the amount of $79,665.72;

Authorize a 15% construction contingency of $11,949.86;

Authorize the Mayor to execute the construction contract; and

Authorize the Municipal Services Director and/or designee to approve contract change orders not to exceed fifteen percent of the contract amount.

PRIOR ACTION/VOTE

On June 3, 2025, the City Council approved Resolution No. 25-4836, approving the Capital Improvement Plan Budget for Fiscal Year 2025/26, and the Fiscal Year 2025/26 to 2029/30 Capital Improvement Plan, which included the Citywide Slurry Seal Project, CIP No. 13080 (Vote: 5-0).

STRATEGIC ALIGNMENT

This item aligns with the City Council goal to: aggressively pursue economic development relating to an administrative priority. This project will revitalize the subject streets by resurfacing the existing asphalt, in preparation to reconfigure the striping layout to allow more street parking for the local businesses.

DISCUSSION

The Auto Mall, Date, and Hobie Slurry Seal Project, CIP No. 13080, consists of striping removals, crack sealing, surface prep, street sweeping, traffic control, slurry sealing, and other ancillary work at Auto Mall Parkway, Date Street, and Hobie Circle. The intent of this project is to resurface and seal the subject streets in preparation for a revised striping configuration designed to increase the number of on-street parking spaces available for local businesses. Upon completion of the slurry seal work, the City's on-call striping contractor will install the new striping under separate contract. This project is funded utilizing Measure A (Fund 302).

The project includes slurry seal and other incidental work at the following locations:

- Auto Mall Parkway from Jefferson Avenue to Date Street;
- Date Street from Jefferson Avenue to Auto Mall Parkway; and
- Hobie Circle from Auto Mall Parkway to Date Street.

Project Bidding and Determination

The City conducted an informal bid process per the requirements of the Murrieta Municipal Code for Public Works construction contracts between $75,000 and $219,999 and received a total of three (3) construction bids. The bid results are as follows:

	Bidder	Proposal Cost
1.	Roy Allan Slurry Seal, Inc.	$79,665.72
2.	American Asphalt South, Inc.	$93,037.62
3.	NPG Asphalt	$165,665.00

Staff has reviewed the bids and determined that the item prices are consistent with today’s construction market. Staff recommends that the construction contract be awarded to the lowest responsible bidder, Roy Allan Slurry Seal, Inc., in the amount of $79,665.72, for the total proposal cost, plus a 15% construction contingency of $11,949.86, for a total of $91,615.58.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item).

CEQA AND REGULATORY OVERVIEW

Staff recommends exemption of this project from the California Environmental Quality Act (CEQA) pursuant to

Section 15301 (Class 1 Categorical Exemption) of the CEQA Guidelines because this project involves “repair or maintenance” of existing infrastructure or facilities and is on the same site and serves the same purpose and capacity without expanded use.

FISCAL IMPACT

The total fiscal impact associated with the approval of this contract is $91,615.58, including the contingency. Staff recommends amending the Capital Improvement Plan Budget for Fiscal Year 2026/27 and establishing an appropriation of $100,000 using Measure A Fund Unassigned Fund Balance into CIP No. 13080.

The construction contract amount to be awarded is $79,665.72, plus an additional 15% contingency amount of $11,949.86, for a total not-to-exceed amount $91,615.58. Funding is available in CIP No. 13080 from Measure A (Fund 302).

RECITALS

The City desires to contract with a Contractor to provide services as more further set forth herein.

The City maintains a list of qualified contractors, identified according to categories of work, in accordance with Section 22034 of the Public Contract Code.

Notices inviting informal bids were mailed, faxed, or emailed to all contractors on the list for the category of work to be bid, or mailed, faxed, or emailed to all construction trade journals in accordance with Section 22036 of the Public Contract Code. Additional contractors and/or construction trade journals may have been notified at the discretion of the City if the product or service is proprietary in nature such that it can be obtained only from a certain contractor or contractors.

All mailings of notices to contractors and construction trade journals were completed not less than ten calendar days before bids would be due pursuant to such notice.

The notice inviting informal bids described the project in general terms, stated how to obtain more detailed information about the project, and specified the time and place for submission of bids.

This Contract, made and entered into effective on the date executed by the City, by and between the City of Murrieta, a municipal corporation, hereinafter referred to as "City," and the above-referenced Contractor.

The City and Contractor, for the consideration hereinafter named, mutually agree as follows:

1. SCOPE OF WORK.

1.1 The Contractor shall perform all of the work, furnish all labor, materials, equipment, tools, utility services, and transportation, and comply with all of the specifications and requirements in the Bid Documents for the above entitled Project. All such work shall be performed in a good and workmanlike manner, as reasonably determined by the City, and shall be performed in compliance with all local, state, and federal laws and regulations. As used herein, "Bid Documents" refers to all of the documents included in the solicitation of bids for the Project, including but not limited to, the Invitation for Bids, Instructions to Bidders, Bid or Bid Proposal, Contract Documents, Special Provisions, Technical Provisions, Construction Plans, Standard Plans, Drawings, Reference Specifications, all applicable permit requirements, any addenda, any applicable Project Labor Agreement, and any other documents included, referenced, or incorporated therein. The Bid Documents are incorporated into this Contract and made part hereof. In the event of any conflict between the terms of the Bid Documents and this Contract, the terms of this Contract shall govern.

2. CONTRACT DOCUMENTS.

2.1 The provisions of the 2024 Edition of the Standard Specifications for Public Works Construction, as updated by errata, ("Greenbook") are incorporated herein, except as explicitly modified by the Bid Documents or further herein. In the event of any conflict between the provisions of the Greenbook and this Contract, the terms of this Contract and the Exhibits attached hereto shall govern.

2.2 Copies of the Standard Specifications for Public Works Construction are available from the publisher:

Building News, Inc. (BNi)
990 Park Center Drive, Suite E Vista, CA 92081
(760) 734-1113
www.bnibooks.com

2.3 The aforementioned Standard Specifications will control the General Provisions, construction materials, and construction methods for this Contract except as amended by the Plans and Specifications of this Contract.

2.4 Where the Plans or Specifications describe portions of the work in general terms, but not in complete detail, it is understood that the item is to be furnished and installed completed and in place and that only the best general practice is to be used.

2.5 Unless otherwise specified, Contractor shall furnish all labor, materials, tools, equipment, and incidentals, and do all the work involved in executing the Contract.

2.6 The Contract Documents include this Contract, the Bid Documents, the Standard Specifications, any and all Exhibits thereto, all design documents, and contract change orders and all bonds and insurance documents. The Contract Documents are complementary, and what is called for by any one document shall be as binding as if called for by all. Any conflict between this Contract and any other Contract Document shall be resolved in favor of this Contract with the exception that any later amendments hereto or change orders shall take precedence over this Contract.

3. CITY APPROVAL.

3.1 All labor, materials, tools, equipment, and services shall be furnished and work performed and completed under the direction and supervision and subject to the approval of City or its authorized representatives.

4. LICENSES, PERMITS FEES AND ASSESSMENTS

4.1 Contractor shall obtain at its sole cost and expense such licenses, permits, registrations, and approvals as may be required by law for the performance of the services required by this Contract. Contractor shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for the Contractor's performance of the services required by this Contract, and shall indemnify, defend and hold harmless City, its officers, employees or agents of City, against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

5. CONTRACT AMOUNT AND SCHEDULE.

5.1 City agrees to pay and Contractor agrees to receive and accept the prices set forth in their bid as full compensation for furnishing all materials, performing all work, and fulfilling all obligations hereunder. Said compensation shall cover all expenses, losses, damages, and consequences arising out of the nature of the work during its progress or prior to its acceptance, including those for well and faithfully completing the work and the whole thereof in the manner and time specified in the aforesaid contract documents and also including those arising from actions of the elements, unforeseen difficulties or obstructions encountered in the prosecution of the work, suspension or discontinuance of the work, and all other unknowns or risks of any description connected with the work. The total of all payments made to Contractor shall not exceed the Contract Sum set forth above.

5.2 Contractor agrees to complete the work on the Project in a period not to exceed the Contract Days set forth above, commencing upon the date stated in the Notice to Proceed issued by City. Construction shall not commence until bonds and insurance are approved by City. Contract Days shall be computed as calendar days and not as working or business days. Time is of the essence. If the work is not completed within said time period, liquidated damages shall apply. The term of this Agreement shall expire one (1) year following City's acceptance of the Project.

6. PAYMENT AND INVOICING.

6.1 All invoices shall include a copy of Contractor's Certified Payroll and proof that Certified Payroll has been submitted to the DIR. Contractor shall also submit a list of the prevailing wage rates (including federal prevailing wage rates, if applicable) for all employees and subcontractors providing services under this Contract, as applicable, with Contractor's first invoice. If these rates change at any time during the term of the Contract, Contractor shall submit a new list of rates to the City with its first invoice following the effective date of the rate change. Additionally, Contractor shall submit the following information with each monthly invoice: (1) an updated Project schedule reflecting all work completed and the percentage completion of all scheduled work; (2) the number of units completed for any work being performed on a unit price basis; (3) a report documenting all issues, concerns, and delays the Contractor's method of addressing said concerns; (4) in the event Contractor is not meeting the approved Project schedule, a resource-loaded recovery schedule demonstrating how Contractor will meet the approved Project schedule; (5) a list of all deliverables in process and the status of each deliverable; (6) a list of any pending requests for information or clarification and change orders and the status of each item on the list; and (7) a log of all pending corrective work and/or warranty items identified by either Party and the status of such work and/or warranty items.

6.2 Payment.

a. Payments Made by City. City shall independently review each invoice submitted by the Contractor to determine whether the work performed and expenses incurred are in compliance with the provisions of this Contract. Except as to any charges for work performed or expenses incurred by Contractor which are disputed by City, City will cause Contractor to be paid any progress payment within thirty (30) days of receipt of Contractor's correct and undisputed invoice; however, Contractor acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event that City does not cause Contractor to be paid any progress payment within thirty (30) days of receipt of an undisputed and properly submitted invoice and provided the Project is for construction, Contractor shall be entitled to the payment of interest to the extent allowed under Public Contract Code § 20104.50. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Contractor, not later than seven (7) days after receipt by the City, for correction and resubmission. Returned invoices shall be accompanied by a document setting forth in writing the reasons why the payment request was rejected. Review and payment by the City of any invoice provided by the Contractor shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

6.3 Payments Made by Contractor to Subcontractors. In accordance with § 7108.5 of the California Business and Professions Code, Contractor shall remit payments owed to subcontractors within seven (7) calendar days after receiving payments by City if payments are owed by Contractor to any subcontractor, unless otherwise agreed to in the applicable subcontract between Contractor and Subcontractor or unless otherwise authorized by California law, but in no event less than fifteen (15) calendar days for any Subcontractor qualifying as a small business enterprise, and within thirty (30) calendar days if payments are owed by Contractor to any Subcontractor other than a small business enterprise.

6.4 Retention. Pursuant to § 9203 of the Public Contract Code, City will deduct a five percent (5%) retention from all progress payments, which shall be released to Contractor no later than sixty (60) days from completion of the work in accordance with § 7107 of the Public Contract Code. In the event of a dispute between City and Contractor, City may withhold from the final payment an amount not to exceed one hundred fifty percent (150%) of the disputed amount.

6.5 Waiver. Payment to Contractor for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Contractor.

7. ADDITIONAL WORK AND CHANGE ORDERS.

7.1 City shall have the right at any time during the performance of the services, without invalidating this Contract, to order extra work beyond that specified in the Scope of Work or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written change order is first given by the City to the Contractor, incorporating therein any adjustment in (i) the Contract Sum, and/or (ii) the time to perform this Contract, which said adjustments are subject to the written approval of the Contractor ("Change Order"). All Change Orders must be signed by the Contractor and City prior to commencing the extra work thereunder.

7.2 Any increase in compensation of up to the amount of contingency approved by the City Council at the time the Project was awarded to Contractor plus any additional subsequent contingency approved by the City Council, if any, taken either separately or cumulatively, or any increase in the time to perform of up to one hundred eighty (180) days and which are not detrimental to the Work or to the interest of the City, may be approved by the City Manager. Any greater increases, taken either separately or cumulatively, must be approved by the City Council.

7.3 Any adjustment in the Contract Sum for a Change Order must be in accordance with the unit prices or rates set forth in the Contractor's Bid. If the rates in the Contractor's Bid do not cover the type of work in the Change Order, the cost of such work shall not exceed an amount agreed upon in writing and signed by Contractor and City. If the cost of the Change Order cannot be agreed upon, the City will pay for actual work of the Change Order completed, to the satisfaction of the City, as follows:

a. Labor: The cost of labor shall be the actual cost for wages of workers and subcontractors performing the work for the Change Order at the time such work is performed. The use of labor classifications that would increase the cost of such work shall not be permitted. For purposes of this Section, wages shall include total compensation, including fringe benefits. For work that is self-performed by the Contractor, a markup not to exceed fifteen percent (15%) of the actual cost of labor for that portion of work is allowable. For work performed by a Subcontractor, a markup of fifteen percent (15%) of the actual cost of labor for work performed by the Subcontractor's own forces is allowable, plus two and one-half percent (2.5%) thereon for Contractor markup regardless of which tier of Subcontractor actually performed the work.

b. Materials and Equipment: The cost of materials and equipment shall be the actual cost to Contractor or the lowest current price which such materials and equipment

are reasonably available at the time the work is performed, whichever is lower. For purposes of this Section, Contractor may include a markup on the cost of materials and equipment of not more than fifteen percent (15%). Material re-stocking charges shall be limited to five percent (5%) and Contractor must provide evidence of any related charges from the supplier. For rental equipment, City will not pay Contractor for the use of tools and equipment that have a replacement value of $750 or less.

c. If the cost of the extra work cannot be agreed upon, the Contractor must provide a daily report that includes invoices for labor, materials and equipment costs for the work performed under the Change Order. The daily report must include: list of names of workers, classifications, and hours worked; description and list of quantities of materials used; type of equipment, size, identification number, and hours of operation, including loading and transportation, if applicable; description of other City authorized services and expenditures in such detail as the City may require. Failure to submit a daily report by the close of the next working day may, at the City's sole and absolute discretion, waive the Contractor's rights for that day.

7.4 It is expressly understood by Contractor that the provisions of this Section shall not apply to services specifically set forth in the Scope of Work. Contractor hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Work may be more costly or time consuming than Contractor anticipates and that Contractor shall not be entitled to additional compensation therefor. City may in its sole and absolute discretion have similar work done by other contractors.

7.5 No claim for an increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

7.6 Additional work shall not include work performed by any of the following:

a. Superintendent(s).

b. Assistant Superintendent(s).

c. Project Engineer(s).

d. Project Manager(s).

e. Scheduler(s).

f. Estimator(s)

g. Drafting or detailing

h. Small tools (with a replacement value under $500)

i. Home or field office expenses, including staff, materials, and supplies.

j. Trailer or storage rental and expenses, whether on the Site or off the Site.

k. Data processing personnel and equipment

l. Site fencing

m. Utilities, including, without limitation, gas, electric, sewer, water, telephones.

n. Telephone, facsimile, e-mail and copier.

o. Overhead, administrative, or general expenses of any kind.

p. Loss of efficiency or productivity, or other impact costs caused by the effects of the Additional Work on the performance of other work or the work of other trades on the Project.

q. Capital expenses, including interest on capital employed in connection with Additional Work.

r. Legal costs.

s. Federal, State, or local income and franchise taxes.

t. Profit.

7.7 The term "markup" shall be defined as including the full amount of compensation and expenses including overhead and profit not included in the actual allowable costs. For all Change Orders, unless a lump sum amount is approved by the City, Contractor shall submit an itemized breakdown of the Change Order costs with all markups clearly identified.

7.8 City may also, with or without cause, issue deductive Change Orders reducing or removing any portion of the Scope of Work, upon provision of notice to Contractor. In the event the City desires to issue a deductive Change Order. Any adjustment in the Contract sum for a deductive Change Order shall be calculated in the same manner as a Change Order for Additional Work as set forth in this Section.

8. PAYMENTS/ACCEPTANCE OF WORK.

8.1 Any conflicting language in the Standard Specifications relating to payments and acceptance of work is hereby replaced with the following:

a. The closure date for the purpose of making partial progress payments will be the last day of each month. Contractor shall prepare the approximate measurement of the work performed through the closure date and submit it to City for approval by the tenth (10th) day of the following month. Payments will be withheld pending receipt of any outstanding reports required by the Contract Documents. A full five percent (5%) retention will be deducted from all progress payments. Partial payments on the Contract price shall not be considered as an acceptance of any part of the work.

b. Upon completion of the work, Contractor shall so notify the Project Manager, in writing, submit satisfactory evidence of payment for equipment, materials and labor, and submit the "Contractor's Affidavit." Upon receipt of the notification, the Project Manager shall promptly, by personal inspection, determine the actual status of the work in accordance with the terms of the Contract. If he finds materials, equipment, or workmanship that do not meet the terms of the Contract, he shall prepare a preliminary punch list of such items and submit it to Contractor. Final determination of acceptability shall be made by City. Upon acceptance of the work, City shall file a Notice of Completion. The conditions of the guarantee shall commence on the date that City files a Notice of Completion. City shall make final payment to Contractor in the manner provided by law following the expiration of thirty-five (35) days after filing the Notice of Completion.

c. The final payment shall include the entire sum found to be due hereunder after deducting all previous payments and such other lawful amounts as the terms of this Contract describe.

9. LIQUIDATED DAMAGES; EXTENSION OF TIME.

9.1 In accordance with Government Code Section 53069.85, Contractor agrees to forfeit and pay to City the Liquidated Damages Sum set forth above per day for each calendar day completion is delayed beyond the time allowed pursuant to Section 5 of this Contract. Such sum shall be deducted from any payments due to or to become due to Contractor.

9.2 The time period(s) specified for performance of the services rendered pursuant to this Contract shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Contractor shall within ten (10) days of the commencement of such delay notify the Project Manager in writing of the causes of the delay. The Project Manager shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Project Manager such delay is justified. The Project Manager's determination shall be final and conclusive upon the Parties to this Agreement. In no event shall Contractor be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Contractor's sole remedy being extension of the Agreement pursuant to this Section.

10. WAIVER OF CLAIMS.

10.1 Unless a shorter time is specified elsewhere in this Contract, on or before making final request for payment, Contractor shall submit to City, in writing, all claims for compensation under or arising out of this Contract; the acceptance by Contractor of the final payment shall constitute a waiver of all claims against City under or arising out of this Contract except those previously made in writing and request for payment. Contractor shall be required to execute an affidavit, release, and indemnify agreement with each claim for payment.

11. PREVAILING WAGES.

11.1 Public Work. The Parties acknowledge that the work to be performed under this Contract is a "public work" as defined in Labor Code § 1720 and that this Contract is therefore subject to the requirements of Division 2, Part 7, Chapter 1 (commencing with § 1720) of the California Labor Code relating to public works contracts and the rules and regulations established by the Department of Industrial Relations ("DIR") implementing such statutes. The work performed under this Contract is subject to compliance monitoring and enforcement by the DIR. Contractor shall post job site notices, as prescribed by regulation.

11.2 Registration with DIR. Pursuant to Labor Code § 1771.1, Contractor and all subcontractors must be registered with, and pay an annual fee to, the DIR prior to and during the performance of any work under this Contract.

11.3 Prevailing Wages. Contractor shall pay prevailing wages to the extent required by Labor Code § 1771. Pursuant to Labor Code § 1773.2, copies of the prevailing rate of per diem wages are on file at City Hall and will be made available to any interested party on request. By initiating any work under this Contract, Contractor acknowledges receipt of a copy of the DIR determination of the prevailing rate of per diem wages, and Contractor shall post a copy of the same at each job site where work is performed under this Contract. If this Contract is subject to the payment of federal prevailing wages under the Davis-Bacon Act (40 U.S.C. § 3141 et seq.), then Contractor shall pay the higher of either the state or federal prevailing wage applicable to each person employed on the Project.

11.4 Penalty for Failure to Pay Prevailing Wages. Contractor shall comply with and be bound by the provisions of Labor Code §§ 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. The Contractor shall, as a penalty to the City, forfeit two hundred dollars ($200) for each calendar day, or portion thereof, for each worker paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any public work done pursuant to this Contract by Contractor or by any subcontractor.

11.5 Payroll Records. Contractor shall comply with and be bound by the provisions of Labor Code § 1776, which requires Contractor and each subcontractor to: keep accurate payroll records and verify such records in writing under penalty of perjury, as specified in § 1776; certify and make such payroll records available for inspection as provided by § 1776; and inform the City of the location of the records. Upon request by the City, Contractor shall provide any records to the City pursuant to this subsection within ten (10) days of such request. In the event that the Contractor fails to comply within the10-day period, Contractor or subcontractor shall, as a penalty to the City, forfeit one hundred dollars ($100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated.

11.6 Apprentices. Contractor shall comply with and be bound by the provisions of Labor Code §§ 1777.5, 1777.6, and 1777.7 and California Code of Regulations Title 8, §§ 200, et seq. concerning the employment of apprentices on public works projects. Contractor shall be responsible for compliance with these aforementioned sections for all apprenticeable occupations. Prior to commencing work under this Contract, Contractor shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within sixty (60) days after

concluding work pursuant to this Contract, Contractor and each of its subcontractors shall submit to the City a verified statement of the journeyman and apprentice hours performed under this Contract.

11.7 Eight-Hour Work Day. Contractor acknowledges that eight (8) hours labor constitutes a legal day's work. Contractor shall comply with and be bound by Labor Code § 1810.

1.1 Penalties for Excess Hours. Contractor shall comply with and be bound by the provisions of Labor Code § 1813 concerning penalties for workers who work excess hours. The Contractor shall, as a penalty to the City, forfeit twenty-five dollars ($25) for each worker employed in the performance of this Contract by the Contractor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code § 1815, work performed by employees of Contractor in excess of eight (8) hours per day, and forty (40) hours during any one week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than one and one-half (1½) times the basic rate of pay.

11.8 Contractor's Responsibility for Subcontractors. For every subcontractor who will perform work under this Contract, Contractor shall be responsible for such subcontractor's compliance with Division 2, Part 7, Chapter 1 (commencing with § 1720) of the California Labor Code, and shall make such compliance a requirement in any contract with any subcontractor for work under this Contract. Contractor shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractor's compliance, including without limitation, conducting a review of the certified payroll records of the subcontractor on a periodic basis or upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages. Contractor shall diligently take corrective action to halt or rectify any such failure by any subcontractor.

12. WORKERS' COMPENSATION LIABILITY INSURANCE.

12.1 California Labor Code §§ 1860 and 3700 provide that every employer will be required to secure the payment of compensation to its employees if it has employees.

12.2 In accordance with the provisions of California Labor Code § 1861, Contractor certifies as follows:

"I am aware of the provisions of § 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

13. INDEMNIFICATION.

13.1 All work covered by this Contract done at the site of construction or in preparing or delivering materials to the site shall be at the risk of Contractor alone.

13.2 Contractor shall indemnify, defend with legal counsel approved by City, and hold harmless City, its officers, officials, employees and volunteers (each, an "Indemnitee")

from and against all liability, loss, damage, expense, cost (including without limitation reasonable legal counsel fees, expert fees and all other costs and fees of litigation) of every nature arising out of or in connection with Contractor's performance of work under this Contract or its failure to comply with any of its obligations contained in this Contract, except such loss or damage which is caused by the sole or active negligence or willful misconduct of the City. Should conflict of interest principles preclude a single legal counsel from representing both City and Contractor, or should City otherwise find Contractor's legal counsel unacceptable, then Contractor shall reimburse the City its costs of defense, including without limitation reasonable legal counsels' fees, expert fees and all other costs and fees of litigation. The Contractor shall promptly pay any final judgment rendered against the City (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the Contractor's negligent, reckless or wrongful performance. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Contract.

13.3 Contractor obligations under this Section apply regardless of whether or not such claim, charge, damage, demand, action, proceeding, loss, stop notice, cost, expense, judgment, civil fine or penalty, or liability was caused in part or contributed to by an Indemnitee. However, without affecting the rights of City under any provision of this Contract, Contractor shall not be required to indemnify and hold harmless City for liability attributable to the active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the obligation of Contractor will be for that entire portion or percentage of liability not attributable to the active negligence of City.

13.4 City shall timely notify Contractor of the receipt of any third-party claim relating to the work under this Agreement. City shall be entitled to recover from Contractor its reasonable costs incurred in providing such notification.

14. INSURANCE.

14.1 Without limiting Contractor's indemnification of City, and prior to commencement of any services under this Contract, Contractor shall obtain, provide and maintain at its own expense during the term of this Contract, policies of insurance of the type and amounts described in Exhibit "B" attached hereto and incorporated herein.

15. CONTRACTOR'S INDEPENDENT INVESTIGATION.

15.1 No plea of ignorance of conditions that exist or that may hereafter exist or of conditions of difficulties that may be encountered in the execution of the work under this Contract, as a result of failure to make the necessary independent examinations and investigations, and no plea of reliance on initial investigations or reports prepared by City for purposes of letting this Contract out to bid will be accepted as an excuse for any failure or omission on the part of Contractor to fulfill in every detail all requirements of this Contract. Nor will such reasons be accepted as a basis for any claims whatsoever for extra compensation or for an extension of time.

15.2 By executing this Contract, Contractor warrants that Contractor (i) has thoroughly investigated and considered the scope of work to be performed, (ii) has carefully considered how the services should be performed, and (iii) fully understands the facilities, difficulties and restrictions attending performance of the services under this Contract. If the services involve work upon any site, Contractor warrants that Contractor has investigated the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder.

16. WARRANTY.

16.1 Contractor warrants all work under the Contract (which for purposes of this Section shall be deemed to include unauthorized work which has not been removed and any non conforming materials incorporated into the work) to be of good quality and free from any defective or faulty material and workmanship. Contractor agrees that for a period of one year (or the period of time specified elsewhere in the Contract or in any guarantee or warranty provided by any manufacturer or supplier of equipment or materials incorporated into the work, whichever is later) after the date of final acceptance, Contractor shall within ten (10) days after being notified in writing by the City of any defect in the work or non conformance of the work to the Contract, commence and prosecute with due diligence all work necessary to fulfill the terms of the warranty at its sole cost and expense. Contractor shall act as soon as requested by the City in response to an emergency. In addition, Contractor shall, at its sole cost and expense, repair, remove and replace any portions of the work (or work of other contractors) damaged by its defective work or which becomes damaged in the course of repairing or replacing defective work. For any work so corrected, Contractor's obligation hereunder to correct defective work shall be reinstated for an additional one year period, commencing with the date of acceptance of such corrected work. Contractor shall perform such tests as the City may require to verify that any corrective actions, including, without limitation, redesign, repairs, and replacements comply with the requirements of the Contract. All costs associated with such corrective actions and testing, including the removal, replacement, and reinstitution of equipment and materials necessary to gain access, shall be the sole responsibility of the Contractor. All warranties and guarantees of subcontractors, suppliers and manufacturers with respect to any portion of the work, whether express or implied, are deemed to be obtained by Contractor for the benefit of the City, regardless of whether or not such warranties and guarantees have been transferred or assigned to the City by separate agreement and Contractor agrees to enforce such warranties and guarantees, if necessary, on behalf of the City. In the event that Contractor fails to perform its obligations under this Section, or under any other warranty or guaranty under this Contract, to the reasonable satisfaction of the City, the City shall have the right to correct and replace any defective or non conforming work and any work damaged by such work or the replacement or correction thereof at Contractor's sole expense. Contractor shall be obligated to fully reimburse the City for any expenses incurred hereunder upon demand.

17. CONFLICT OF INTEREST.

17.1 Contractor covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Contractor's performance of services under this Contract. Contractor further covenants that in the performance of this Contract, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the Project Manager. Contractor agrees to at all times avoid

conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Contract.

17.2 No officer or employee of the City shall have any financial interest, direct or indirect, in this Contract nor shall any such officer or employee participate in any decision relating to the Contract which affects his financial interest or the financial interest of any corporation, partnership or association in which he is, directly or indirectly, interested, in violation of any State statute or regulation. The Contractor warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Contract.

17.3 Contractor warrants that they have no blood or marriage relationship, and that they are not in any way associated with any City officer or employee, or any architect, engineer, or other preparer of the Drawings and Specifications for this project. Contractor further warrants that no person in his employ has been employed by City within one (1) year of the date of Notice Inviting Bids. Contractor's duties and services under this Contract shall not include preparing or assisting the City with any portion of the City's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the City. The City shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor shall cooperate with the City to ensure that all bidders for a subsequent contract on any subsequent phase of this Project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by Contractor pursuant to this Contract.

17.4 Contractor warrants that neither it nor any of its employees, agents, or representatives has offered or given any gratuities or promises to City's employees, agents, or representatives with a view toward securing this Contract or securing favorable treatment with respect thereto.

18. CONTRACTOR'S AFFIDAVIT.

18.1 After completion of the work contemplated by this Contract, Contractor shall file with the City Manager his affidavit stating that all workmen and persons employed, all firms supplying materials, and all subcontractors upon the project have been paid in full, and that there are no claims outstanding against the project for either labor or materials, except certain items, if any, to be set forth in an affidavit covering disputed claims or items in connection with a Stop Notice that has been filed under the provisions of the laws of the State of California.

19. SIGNATURE OF CONTRACTOR

19.1 Corporations: The signature must contain the name of the corporation, must be signed by the President and Secretary or Assistant Secretary, and the corporate seal must be affixed. Other persons may sign for the corporation in lieu of the above if a certified copy of a resolution of the corporate board of directors so authorizing them to do so is on file in the City Clerk's office.

19.2 Partnerships: Names of all persons comprising the partnership or co-partnership must be stated. The Contract must be signed by all partners comprising the partnership

unless proof in the form of a certified copy of a certificate of partnership acknowledging signer to be a general partner is presented to the City, in which case the general partner may sign.

19.3 Joint Ventures: Bids submitted as joint ventures must so state and the Contract is to be signed by each joint venturer.

19.4 Individuals: Bids submitted by individuals must be signed by the bidder, unless an up-to-date power of attorney is on file in the City, in which case said person may sign for the individual. The above rules also apply in the case of the use of a fictitious firm name. In addition, however, where the fictitious name is used, it must be so indicated in the signature.

20. SECURITY.

20.1 Performance and Payment Bonds. Concurrently with execution of this Agreement, Contractor shall deliver to the City all of the following bonds:

a. A performance bond securing the faithful performance of this Agreement, in an amount not less than 100% of the total compensation for this Contract.

b. A payment bond, securing the payment of all persons furnishing labor and/or materials in connection with the work under this Agreement, in an amount not less than 100% of the total compensation for this Agreement.

20.2 All bonds shall be on the applicable forms provided in Exhibit "C" and Exhibit "D" attached hereto and made part hereof. The bonds shall each contain the original notarized signature of an authorized officer of the surety and affixed thereto shall be a certified and current copy of his/her power of attorney. The bonds shall be unconditional and remain in force during the entire term of the Agreement until released.

20.3 Sufficiency of Insurer or Surety. Insurance and bonds required by this Contract shall be satisfactory only if issued by companies qualified to do business in California, rated "A-" or better in the most recent edition of Best's Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better. If the City determines that the work to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Contractor agrees that the minimum limits of the insurance policies and the bonds may be changed accordingly upon receipt of written notice from the City's Risk Manager.

20.4 Release of Securities. City shall release the performance bond and payment bond when the following have occurred:

a. Contractor has made a written request for release and provided evidence of satisfaction of all other requirements under this Contract;

b. the Project has been accepted; and

c. after passage of the time within which lien claims are required to be made pursuant to applicable laws; if lien claims have been timely filed, City shall hold the payment

bond until such claims have been resolved, Contractor has provided statutory bond, or otherwise as required by applicable law.

20.5 In accordance with Section 22300 of the Public Contracts Code, Contractor may substitute securities for any monies withheld by City to ensure performance under the Contract.

20.6 At the request and expense of Contractor, securities equivalent to the amount withheld shall be deposited with City or with a State or Federally chartered bank or an escrow agent who shall pay such monies to Contractor upon notification by City of Contractor's satisfactory completion of the Contract. The type of securities deposited and the method of release shall be approved by the City Attorney's office.

21. DEFAULTS.

21.1 Default of Contractor. Contractor's failure to comply with the provisions of this Contract shall constitute a default. In the event that Contractor is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Contractor for any work performed after the date of default and can terminate or suspend this Agreement immediately by written notice to Contractor. If the Project Manager determines that Contractor is in default in the performance of any of the terms or conditions of this Contract, the Project Manager shall cause to be served upon Contractor a written notice of the default. Contractor shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance, or such longer time as is approved by the City. In the event that Contractor fails to cure its default within such period of time or if the default reoccurs, the City shall have the right, notwithstanding any other provision of this Contract, to terminate this Contract without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Contract.

21.2 Suspension and Termination.

a. The City may at any time, for any reason, with or without cause, suspend this Contract, or any portion hereof, by serving upon Contractor at least ten (10) days prior written notice. Upon receipt of said notice, Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends a portion of this Agreement such suspension shall not make void or invalidate the remainder of this Agreement.

b. This Contract may be terminated by either party for cause. In the event Contractor desires to the terminate the Agreement for cause, Contractor shall provide City with notice of the basis for the termination for cause and an opportunity to cure of not less than ten (30) calendar days. The City may terminate this Contract without cause upon thirty (30) days' written notice of termination. Upon termination, Contractor shall be entitled to compensation for completion of any portion of the Project accepted by City up to the effective date of termination unless any portion of the Project is accepted by City after termination in which event Contractor shall be paid for such completed portion.

22. RESOLUTION OF CLAIMS.

22.1 In the event of any dispute or controversy with the City over any matter whatsoever, the Contractor shall not cause any delay or cessation in or of work, but shall proceed with the performance of the work in dispute. The Contractor shall retain any and all rights provided that pertain to the resolution of disputes and protests between the Parties. The disputed work will be categorized as an "unresolved dispute" and payment, if any, shall be as later determined as set forth below. The Contractor shall keep accurate, detailed records of all disputed work, claims and other disputed matters.

22.2 Section 20104 et seq. of the California Public Contract Code prescribes a process utilizing informal conferences, non-binding judicial-supervised mediation, and judicial arbitration to resolve disputes on construction claims of $375,000 or less. Section 9204 of the Public Contract Code prescribes a process for negotiation and mediation to resolve disputes on construction claims. The intent of this Section is to implement Sections 20104 et seq. and Section 9204 of the California Public Contract Code. This Section shall be construed to be consistent with said statutes.

22.3 For purposes of these procedures, "claim" means a separate demand by the Contractor, after the City has denied Contractor's timely and duly made request for payment for extra work and/or a time extension, for (A) a time extension, (B) payment of money or damages arising from work done by or on behalf of the Contractor pursuant to the Contract and payment of which is not otherwise expressly provided for or the Contractor is not otherwise entitled to, or (C) an amount the payment of which is disputed by the City.

22.4 The following requirements apply to all claims to which this section applies:

a. Claim Submittal. The claim shall be in writing and include the documents necessary to substantiate the claim. Claims governed by this procedure must be filed on or before the date of final payment. Nothing in this section is intended to extend the time limit or supersede notice requirements otherwise provided in the Contract for the filing of claims, including all requirements pertaining to compensation or payment for extra work, disputed work, and/or changed conditions. Failure to follow such contractual requirements shall bar any claims or subsequent lawsuits for compensation or payment thereon.

b. Supporting Documentation. The Contractor shall submit all claims in the following format:

(i) Summary of the claim, including references to the specific Contract Document provisions upon which the claim is based.

(ii) List of documents relating to claim: (a) Specifications, (b) Drawings, (c) Clarifications (Requests for Information), (d) Schedules, and (e) Other.

(iii) Chronology of events and correspondence related to the claim.

(iv) Statement of grounds for the claim.

(v) Analysis of the claim's cost, if any.

(vi) Analysis of the claim's time/schedule impact, if any.

c. City's Response. Upon receipt of a claim pursuant to this section, City shall conduct a reasonable review of the claim and, within a period not to exceed 45 calendar days, shall provide the Contractor a written statement identifying what portion of the claim is disputed and what portion is undisputed. Any payment due on an undisputed portion of the claim will be processed and made within 60 calendar days after the City issues its written statement.

(i) If the City needs approval from the City Council to provide the Contractor a written statement identifying the disputed portion and the undisputed portion of the claim, and the City Council does not meet within the 45 calendar days or within the mutually agreed to extension of time following receipt of a claim sent by registered mail or certified mail, return receipt requested, the City shall have up to three days following the next duly publicly noticed meeting of the City Council after the 45-day period, or extension, expires to provide the Contractor a written statement identifying the disputed portion and the undisputed portion.

(ii) Within 30 calendar days of receipt of a claim, the City may request in writing additional documentation supporting the claim or relating to defenses or claims the City may have against the Contractor. If additional information is thereafter required, it shall be requested and provided pursuant to this subdivision, upon mutual Contract of City and the Contractor.

(iii) The City's written response to the claim, as further documented, shall be submitted to the Contractor within 30 calendar days (if the claim is less than $50,000, within 15 calendar days) after receipt of the further documentation, or within a period of time no greater than that taken by the Contractor in producing the additional information or requested documentation, whichever is greater.

d. Meet and Confer. If the Contractor disputes the City's written response, or the City fails to respond within the time prescribed, the Contractor may so notify the City, in writing, either within 15 calendar days of receipt of the City's response or within 15 calendar days of the City's failure to respond within the time prescribed, respectively, and demand an informal conference to meet and confer for settlement of the issues in dispute. Upon receipt of a demand, the City shall schedule a meet and confer conference within 30 calendar days for settlement of the dispute.

e. Mediation. Within 10 business days following the conclusion of the meet and confer conference, if the claim or any portion of the claim remains in dispute, the City shall provide the Contractor a written statement identifying the portion of the claim that remains in dispute and the portion that is undisputed. Any payment due on an undisputed portion of the claim shall be processed and made within 60 calendar days after the City issues its written statement. Any disputed portion of the claim, as identified by the Contractor in writing, shall be submitted to nonbinding mediation, with the City and the Contractor sharing the associated costs equally. The City and Contractor shall mutually agree to a mediator within 10 business days after the disputed portion of the claim has been identified in writing, unless the Parties agree to select a mediator at a later time.

(i) If the Parties cannot agree upon a mediator, each Party shall select a mediator and those mediators shall select a qualified neutral third Party to mediate with regard to the disputed portion of the claim. Each Party shall bear the fees and costs charged by its respective mediator in connection with the selection of the neutral mediator.

(ii) For purposes of this section, mediation includes any nonbinding process, including, but not limited to, neutral evaluation or a dispute review board, in which an independent third party or board assists the Parties in dispute resolution through negotiation or by issuance of an evaluation. Any mediation utilized shall conform to the timeframes in this section.

(iii) Unless otherwise agreed to by the City and the Contractor in writing, the mediation conducted pursuant to this section shall excuse any further obligation under Public Contract Code Section 20104.4 to mediate after litigation has been commenced.

(iv) All unresolved claims shall be considered jointly in a single mediation, unless a new unrelated claim arises after mediation is completed.

f. City's Responses. The City's failure to respond to a claim from the Contractor within the time periods described in this section or to otherwise meet the time requirements of this section shall result in the claim being deemed rejected in its entirety. A claim that is denied by reason of the City's failure to have responded to a claim, or its failure to otherwise meet the time requirements of this section, shall not constitute an adverse finding with regard to the merits of the claim or the responsibility of qualifications of the Contractor. City's failure to respond shall not waive City's rights to any subsequent procedures for the resolution of disputed claims.

g. Government Code Claims. If following the mediation, the claim or any portion remains in dispute, the Contractor must comply with the claim procedures set forth in Government Code section 900 et seq. prior to filing any lawsuit against the City. Such Government Code claims and any subsequent lawsuit based upon the Government Code claims shall be limited to those matters that remain unresolved after all procedures pertaining to extra work, disputed work, construction claims, and/or changed conditions, including any required mediation, have been followed by Contractor. If no such Government Code claim is submitted, or if the prerequisite contractual requirements are not satisfied, no action against the City may be filed. A Government Code claim must be filed no earlier than the date that Contractor completes all contractual prerequisites to filing a Government Code claim, including any required mediation. A Government Code claim shall be inclusive of all unresolved claims unless a new unrelated claim arises after the Government Code claim is submitted. For purposes of Government Code section 900 et seq., the running of the period of time within which a claim must be filed shall be tolled from the time the Contractor submits his or her written claim to the City until the time the claim is denied, including any period of time utilized by the meet and confer conference or mediation that does not result in a complete resolutions of all claims.

h. (h) Civil Actions for Claims of $375,000 or Less. The following procedures are established for all civil actions filed to resolve claims totaling $375,000 or less:

(i) Within 60 calendar days, but no earlier than 30 calendar days, following the filing or responsive pleadings, the court shall submit the matter to non-binding mediation unless waived by mutual stipulation of both Parties or unless mediation was held prior to commencement of the action in accordance with Public Contract Code section 9204 and the procedures in this Section. The mediation process shall provide for the selection within 15 calendar days by both Parties of a disinterested third person as mediator, shall be commenced within 30 calendar days of the submittal, and shall be concluded within 15 calendar days from the commencement of the mediation unless a time requirement is extended upon a good cause showing to the court or by stipulation of both Parties. If the Parties fail to select a mediator within the 15-day period, either Party may petition the court to appoint the mediator.

(ii) If the matter remains in dispute, the case shall be submitted to judicial arbitration pursuant to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, notwithstanding Section 1141.11 of that code. The Civil Discovery Act (Title 4 (commencing with Section 2016.010) of Part 4 of the Code of Civil Procedure) shall apply to any proceeding brought under this subdivision consistent with the rules pertaining to judicial arbitration.

(iii) Upon stipulation of the Parties, arbitrators appointed for these purposes shall be experienced in construction law, and, upon stipulation of the Parties, mediators and arbitrators shall be paid necessary and reasonable hourly rates of pay not to exceed their customary rate, and such fees and expenses shall be paid equally by the Parties, except in the case of arbitration where the arbitrator, for good cause, determines a different division.

(iv) In addition to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, any Party who after receiving an arbitration award requests a trial de novo but does not obtain a more favorable judgment shall, in addition to payment of costs and fees under that chapter, pay the attorney's fees of the other Party arising out of the trial de novo.

23. NOTICE TO CITY OF CLAIMS OR LABOR DISPUTES.

23.1 Whenever Contractor has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of the Contract, Contractor shall immediately give notice thereof, including all relevant information with respect thereto, to City.

24. RECORDS, REPORTS, AND RELEASE OF INFORMATION

24.1 Records. Contractor shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies, certified and accurate copies of payroll records in compliance with all applicable laws, or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Contract and enable the Project Manager to evaluate the performance of such services. Any and all such documents shall be maintained in accordance with generally accepted accounting principles and shall be complete and detailed. The Project Manager shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of 3 years

following completion of the services hereunder, and the City shall have access to such records in the event any audit is required. In the event of dissolution of Contractor's business, custody of the books and records may be given to City, and access shall be provided by Contractor's successor in interest. Notwithstanding the above, the Contractor shall fully cooperate with the City in providing access to the books and records if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

24.2 Reports. Contractor shall periodically prepare and submit to the Project Manager such reports concerning the performance of the services required by this Contract as the Project Manager shall require. Contractor hereby acknowledges that the City is greatly concerned about the cost of work and services to be performed pursuant to this Contract. For this reason, Contractor agrees that if Contractor becomes aware of any facts, circumstances, techniques, or events that may or will materially increase or decrease the cost of the work or services contemplated herein, Contractor shall promptly notify the Project Manager of said fact, circumstance, technique or event and the estimated increased or decreased cost related thereto.

24.3 Ownership of Documents. All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials (the "documents and materials") prepared by Contractor, its employees, subcontractors and agents in the performance of this Contract shall be the property of City and shall be delivered to City upon request of the Project Manager or upon the termination of this Contract, and Contractor shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership use, reuse, or assignment of the documents and materials hereunder. Any use, reuse or assignment of such completed documents for other projects and/or use of uncompleted documents without specific written authorization by the Contractor will be at the City's sole risk and without liability to Contractor, and Contractor's guarantee and warranties shall not extend to such use, reuse or assignment. Contractor may retain copies of such documents for its own use. Contractor shall have an unrestricted right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Contractor fails to secure such assignment, Contractor shall indemnify City for all damages resulting therefrom. Moreover, Contractor with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City.

24.4 Confidentiality and Release of Information. Information gained or work product produced by Contractor in performance of this Contract shall be considered confidential, unless such information is in the public domain or already known to Contractor. Contractor shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the Project Manager.

24.5 Contractor, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the Project Manager or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Contract. Response to a subpoena or court order shall not be considered "voluntary" provided Contractor gives City notice of such court order or subpoena.

24.6 If Contractor, or any officer, employee, agent or subcontractor of Contractor, provides any information or work product in violation of this Contract, then City shall have the right to reimbursement and indemnity from Contractor for any damages, costs and fees, including attorneys' fees, caused by or incurred as a result of Contractor's conduct.

24.7 Contractor shall promptly notify City should Contractor, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Contract and the work performed there under. City retains the right, but has no obligation, to represent Contractor or be present at any deposition, hearing or similar proceeding. Contractor agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Contractor. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

25. UTILITY LOCATION.

25.1 To the extent required by Government Code § 4215, City will compensate Contractor for the cost of locating, repairing damage not due to the failure of Contractor to exercise reasonable care, and removing or relocating utility facilities not identified by City in the Bid Documents with reasonable accuracy, and for equipment on the project necessarily idled during such work. Nothing herein shall be deemed to require City to indicate the presence of existing service laterals or appurtenances whenever the presence of such utilities on the project site can be inferred from the presence of other visible facilities, such as buildings, meters, and junction boxes, on or adjacent to the site of the construction; provided, however, nothing herein shall relieve City from identifying main or trunklines in the plans and specifications. If Contractor, while performing the work, discovers utility facilities not identified by City in the plans or specifications, Contractor shall immediately notify City and the utility in writing. This Contract is subject to Government Code§§ 4126 through 4216.9. Contractor must notify utilities and obtain an identification number before excavation or be subject to liability for damages to subsurface installations.

26. REGIONAL NOTIFICATION CENTERS.

26.1 Contractor agrees to contact the appropriate regional notification center in accordance with Government Code Section 4216.2.

27. TRENCH PROTECTION AND EXCAVATION.

27.1 Pursuant to Labor Code § 6705, if this Project requires the excavation of any trench or trenches five feet or more in depth, Contractor shall submit, in advance of such excavation, a detailed plan showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection from the hazard of caving ground during the excavation of such trench or trenches.

27.2 The plan shall be reviewed and accepted by the City, or a registered civil or structural engineer employed by the City to whom authority has been delegated, prior to the excavation. If the plan varies from the shoring system standards, the plan shall be prepared by a registered civil or structural engineer.

27.3 This Section shall not be deemed to allow the use of a shoring, sloping, or protective system less effective than that required by the Construction Safety Orders.

27.4 This Section shall not be construed to impose tort liability on the City or any of its employees.

27.5 Full compensation for sheeting, shoring, bracing, sloping, and all other provisions required for worker protection shall be considered as included in the contract price shown in the appropriate Bid Item, and no additional compensation will be allowed therefor.

28. PROTECTION AND CARE OF WORK AND MATERIALS.

28.1 The Contractor shall adopt reasonable methods, including providing and maintaining storage facilities, during the life of the Contract to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and/or other components thereof to prevent losses or damages, and shall be responsible for all such damages, to persons or property, until acceptance of the work by City, except such losses or damages as caused by City's own negligence. Stored materials shall be reasonably accessible for inspection. Contractor shall not, without City's consent, assign, sell, mortgage, hypothecate, or remove equipment or materials which have been installed or delivered and which may be necessary for the completion of the work.

29. HAZARDOUS CONDITIONS.

29.1 Contractor shall, without disturbing the condition, notify City, in writing, as soon as Contractor, or any of Contractor's subcontractors, agents, or employees have knowledge and reporting is possible, of the discovery of any of the following conditions:

a. The presence of any material that Contractor believes is hazardous waste, as defined in Section 25117 of the Health and Safety Code;

b. Subsurface or latent physical conditions at the site differing from those indicated in the specifications; or

c. Unknown physical conditions at the site of any unusual nature, different materially for those ordinarily encountered and generally recognized as inherent in work of the character provided for in this Contract.

29.2 Pending a determination by City of appropriate action to be taken, Contractor shall provide security measures (e.g., fences) adequate to prevent the hazardous waste or physical conditions from causing bodily injury to any person.

29.3 City shall promptly investigate the reported conditions. If City, through and in the exercise of its sole discretion, determines that the conditions do materially differ or do involve hazardous waste, and will cause a decrease or increase in Contractor's cost of, or time required for, performance of any part of the work, then City shall issue a change order.

29.4 In the event of a dispute between City and Contractor as to whether the conditions materially differ, or involve hazardous waste, or cause a decrease or increase in Contractor's cost of, or time required for, performance of any part of the work, Contractor shall

not be excused from any scheduled completion date, and shall proceed with all work to be performed under the contract. Contractor shall retain any and all rights that pertain to the resolution of disputes and protests between the parties.

30. CARB COMPLIANCE.

30.1 For a project involving the use of in-use off-road diesel-fueled vehicles, as defined by 13 CCR 2449, Contractor shall obtain copies of the valid Certificates of Reported Compliance, as described in 13 CCR 2449(n), for the fleet performing services pursuant to this contract and all listed subcontractors, if applicable, prior to commencing any work pursuant to this Contract or any renewed contract with that fleet. Contractor shall indemnify, defend and hold harmless the District, its officers, agents, employees and directors from any liability imposed arising from Contractor's violation of any regulation set forth in 13 CCR 2449.

31. INSPECTION.

31.1 The work shall be subject to inspection and testing by City and its authorized representatives during manufacture and construction and all other times and places, including, without limitation, the plans of Contractor and any of its suppliers. Contractor shall provide all reasonable facilities and assistance for the safety and convenience of inspectors. All inspections and tests shall be performed in such manner as to not unduly delay the work. The work shall be subject to final inspection and acceptance notwithstanding any payments or other prior inspections. Such final inspection shall be made within a reasonable time after completion of the work.

32. CONTRACTOR STATUS.

32.1 Contractor shall have no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against City, whether by contract or otherwise, unless such authority is expressly conferred under this Contract or is otherwise expressly conferred in writing by City. Contractor shall not at any time or in any manner represent that Contractor or any of Contractor's officers, employees, or agents are in any manner officials, officers, employees or agents of City. Neither Contractor, nor any of Contractor's officers, employees or agents, shall obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City's employees. Contractor expressly waives any claim Contractor may have to any such rights.

32.2 Neither the City nor any of its employees shall have any control over the manner, mode or means by which Contractor, its agents or employees, perform the services required herein, except as otherwise set forth herein. City shall have no voice in the selection, discharge, supervision or control of Contractor's employees, servants, representatives or agents, or in fixing their number, compensation or hours of service. Contractor shall perform all services required herein as an independent contractor of City and shall remain at all times as to City a wholly independent contractor with only such obligations as are consistent with that role. City shall not in any way or for any purpose become or be deemed to be a partner of Contractor in its business or otherwise or a joint venturer or a member of any joint enterprise with Contractor, and Contractor shall make no representation to that effect.

32.3 The experience, knowledge, capability and reputation of Contractor, its principals and employees were a substantial inducement for the City to enter into this Contract. Therefore, Contractor shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. All subcontractors shall obtain, at its or Contractor's expense, such licenses, permits, registrations and approvals (including from the City) as may be required by law for the performance of any services or work under this Contract. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Contractor, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Contractor or any surety of Contractor of any liability hereunder without the express consent of City.

33. GENERAL TERMS.

33.1 Waiver. Waiver by any party to this Contract of any term, condition, or covenant of this Contract shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Contract shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Contract. Acceptance by City of any work or services by Contractor shall not constitute a waiver of any of the provisions of this Contract. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

33.2 Rights and Remedies Are Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Contract, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

33.3 Unfair Business Practices Claims. Pursuant to Public Contract Code § 7103.5, in entering into this Contract, Contractor offers and agrees to assign to the City all rights, title, and interest in and to all causes of action it may have under § 4 of the Clayton Act (15 U.S.C. § 15) or under the Cartwright Act (Chapter 2, (commencing with § 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services or materials related to this Agreement. This assignment shall be made and become effective at the time the City tenders final payment to the Contractor without further acknowledgment by the Parties.

33.4 Discrimination. Contractor covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry, or other protected class in the performance of this Contract. Contractor shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color,

creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry, or other protected class.

33.5 Unauthorized Aliens. Contractor hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C. § 1101 *et seq.*, as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Contractor so employ such unauthorized aliens for the performance of work and/or services covered by this Contract, and should any liability or sanctions be imposed against City for such use of unauthorized aliens, Contractor hereby agrees to and shall reimburse City for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by City.

33.6 Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Contractor, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Contractor or to its successor, or for breach of any obligation of the terms of this Contract.

33.7 Governing Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Riverside, State of California, or any other appropriate court in such county, and Contractor covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Riverside, State of California.

33.8 Provisions Required By Law. Each and every provision of law and clause required by law to be inserted in this Contract shall be deemed to be inserted herein, and the Contract shall be read and enforced as though it were included herein. If through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon application of either party, the contract shall forthwith be physically amended to make such insertion or correction.

33.9 Severability. In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Contract shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Contract which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Contract meaningless.

33.10 Interpretation. The terms of this Contract shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Contract or any other rule of construction which might otherwise apply.

33.11 Counterparts. This Contract may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the

signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Contract. All signatures on bonds must be originals.

33.12 Written Notice. Any written notice required to be given in any part of the Contract Documents shall be performed by depositing the same in the U.S. Mail, postage prepaid, directed to the address of Contractor as set forth above, and to City addressed to the Project Manager as follows:

City of Murrieta
1 Town Square
Murrieta, CA 92562

34. CONTRACT MODIFICATIONS

34.1 Additional terms and conditions of this Contract, if any, or any modifications or revisions to the standard terms and conditions herein are made a part hereof as set forth in the "Contract Modifications" attached hereto as Exhibit A and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit A and any other provisions of this Contract, the provisions of Exhibit A shall govern.

35. FEDERAL FUNDING.

35.1 If federal funding is being utilized to fund any part of the Project, as indicated on the Cover Page of this Contract, the terms of Exhibit E are hereby incorporated herein by this reference. If no federal funding is being utilized, Exhibit may be omitted.

Two corporate officer signatures required when Contractor is a corporation, with one signature required from each of the following groups: 1) Chairperson of the Board, President or any Vice President; and 2) Secretary, any Assistant Secretary, Chief Financial Officer or any Assistant Treasurer. (Cal. Corp. Code § 313.) Appropriate attestations shall be included as may be required by the bylaws, articles of incorporation or other rules or regulations applicable to Contractor's business City.

EXHIBIT A

CONTRACT MODIFICATIONS
(Superseding Contract Boilerplate)

The insurance requirements set forth in Exhibit B are revised as follows:

The requirement in Section 5 for Cyber insurance is eliminated and replaced with the requirements for "Contractor's Pollution Legal Liabilty and/or Asbestos Legal Liability and/or Errors and Ommissions with limits no less than $1,000,000 per occurrence or claim, and $2,000,000 policy aggregate."

EXHIBIT B

INSURANCE REQUIREMENTS

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

1. Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **$2,000,000 per occurrence.** If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit**.**

2. Automobile Liability: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than **$1,000,000 per accident for bodily injury and property damage.**

3. Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than **$1,000,000 per accident for bodily injury or disease.** (Not required if Contractor provides written verification it has no employees)

5. Cyber: Vendor/Contractor shall procure and maintain for the duration of the contract insurance against claims for security breaches, system failures, injuries to persons, damages to software, or damages to property (including computer equipment) which may arise from or in connection with the performance of the work hereunder by the Vendor, its agents, representatives, or employees. Vendor shall procure and maintain for the duration of the contract insurance claims arising out of their services and including, but not limited to loss, damage, theft or other misuse of data, infringement of intellectual property, invasion of privacy and breach of data.

Cyber Liability Insurance, with limits not less than **$2,000,000** per occurrence or claim, **$2,000,000** aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Vendor in this agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall

provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Other Insurance Provisions
The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status
The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage
For any claims related to this contract, the Contractor**'s insurance coverage shall be primary and non-contributory** and at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Umbrella or Excess Policy
The Contractor may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Contractor's primary and excess liability policies are exhausted.

Notice of Cancellation
Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City.

Waiver of Subrogation
Contractor hereby grants to City a waiver of any right to subrogation which any insurer of said Contractor may acquire against the City by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions
Self-insured retentions must be declared to and approved by the City. The City may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds $25,000 unless approved in writing by City. Any and all deductibles and SIRs shall be the sole responsibility of Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. City may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. City reserves the right to obtain a copy of any policies and endorsements for verification.

Acceptability of Insurers
Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

Claims Made Policies (note – should be applicable only to professional liability, see below)
If any of the required policies provide claims-made coverage:

1. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.

2. Insurance must be maintained and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

3. If coverage is canceled or non-renewed, and not replaced **with another claims-made policy form with a Retroactive Date prior** to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of **five (5) years after completion of work.**

Verification of Coverage
Contractor shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause **and a copy of the Declarations and Endorsements Pages of the CGL and any Excess policies listing all policy endorsements.** All certificates and endorsements and copies of the Declarations & Endorsements pages are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's

obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time. City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Subcontractors

Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors.

Duration of Coverage

CGL & Excess liability policies **for any construction related work, including, but not limited to, maintenance, service, or repair work,** shall continue coverage for a minimum of 5 years for Completed Operations liability coverage. Such Insurance must be maintained, and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

Special Risks or Circumstances

City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

EXHIBIT C

PERFORMANCE BOND

We,_____, as Principal, and _____, as Surety, jointly and severally, firmly bind ourselves, our heirs, representatives, successors and assigns, as set forth herein, to the City of Murrieta ("City") for payment of the penal sum of _____ U.S. Dollars and _____Cents ($_____). City and Principal have entered into an contract, or are about to enter into the contract attached hereto and incorporated by reference herein, for completion of public works for the property(ies) referenced in said contract. Surety herein approves of the terms and conditions of said contract and binds itself to faithfully perform the obligations of Principal therein if Principal fails to so perform. Surety acknowledges that the contract herein referenced shall be that document as executed by City and Principal.

THE CONDITION OF THIS OBLIGATION IS SUCH that if the Principal shall in all things stand to and abide by, and well and truly keep and perform all of the covenants, conditions, and provisions in said agreement, and any alteration thereof made as therein provided, on Principal's part to be kept and performed at the time and in the manner therein specified, and shall indemnify and save harmless the City, City's engineer, and their consultants, and each of their officials, directors, officers, employees and agents, as therein stipulated, then this obligation shall become null and void; otherwise, it shall be and remain in full force and effect.

Surety agrees that should it fail to take over and diligently perform the contract upon Principal's default after notice and within the time specified in the agreement, Surety will promptly on demand deposit with City such amount as City may reasonably estimate as the cost of completing all of Principal's obligations. Surety's obligation for payment herein shall exist, notwithstanding any controversy between Principal and City regarding Principal's failure under the agreement, and payment by Surety should be conclusively presumed between the parties herein to relieve, as demanded, Surety's obligations herein and shall be deemed proper payment as between Principal and Surety.

Surety agrees that no change, extension of time, alteration, or addition to the terms of the contract, or the work to be performed thereunder or the plans and specifications, or any matters unknown to Surety which may affect Surety's risk shall in any wise affect its obligation on this bond, and it does thereby waive notice thereof.

Principal and Surety agree that if the City is required to engage the services of an attorney in connection with the enforcement of this bond, each shall pay City's reasonable attorneys' fees incurred, with or without suit, in addition to the above sum.

EXHIBIT D

PAYMENT BOND

We, _____, as Principal, and _____, as Surety, jointly and severally, firmly bind ourselves, our heirs, representatives, successors and assigns, as set forth herein, to the City of Murrieta ("City") and those for whose benefit this bond insures in the sum of _____ U.S. Dollars and _____ Cents ($_____). City and Principal have entered into a contract, or are about to enter into the contract attached hereto and incorporated by reference herein, for completion of public works for the property(ies) referenced in said agreement. Surety herein approves of the terms and conditions of said contract and binds itself to faithfully perform the obligations of Principal therein if Principal fails to so perform. Surety acknowledges that the contract herein referenced shall be that document as executed by City and Principal. If Principal or any of Principal's contractors or subcontractors, fails to pay any of the persons named in §§ 9000, et seq. of the California Civil Code employed in the performance of the agreement for materials furnished or for labor thereon of any kind, or for amounts due under the Unemployment Insurance Code with respect to such work or labor, then Surety shall pay the same in an amount not exceeding the sum specified above, and also shall pay, in case suit is brought upon this bond, such reasonable attorneys' fees as shall be fixed by the court.

Surety agrees that it shall pay the amounts due the persons above named and diligently perform the contract upon Principal's default after notice and within the time specified in the agreement. If Surety fails to perform within the times specified in the agreement, Surety shall promptly on demand deposit with City such amount as City may reasonably estimate as the cost of completing all of Principal's obligations. Surety's obligation for payment herein shall extend, notwithstanding any controversy between Principal and City regarding Principal's failure under the contract. Principal and Surety agree that any payment by Surety pursuant to this paragraph should be conclusively presumed between the parties herein to relieve, as demanded, Surety's obligation herein and shall be deemed proper payment as between Principal and Surety.

This bond shall insure to the benefit of any and all of the persons named in §§ 9000, et seq. of the California Civil Code so as to give a right of action to them or their assigns in any suit brought upon this bond.

Surety agrees that no change, extension of time, alteration, or addition to the terms of the agreement, or the work to be performed thereunder, or the plans and specifications, or any matters unknown to Surety which might affect Surety's risk, shall in any way affect its obligation on this bond, and it does hereby waive notice thereof.

Principal and Surety agree that should City become a party to any action on this bond, that each will also pay City's reasonable attorneys' fees incurred therein in addition to the above sums.

FILL IN CONTRACTOR'S NAME

(hereinafter the "undersigned") declares to the City of Murrieta, hereinafter referred to as "City," under oath, that it has paid in full for all materials, supplies, labor, services, tools, equipment, and all other bills contracted for by the undersigned or by any of the undersigned's agents, employees, or subcontractors used or in contribution to the execution of its contract with City with regard to the building, erection, construction, or repair of that certain work of improvement known as **MSD PROJECT NO. 26-010,** situated in the City of Murrieta, State of California, more particularly described as follows:

AUTO MALL, DATE, AND HOBIE RESURFACING AND STRIPING PROJECT

The undersigned declares that it knows of no unpaid debts or claims arising out of said Contract that would constitute grounds for any third party to claim a stop notice of any unpaid sums owing to the undersigned.

Further, for valuable consideration, the receipt of which is hereby acknowledged, the undersigned does hereby fully release and acquit City and all agents and employees of City, and each of them, from any and all claims, debts, demands, or causes of action that exist or might exist in favor of the undersigned by reason of the Contract executed between the undersigned and City or that relate in any way to the work performed by the undersigned with regard to the above-referenced construction project.

Further, the undersigned expressly acknowledges its awareness of, and waives the benefits of, Section 1542 of the Civil Code of the State of California which provides: "A general release does not extend to claims that the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially effected his settlement with the debtor."

This release is intended to be a full and general release of any and all claims that the undersigned now has or may, in the future, have against City and/or its agents and employees with regard to any matter arising from the construction of the above-referenced project or the Contract between City and the undersigned with respect thereto, whether such claims are now known or unknown or are suspected or unsuspected.

GENERAL SPECIFICATIONS

AUTO MALL, DATE, AND HOBIE RESURFACING AND STRIPING PROJECT
MSD PROJECT NO. 26-010

SCOPE OF WORK

The work to be done consists of furnishing all materials, equipment, tools, labor, and incidentals as required by the Plans, Specifications, and Contract Documents for the above-stated project. The general items of work to be done hereunder consist of:

The placement of SLURRY SEAL at Auto Mall Parkway, Date Street, and Hobie Circle. The scope of work shall includes but is not limited to striping removals, crack sealing, surface prep, street sweeping, traffic control, slurry sealing, and other ancillary work as shown on the plans, these special provisions or as directed by the Project Manager.

LOCATION OF WORK

The general locations and limits of work are as follows:

- **Auto Mall Parkway – from Jefferson Ave. to Date St.**
- **Date Street – from Jefferson to Auto Mall Pkwy.**
- **Hobie Circle – from Auto Mall Pkwy to Date St.**

TIME OF COMPLETION

Contractor shall complete all work in every detail within the time limits specified in the Contract

UTILITY REQUIREMENTS

Contractor is advised of the existence of the utility notification service provided by Underground Service Alert (USA). USA member utilities will provide Contractor with the precise locations of their substructures in the construction area when Contractor gives at least two (2) working days' notice to USA by calling l-800-422-4133.

Contractor shall notify the agencies listed in Appendix A at least two (2) working days in advance of excavating around any of their structures. The utility companies listed can be contacted as applicable.

The California Public Utilities Commission mandates that, in the interest of public safety, mainline gas valves be maintained in a manner to be readily accessible and in good operating condition. Contractor shall notify the Southern California Gas Company's Headquarters Planning Office at (951) 634-3258 at least two (2) working days prior to the start of construction.

FLOW AND ACCEPTANCE OF WATER

It is anticipated that storm, surface, or other waters will be encountered at various times during the work herein contemplated. Contractor, by submitting a bid, acknowledges that he has investigated

the risk arising from such waters and has prepared his bid accordingly; and Contractor submitting a bid assumes all said risk.

Contractor shall conduct his operations in such a manner that storm or other existing waters may proceed uninterrupted along their existing street or drainage courses. Diversions of water for short reaches to protect construction in progress will be permitted if public and/or private properties, in the opinion of the Engineer, are not subject to probability of damage. Contractor shall obtain written permission from the applicable public agency or property owner before any diversion of water outside of public right-of-way will be permitted.

STANDARD SPECIFICATIONS

The Standard Specifications of City are contained in the 2015 edition of the **Standard Specifications for Public Works Construction**, including all supplements as written and promulgated by Public Works Standards, Inc. Copies of those Standard Specifications are available from the publisher:

Building News, Inc. (BNi)
990 Park Center Drive, Suite E
Vista, CA 92081
(760) 734-1113
www.bnibooks.com

The Standard Specifications for set forth above will control the general provisions for this Contract except as amended by the Plans, Special Provisions, or other Contract Documents, and the deletion of Section 307.

The **Standard Specifications, Department of Transportation, State of California, May 2018 State Standard Specifications**, will control the installation of signs and striping for this Contract, except as amended by the Plans, Special Provisions, or other Contract Documents. Only those sections requiring amendment or elaboration, or specifying options, are called out.

In case of conflict between the Standard Specifications or State Standard Specifications and the Special Provisions, the Special Provisions shall take precedence over and be used in lieu of such conflicting portions.

Where the Plans or Specifications describe portions of the work in general terms, but not in complete detail, it is understood that the item is to be furnished and installed complete and in place and that only the best general practice is to be used. Unless otherwise specified, Contractor shall furnish all labor, materials, tools, equipment, and incidentals, and do all the work involved in executing the Contract.

WAGE RATES AND LABOR CODE REQUIREMENTS

Wage Rates

Contractor and all subcontractors shall be required to adhere to the general prevailing rate of per diem wages as determined and published by the State Director of the Department of Industrial Relations, pursuant to Section 1770, 1773, and 1773.2 of the California Labor Code. Copies of these rates and the latest revisions thereto are on file in the Office of the City Clerk and are available for review upon request.

Apprentices

Section 1777.5 requires Contractor or subcontractor employing tradesmen in any apprenticeable occupation to apply to the Joint Apprenticeship Committee nearest the site of the public works project that administers the apprenticeship program in that trade for a certificate of approval. The certificate will also fix the ratio of apprentices to journeymen to be used in the performance of the Contract.

Contractor is required to make contributions to funds established for the administration of apprenticeship programs if he employs registered apprentices or journeymen in any apprenticeable trade and if other contractors on the public works site are making such contributions.

Information relative to apprenticeship standards, contributions, wage schedules, and other requirements may be obtained from the State Director of Industrial Relations or from the Division of Apprenticeship Standards.

Clayton Act and Cartwright Act

Section 4551 of the State Government Code specifies that in executing a public works contract with City to supply goods, services, or materials, Contractor or subcontractors offer and agree to assign to City all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 commencing with Section 16700) of Part 2 of Division 7 of the Business and Professional Code arising from purchase of goods, services, or materials pursuant to the Contract or subcontract. This assignment shall become effective when City tenders final payment to Contractor without further acknowledgment by the parties.

SUBSTITUTION OF SECURITIES

In conformance with the State of California Public Contract Code, Section 22300, Contractor may substitute securities for any monies withheld by City to ensure performance under the Contract.

At the request and expense of Contractor, securities equivalent to the amount withheld shall be deposited with City or with a State or Federally chartered bank as the escrow agent who shall pay such monies to Contractor upon notification by City of Contractor's satisfactory completion of the Contract.

The type of securities deposited and the method of release shall be approved by the City Attorney's office.

SPECIAL PROVISIONS

AUTO MALL, DATE, AND HOBIE RESURFACING AND STRIPING PROJECT
MSD PROJECT NO. 26-010

THE FOLLOWING SPECIAL PROVISIONS ARE TO BE USED IN CONJUNCTION WITH THE "STANDARD SPECIFICATIONS FOR PUBLIC WORKS CONSTRUCTION (GREEN BOOK)" UNLESS OTHERWISE NOTED.

SECTION 1 — TERMS, DEFINITIONS, ABBREVIATIONS, UNITS OF MEASURE, AND SYMBOLS

1-2 DEFINITIONS

[Add or replace with the following]:

Agency	-	City of Murrieta (City)
Board	-	City Council of the City
Caltrans	-	California Department of Transportation
City	-	City of Murrieta
County	-	County of Riverside
Director	-	Director of the Public Works Department, City of Murrieta, acting either directly or through his properly authorized agents, each agent acting only within the scope of authority designated to him.
Engineer	-	Director of the Public Works Department/City Engineer, City of Murrieta, acting either directly or through his properly authorized agents, each agent acting only within the scope of authority designated to him.
E.V.M.W.D.	-	Elsinore Valley Municipal Water District
E.M.W.D.	-	Eastern Municipal Water District
Final Acceptance	-	That stage of construction and plant establishment that allows City to accept the project as completed (no punch list items remaining unresolved). When Contractor believes the project is ready for final acceptance, he shall call for a final acceptance inspection. Director will inspect the project to verify its completion. Should there be elements that are not completed, Director will record same (final acceptance punch list) and bring them to the attention of Contractor. All punch list items must be resolved prior to final acceptance. When, in Director's judgment, the work has been completed in accordance with the Plans and Specifications and is ready for final acceptance, he will so certify to the Board, which may accept the completed work. Upon acceptance of the work by the Board, the City Clerk will file the Notice of Completion with the County Recorder.

Federal	-	United States of America
Standard Specifications	-	Standard Specifications for Public Works Construction, 2015 edition
State Standard Specifications		State of California, Department of Transportation, Standard Specifications, dated May 2018
R.C.W.D.	-	Rancho California Water District
R.C.F.C.D. & W.C.D.	-	Riverside County Flood Control and Water Conservation District
Substantial Completion	-	That stage of construction that allows Director to occupy or use the project for its intended purpose. When a project includes a plant establishment period, the date of the start of the plant establishment period may, at the discretion of Director, be used as the basis for determining the substantial completion date, provided that all elements of the project, other than the landscape, are substantially completed as defined above. The substantial completion date will be determined by Director in cooperation with Contractor and establish the termination of the time period for construction, and this date is used as a basis for determining whether liquidated damages are assessable. In no case shall the plant establishment period end prior to the final acceptance of the project. When Contractor believes that construction of the project is substantially complete, he shall call for an inspection. Director will inspect the total project to verify its completion by Contractor. Should there be elements of the project that are not yet completed, Director will record same (substantial completion punch list) and bring them to the attention of Contractor. All such items must be completed prior to acceptance of the project substantially complete. In the event re-inspection of any project element results in additional cost to City for consultant or staff time, Director retains the right to withhold sufficient funds from payments due Contractor to cover the cost to City of such re-inspection.
Traveled Way	-	That portion of the roadway reserved for the movement of vehicles for the general public, exclusive of shoulders and auxiliary lanes. When traffic has been diverted or restricted to certain lanes, with the approval of Engineer, these diversions or restricted lanes become the traveled way.
W.M.W.D.	-	Western Municipal Water District

1-4 UNITS OF MEASURE

1-4.1 GENERAL

[Replace with the following]:

U.S. Standard Measure is the principal measurement system in these contract documents and shall be used for construction.

SECTION 2 — SCOPE AND CONTROL OF WORK

2-1 AWARD AND EXECUTION OF CONTRACT

[Add the following]

Within ten (10) working days after the date of the Notice to Award, Contractor shall execute and return the following Contract Documents to City:

-Payment Bond
-Performance Bond
-Certificate of Insurance (COI)
-City of Murrieta Vendor Application
-City of Murrieta Business License
-W-9

Failure to comply with the above will result in annulment of the award.

The Contract shall not be considered binding upon City until executed by the authorized City officials.

A corporation to which an award is made may be required, before the Contract Agreement is executed by City, to furnish evidence of its corporate existence, of its right to enter into contracts in California, and that the officers signing the Contract and Bonds for the corporation have the authority to do so.

2-5 PLANS AND SPECIFICATIONS

2-5.1 GENERAL

[Replace the first paragraph with the following]:

Contractor shall maintain a control set of Plans and Specifications on the project site at all times. All final locations determined in the field, and any deviations from the Plans and Specifications, shall be marked in red on this control set to show the as-built conditions. Upon completion of all work, Contractor shall return the control set to Engineer. Final payment will not be made until this requirement is met.

Adjustments to the layout of this Plan may be necessary due to the unknown existing conditions. It is Contractor's responsibility to retain the design intent. If a layout discrepancy should occur, Contractor is to contact City's representative.

2-5.3 SUBMITTALS

[Add the following]:

Contractor shall submit the following submittals in addition to those identified in the Special Provisions:

No.	Submittal	Section Reference
1	Encroachment Permit: City of Murrieta	7-5 Permits
2	Emergency Contact List	
3	Construction Schedule	6-1.1 Schedule
4	Mix Design: Type II RPMS	203-3.4.4.4 Mix Design
	Asphaltic emulsion	203-3.4.4.2 Materials
	Polymer Additive	203-3.4.4.2 Materials
	Crumb Rubber	203-3.4.4.2 Materials
	Carbon Black Solution	203-3.4.4.2 Materials
	Aggregate	203-3.4.4.2 Materials
5	Crack Sealant/Fill	302-14.2 Materials
6	Continuous Mixer Calibration Report	302-4.3.4 Calibration
7	Notices:	302-4.5 Scheduling, Public Convenience and Traffic Control
	a. Advanced Construction Notice	
	b. Door Hanger, Single Coat (English/Spanish)	
	c. Door Hanger, Two Coats (English/Spanish)	
	d. No Parking Signs	

2-6 WORK TO BE DONE

2-6.1 CITY-FURNISHED MATERIALS

Materials <u>will not</u> be furnished by the City on this project.

Note: All materials and equipment shall be furnished by the <u>Contractor</u>.

2-9 SURVEYING

2-9.2 SURVEY SERVICE

[Replace with the following]:

The Contractor shall provide all surveying and construction services. All work shall be performed under the supervision of a Licensed Surveyor or a pre-1982 Registered Civil Engineer, pursuant to the California Business and Professions Code 8729, and shall conform to the quality and practice required by the Engineer.

Before starting any survey work, the Contractor shall submit in writing for approval by the Engineer, the proposed procedures, methods, equipment, and typical stake markings to be used. All procedures, methods, typical stake markings shall be in accordance with the latest edition of the California Department of Transportation "Surveys Manual." Special attention shall be made

to Chapter 12, "Construction Surveys." Copies of the "Surveys Manual" are available to the Contractor, at the Department of Transportation, Plans and Bid Documents counter, Room 39, 1120 N Street, P.O. Box 942874, Sacramento, CA 94274-0001 or on the Caltrans website at www.dot.ca.gov.

The Contractor shall be responsible for protecting all existing horizontal and vertical survey controls. Monuments, ties and bench marks located within the limits of the project. If any of the above require removal, relocating or resetting, the Contractor shall, prior to any construction work and under the supervision of a California-licensed land surveyor or pre-1982 licensed civil engineer, establish sufficient temporary ties and bench marks to enable the points to be reset after completion of construction.

Any ties, monuments and bench marks disturbed during construction shall be reset per Caltrans standards after construction and the tie notes submitted to the Engineer on 8-1/2" x 11" note paper. The Contractor and its sureties shall be liable for, at his expense, any resurvey required due to his negligence in protecting existing ties, monuments, bench marks or any such horizontal and vertical controls.

The Contractor shall comply with The Land Surveyors Acts//9771 (Record of Surveys - Monumentation) and//8773 (Corner Records - Records of Survey for "Lost Corners").

SECTION 3 — CHANGES IN WORK

3-3 EXTRA WORK

3-3.2.3 MARKUP

[Add the following as the first paragraph]:

The markups mentioned hereinafter shall include, but are not limited to, all costs for the services of superintendents, project managers, timekeepers, and other personnel not working directly on the change order and pickups or yard trucks used by the above personnel. These costs shall not be reported as labor or equipment elsewhere except when actually performing work directly on the change order and then shall only be reported at the labor classification of the work performed.

3-3.2.3 (a) Work by Contractor

[Add the following]:

The Contractor's markup to the Contractor's costs as determined under 3-3.2.2 shall not exceed 20% for labor and 15% for materials and equipment and shall constitute the markup for all overhead and profit on work by the Contractor.

3-3.2.3 (b) Work by Subcontractor

[Add the following]:

The Contractor's markup to the Subcontractor's costs and markup shall not exceed 5% and shall constitute the markup for all overhead and profit for the Contractor on work by the Subcontractor.

SECTION 5 - UTILITIES

5.6.1 UTILITY COORDINATION

[Add the following section]:

Any cost associated with coordinating with utility companies shall be considered included as part of this contract. Payment for Utility Coordination shall be included in the various bid items of work and no additional compensation shall be allowed thereafter.

SECTION 6 — PROSECUTION, PROGRESS, AND ACCEPTANCE OF THE WORK

6-1 CONSTRUCTION SCHEDULE AND COMMENCEMENT OF WORK

[Replace with the following]:

Contractor's proposed Construction Schedule shall be submitted to Engineer within ten (10) working days after the date of the Notice of Award of Contract. The schedule shall be in graphic form, bar graph, or such similar form as is acceptable to the City's representative showing the proposed dates of commencement, critical path items, and completion of each of the various subdivisions or units of work required under the Contract. Items on the schedule shall be arranged in the order and sequence in which they will be performed. The schedule shall conform to the working time and time of completion established under the terms of the Contract and shall be subject to modifications by and review of the City's representative. When necessary, in the opinion of the City's representative, the Contractor, when so ordered, shall modify the schedule to conform to such requirements.

6-7 TIME OF COMPLETION

6-7.1 GENERAL

[Add the following]:

The time for completion shall be as set forth in the Contract

6-7.2 WORKING DAY

[Replace with the following]:

Contractor's activities shall be confined to the hours between 7:00 a.m. and 4:30 p.m., Monday through Friday. Deviation from these hours will not be permitted without the prior consent of the Project Manager, except for emergencies involving immediate hazard to persons or property.

In the event of either a requested or emergency deviation from the established schedule, inspection service fees will be charged against the Contractor. The service fees will be calculated at overtime rates including benefits, overhead, and travel time. The service fees will be deducted from any amounts due the Contractor.

6-9 LIQUIDATED DAMAGES

[Replace the last sentence of the first paragraph with the following]:

Liquidated damages shall be as set forth in the Contract.

[Delete the second paragraph in its entirety.]

SECTION 7—RESPONSIBILITIES OF CONTRACTOR

7-1 CONTRACTOR'S EQUIPMENT AND FACILITIES

[Add the following]:

A noise level limit of 86-dba at a distance of fifty (50) feet shall apply to all construction equipment on or related to the job, whether owned by Contractor or not. The use of excessively loud warning signals shall be avoided except in those cases required for the protection of personnel.

7-2 LABOR

7-2.2 LAWS

[Add the following]:

Contractor, and all subcontractors, suppliers, and vendors shall comply with applicable City, State, and Federal orders regarding affirmative action to ensure equal employment opportunities and fair employment practices. Failure to file any report due under said orders will result in suspension of periodic progress payments.

Contractor shall ensure unlimited access to the job site for all equal employment opportunity compliance officers.

7-5 PERMITS

[Add the following]:

Prior to the start of any work, Contractor shall take out the applicable City permits and make arrangements for City inspections. Contractor and all subcontractors shall each obtain any and all other permits, licenses, inspections, certificates, or authorizations required by any governing body or public utility.

The Contractor shall be responsible for obtaining a no-fee encroachment permit with the City of Murrieta.

7-8.6 WATER POLLUTION CONTROL

[Add the following]:

This project is subject to the requirements of the National Pollutant Discharge Elimination System (NPDES) and the associated Construction General Permit (CGP) No. 2009-0009-DWQ and subsequent amendment No. 2010-0014-DWQ issued by the California State Water Resources Control Board (SWRCB). This permit regulates storm water discharges associated with construction activities. Copies of the permit can be obtained from the SWRCB website at www.waterboards.ca.gov. The Contractor shall fully inform itself of the conditions of the CGP which govern its operations and shall conduct its construction operations accordingly. Specifically, the Contractor shall comply with the CGP's discharge prohibitions and receiving water limitations.

The Contractor shall allow authorized agents of the City, SWRCB, Regional Water Quality Control Board (RWQCB), United States Environmental Protection Agency (EPA), local storm water management agency, and other applicable state or federal agencies upon the presentation of credentials and other documents as may be required by law, to:

1. Enter, at reasonable times, upon the construction site and the Contractor's facilities pertinent to the work.
2. Have access to and copy, at reasonable times, any records that must be kept as specified in the CGP, SWPPP, and these Special Provisions.
3. Inspect, at reasonable times, the construction site and related erosion and sediment control measures.
4. Sample or monitor, at reasonable times, for the purpose of ensuring compliance with the CGP, SWPPP, and these Special Provisions.

Conformance with the requirements of this section shall in no way relieve the Contractor from its responsibilities, as provided in Section 7-1.11, "Preservation of Property," and Section 7-1.12, "Responsibility for Damage," of the State Standard Specifications.

The Contractor shall be liable for any violations of the CGP issued to the City as a direct result of the Contractor's failure to comply with the CGP, SWPPP, and these Special Provisions.

7-9 PROTECTION AND RESTORATION OF EXISTING IMPROVEMENTS

[Add the following after the second paragraph]:

Protect existing building, paving, and other services or facilities on-site and adjacent to the site from damage caused by site work operations. Cost of repair and restoration of damaged items shall be at Contractor's expense.

The quality of construction is the responsibility of the Contractor and is subject to sign off by Public Works Inspector or City Engineer. Any work performed without public works inspection is subject to rejection.

7-10.4.1 SAFETY ORDERS

[Add the following paragraph]:

Contractor shall comply with the provisions of any City ordinances or regulations regarding requirements for the protection of excavations and the nature of such protection.

7-10.4.5 PUBLIC SAFETY DURING NON-WORKING HOURS

Notwithstanding Contractor's primary responsibility for safety on the job site, when Contractor is not present, Engineer may, at his option after attempting to contact Contractor, direct City forces to perform any functions he may deem necessary to ensure public safety at or in the vicinity of the job site. If such procedure is implemented, Contractor will bear all expenses incurred by City.

7-15 PAYROLL RECORDS

Payroll records, if required, shall be submitted to City by the tenth (10th) day of each month. Progress payments will be withheld pending receipt of any outstanding reports.

SECTION 8— FACILITIES FOR AGENCY PERSONNEL

8-1 GENERAL

8-1.1 FACILITIES FOR AGENCY PERSONNEL

Facilities for Agency personnel will not be required on this project.

SECTION 9 – MOBILIZATION

9-3.4 MOBILIZATION

[Replace with the following]:

Mobilization shall be paid on the basis of a lump sum price bid for "Mobilization" and shall include full compensation for furnishing all labor, materials, tools, equipment, and incidentals for doing all the work involved in performing Mobilization, as shown on the exhibits, as specified in these Special Provisions and as directed by the Engineer.

Payments for mobilization will be made as follows:

(a) When 5 percent of the original contract amount is earned, 50 percent of the amount bid for mobilization, or 5 percent of the original contract amount, whichever is lesser, may be paid.

(b) When 10 percent of the original contract amount is earned, 75 percent of the amount bid for mobilization or 7.5 percent of the original contract amount, whichever is lesser, may be paid.

(c) When 20 percent of the original contract amount is earned, 95 percent of the amount bid for mobilization, or 9.5 percent of the original contract amount, whichever is lesser, may be paid.

(d) When 50 percent of the original contract amount is earned, 100 percent of the amount bid for mobilization, or 10 percent of the original contract amount, whichever is lesser, may be paid.

(e) Upon completion of all work on the project, payment of any amount bid for mobilization in excess of 10 percent of the original contract amount will be paid.

TECHNICAL SPECIFICATIONS

AUTO MALL, DATE, AND HOBIE RESURFACING AND STRIPING PROJECT
MSD PROJECT NO. 26-010

THE FOLLOWING TECHNICAL SPECIFICATIONS ARE TO BE USED IN CONJUNCTION WITH THE "STANDARD SPECIFICATIONS FOR PUBLIC WORKS CONSTRUCTION (GREEN BOOK)" UNLESS OTHERWISE NOTED.

PART 2 – CONSTRUCTION MATERIALS

SECTION 203 – BITUMINOUS MATERIALS

203-3.4.4 RUBBERIZED POLYMER MODIFIED EMULSION (RPME).

[DELETE in its entirety and SUBSTITUTE with the following]:

203-3.4.4 RUBBER POLYMER MODIFIED SLURRY (RPMS).

203-3.4.4.1 General.

Rubber polymer modified slurry (RPMS) is a crumb rubber asphalt slurry seal surface treatment. RPMS shall be a stable mixture of asphaltic emulsion, mineral aggregate, set control additives, specially produced and graded crumb rubber, polymer, mineral fillers, carbon black, and water. The materials for RPMS shall conform to 203-5.4, "Emulsion-Aggregate Slurry (EAS)" and these specifications. Mixing and spreading of RPMS shall be as described in 302-4.12, "Rubber Polymer Modified Slurry (RPMS)".

203-3.4.4.2 Materials.

A. The ingredients of RPMS immediately prior to the mixing shall conform to the following:

1. Asphaltic emulsion shall be a quick-set type and shall conform to the requirements of CQS-1h and to the following requirements in accordance with the specified test methods:

Quality Tests For Emulsion	**Test**	**Requirements**
AASHTO T59	Residue after Distillation	60% min.
AASHTO D244		
Quality Tests For Emulsion	**Test**	**Requirements**
AASHTO T49	Penetration at 77° F (25° C)	40% - 90%
AASHTO D2397		

B. Quick setting Type CQS-1h Asphaltic Emulsion shall test positive for Particle Charge when tested in accordance with the applicable ASTM test designation. If the Particle Charge Test result is inconclusive, the asphaltic emulsion shall meet a pH requirement of 6.7 maximum.

C. Water shall be potable and of such quality that the asphalt will not separate from the emulsion before the application of slurry seal.

D. If necessary for workability, a set-control agent that will not adversely affect the RPMS material may be added.

E. Polymer additive shall be SBR Latex or approved equal, which is added at a minimum of 2% by weight of the asphaltic emulsion.

F. Crumb Rubber.

1. Crumb rubber shall be ambient granulated or ground from whole passenger tires, truck tires, or a combination only in conformance with the requirements indicated in Tables 203-3.4.4.2 (A), 203-3.4.4.2 (B), and 203-3.4.4.2 (C).

2. Un-curing or de-vulcanized rubber shall not be acceptable. Rubber tire buffing from either recapping or manufacturing processes may not be used as a supplement to the crumb rubber mixture.

3. In order to remove steel and fabric, an initial separation stage which subjects the rubber to freezing temperatures may be used.

4. The crumb rubber shall not be elongated or hair-like in shape and individual particles shall not be greater than 1/20 of an inch in length.

5. The crumb rubber shall be free of contaminants including fiber, metal, and mineral matter within the following tolerances: the fiber content shall be less than 0.30% by weight and the crumb rubber shall be free of metal particles. Metal imbedded in rubber particles shall not be allowed. The amount of mineral contaminants allowed shall not exceed 0.10% by weight.

6. The crumb rubber shall be dry with a moisture content of less than 0.75%.

8. Additives may be used to accelerate or retard the break-set of the RPMS. The use of additives shall be in quantities specified in the mix design.

9. Mineral filler such as Portland cement, hydrated lime, limestone dust, fly ash, or other approved filler meeting the requirements of ASTM D242 shall be used if required by the mix design and may be used to facilitate set times as needed. Any cement used shall be considered as part of the dry aggregate weight for mix design purposes.

10. The mineral aggregate used shall be the type and grade specified for the particular Type of RPMS. The aggregate shall be manufactured crushed stone such as granite, slang, limestone, chat, other high quality aggregate, or a combination thereof. Aggregate shall consist of rock dust except that 100% of any aggregate of combination of aggregates larger than the No. 50 sieve size used in the mix shall be obtained by crushing rock. The material shall be free from vegetable matter and other deleterious substances. The aggregate shall be free of caked lumps and oversized

particles. The aggregate shall also conform to the following requirements in Table 203-3.4.4.2 (E).

No. 200	5-15	± 2%

B. The job mix (target) gradation shall be within the gradation band for the desired type. After the target gradation has been submitted, the percent passing each sieve shall not be more than the stockpile tolerance.

C. The aggregate shall be accepted at the Site or stockpile. The stockpile shall be accepted based on 5 gradation tests according to California Test 202, modified by California Test 105 when there is a difference in specific gravity of 0.2 or more between blends of different aggregates. If the average of the 5 tests is within the gradation tolerances, then the material will be accepted. If the test shows the material to be out, you may choose to remove the material or blend other aggregates with the stockpile material to bring it into compliance with these specifications. Materials used in blending shall meet the quality test before blending and shall be blended in a manner to produce a consistent gradation.

D. When the results of either the Aggregate Grading or the Sand Equivalent test do not conform to the requirements specified, the aggregate shall be removed. However, if requested in writing and approved by the Engineer, the aggregate may be used and you shall pay to the agency $1.75 per ton for such aggregate left in place. No single aggregate grading or sand equivalent tests shall represent more than 300 tons or one day's production, whichever is smaller.

203-3.4.4.4 Mix Design.

A. Before Work begins, Contractor shall submit laboratory reports of mix designs performed in accordance with the tests identified in Table 203-3.4.4.4 at Contractor's expense and shall utilize the specific materials to be used on the project. The design shall be prepared by a laboratory experienced in designing rubber asphalt slurry-seal surface treatments. After the mix design is approved, no substitution shall be made unless approved by the Engineer. The proposed rubber asphalt slurry-seal surface treatment mix design shall verify compatibility of the aggregate, emulsion, mineral filler, set-control additive, and rubber blend.

ISSA TB-113	Mixing Time	Controllable to 150 seconds minimum
ISSA TB-114	The Wet Stripping	Pass

B. The Mixing Time test shall be done at the highest temperatures expected during construction. The original lab report shall be signed by the laboratory that performed the mix design and shall show the results of the tests on individual materials. The report shall clearly show the proportions of aggregate, mineral filler (minimum and maximum), water (minimum and maximum), additive (s) (usage), asphalt emulsion, and asphalt rubber blend based on the dry weight of the aggregate.

C. Component materials used in the mix design shall be representative of your proposed materials. The percentage of each individual material required shall be shown in the laboratory report. Adjustments may be required during the construction based on field conditions.

D. The component materials shall be within the following limits:

1. Residual Asphalt Type I, 10% - 16% based on dry weight of aggregate.

2. Residual Asphalt Type II, 7.5% - 13.5% based on dry weight of aggregate.

3. Residual Asphalt Type III, 6.5% - 12% based on dry weight of aggregate.

4. The crumb rubber will be added to the rubberized slurry mix at a rate of 5% by volume to the asphalt cement.

5. Polymer additive shall be added at 2% of finished emulsion.

6. Carbon Black shall be added at 1.3% to 2% of the finished emulsion.

7. Mineral filler shall be 0.5% - 2.0% (if required by mix design) based on dry weight of aggregate.

8. Additives, as needed.

9. Water, as needed to achieve proper mix consistency (total mix liquids shall not exceed the loose aggregate voids).

203-3.5 Certificate of Compliance.

[ADD the following]:

Test reports and certifications shall be made in accordance with 4-1.4, "Test of Materials"; 203-1.3, "Test Reports and Certification"; and 302- 4.2.1, "General".

203-5 SLURRY SEAL

203-5.4.1 GENERAL

[add the following]:

The slurry seal shall be RPMS per 203-3.4.4 and shall be Type II. RPMS shall use an emulsified asphalt that is a cationic quick set polymer modified CQS-1h with 2% SBR Latex.

203-5.4.2.2 EMULSIFIED ASPHALT

[add the following]:

Emulsified asphalt shall conform to the requirements in Table 203-3.4.3.

The Contractor shall provide a 16-fluid-ounce sample of the emulsified asphalt used in the emulsion aggregate slurry each day emulsion aggregate slurry is constructed on the project. Additional samples shall be provided when emulsified asphalt batch lots are changed or upon the request of the Engineer. Contractor shall provide a clear plastic container with a secure screw top with each sample. The Contractor shall label each sample with the date the sample was taken, batch number and the name of the street(s) where the material was used.

Each load of emulsified asphalt shall be accompanied with a Certificate of Compliance to assure it is the same as used in the mix design.

PART 3 – CONSTRUCTION METHODS

302-3 PREPARATORY REPAIR WORK.

A. Prior to the placement of asphalt concrete or the application of slurry, the Contractor shall complete all necessary preparation and repair Work to the road segment **as specified in the Special Provisions**.

B. Unless otherwise specified, preparatory Work shall include weed spray, weed abatement, crack sealing, asphalt patching, removal of raised pavement striping, painted striping, and thermoplastic pavement markings.

302-3.1 Asphalt Patching.

A. Asphalt patching shall consist of patching potholes, gutter-line erosions, and other low spots in the pavement that are deeper than ½ inch (12.7 mm) in accordance with 302-5.6.2, "Density and Smoothness".

B. The areas requiring patching have been identified in the Contract Documents, marked on the streets, or as directed by the Engineer. Contractor shall identify any new areas that may require patching prior to slurry Work to ensure the smoothness and quality of the finished product.

C. Contractor shall identify and repair any areas that may require patching prior to the placement of slurry seal for a smooth and finished product.

D. Asphalt overlay shall not be applied over deteriorating pavement. Contractor shall notify the Engineer of deteriorating pavement prior to proceeding with asphalt patching.

E. Prior to asphalt patching, the area shall be cleaned and tack coated in accordance with 302-5.4, "Tack Coat".

F. Asphalt patching shall be completed with D2-PG 64-10.

G. Following the asphalt placement, you shall roll the entire patch in both directions and shall cover the patch at least twice.

H. After placement and compaction of the asphalt patch, you shall seal all finished edges with a 4 inch (101.6 mm) wide continuous band of SS-1H.

SECTION 302-4 – SLURRY SEAL SURFACING

302-4.1 GENERAL

[add the following]:

The Contractor shall protect the wet slurry from traffic at all times and if damaged or defaced, the Contractor shall repair said damage at no additional cost to the City.

At the discretion of the Engineer, the placement of slurry seal may be suspended due to unsuitable temperature conditions, or other conditions that are considered unfavorable for the prosecution of work. The Contractor shall immediately comply with the order of suspension by the Engineer, and work shall not be resumed until authorized by the Engineer.

If work cannot resume on the same day to completion as scheduled, then this work shall be rescheduled in one to two weeks and the residents notified that the work will not be done as scheduled and re-notified of the new work date promptly. All "NO PARKING" signs must be promptly removed. No more than two rescheduled streets shall be scheduled for the same day and they shall be the first order of work for that day.

The days during which the suspension of work is in effect, due to unsuitable weather, shall not be considered working days and the date of completion shall be extended to allow for work and notification.

In the event of a suspension of work, the Contractor shall remove all barricades, equipment, and "No Parking" signs (if appropriate) upon the curing of the completed portion of slurry.

No adjustment of unit prices, of any items, shall be allowed due to suspension of work as described above.

302-4.2 AGGREGATE STOCKPILE

[add the following]:

Aggregate may be stockpiled on public property sites if approved by the Engineer. Prior to storing slurry seal materials on private property, the Contractor shall submit to the Engineer written permission from the property owner for such stockpiling.

Precautions shall be taken to ensure that the stockpiles do not become contaminated with oversized rock, clay, silt, or excessive amounts of moisture. The stockpiles shall be kept in areas that drain readily. Segregation of the aggregate will not be permitted.

The stockpile areas shall be thoroughly cleaned of all excess materials and left in a neat, orderly appearance upon completion of the slurry operations in any area.

Suitable storage facilities shall be provided for the asphalt emulsion. Suitable heat shall be provided as necessary.

302-4.3 CONTINUOUS FLOW MIXERS

302-4.3 GENERAL

[add the following]:

The slurry machine shall be equipped with digital materials control system which shall be capable controlling the exact quantities of aggregate, emulsion, and set control agents. The control panel shall give real time readouts and be able to control the following:

A. Engine diagnostics.

B. Aggregate and fines feeder delivery rates in RPM and in percentage. Percentage control for material delivery shall be +/- 1%.

C. Water and additive rates in RPM and in percentage. Percentage control for material delivery shall be +/- 1%.

D. Out of material alarms.

E. Auto calibration feature

F. Real time mix percentages for maximum operator control. The control panel should be able to print out the use of material at the end of each work day. This printout shall be delivered to the project inspector.

The Contractor shall not proceed with the placement of slurry without demonstrating the capabilities of the digital controls.

302-4.5 SCHEDULING, PUBLIC CONVENIENCE AND TRAFFIC CONTROL

[add the following]:

NOTIFICATION OF RESIDENTS AND POSTING NO PARKING SIGNS

At least five (5) working days prior to commencing work, the Contractor must submit their spreading schedule to the City for approval. The Contractor shall give verbal and printed notification, along with copies of the weekly schedule to all firms, institutions, agencies, and utilities which will be affected by the sealing applications at least fourteen (14) calendar days in advance of and on each occasion of said sealing application. Said firms, institutions, agencies and utilities include, but are not limited to the following; Postal Service, hospitals, governmental services, Police Department, Fire Department, ambulance services, Riverside Transit Authority (RTA), Trash collection firms, Murrieta Valley Unified School District, and Public Works Maintenance Division.

Furthermore, cooperation with the trash collection firm shall be done such that no street shall be slurried within two (2) days prior to trash collection. Damage occurring to slurry seal from trash trucks shall be repaired at the expense of the Contractor and per the direction of the Engineer, or his appointed representative.

In addition, the contractor shall not slurry any streets or neighborhoods connecting to a school during a scheduled school day. Given the longevity of project activities, the contractor shall schedule these segments to be treated during school breaks. Reference “Appendix G” for the Murrieta Valley Unified School District Calander.

The Contractor shall contact and notify all residents within the limits of work, in person and with printed notices at least fourteen (14) days in advance of any activity which will impact said residents. Activities impacting said residents and, therefore requiring the above said notices include the following: The sealing application itself, closure or partial closure of the street, disallowance of street parking, disallowance of ingress to or egress from their residence and reference to placement of barricades along the street two (2) days in advance of the work. Barricades shall have printed notices, in large print, indicating when the street will be slurried.

The printed handout notices shall contain a general description of the work to be done, the name of the street to be sealed with limits, the day and date of the sealing application, a statement that no on-street parking will be allowed between the hours of 7:00 a.m. and 5:00 p.m. on the day of work, a statement that it will be necessary to tow away parked vehicles parked within the designated working limits at the owner’s expense per California Vehicle Code CVC 226511 and 22654D, a statement that in the event that the street is missed it will be rescheduled in Approximately 1-2 weeks and they will be re-notified, the statements that **THERE WILL BE NO DISRUPTION OF TRASH SCHEDULES**, and that trash should be set out by 6:00 a.m., and the name and telephone number of the Contractor.

In addition to the foregoing, the notices to the residents shall contain the statement that the street to be sealed will be closed to vehicular traffic, and the suggestion that if they require the use of their vehicles on the day of the sealing work, they should consider parking their vehicle on a nearby street which is not scheduled for sealing operation.

IN THE EVENT A STREET SCHEDULED FOR SEALING WAS MISSED, the Contractor shall immediately remove all "NO PARKING" signs and notify residents and others previously notified, in person and with printed notices, that due to unforeseen circumstances, the Contractor was not able to seal the street as previously notified, that the street will be rescheduled in approximately 1-2 weeks, and they will be re-notified. The Contractor shall have on the jobsite, prior to the start of each day's work, an adequate supply of approved letters of notification to residents of missed streets. The Contractor shall also post pre-approved printed "NO PARKING-TOW AWAY" signs on 1"x 2" wooden stakes and barricades at 100 foot maximum spacing along both sides of the street to be sealed 48 hours prior to the start of the sealing work, shall maintain said signs through the day of work or as otherwise directed by the Engineer or called for in the preceding paragraph.

The Contractor shall document the day, date and time that the signs are installed, because the no parking restriction cannot be enforced until the signs have been in place for 24 hours.

Posting of trees, utility poles, lighting standards and other existing parkway improvements is strictly forbidden.

The "NO PARKING" signs shall contain the day, date and hours that the parking will be prohibited on the particular street and a statement that the parked vehicles will be towed away at the owner's expense per California Vehicle Code CVC 226511 and 2654D.

All printed notices and no parking signs shall be submitted to the Engineer at least ten (10) calendar days prior to the first day of work.

Full compensation for conforming to this section shall be considered as included in the various contract items of work involved, and no additional compensation will be allowed therefore.

302-4.7.5 Application Temperature.

[Add the following]:

Slurry seal shall not be applied when the atmospheric temperature at 7:00 a.m. is 75 degrees Fahrenheit or above and rising to a forecast high of 100 degrees Fahrenheit

302-4.8 SPREADING AND APPLICATION

[add the following]:

Prior to applying slurry seal, the Contractor shall clean, to the satisfaction of the Engineer, the street surface with a power sweeper.

The application of slurry shall not commence until after 7 a.m. and shall conclude at 1:30 p.m. unless otherwise authorized by the Engineer. The slurry shall be sufficiently cured to open to traffic by 4:00 p.m. The portions of streets to be slurried shall be closed from the time the application begins until the mixture has achieved sufficient set to be opened to traffic.

The slurry shall be applied in such a manner that no ripples or waves exist. If ripples or waves occur in the slurry during the application, the work shall cease and the Contractor shall correct the

situation. The Contractor may use a drag to knock down ridges. If ripples or waves are not corrected to the Engineer's satisfaction, the street shall be reslurried at the contractor's expense.

The Contractor shall, at the direction of the Engineer, repair and reseal **the entire street or complete section thereof, as determined by the Engineer,** which have not been sealed properly (includes areas that have failed to meet yield and mix design specification) and completely. No compensation will be provided for slurry seal used in repair and reseal work.

Each slurry crew shall be composed, at a minimum, of a coordinator at the project site at all times, a competent quick-set mixing man, a competent driver, two squeegee men, and sufficient laborers for any handwork and cleanup.

Surface oil and grease shall be removed or sealed with shellac or an equivalent material approved by the Engineer prior to the application of the slurry seal. Full compensation for surface oil and grease removal shall be considered as included in the unit cost for slurry seal.

During the slurry seal operations, it shall be the Contractor's responsibility to place protective coverings over, or to otherwise avoid slurry seal coating of manholes, utility covers, well monuments, concrete gutters, concrete cross gutters, and drainage facilities, and remove said coverings and/or slurry seal coating after slurry seal has been completed.

The start and finish of slurry application shall be a straight line which, unless otherwise approved by the Engineer, shall be obtained by laying a strip of building paper or other material approved by the Engineer on the pavement surface. After application of slurry, the paper shall be removed leaving a straight edge.

The Contractor shall sweep any raveled material from the street once (1) a week for a period of three (3) after the initial placement. If raveling continues within four (4) weeks of initial placement, the street shall be swept and reslurried with a type I mixture at no cost to the City. Raveling can be identified by the presence of "black pebbles" in the gutter.

Full compensation for developing a water supply and for furnishing all water required for work done in the contract, including extra work, shall be included in the prices paid for the various items of work requiring water, and no separate payment will be made therefore.

302-4.11 PAYMENT

[Add the Following]:

Payment for all work shall be per the agreed upon proposal and price included as an attachment to the Contract.

302-4.12 RUBBER POLYMER MODIFIED SLURRY (RPMS).

[Add the following]:

302-4.12.1 Mixing.

302-4.12.1.1 General.

A. Proportioning equipment of equal capacity to that described herein will be considered by the City prior to time of Award.

B. The slurry surfacing shall be mixed in a continuous, twin shaft, multipaddle pugmill mixer. The pugmill shall be equipped with a hydraulically controlled steel pugmill gate for positive discharge operations. No dripping of slurry shall be allowed.

C. Each slurry surfacing unit shall be equipped with independent storage capabilities for the aggregate, emulsion, crumb rubber, polymer, set control additives, and the carbon black.

D. Each slurry surfacing unit shall be equipped with a unit designed to store and deliver the various required materials to a twin-shafted, multi-paddle pugmill with a computer-controlled automatic sequencing system that initiates each material delivery at the precise moment necessary to ensure proper proportioning.

E. Aggregates, asphaltic emulsion, water, polymers, additives, including set-control agent, if used, and crumb rubber shall be proportioned by volume utilizing the mix design approved by the Engineer. If more than one kind of aggregate is used, the correct amount of each kind of aggregate to produce the required grading shall be proportioned separately, prior to the other materials of the mixture, in a manner that will result in a uniform and homogenous blend.

F. Asphaltic emulsion shall be added at a rate within the ranges identified in Table 302-4.12.1.1 of percent by weight of the dry aggregate. The exact weight shall be determined by the mix design and the asphalt solids content of the asphaltic emulsion furnished.

TABLE 302-4.12.1.1

Type of Aggregate	Range
Type I	17% - 20%
Type II	14% - 17%
Type III	11% - 14%

G. The aggregate shall be proportioned by a belt feeder operated with an adjustable cutoff gate. The height of the gate opening shall be readily determinable. The emulsion shall be introduced into the mixer by a positive displacement pump. Water shall be introduced into the mixer through an adjustable multi-spray pugmill bar. Water volume shall be displayed by an electric digital meter registering in gallons delivered.

H. The aggregate belt feeder shall deliver aggregate to the pugmill mixed with such volumetric consistency that the deviation for any individual aggregate delivery rate check-run shall be within 2% of the mathematical average of 3 runs of at least 300 gallons (1135.6 L) each in duration.

I. The bitumen ratio (pounds of asphalt per 100 pounds (45.4 kg) of dry aggregates) shall not vary more than 1.5 pound (0.7 kg) of asphalt above or 0.6 pound (0.3 kg) asphalt below the amount designated by the mix design and approved by the Engineer.

J. The polymer additive and the carbon black shall be delivered to the mixer in the relative proportions required by means of a common shaft dual pump system. The polymer additive and the carbon black flow rates shall be independently adjustable by means of diaphragm valves and shall be sequenced through the computer controlled auto-sequencing system. The polymer additive and the carbon black shall be blended and mixed prior to their introduction into the pugmill. Introduction into the twinshafted pugmill shall be done through an injection system which delivers the blended material to the apex of each mixing shaft immediately prior to the introduction of the asphalt emulsion. The polymer additive and the carbon black delivery system shall each be equipped with digital electronic flow metering devices that can read in gallons per minute.

K. The crumb rubber delivery system shall be equipped with an air suspension unit designed to prevent clumping or bridging of the rubber material. The air discharges shall be sequenced to avoid over-suspension of the rubber. The rubber shall be delivered to the pugmill by a hydraulically driven auger and shall be initiated through the computer controlled auto-sequencing system.

L. The emulsion shall be introduced into the mixer by a positive displacement pump. The emulsion storage shall be equipped with a device which will automatically shut down the power to the emulsion pump and aggregate belt feeder when the level of stored emulsion is lowered to within 2 inches (50.8 mm) of the suction line.

M. A temperature-indicating device shall be installed in the emulsion storage tank at the pump suction level.

N. The aggregate shall be proportioned using a belt feeder operated with an adjustable cutoff gate. The height of the gate opening shall be readily determinable.

O. The aggregate feeder shall be directly connected to the drive on the emulsion pump. The drive shaft of the aggregate feeder shall be equipped with an electronic digital belt. The belt delivering the aggregate to the pugmill shall be equipped with a device to monitor the depth of the aggregate being delivered to the pugmill. The device for monitoring the depth of aggregate shall automatically shut down the power to the aggregate belt feeder whenever the depth of aggregate is less than 70% of the target depth of flow. An additional device shall monitor movement of the aggregate belt by detecting revolutions of the belt feeder. The devices for monitoring no flow or belt movement shall automatically shut down the power to the aggregate belt when the aggregate belt movement is interrupted. To avoid shutdown caused by normal fluctuations in delivery rates, a delay of 3 seconds between sensing less than desirable storage levels of aggregate or emulsion shall be permitted.

P. Water delivery shall be adjusted through a diaphragm valve. Water flow rate shall be electronically displayed through a digital meter.

Q. Set control additive flow rate shall be electronically displayed through a digital meter.

R. The mixer unit shall not be operated unless all electronic display and revolution counters are in good working condition and functioning and all metal guards are in place. All indicators required by these specifications shall be operational at all times.

S. You shall have 2 fully operational mixers and 1 standby mixer for use at the Project Site at all times for each working crew.

302-4.12.2 Application.

302-4.12.2.1 General.

A. The Work shall consist of mixing asphaltic emulsions, aggregates, set control additives, specially produced and graded crumb rubbers, and watering and spreading the mixture on the pavement where shown marked out in the field, as specified in these special provisions, and as directed by the Engineer. Slurry seal shall not be applied when the atmospheric temperature at 7:00 a.m. is 75 degree Fahrenheit or above and rising to a forecast high of 100 degrees Fahrenheit.

B. RPMS application rates shall **AVERAGE** as follows:

Type	Application Rate[1] (lb/yd^2)
Type I	9
Type II	13.33
Type III	15 - 22

1. Based on dry aggregate weight.

302-4.12.2.2 Spreading.

A. Pre-wetting of streets shall not be required unless streets are subject to high temperatures and/or dust.

B. The complete mixture, after the addition of water and any set-control agent used, shall be such that the mixture:

   A. Has proper workability.

   B. Shall permit a traffic flow without the occurrence of bleeding separation or other distress at 78° F (25.6° C) and without pilot car assisted traffic on the slurry seal within one hour after placement.

   C. Shall prevent the development of bleeding, excessive raveling, separation, and/or other distress within 7 Days after placing the rubberized asphalt surfacing.

C. The slurry mixture shall be spread by means of a controlled spreader box. The spreader box shall be capable of spreading the slurry to the width of the traffic lane and shall have

strips of flexible rubber belting or similar material on each side of the spreader that shall be in contact with the pavement to positively prevent loss of slurry from the ends of the box. Spreader boxes shall be equipped with reversible motor-driven augers when placing slurry. Rear flexible strike-off blades (rubbers) shall make close contact with the pavement and shall be adjustable to the various crown shapes so as to apply a uniform surfacing coat. Flexible drags to be attached to the rear of the spreader box shall be provided as directed by the Engineer. Drags and rubbers shall be cleaned daily if problems with cleanliness and longitudinal scouring occur. The spreader box shall be clean and shall be free of all slurry and emulsion at the start of each Work shift.

302-4.12.3 Rolling.

Pneumatic rolling shall be required on all streets. Rolling shall commence as soon as the RPMS has set sufficiently to prevent any material from adhering to the tires. The RPMS surface shall be rolled 2 to 5 times or as directed by the Engineer. Pneumatic rollers shall be operated at a minimum tire pressure of 60 psi (413.7 kPa).

302-4.12.4 Measurement and Payment.

Payment for all work shall be per the agreed upon proposal and price included as an attachment to the Contract.

302-14 CRACK SEAL WORK.

[Add the following]:

302-14.1 General.

All cracks in asphalt 1/8 inch (3.2 mm) or wider shall be sealed prior to the application of slurry. You shall seal only transverse, longitudinal, block, or reflective cracks. Contractor shall not seal alligator (fatigue) cracked areas or cracks in PCC.

302-14.2 Materials.

Crack sealant material used shall be Road Works 306, CRAFCO Polyflex Type 3, or an approved equal. Sealant shall be prepared and applied to the pavement cracks in conformance with all manufacturers' instructions except where noted otherwise in these specifications.

302-14.3 Equipment.

A. Cracks shall be cleaned using a hot compressed air lance (HCL) apparatus. Air exiting the HCL shall be heated to a temperature sufficient to remove the oxidized surface from the crack walls.

B. The HCL shall meet the following specifications:

Compressed Air Capacity	75 psi to 150 psi (40 cfm to 100 cfm)

Heated Air Temperatures	600° F to 2,200° F (315.6° C to 1204.4° C)
Exit Heated Air	1,000 ft/second
Propane	5 psi to 20 psi

C. Prior to beginning Work, submit documentation to the Engineer certifying that each HCL apparatus to be used on the project meets the above specifications. If a delay in the start of Work exceeds 7 Working Days, re-certification is required and documentation shall be resubmitted.

302-14.4 Application.

A. Cracks to be sealed shall be completely clean, dry, and free of all loose material, weeds, vegetation, and any other foreign substances which may cause the sealant to not adhere to the crack wall. You shall clean and dry all cracks with the HCL immediately before sealing.

B. Sealant shall be applied from the bottom of the crack up to the surface in a manner which does not result in sealant bridging or pockets of entrapped air forming. The sealant shall be applied utilizing a sealing tip "**Crafco Applicator Disk**" (PN# 27162 – 3" Disk Assembly PN# 27163 – 4" Disk Assembly PN# 27164 – 6" Disk Assembly). Disk Size shall be dependent on the size of the crack. Crafco Applicator Disk shall be used and applied per the manufacturer recommended use. If an alternative method of application is desired by the Contractor, it will be subject to approval by the Public Works Inspector. The width of sealant remaining on the surface shall not exceed 1.5 inches (38.1 mm) on either side of the crack. Any debris blown onto adjacent gutters, sidewalks, parkways, medians, intersections, or other areas shall be removed prior to the end of the Working Day.

302-14.5 Payment.

Payment for all work shall be per the agreed upon proposal and price included as an attachment to the Contract.

SECTION 314 – TRAFFIC STRIPING, CURB AND PAVEMENT MARKINGS, AND PAVEMENT MARKERS

The Contractor will be responsible for placement of temporary striping and tabs after placement of new slurry seal

314-2 REMOVAL OF TRAFFIC STRIPING, MARKERS AND PAVEMENT MARKINGS
[Add the following]:

Traffic stripes and pavement markings to be removed shall be per the plans or as designated by the Engineer and shall be removed by wet sand-blast methods for painted surfaces, and polish/smooth grinder followed by a wet sand-blaster for thermoplastic coated surfaces. **All pavement markings, painted striping, traffic stripes, and/or thermoplastics, including all stop bars and "STOP" pavement markings shall be removed prior to a**

street receiving slurry seal treatment at ALL locations/street segments. Image shadowing shall be minimized by performing removals in a rectangular block area. When removing pavement markings, the removal process shall be applied to a rectangular area around and covering the pavement marking, such that the resulting pavement does not exhibit a "shadowed" pavement marking. If, in the opinion of the City Inspector or Engineer, the removal process does not completely erase any sign of the pavement marking, the City Inspector or Engineer may require that the rectangular area be seal coated.

PART 6 – TEMPORARY TRAFFIC CONTROL

SECTION 600 - ACCESS

600-2 VEHICULAR ACCESS

[Add the following paragraphs]:

The Contractor shall provide for the safety of traffic and the public in accordance with the provisions in Section 7-1.09, "Public Safety," of the State Standard Specifications and these special provisions.

Attention is directed to Section 12, "Construction Area Traffic Control Devices," of the State Standard Specifications and to these Special Provisions.

The Contractor shall install temporary railing (Type K) where shown on the plans, or between any lane carrying public traffic and any excavation, obstacle or storage area when the following conditions exist:

(1) Excavation -- Any excavation, the near edge of which is 12 feet or less from the edge of the lane, except:

(a) Excavation covered with sheet steel or concrete covers of adequate thickness to prevent accidental entry by traffic or the public.
(b) Excavations less than one foot deep.
(c) Trenches less than one foot wide for irrigation pipe or electrical conduit, or excavations less than one foot in diameter.
(d) Excavations parallel to the lane for the purpose of pavement widening or reconstruction.
(e) Excavations in side slopes, where the slope is steeper than 4:1 (horizontal:vertical).
(f) Excavations protected by existing barrier or railing.

(2) Temporarily Unprotected Permanent Obstacles -- Whenever the work includes the installation of a fixed obstacle together with a protective system, such as a sign structure together with protective railing, and the Contractor elects to install the obstacle prior to installing the protective system; or whenever the Contractor, for his convenience and with permission of the Engineer, removes a portion of an existing protective railing at an obstacle and does not replace such railing complete in place during the same day.

(3) Storage Areas -- Whenever material or equipment is stored within 12 feet of the lane and such storage is not otherwise prohibited by the specifications.

The approach end of temporary railing (Type K), installed in accordance with the requirements in this section "Public Safety" and in Section 7-1.09, "Public Safety," of the State Standard Specifications shall be offset a minimum of 15 feet from the edge of the traffic lane open to public traffic. The temporary railing shall be installed on a skew toward the edge of the traffic lane of not more than one foot transversely to 10 feet longitudinally with respect to the edge of the traffic lane. If the 15-foot minimum offset cannot be achieved, the temporary railing shall be installed on the 10 to 1 skew to obtain the maximum available offset between the approach end of the railing and the edge of the traffic lane, and an array of temporary crash cushion modules shall be installed at the approach end of the temporary railing.

Temporary railing (Type K) shall conform to the provisions in Section 12-3.08, "Temporary Railing (Type K)" of the State Standard Specifications, except temporary railing (Type K) fabricated prior to January 1, 1993, with one longitudinal No. 5 reinforcing steel bar near the top in lieu of the 2 longitudinal No. 5 reinforcing steel bars near the top, as shown on the plans, may be used.

Temporary crash cushion modules shall conform to the provisions in "Temporary Crash Cushion Module" elsewhere in these special provisions.

Except for installing, maintaining and removing traffic control devices, whenever work is performed or equipment is operated in the following work areas the Contractor shall close the adjacent traffic lane unless otherwise provided in the plans and specifications:

Approach speed of public traffic (Posted Limit) (Miles per Hour)	Work Areas
Over 45	Within 6 feet of a traffic lane but not on a traffic lane.
35 to 45	Within 3 feet of a traffic lane but not on a traffic lane.

The lane closure provisions of this section shall not apply if the work area is protected by permanent or temporary railing or barrier.

When traffic cone or delineators are used to delineate a temporary edge of traffic lane, the line of cones or delineators shall be considered to be the edge of traffic lane, however, the Contractor shall not reduce the width of an existing lane to less than 11 feet without written approval from the Engineer.

When work is not in progress on a trench or other excavation that required closure of an adjacent lane, the traffic cones or portable delineators used for the lane closure shall be placed off of and adjacent to the edge of the traveled way. The spacing of the cones or delineators shall be not more than the spacing used for the lane closure.

Suspended loads or equipment shall not be moved nor positioned over public traffic or pedestrians.

When entering or leaving roadways carrying public traffic, Contractor's equipment, whether empty or loaded, shall in all cases yield to public traffic.

Maintaining traffic shall conform to the provisions in 7-1.02, "Load Limitations"; 7-1.06, "Safety and Health Provisions"; 7-1.08, "Public Convenience"; 7-1.09, "Public Safety"; and Section 12-3.04, "Portable Delineators," of the State Standard Specifications, and these Special Provisions.

All existing traffic control signs and street name signs shall be maintained in visible locations as directed by City Engineer.

The contractor shall conduct his operation in such a manner that traffic will be able to pass through the work and access existing businesses with as little delay as possible.

All warning lights, signs, flares, barricades, and other facilities for the sole convenience and direction of public traffic shall be furnished and maintained by Contractor.

All signs shall conform to and be placed in accordance with the current Manual on Uniform Traffic Control Devices (MUTCD) and associated California Supplements as issued by Caltrans. Traffic control devices shall be new or like-new condition. Traffic control devices that are bent, faded, illegible or otherwise damaged as determined by the City Engineer shall be promptly replaced. All construction signs shall be either covered or removed when not required by the nature of the work, or if no present hazard to the motorists exists.

No payment for extra work will be allowed for work performed as specified in Section 12-2.02, "Flagging Costs," of the State Standard Specifications.

The Contractor shall provide and maintain a minimum of one 11-foot wide paved traffic lane for use by public traffic in each direction of travel at all times throughout the project. The full width of the traveled way shall be open for use by public traffic on Saturdays, Sundays, and City designated legal holidays, and Monday through Friday when construction operations are not in progress.

Personal vehicles of Contractor's employees may not be parked on the shoulders of any section closed to public traffic. Whenever vehicles or equipment are parked on the shoulder within six (6) feet of a traffic lane, the shoulder area shall be closed. Contractor shall cooperate with local authorities relative to handling traffic through the area and shall make his own arrangements relative to keeping the working area clear of parked vehicles.

The Contractor shall notify local authorities of the Contractor's intent to begin work or rerouting of traffic at least ten (10) days before work is begun.

The Contractor shall provide a Traffic Control Plan prepared, signed, and stamped by a Civil Engineer to accommodate each phase of traffic control. The Civil Engineer preparing the Traffic Control Plans shall be a Professional Engineer registered with the State of California. The Contractor shall submit Traffic Control Plans for review and approval by City Engineer within

ten (10) working days of the Contract award by City and allow five (5) working days for City review.

Contractor shall adhere to the requirements set forth in the Work Area Traffic Control Handbook (WATCH), latest edition except as otherwise provided for in these specifications.

If any component in the traffic control system is displaced, or ceases to operate or function as specified, from any cause, during the progress of the work, Contractor shall immediately repair said component to its original condition or replace said component and shall restore the component to its original location.

Minor deviations from the requirements of this section which do not significantly change the cost of the work may be permitted upon the written request of the Contractor if in the opinion of the Engineer, public traffic will be better served and the work expedited. These deviations shall not be adopted by the Contractor until the Engineer has approved them in writing. All other modifications will be made by contract change order.

PAYMENT:

Payment for all work shall be per the agreed upon proposal and price included as an attachment to the Contract.

600-3 PEDESTRIAN ACCESS

[Add the following]:

Contractor shall maintain safe access **at all times** through and/or around the work area for all bicyclists and pedestrians, especially school children.

Bicyclist and pedestrian access shall be in accordance with the Manual on Uniform Traffic Control (MUTCD), 2014 edition (latest revision) and Work Area Traffic Control Handbook (WATCH), 2016 edition.

Attention is directed to Section 6G.05, "Work Affecting Pedestrian and Bicycle Facilities," Section 6D.01, "Pedestrian Considerations," and Section 6D.101(CA), "Bicycle Considerations" of the MUTCD.

Access to the work space by workers and equipment across pedestrian walkways should be minimized because the access often creates unacceptable changes in grade, and rough or muddy terrain, and pedestrians will tend to avoid these areas by attempting non-intersection crossing where no curb ramps are available.

A pedestrian route should not be severed and/or moved for non-construction activities such as parking for vehicles and equipment.

Bicyclists and pedestrians should not be exposed to unprotected excavations, open utility access, overhanging equipment, or other such conditions.

Pedestrian detours should be avoided since pedestrians rarely observe them. Whenever possible, work should be done in a manner that does not create a need to detour pedestrians from existing routes and crossings.

When existing pedestrian facilities are disrupted, closed, or relocated in a Temporary Traffic Control Zone (TTC), a section of roadway between the first advance warning sign through the last traffic control device, the temporary facilities shall be detectable and shall include accessibility features consistent with the features present in the existing pedestrian facility.

The following three items should be considered when planning for pedestrians in TTC zones:

a) Pedestrians should not be led into conflicts with vehicles, equipment, and operations.
b) Pedestrians should not be led into conflicts with vehicles moving through or around the worksite.
c) Pedestrians should be provided with a convenient and accessible path that replicates as nearly as practical the most desirable characteristics of the existing sidewalk(s) or footpath(s).

Figures 6H-28 and 6H-29 show typical TTC device usage and techniques for pedestrian movement through work zones.

To accommodate the needs of pedestrians, including those with disabilities, the following considerations should be addressed when temporary pedestrian pathways in TTC zones are designed or modified:

a) Provisions for continuity of accessible paths for pedestrians should be incorporated into the TTC plan.
b) Access to transit stops should be maintained.
c) A smooth, continuous hard surface should be provided throughout the entire length of the temporary pedestrian facility. There should be no curbs or abrupt changes in grade or terrain that could cause tripping or be a barrier to wheelchair use. Any vertical displacements greater than ½ inch shall be ramped at a 12:1 slope.
d) The width of the existing pedestrian facility should be provided for the temporary facility if practical.
e) When channelization devices are used to delineate a pedestrian pathway, a continuous detectable edging should be provided throughout the length of the facility such that pedestrians with a visual disability using a long cane can follow it. Tape, rope, or plastic chain strung between devices are not detectable and should not be used as a control for pedestrian movements.

For bicyclists in TTC zones on highways and streets:

A. A travel route that replicated the most desirable characteristics of a wide paved shoulder or bikeway through or around the TTC zone is desirable for bicyclists.
B. If the TTC zone interrupts the continuity of an existing bikeway system, signs directing bicyclists through or around the zone and back to the bikeway is desirable. If bicyclists are directed into vehicular traveled way, signs indicating that the road will be shared shall be installed.

C. Unless a separate bike path through or around the TTC zone is provided, adequate roadway lane width to allow bicyclists and motor vehicles to travel side by side through the TTC is desirable. When roadway width is inadequate for allowing bicyclists and motor vehicles to travel side by side, warning signed should be used to advise motorists of the presence of bicyclists in the travel way lanes.

Bicyclists shall not be lead into direct conflicts with mainline traffic, work site vehicles, or equipment moving through or around the TTC zone.

The Contractor shall submit Pedestrian and Bicyclist Safety Plans for review and approval by City Engineer within ten (10) working days of the Contract award by City and allow five (5) working days for City review.

PAYMENT:

Payment for all work shall be per the agreed upon proposal and price included as an attachment to the Contract.

SECTION 601 - WORK AREA TRAFFIC CONTROL

601-1.1 TRAFFIC CONTROL SYSTEM FOR LANE CLOSURE
[add Section]

A traffic control system for lane closure shall consist of closing traffic lanes in accordance with the provisions of Section 12, "Construction Area Traffic Control Devices," of the State Standard Specifications, the provisions under "Maintaining Traffic" elsewhere in these Special Provisions, and these Special Provisions.

The provisions in this section will not relieve Contractor from his responsibility to provide such additional devices or take such measures as may be necessary to comply with the provisions in Section 7-1.09, "Public Safety," of the State Standard Specifications.

If any component in the traffic control system is displaced, or ceases to operate or function as specified, from any cause, during the progress of the work, Contractor shall immediately repair said component to its original condition or replace said component and shall restore the component to its original location.

When lane closures are made for work periods only, at the end of each work period, all components of the traffic control system, except portable delineators placed along open trenches or excavation adjacent to the traveled way, shall be removed from the traveled way and shoulder. If Contractor so elects, said components may be stored at selected central locations, approved by Engineer, within the limits of the right of way.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 13.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Matt Henry, Chief of Police

PREPARED BY: Dawnn Jackson, Management Analyst - Administration

SUBJECT:
Approve an Agreement with American Forensic Nurses, Inc.

ABSTRACT

The City of Murrieta Police Department utilizes on-call specimen collection services to support investigations involving suspected driving under the influence and other criminal offenses requiring evidentiary blood and/or urine samples. American Forensic Nurses, Inc. provides qualified personnel to respond to the Police Station, hospitals, or other designated locations to conduct specimen collections in accordance with applicable legal and evidentiary standards. Approval of the agreement will ensure the continued availability of timely and professional specimen collection services in support of the Department's enforcement and investigative operations. The proposed agreement is for the period of July 1, 2026, through June 30, 2029, with up to two (2) additional one-year renewal options, in an amount not to exceed $175,000.

RECOMMENDATION

Approve a three-year agreement with American Forensic Nurses, Inc. for on-call specimen collection services in an amount not-to-exceed $175,000; and

Authorize the Mayor to execute the agreement.

PRIOR ACTION/VOTE

None.

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of: providing a high level of innovative public safety relating to an administrative priority.

DISCUSSION

History

American Forensic Nurses, Inc. (AFN) has provided mobile medical forensic and phlebotomy services to federal, state, and local law enforcement agencies throughout California since 1983. AFN employs licensed

medical professionals who are locally based and available on an on-call basis 24 hours a day, seven days a week to provide evidentiary specimen collection services.

The City of Murrieta (City) Police Department (Department) has utilized AFN for on-call specimen collection services since at least 2012. These services support investigations involving suspected driving under the influence and other criminal offenses requiring evidentiary blood and/or urine samples. The Department receives partial reimbursement for these services through the District Attorney's Office based on the City's proportionate share of total reimbursement requests submitted.

Procurement and Determination

On April 9, 2026, the City issued a request for proposals (RFP) to solicit qualified firms to provide on-call specimen collection services for MPD. In response to the RFP, the City received one (1) proposal submitted by AFN. Following review of the proposal, AFN was determined to be responsive and qualified to provide the required services.

Staff recommends awarding a three-year on-call professional services agreement to AFN, with up to two (2) one-year extensions, for a possible total of five (5) years.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item).

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

Funding for this agreement is included in the Department's Fiscal Year 2026/27 Operating Budget in the GL account 1103120-60480.

The total fiscal impact associated with approval of this five-year contract is $175,000. The budget for this agreement is available in the Fiscal Year 2026/27 Operating Budget General Ledger account 1103120-60480. The proposed five-year agreement has a not-to-exceed amount of $175,000. Budget for succeeding fiscal years will be included in a future biennial budget process.

RECITALS

The City desires to contract with a Consultant to provide professional services on an on-call basis as more further set forth herein.

The City circulated a Request for Quotes or Proposals for the above-described professional services.

Consultant submitted a proposal to City to provide the above-described professional services.

City Staff has reviewed all the proposals and after considering the demonstrated competence of Consultant, the professional qualifications of Consultant, and the fairness and reasonableness of Consultant's proposed cost, staff has determined that an agreement to provide the required services should be awarded to Consultant.

AGREEMENT FOR PROFESSIONAL SERVICES
WITH THE CITY OF MURRIETA ("CITY")

THIS AGREEMENT FOR SERVICES ("**Agreement**") is made and entered into as of the effective on the date executed by the City by and between CITY OF MURRIETA, a California municipal corporation ("**City**") and ("**Consultant**"). City and Consultant may be referred to individually as "**Party**" or collectively as "**Parties**." In consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. SERVICES OF CONSULTANT

1.1 Scope of Services. In compliance with all terms and conditions of this Agreement, Consultant shall provide those services specified in the "**Scope of Services**" attached hereto as **Exhibit "A"** and incorporated herein by this reference, which may be referred to herein as the "**services**" or "**work**" hereunder. As a material inducement to City entering into this Agreement, Consultant represents and warrants: a) it has the qualifications, experience, and facilities necessary to properly perform the Services required under this Agreement b) all services set forth in the Scope of Services will be performed in a competent and satisfactory manner; c) all materials used for services will be both of good quality as well as fit for the purpose intended; and, d) Consultant shall follow the highest professional standards and practices in performing the services required hereunder. Individual tasks under the Scope of Services shall be established on a per project basis. Upon request by City, the Consultant shall provide a detailed task proposal including pricing consistent with those hourly rates as provided in Article II, below. Consultant shall not commence work until an Task Order is issued by the City authorizing the Consultant to perform such work.

1.2 Consultant's Proposal. The Scope of Services shall include the scope of services or work included in Consultant's proposal or bid, which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal or bid, and this Agreement, the terms of this Agreement shall govern. No other terms and conditions from Consultant's proposal or bid, other than description of scope of services or work, shall apply to this Agreement, unless specifically agreed to by City in writing.

1.3 Compliance with Law. All services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules and regulations of City and any federal, State or local governmental agency having jurisdiction in effect at the time services are rendered. City, and its officers, employees and agents, shall not be liable at law or in equity for failure of Consultant to comply with this Section.

1.4 Licenses, Permits, Fees and Assessments. Consultant shall obtain at its sole cost and expense such licenses, permits and approvals as may be required by law for the performance of the services required by this Agreement. Consultant shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for

Consultant's performance of the services required by this Agreement, and shall indemnify, defend and hold harmless City against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

1.5 Familiarity with Work. By executing this Agreement, Consultant represents and warrants Consultant: a) has thoroughly investigated and considered services to be performed, b) has carefully considered how services should be performed, and c) fully understands the facilities, difficulties and restrictions attending performance of services under this Agreement.

1.6 Software and Computer Services. If the Scope of Services includes the provision and/or installation of any software, computer system, or other computer technology, Consultant represents and warrants that it is familiar with and/or has inspected City's current infrastructure, equipment, computer system and software and that the software, computer system, or other computer technology provided and/or installed by Consultant under this Agreement is compatible, and shall be fully functional, with such infrastructure, equipment, computer system and software of City. Consultant acknowledges that City is relying on this representation by Consultant as a material consideration in entering into this Agreement.

1.7 Prevailing Wages. If services include any "public work" or "maintenance work," as those terms are defined in California Labor Code section 1720 *et seq.* and California Code of Regulations, Title 8, section 16000 *et seq.*, and if the total compensation is $1,000 or more, Consultant shall pay prevailing wages for such work and comply with the requirements in California Labor Code section 1770 *et seq.* and 1810 *et seq.*, and all other applicable laws.

1.8 Contract Modifications. Additional terms and conditions of this Agreement, if any, or any modifications or revisions to the standard terms and conditions herein are made a part hereof as set forth in the "Contract Modifications" attached hereto as **Exhibit "B"** and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit B and any other provisions of this Agreement, the provisions of Exhibit B shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT

2.1 Contract Sum. Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the fixed prices and/or hourly rates specified in the "Schedule of Compensation" attached hereto as **Exhibit "C"** and incorporated herein by this reference. The total compensation for all work, including reimbursement for actual expenses, shall not exceed the Contract Sum set forth above. Compensation may include reimbursement, for actual and necessary expenditures, if both are specified in the Schedule of Compensation or upon a Task Order, and approved by City in advance.

2.2 Invoices. Unless some other method of payment is specified in Exhibit C, Schedule of Compensation, in any month in which Consultant wishes to receive payment, no

later than the first business day of such month, Consultant shall submit to City, in a form approved by City's Finance Director, an invoice for services rendered prior to the date of the invoice. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of this Agreement. Except as provided in Sections 7.3, 7.4 and 7.5, City shall pay Consultant for all expenses stated thereon which are approved by City pursuant to this Agreement generally within thirty (30) days, and City will use its best efforts to make payment no later than forty-five (45) days, from the submission of an invoice in an approved form. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by City for any invoice provided by Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law. Each invoice is to include (unless otherwise specified by City): 1) line items for all personnel describing the work performed, the number of hours worked, and the hourly rate; 2) line items for all materials and equipment properly charged to the Services; 3) line items for all other approved reimbursable expenses claimed, with supporting documentation; and 4) line items for all approved subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

ARTICLE 3. PERFORMANCE SCHEDULE

3.0 Time of Essence. Time is of the essence in the performance of this Agreement.

3.1 Term. The Agreement shall commence and become effective on the date executed by the City and will continue until the Termination Date. This Agreement may be extended for up to two, additional one-year periods upon the mutual agreement in writing of both parties.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of any ongoing services, which shall be no later than the Termination Date set forth above. Notwithstanding the foregoing, the Indemnification and Insurance provisions set forth in Article 5 shall survive the termination of this Agreement.

3.2 Schedule of Performance. Consultant shall commence the services pursuant to this Agreement upon receipt of a written Task Order and shall perform all services within the time period(s) established in the Task Order or generally within the time periods established in the Exhibit A.

3.3 Force Majeure. The time period(s) specified in Exhibit A for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including City, if Consultant shall within ten (10) days of the commencement of such delay notify City in writing of the causes of the delay.

City shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of City such delay is justified. City's determination shall be final and conclusive upon the Parties to this Agreement. In no event shall Consultant be entitled to recover damages against City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of this Agreement pursuant to this Section.

ARTICLE 4. COORDINATION OF WORK

4.1 Representative of Consultant. The Consultant Representative is authorized to act on Consultant's behalf with respect to the work or services specified herein and to make all decisions in connection therewith. It is expressly understood that the experience, knowledge, capability and reputation of the representative was a substantial inducement for City to enter into this Agreement. Therefore, the representative shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the services hereunder. For purposes of this Agreement, the representative may not be replaced nor may their responsibilities be substantially reduced by Consultant without the express written approval of City.

4.2 Department Contact for City. The Department Contact (or other person designated by the City Manager) shall be the primary person on behalf of City responsible for the administration of the Agreement. It shall be Consultant's responsibility to assure that the Department Contact is kept informed of both the progress of the performance of the services as well as any decisions which must be made by City.

4.3 Approvals from City. City approvals or actions, pursuant to the authority of this Agreement, are to be made (unless otherwise specified) either by the Department Contact, City Manager or by their delegate as provided for in writing.

4.4 Independent Contractor. Neither City, nor any of its officers, employees or agents, shall have any control over the manner or means by which Consultant, or its officers, employees, agents or subcontractors, perform the services required herein, except as otherwise set forth herein. Consultant shall perform all services required herein as an independent contractor of City and shall remain under only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it, or any of its officers, employees, agents or subcontractors, are officers, employees or agents of City. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturer or a member of any joint enterprise with Consultant. Consultant shall not incur or have the power to incur any debt, obligation or liability whatever against City, or bind City in any manner. Consultant represents and warrants that the personnel used to provide services to City pursuant to this Agreement shall at all times be under Consultant's exclusive control and direction. No City employee benefits shall be available to Consultant, its officers, employees, agents or subcontractors, in connection with the performance of this Agreement.

City shall not be liable for compensation or indemnification to Consultant, its officers, employees, agents or subcontractors, for injury or sickness arising out of performing services hereunder. In the event that Consultant or any officer, employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a federal or state agency, a court of competent jurisdiction, or the California Public Employees' Retirement System, to be classified as other than an independent contractor for City, then Consultant shall indemnify, defend, and hold harmless City for the payment of any and all assessed fines, penalties, judgments, employee and/or employer contributions, and any other damages and costs assessed to City as a consequence of, or in any way attributable to, the assertion that Consultant, or any officer, employee, agent, or subcontractor Consultant used to provide services under this Agreement, is/are employees of City.

4.5 Subcontracting or Assignment. The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for City to enter into this Agreement. Therefore, without express written approval of City, Consultant shall not contract with any other City to perform in whole or in part services required hereunder without express written approval of City, and neither this Agreement nor any interest herein may be transferred or assigned. No approved transfer shall release Consultant, or any surety or insured of Consultant, of any liability hereunder without express written consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages. Prior to commencement of any services under this Agreement, and without limiting Consultant's indemnification obligation to City, Consultant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, for the duration of the Agreement, primary policies of insurance of the type and amounts set forth in the "Insurance Requirements" attached hereto as **Exhibit "D"** and incorporated herein by this reference.

5.2 <u>Indemnification.</u>

(a) General Obligations. Except as set forth for Design Professionals below, Consultant agrees, to the full extent permitted by law, to indemnify, defend and hold harmless City and its elected and appointed officers, employees and agents (each an "**Indemnitee**" and collectively, "**Indemnitees**") against, and will hold and save them and each of them harmless from, whether actual or threatened, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities (herein "**Claims or Liabilities**") that may be asserted or claimed by any person, firm or City arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or City for which Consultant is legally liable (each an "**Indemnitor**" and collectively, "**Indemnitors**"), or arising from Indemnitors' reckless or willful misconduct, or arising from Indemnitors' negligent performance of or failure to perform any term,

provision, covenant or condition of this Agreement, and in connection therewith: 1) Consultant will defend any action or actions filed or threatened in connection with any such Claims or Liabilities, or at option of Indemnitee(s) will reimburse and pay for all costs and expenses, including legal costs and attorneys' fees, incurred by Indemnitee(s) in connection therewith; and, 2) Consultant will promptly pay any judgment rendered against Indemnitee(s) for any such Claims or Liabilities, and will save and hold Indemnitee(s) harmless therefrom.

(b) Further Provisions. The indemnity obligation herein shall be binding on successors, assigns and heirs of Consultant and shall survive termination of this Agreement. Consultant shall incorporate similar indemnity agreements as provided herein with its subcontractors, and if Consultant fails to do so Consultant shall be fully responsible to indemnify City hereunder therefor. Failure of City and/or City Parties (collectively "City" for solely this Section 5.2(b)) to monitor compliance with any of the indemnification provisions herein shall not be a waiver hereof. The indemnification provisions herein do not apply to claims or liabilities occurring as a result of City's sole negligence or willful misconduct, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnification provided herein includes Claims or Liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Indemnitors in the performance of professional services hereunder. Payment of invoices by City is not a condition precedent to enforcement of the indemnity obligation herein. In the event of any dispute between Consultant and City, as to whether liability arises from the sole negligence or willful misconduct of City, Consultant will be obligated to pay for City's defense until such time as a final judgment has been entered adjudicating City as solely negligent or responsible for willful misconduct. Consultant will not be entitled in the absence of such a determination to any reimbursement of defense costs including but not limited to attorney's fees, expert fees and costs of litigation.

(c) Pursuant to the full language of California Civil Code §2782, and only if Consultant qualifies as a Design Professional, Consultant agrees to indemnify, including the cost to defend, City and its officers, officials, employees, and volunteers from and against any and all claims, demands, costs, or liability that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant and its employees or agents in the performance of services under this contract, but this indemnity does not apply to liability for damages arising from the sole negligence, active negligence, or willful acts of the City; and does not apply to any passive negligence of the City unless caused at least in part by the Consultant. The City agrees that in no event shall the cost to defend charged to the Consultant exceed Consultant's proportionate percentage of fault. This duty to indemnify shall not be waived or modified by contractual agreement or acts of the parties.

5.3 **Professional Liability**. When the law establishes a professional standard of care for Consultant's services, to the fullest extent permitted by law, Consultant shall

indemnify, defend and hold harmless Indemnitees against, and will hold and save them and each of them harmless from, whether actual or threatened, any and all Claims and Liabilities, consistent with all obligations provided for in this Section 5.3, to the extent same are caused in whole or in part by any negligent or wrongful act, error or omission, or reckless or willful misconduct of Indemnitors in the performance of professional services under this Agreement.

ARTICLE 6. RECORDS, REPORTS AND RELEASE OF INFORMATION

6.1 **Records.** Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder ("**books and records**") as shall be necessary to perform the services required by this Agreement and enable City to evaluate the performance of such services. Any and all such books and records shall be maintained in accordance with generally accepted accounting principles, shall be complete and detailed, and shall be readily accessible. City shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts. Such books and records shall be maintained for a period of three (3) years following completion of the services hereunder. City shall have access to such books and records in the event any audit is required. Consultant shall fully cooperate with City in providing access to any and all Consultant records and documents if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 **Ownership of Documents.** All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials ("**documents and materials**") prepared by Consultant, its officers, employees, agents and subcontractors in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of City and/or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership, use, reuse, or assignment of the documents and materials hereunder. Consultant may retain copies of such documents and materials for its own use. Consultant shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents and materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom. Moreover, with respect to any Consultant documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for City.

6.3 **Confidentiality and Release of Information.** All information gained or work product produced by Consultant in its performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written

authorization from City. Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from City or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant immediately gives City notice of such court order or subpoena. If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorney's fees, caused by or incurred as a result of Consultant's conduct. As concerning, regarding or related to, in any way, this Agreement and the work performed thereunder: a) Consultant shall immediately notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party; b) City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding; and, c) Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant, however, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Riverside, State of California, or any other appropriate court in such county, and Consultant agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Riverside, State of California.

7.2 Suspension, or Termination, Prior to Expiration of Term. This Section shall govern any termination of this Agreement except as specifically provided in Section 7.4 for termination for cause. City reserves the right to terminate or suspend this Agreement, or any portion hereof, at any time, for any reason, with or without cause, upon ten (10) days' notice to Consultant, except that where termination or suspension is due to the fault of Consultant, the period of notice may be such shorter time as determined by City. Upon receipt of any notice of termination or suspension, Consultant shall immediately cease all services hereunder, unless the notice provides otherwise, or except such as specifically approved by City. Upon submittal of an invoice consistent with Section 2.2, Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination or suspension and for any services authorized by City thereafter in accordance with the Schedule of Compensation, or such as may be approved by

City, except as provided in Section 7.5. In event of termination, or suspension, without cause pursuant to this Section, there is no need to provide opportunity to cure pursuant to Section 7.3.

7.3 Default of Consultant and Opportunity to Cure. In the event that Consultant is in default under the terms of this Agreement, City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively ten (10) days, but may be extended, or reduced, if circumstances warrant, as determined by City. During the period of time that Consultant is in default, City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices, without liability for interest. In the alternative, City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default by conclusion of noticed timeframe, City may immediately both terminate this Agreement with notice to Consultant as well as pursue the remedy in Section 7.4, without prejudice to any other remedy to which City may be entitled at law, in equity or under this Agreement. Any failure on the part of City to give notice of Consultant's default shall not be deemed to result in a waiver of City's legal rights or any rights arising out of any provision of this Agreement.

7.4 Termination for Default of Consultant. If termination is due to the failure of Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.3, take over the work and prosecute the same to completion by contract or otherwise, and Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to Consultant for the purpose of set-off or partial payment of the amounts owed City therefor.

7.5 Retention of Funds. Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, or any indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.6 Waiver. Waiver by any Party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting Party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either Party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement. Consultant acknowledges and agrees that any actual or alleged failure on the part of City to inform Consultant of non-compliance with any requirement of this Agreement imposes no additional obligations on City nor does it waive any rights hereunder. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

7.7 Rights and Remedies are Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the Parties are cumulative and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

7.8 Legal Action. In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code sections 905 *et seq*. and 910 *et seq*., in order to pursue a legal action under this Agreement.

7.9 Attorneys' Fees. If either Party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorneys' fees. Attorneys' fees shall include attorneys' fees on any appeal, and a Party entitled to attorneys' fees shall be entitled to all other reasonable costs for investigating such action, consultants' fees, taking depositions and discovery and all other necessary costs the court allows which are incurred in such

litigation. Such fees and costs shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. INDIVIDUAL LIABILITY, CONFLICTS AND NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees. No officer or employee of City shall be personally liable to Consultant, or any successor in interest, in the event of any default or breach by City or for any amount which may become due to Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest. Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of City. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement. City, in its sole discretion, shall determine the existence of a conflict of interest and may terminate this Agreement in the event such a conflict of interest exists upon sending Consultant written notice describing the conflict. No officer or employee of City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to this Agreement which affects their financial interest or the financial interest of any corporation, partnership or association in which they are, directly or indirectly, interested, in violation of any State statute or regulation. Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination. Consultant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices. Any notice or other communication either Party desires or is required to give to the other Party or any other person in regards to this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by a reputable document delivery service, such as but not limited to, Federal Express, which provides a receipt showing date and time of delivery, or (iii) mailing in the United States Mail, certified mail, postage prepaid, return receipt requested, in the case of

City addressed to City Clerk at City of Murrieta, 1 Town Square, Murrieta California 92562, and in the case of Consultant, to the person(s) at the address designated on the cover page of this Agreement. Either Party may change its address by notifying the other Party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either Party by reason of the authorship of this Agreement, headings used, or any other rule of construction which might otherwise apply.

9.3 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, and such counterparts shall constitute one and the same instrument.

9.4 Integration; Amendment. This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the Parties as to the Agreement. It is understood that there are no oral agreements between the Parties hereto affecting this Agreement, and this Agreement supersedes and cancels any and all prior and contemporaneous negotiations, arrangements, agreements and understandings, if any, between the Parties, concerning this Agreement, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by Consultant and by City.

9.5 Severability. Should a portion of this Agreement be declared invalid or unenforceable by a judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the Parties unless the invalid provision is so material that its invalidity deprives either Party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 No Undue Influence. Consultant declares and warrants that no undue influence or pressure was used against or in concert with any officer or employee of City in connection with the award, terms or implementation of this Agreement, including any method of coercion, confidential financial arrangement, or financial inducement. No officer or employee of City has or will receive compensation, directly or indirectly, from Consultant, or from any officer, employee or agent of Consultant, in connection with the award of this Agreement or any work to be conducted as a result of this Agreement. Violation of this Section shall be a material breach of this Agreement entitling City to remedies in Section 7.4 and any and all remedies at law or equity.

9.7 Corporate Authority. The persons executing this Agreement on behalf of the Parties hereto warrant that (i) such Party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said Party,

(iii) by so executing this Agreement, such Party is formally bound to the provisions of this Agreement, and (iv) entering into this Agreement does not violate any provision of any other agreement to which said Party is bound. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the Parties.

9.8 **Federal Funding**. If federal funding is being utilized to fund any part of the Project, as indicated on the Cover Page of this Agreement, the terms of **Exhibit "E"** are hereby incorporated herein by this reference. If no federal funding is being utilized, Exhibit F may be omitted.

SCOPE OF SERVICES (CONTINUED)

AMERICAN FORENSIC NURSES, INC. (AFN)

METHODOLOGY / WORK PLAN

AMERICAN FORENSIC NURSES provides mobile forensic services, such as phlebotomy and other requested evidentiary collection services, i.e., blood withdrawal, dry runs, and court time, at all requested locations designated by the contracted law enforcement agency, 24-hours a day, 7-days per week.

We only hire employees who live locally. We make every reasonable effort to provide our services with a response time of 30 minutes to all locations *including* area hospitals and other requested locations within county/city limits of the contracted agency. All blood samples are collected in a medically approved manner and witnessed by law enforcement personnel. Without exception, chain of custody documentation is included on all evidence collected. We will have on hand the necessary materials for blood withdrawal at all times in addition to the supplies that are provided by the contracted law enforcement agency. All blood specimens and other forensic evidence will be collected in a medically approved manner and in accordance with jurisdictional policies.

SERVICE DESCRIPTION: Requested on-site forensic specimen evidence collection services are available on a continuous 24-hours a day/7-days a week basis. We have the capacity to provide services at multiple locations at the same time and make every reasonable effort to respond within a 30-minute time frame, to jail facilities, hospitals, DUI checkpoints, traffic accidents and other arrest locations.

Services provided by our staff of forensically trained mobile medical professionals include blood specimens for DUI alcohol and drug arrests, DUI check points, *traffic accidents, gang sweeps, officer involved incidents, (such as shootings), urine samples, inmate collections, DNA, saliva buccal swabs.* Additionally, our CPT-1 field technicians are trained in chain of custody, managing recalcitrant subjects, courtroom appearance and testimony.

HANDLING OF EVIDENCE: In accordance with Uniform Standards for Withdrawal, Handling, and Preservation of Blood Samples for Forensic Alcohol Analysis Title 17 of the California Code of Regulations and the Vehicle Code Section 23158 guidelines and in accordance with jurisdictional policies, all evidentiary forensic specimens are collected in a medically approved manner and witnessed by law enforcement personnel. AFN staff will observe the contracted law enforcement agency's "Crime Laboratory Operating Procedures related to the collection and handling of blood samples." The correct chain of evidence is followed in accordance with the Department of Justice protocol, and without exception, chain of custody documentation is included with all collected evidence.

RESPONSE TIME AND LOCATIONS: By calling one of our 1-800 numbers, Dispatch Communication Center, staffed by "live" dispatchers, 24-hours a day, 7-days a week, provides an immediate response to all service requests.

AFN's mobile forensic medical professionals will be in place and available to respond to all requested locations throughout the agreed county/city limits, including jail facilities, hospitals, DUI checkpoints, traffic accidents and other arrest locations. The AFN Dispatch telephone line is a recorded line.

The following procedures are currently in place to meet the needs of law enforcement agencies.

- *Law enforcement agency contacts AFN Communications Center*
- *AFN Dispatch Center contacts the on-call field technician*
- *AFN technician responds to the designated location to perform forensic service*
- *AFN Technician completes service, always in the presence of an officer*
- *Technician completes all relevant paperwork, an AFN Request for Service invoice*
- *Arresting officer signs all applicable paperwork/invoice and takes possession of collected evidence along with a copy of the Request for Service form*
- *Technician informs AFN Dispatch of completion of service*
- *Technician submits Request for Service invoice to the AFN corporate office for billing purposes*
- *Law enforcement agency is invoiced for services rendered based on the Request for Service form.*

CONTRACT MODIFICATIONS
(Superseding Contract Boilerplate)

I. Section 1.1 (Scope of Services) of this Agreement is hereby amended in its entirety as follows:

"1.1 Scope of Services. In compliance with all terms and conditions of this Agreement, Consultant shall provide those services specified in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by this reference, which may be referred to herein as the "services" or "work" hereunder. As a material inducement to City entering into this Agreement, Consultant represents and warrants: a) it has the qualifications and experience necessary to properly perform the Services required under this Agreement b) all services set forth in the Scope of Services will be performed in a competent and satisfactory manner; c) all materials used for services will be both of good quality as well as fit for the purpose intended; and, d) Consultant shall follow the highest professional standards and practices in performing the services required hereunder. Individual tasks under the Scope of Services shall be established on a per project basis. Upon request by City, the Consultant shall provide a detailed task proposal including pricing consistent with those hourly rates as provided in Article II, below. Consultant shall not commence work until an Task Order is issued by the City authorizing the Consultant to perform such work."

II. Section 4.5 (Subcontracting or Assignment) of this Agreement is hereby amended in its entirety as follows:

"4.5 Subcontracting or Assignment. The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for City to enter into this Agreement. Therefore, without express written approval of City, Consultant shall not contract with any other entity to perform in whole or in part services required hereunder without express written approval of City, and neither this Agreement nor any interest herein may be transferred or assigned. No approved transfer shall release Consultant, or any surety or insured of Consultant, of any liability hereunder without express written consent of City."

III. Section 7.2 (Suspension, or Termination, Prior to Expiration of Term) of this Agreement is hereby amended in its entirety as follows:

"7.2 Suspension, or Termination, Prior to Expiration of Term. This Section shall govern any termination of this Agreement except as specifically provided in Section 7.4 for termination for cause. City reserves the right to terminate or suspend this Agreement, or any portion hereof, at any time, for any reason, with or without cause, upon ten (10) days' notice to Consultant, except that where termination or suspension is due to the fault of Consultant, the period of notice may be such shorter time as determined by City. Upon receipt of any notice of termination or suspension, Consultant shall immediately cease all services hereunder, unless the notice provides otherwise, or except such as specifically approved by City. Upon submittal of an invoice consistent with Section 2.2, Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination or suspension and for any services authorized by City

thereafter in accordance with the Schedule of Compensation, or such as may be approved by City, except as provided in Section 7.5. In event of termination, or suspension, without cause pursuant to this Section, there is no need to provide opportunity to cure pursuant to Section 7.3. Consultant may terminate or suspend this Agreement, or any portion hereof, at any time, for any reason, with or without cause, upon at least thirty (30) days' notice to City. "

IV. Section 7.4 (Termination for Default of Consultant) of this Agreement is hereby amended in its entirety as follows:

"7.4 Termination for Default of Consultant. If termination is due to the failure of Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.3, take over the work and prosecute the same to completion by contract or otherwise, and Consultant shall be liable to the extent of the compensation herein stipulated, and City may withhold any payments to Consultant for the purpose of set-off or partial payment of the amounts owed City therefor."

V. Section 1 (Commercial General Liability) of Exhibit "D" of this Agreement is hereby amended in its entirety as follows:

"1. Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than $1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be $3,000,000."

VI. Section 4 (Professional Liability) of Exhibit "D" of this Agreement is hereby amended in its entirety as follows:

"4. Professional Liability (Errors and Omissions) Insurance appropriates to the Consultant's profession, with limit no less than $1,000,000 per occurrence or claim, $3,000,000 aggregate."

VII. Section 5 (Cyber) of Exhibit "D" of this Agreement is hereby removed.

VIII. Section 6 (Technology Professional Liability Errors & Omissions) of Exhibit "D" of this Agreement is hereby removed.

EXHIBIT "C"

Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by the Vendor in this agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.

a. The Policy shall include, or be endorsed to include, ***property damage liability coverage*** for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the Agency in the care, custody, or control of the Vendor.

If the Consultant maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Other Insurance Provisions
The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status
The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Consultant including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Consultant's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage
For any claims related to this contract, the Consultant**'s insurance coverage shall be primary and non-contributory** and at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Consultant's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Umbrella or Excess Policy
The Consultant may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Consultant's primary and excess liability policies are exhausted.

Notice of Cancellation
Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City.

Waiver of Subrogation
Consultant hereby grants to City a waiver of any right to subrogation which any insurer of said Consultant may acquire against the City by virtue of the payment of any loss under such insurance. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions
Self-insured retentions must be declared to and approved by the City. The City may require the Consultant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds $25,000 unless approved in writing by City. Any and all deductibles and SIRs shall be the sole responsibility of Consultant or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. City may deduct from any amounts otherwise due Consultant to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. City reserves the right to obtain a copy of any policies and endorsements for verification.

Acceptability of Insurers
Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

Claims Made Policies (note – should be applicable only to professional liability, see below)
If any of the required policies provide claims-made coverage:

1. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.

2. Insurance must be maintained and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

3. If coverage is canceled or non-renewed, and not replaced **with another claims-made policy form with a Retroactive Date prior** to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of **five (5) years after completion of work.**

Verification of Coverage

Consultant shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause **and a copy of the Declarations and Endorsements Pages of the CGL and any Excess policies listing all policy endorsements.** All certificates and endorsements and copies of the Declarations & Endorsements pages are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time. City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Subcontractors

Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors.

Duration of Coverage

CGL & Excess liability policies **for any construction related work, including, but not limited to, maintenance, service, or repair work,** shall continue coverage for a minimum of 5 years for Completed Operations liability coverage. Such Insurance must be maintained, and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

Special Risks or Circumstances

City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 14.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Bernard Molloy, Fire Chief

PREPARED BY: Sue Ann Herring, Senior Management Analyst

SUBJECT: Fiscal Year 2026/27 Fire Suppression Assessment

ABSTRACT

The Murrieta Fire District collects an annual Fire Suppression Assessment Fee and Standby or Availability Charge to help pay for fire protection services. The proposed Fiscal Year 2026/27 Resolution continues the existing assessment previously approved by the Murrieta voters and adopted annually by the Board of Directors. Approval of the Resolution and Proposition 218 Compliance Letter will allow the assessment to be placed on the Fiscal Year 2026/27 property tax roll. The assessment is expected to generate approximately $1.62 million for Fiscal Year 2026/27 to support Fire District operations.

RECOMMENDATION

Adopt Resolution No. MFD 26-229 entitled: *A Resolution of the Board of Directors of the Murrieta Fire District Levying the Fiscal Year 2026/27 Fire Suppression Assessment Fee and Standby or Availability Charge and Authorizing the General Manager to Execute the Associated Proposition 218 Compliance Letter*.

PRIOR ACTION/VOTE

On July 6, 2021, the City Council, acting as the Board of Directors of the Murrieta Fire District, adopted Resolution No. MFD 21-212, approving the annual Fire Suppression Assessment for 2021/22 and approving the Proposition 218 Compliance Letter (Vote: 5-0).

On June 21, 2022, the City Council, acting as the Board of Directors of the Murrieta Fire District, adopted Resolution No. MFD 22-218, approving the annual Fire Suppression Assessment for 2022/23 and approving the Proposition 218 Compliance Letter (Vote: 5-0).

On July 20, 2023, the City Council, acting as the Board of Directors of the Murrieta Fire District, adopted Resolution No. MFD 23-220, approving the annual Fire Suppression Assessment for 2023/24 and approving the Proposition 218 Compliance Letter (Vote: 4-1-0).

On July 2, 2024, the City Council, acting as the Board of Directors of the Murrieta Fire District, adopted Resolution No. MFD 24-224, approving the annual Fire Suppression Assessment for 2024/25 and approving the Proposition 218 Compliance Letter (Vote: 5-0).

On July 1, 2025, the City Council, acting as the Board of Directors of the Murrieta Fire District, adopted Resolution No. MFD 25-226, approving the annual Fire Suppression Assessment for 2025/26 and approving the Proposition 218 Compliance Letter (Vote: 5-0).

CITY COUNCIL GOAL

This item aligns with the City Council's goal to: Maintain a high performing organization that values fiscal sustainability, transparency, accountability and organizational efficiency.

DISCUSSION

In 1981, the voters in Murrieta approved a unit-of-benefit Fire Suppression Assessment by a 79 percent margin. The annual fire assessment has been approved by the City Council each year since 1993 when the Fire District became a subsidiary of the City. Before 1993, the independent Murrieta Fire Protection District Board of Directors adopted the unit-of-benefit Fire Suppression Assessment annually. All properties within the Fire District are assessed and aligned equitably with each property's proportional share of special benefits. The method of apportionment established for most districts formed under the 1972 Benefit Act uses a weighted apportionment known as the Equivalent Benefit Unit (EBU) methodology, which uses the single-family home site as the basic unit of assessment. A single-family home site equals one EBU. All other land uses are converted to a weighted EBU based on an assessment formula that equates the property's specific development status, type of development (land use), and the property's size compared to a single-family home site. The purpose of the annual Fire Suppression Assessment is to supplement a portion of the income loss to the Murrieta Fire District due to the result of Proposition 13 and to support operational expenses for fire suppression.

The maximum fee per unit of benefit is $40. Each unit-of-benefit is assessed approximately 1,000 gallons of fire hydrant water flow per parcel, up to a maximum of twelve units of benefit. The $40 fee is levied regardless of the property valuation, with most all single-family homes paying this fixed amount. Commercial and multi-family residential zoned parcels pay up to the maximum of twelve units of benefit, depending on the fire flow requirements. Vacant parcels and outbuildings will not be assessed this fee. The approval of the suppression fee is an annual process required by the Riverside County Auditor-Controller.

In November 1996, California voters passed Proposition 218, the "Right to Vote on Taxes Act." This constitutional amendment protects taxpayers by limiting the methods by which local governments can create or increase taxes and fees without taxpayer consent. Proposition 218 requires voter approval before imposing or increasing general taxes, assessments, and specific user fees. The attached Proposition 218 Compliance Letter certifies that the City of Murrieta Fire District is in compliance with the laws governing special assessment taxes imposed upon property owners, as stipulated in Proposition 218.

PUBLIC NOTICING

The public hearing notice and agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item) and applicable requirements.

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

The revenues generated from the Fire Suppression Assessment for Fiscal Year 2026/27 will be approximately $1,624,574.40. (Organizational Code 1513520 under Fire Administration, Revenue Object Code 40041 under Special Assessment-Unit of Benefit Assessment.)

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE MURRIETA FIRE DISTRICT LEVYING THE 2026/27 FIRE SUPPRESSION ASSESSMENT FEE AND STANDBY OR AVAILABILITY CHARGE, AND AUTHORIZING THE GENERAL MANAGER TO EXECUTE THE ASSOCIATED PROPOSITION 218 COMPLIANCE LETTER

WHEREAS, Government Code section 53973 authorizes the levy or standby or availability charges approved by the voters prior to the effective date of that section, which was in 1982; and

WHEREAS, a Fire Suppression Assessment, alternatively designated a Standby or Availability Charge, was duly approved by the voters and assessed in 1981; and

WHEREAS, the Board of Supervisors of Riverside County established the Murrieta Fire District as a subsidiary district of the City of Murrieta via Resolution 93-364; and

WHEREAS, the purpose of the annual Standby or Availability Charge is to supplement the income loss to the Murrieta Fire District as a result of Proposition 13 to support operational expenses for fire suppression.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE MURRIETA FIRE DISTRICT, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. That the Standby or Availability Charge shall be levied at a rate not to exceed more than forty ($40) dollars per unit of benefit on each residential use by benefit unit or a fraction thereof and each commercial and industrial use by the unit of benefit received based on the Insurance Services Office (ISO) fire flow guidelines, using 1,000 gallons per minute equal to 1.0 unit of benefit, to a maximum of 12.0 units of benefit.

Section 2. That the Murrieta Fire Protection District hereby certifies that it has, without limitations, complied with all legal procedures and requirements necessary for the levying and imposition of the general or special taxes, assessments or property-related fees or charges, including compliance with Government Code sections 53720-53730 inclusive, that the charge is levied without regard to property valuation, and that the charge for the Fiscal Year 2026/2027 will be set at the maximum allowed.

Section 3. That the General Manager of the Murrieta Fire District is authorized and directed to execute a letter to the Riverside County Auditor-Controller confirming that the assessments are exempt from Proposition 218 since voter approval was obtained in 1981.

Section 4. That the County Auditor-Controller or other appropriate County officer is hereby requested to place the above-described charges and assessments on the tax roll.

Section 5. That the Secretary shall certify to the adoption of this Resolution.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 15.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Brian Ambrose, Community Services Director

PREPARED BY: Crystal Arora, Management Analyst - Parks & Recreation

SUBJECT: Consolidated Landscaping and Lighting District Levy of Annual Assessments

ABSTRACT

The purpose of this City Council agenda item is to hold a public hearing, approve the final Engineer's Annual Levy Report, and order the collection of the rates and charges there within. This public hearing is held annually to review the rates and charges of the Consolidated Landscaping and Lighting District.

RECOMMENDATION

Authorize amendment of the Fiscal Year (FY) 2026/27 revenue budget appropriations across the Consolidated Landscaping and Lighting District to include final totals from the Engineer's Report;

Conduct the public hearing;

Adopt Resolution No. 26-4960 entitled: *A Resolution of the City Council of the City of Murrieta, California, Confirming the Diagram and Assessment and Providing for the Annual Assessment Levy of Assessments for Fiscal Year 2026/27 in the City of Murrieta Consolidated Landscaping and Lighting District;* and

Authorize the City Clerk to file the assessment roll with the County Auditor.

PRIOR ACTION/VOTE

On May 5, 2026, the City Council adopted Resolution No. 26-4934 ordering the preparation of the Engineer's Annual Levy Report for the Consolidated Landscape and Lighting District (Vote:5-0).

On May 5, 2026, the City Council adopted Resolution No. 25-4935 approving the Engineer's Report for the Consolidated Landscaping and Lighting District and declaring the City's intention to levy and collect assessments for Fiscal Year 2026/27 in the City of Murrieta Consolidated Landscaping and Lighting District and set a public hearing for July 7, 2026 (Vote: 5-0).

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of: maintaining a high performing organization that values fiscal sustainability, transparency, accountability and organizational efficiency relating to an administrative priority.

DISCUSSION

On May 5, 2026, the City Council of the City of Murrieta (City) adopted Resolutions No. 26-4934 and 26-4935 to initiate proceedings allowing for the levy and collection of annual assessments to be placed on the County tax rolls for parcels within the city limits. The proposed assessments are based on the estimated costs and expenses associated with the regular annual maintenance, operation, and servicing of the landscaping and lighting improvements within each Zone that resulted from the development of properties within the Community Services District (CSD).

For Fiscal Year 2026/27, the Murrieta Consolidated Landscaping and Lighting District (Consolidated District) consists of 30 primary benefit zones and one (1) zone as dormant (activated only should the HOA fail). Four (4) of the primary benefit zones are divided, representing a total of 13 sub-zones. Each of the corresponding zones and sub-zones fund specific improvements that benefit parcels within those zones and sub-zones. The parcels receiving this assessment are identified by their own Assessor's Parcel Number (APN). The County Auditor/Controller uses APNs on the tax roll to identify properties charged for this special district benefit. The improvements and the costs of those improvements are identified and budgeted separately for each zone based on the planned services, operation, administration, and maintenance of the Consolidated District improvements authorized under the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code* (hereinafter referred to as the Act).

The annual assessments associated with local improvements are budgeted separately for each zone and charged to only those APNs or parcels that benefit from those improvements and services. With the formation of each original district and annexation into the Consolidated District, an annual adjustment of two (2) or three (3) percent was approved by the property owners. The annual assessment for each zone varies based upon the services received and the number of parcels within that zone, from $76.08 for Zone 22 streetlights only to $1,675.74 for Zone 3 for full maintenance and streetlights of that industrial/commercial area. ***While some of the zones have no increases for the next fiscal year, those with increases range from $2.72 to $180.78 annually.*** Please refer to the charts on pages 47-49 of the 2026/27 Engineer's Annual Levy Report for each zone and sub-zone assessment. The July 7, 2026, Public Hearing is scheduled for the consideration of any protests or objections in reference to the annual levy of assessments, to the extent of the maintenance services, and any other matters affecting those property owners.

History

Prior to Fiscal Year 1999/00, local landscaping and lighting improvements associated with new developments and various areas of the city were funded by rates and charges levied through the City's CSD. These specific improvements are still provided and funded through the CSD today. Although the City could have continued using the CSD as the mechanism for maintaining local landscaping and lighting improvements, it was recognized that the CSD was not the most efficient way to address the rapid development within the City. Therefore, between Fiscal Year 1999/2000 and Fiscal Year 2003/24, the City formed various landscaping and lighting districts under the provisions of the Act and the California Constitution Article XIIID, to address local improvements associated with these developments.

In Fiscal Year 2003/04, the City consolidated the 17 original districts into a single district pursuant to Section 22605 (d) of the Act and established the Murrieta Consolidated Landscaping and Lighting District. As part of the consolidation, the original districts were established as zones, and any benefit zones within those original districts were established as sub-zones. The consolidation was a necessary step toward reducing the administrative complexities of multiple staff reports and resolutions for each district to be reviewed and

adopted each year. The consolidation did not directly impact or change the maximum assessment rates previously approved by the property owners.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item), and the public hearing was scheduled by the City Council's adoption of Resolution No. 25-4935 on May 5, 2026.

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

The City of Murrieta Consolidated Landscaping and Lighting District's proposed levy amount for Fiscal Year 2026/27 is estimated at $5,477,710.60. The levy and collection of these annual assessments will pay for the costs associated with the services provided by the CSD. The revenue and expenditure budgets for each district are included in the Fiscal Year 2026/27 Operating Budget.

The revenue accounts for each district in Fiscal Year 2026/27 may require a budget adjustment, as the original budget was a projection. Finance staff will monitor revenue and propose budget adjustments, as needed, as part of the quarterly budget update report.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA, CONFIRMING THE DIAGRAM AND ASSESSMENT AND PROVIDING FOR THE ANNUAL ASSESSMENT LEVY OF ASSESSMENTS FOR FISCAL YEAR 2026/27 IN THE CITY OF MURRIETA CONSOLIDATED LANDSCAPING AND LIGHTING DISTRICT

WHEREAS, pursuant to Resolution No. 26-4935 on May 5, 2026 (Resolution of Intention), the City Council of the City of Murrieta (City) initiated proceedings for the annual levy of assessments for the landscaping and lighting district known and designated as "Consolidated Landscaping and Lighting District" (Consolidated District), pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of the State of California* (hereinafter referred to as the Act); and

WHEREAS, the 2026/27 Engineer's Annual Levy Report (the Engineer's Report) has been prepared by Willdan Financial Services and presented to the City Council in connection with the annual levy of assessments for Fiscal Year 2026/27; and

WHEREAS, pursuant to the Resolution No. 26-4935, the City Council set a public hearing on the Engineer's Report for July 7, 2026, which public hearing has been duly noticed in accordance with the Act and applicable law; and

WHEREAS, the City Council has duly held a public hearing regarding the proposed landscaping and lighting improvements and the proposed assessments within the Consolidated District for Fiscal Year 2026/27; and

WHEREAS, the City Council has examined and reviewed the Engineer's Report, considered all testimony and evidence, and now desires to proceed with the annual levy of assessments for the Consolidated District.

NOW, THEREFORE, THE CITY COUNCIL OF MURRIETA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The recitals above are true and correct and incorporated herein by this reference.

Section 2. That the diagram and assessment, as submitted and contained in the Engineer's Report, is hereby confirmed.

Section 3. That the annual levy of assessments for Fiscal Year 2026/27, in the amounts set forth in the Engineer's Report and as referred to in the Resolution of Intention, is hereby approved.

Section 4. That the adoption of this Resolution constitutes the levy of the assessment for Fiscal Year 2026/27.

Section 5. That the estimate of costs of improvements, the diagram and assessment , and all other matters, as set forth in the Engineer's Report, pursuant to said Act, are hereby approved, adopted and confirmed.

Section 6. That the maintenance works and improvements contemplated by the Resolution of Intention for Fiscal Year 2026/27 shall be performed pursuant to law.

Section 7. That the Auditor of the County of Riverside (County) shall enter on the County Assessment Roll the amount of the assessment levied against each assessable parcel, and said assessments shall then be collected at the same time and in the same manner as the County taxes are collected. After collection by said County, the net amount of the assessment shall be paid to the Finance Director of the City.

Section 8. That the Finance Director has previously established a special fund known as "City of Murrieta Consolidated Landscaping and Lighting District," into which the City Treasurer shall place all monies collected by the Tax Collector pursuant to the provisions of this Resolution and to law, including any surplus amounts in those funds established for the Consolidated District, and said transfer shall be made and accomplished as soon as said monies have been made available to said City Treasurer.

Section 9. That the City Clerk is hereby ordered and directed to file the diagram and assessment, or a certified copy thereof, with the County Auditor, together with a certified copy of this Resolution upon its adoption.

Section 10. The Engineer's Report, attached hereto as Exhibit A and incorporated herein by this reference, shall be filed in the office of the City Clerk and remain open to public inspection.

PASSED, APPROVED, AND ADOPTED this 7th day of July, 2026.

I. OVERVIEW

A. INTRODUCTION

Since fiscal year 1999/2000 the City of Murrieta (hereafter referred to as "City"), under the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code* (hereafter referred to as the "1972 Act") has annually conducted a public hearing and levied assessments on the County tax roll for the maintenance and operation of landscaping and lighting improvements that benefit specific properties and developments within the City.

This Engineer's Report ("Report") for the **Murrieta Consolidated Landscaping and Lighting District** (hereafter referred to as the "Consolidated District") has been prepared pursuant to Sections 22622 of the 1972 Act, and in accordance with Article 4 (commencing with Section 22565) of Chapter 1 of said Act. This Report provides a description of the Consolidated District and the benefit zones therein, as they existed at the time of the passage of the Resolution of Intention including proposed annexations or modifications to the Consolidated District, substantial changes to the improvements, and the proposed budgets and assessments for fiscal year 2026/2027 (July 1, 2026 through June 30, 2027). For fiscal year 2026/2027 the Consolidated District is organized into thirty-one (31) benefit zones (hereafter referred to as "Zones") that have been established to identify variations in the nature, location, and extent of the improvements and the properties that benefit from those improvements pursuant to Section 22574 of the 1972 Act. In some cases, these Zones may be further divided into Sub-Zones to identify specific Zone improvements that benefit only certain properties. Both the Zones and Sub-Zones may hereinafter be referred to collectively as Zones unless a specific distinction between the Zone and its underlying Sub-Zones is required.

The proposed assessments described in this Report are based on the estimated costs associated with the regular annual maintenance, operation and servicing of the landscaping and lighting improvements within each Zone. The costs of providing the improvements are identified and budgeted separately for each Zone, including expenditures, deficits, surpluses, revenues, and reserves. The total cost of these improvements is proportionately spread to only the properties within each respective Zone based on a method of apportionment that reflects the direct and proportional special benefits to each property.

Prior to fiscal year 1999/2000, local landscaping and lighting improvements associated with new developments and various areas of the City were funded by rates and charges levied through the City's Community Services District ("CSD") and these specific local improvements are still provided for and funded through the CSD today. Although the City could have continued using the CSD as the mechanism for maintaining local landscaping and lighting improvements, it was recognized that the CSD was not the most efficient way to address the rapid development within the City. Therefore, between fiscal year 1999/2000 and fiscal year 2003/2004 the City formed various landscaping and lighting districts under the provisions of the 1972 Act and the California Constitution Article XIIID, to address local improvements associated with these new developments. During this period of time, the City formed and conducted property owner protest ballot proceedings for fourteen (14) new districts and formed an additional three (3) districts as part of an annexation of territory to the City (Landscaping and Lighting District Numbers 1 through 16 and 18). These seventeen (17) assessment districts (hereafter referred to as "Original Districts") incorporated specific improvements that were established as part of developing the properties within those *Original* Districts or were installed for the benefit of those properties and are summarized as:

- Landscaping and Lighting District Numbers 1 through 8 were formed prior to fiscal year 2003/2004 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID.

- Landscaping and Lighting District Numbers 10, 11 and 12 were formed in fiscal year 2002/2003 to convert pre-existing assessment districts administered by the County of Riverside or Valley-wide Park and Recreation District, when these areas were annexed into the City. Districts 10 and 12 were originally included in separate portions of County Service Area 143 and District 11 was part of County Service Area 103 and Valley-wide Park and Recreation District (One provided lighting and the other provided landscaping). Property owner approval proceedings for the assessments in each of these Districts had been previously conducted by the County of Riverside or Valley-wide Park and Recreation District, in compliance with the provisions of the California Constitution Article XIIID, and were not changed nor required as part of the City's formation process.
- Landscaping and Lighting District Numbers 9 and 13 through 18 were formed in fiscal year 2003/2004 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID.

In fiscal year 2003/2004 the City consolidated the seventeen (17) Original Districts (Landscaping and Lighting District Numbers 1 through 16 and 18) into a single district pursuant to Section 22605 (d) of the 1972 Act and established the Murrieta Consolidated Landscaping and Lighting District. As part of the consolidation, the Original Districts were established as Zones, and any benefit zones within those Original Districts were established as Sub-zones. The consolidation was a necessary step toward reducing the administrative complexities of multiple reports and resolutions to be reviewed and adopted each year, but the consolidation did not directly impact or change the method of apportionment or the maximum assessment rates previously approved by the property owners.

- Landscaping and Lighting District Numbers 19 through 22 were formed in fiscal year 2004/2005 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID.
- Landscaping and Lighting District Numbers 17 and 19 were annexed into the Consolidated District as Zones 17 and 19 in fiscal year 2004/2005 as Zones 17 and 19 respectively.
- Landscaping and Lighting District Numbers 20 through 22 were annexed into the Consolidated District in fiscal year 2005/2006 as Zones 20 through 22, respectively.
- Landscaping and Lighting District Number 23 (Creekside Village) was formed in fiscal year 2005/2006 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID. Landscaping and Lighting District 23 was annexed into the Consolidated District in fiscal year 2006/2007 as Zone 23
- Landscaping and Lighting District Number 24 (Springbrook) and Landscaping and Lighting District Number 25 (Alderwood – Formerly Golden Cities) were formed in fiscal year 2006/2007 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID. Landscaping and Lighting District Numbers 24 and 25 were annexed into the Consolidated District in fiscal year 2007/2008 as Zones 24 and 25, respectively. In fiscal year 2019/2020, Tract 32718 (Port Royal) was annexed into Zone 25A and added an additional 10 EBUs.
- Landscaping and Lighting District Number 26 was formed and Tract 32050 was annexed into Zone 18 in fiscal year 2007/2008 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID. Landscaping and Lighting District Number 26 was annexed into the Consolidated District as Zone 26.
- Landscaping and Lighting District Number 27 (Hunter's Ridge) was formed in fiscal year 2008/2009 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID. Landscaping and Lighting District Number 27 was annexed into the Consolidated District in fiscal year 2008/2009 as Zone 27.

- Landscaping and Lighting District Number 28 (Lantana) was formed and Tract 32266 was annexed in fiscal year 2011/2012 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID. Landscaping and Lighting District Number 28 was annexed into the Consolidated District as Zone 28.
- Landscaping and Lighting District Number 29 (Gallery Estates) was formed and Tract 34520 was annexed for fiscal year 2017/2018 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID. Landscaping and Lighting District Number 29 was annexed into the Consolidated District as Zone 29.
- Landscape and Lighting District Number 30 (Murrieta 64 – KB Homes) was formed and Tract 31467 was annexed for fiscal year 2019/2020 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID. Landscaping and Lighting District Number 30 was annexed into the Consolidated District as Zone 30.
- Landscape and Lighting District Number 31 (Willow Springs) was formed and Tract 36779 and PM 36733 were annexed for fiscal year 2024/2025 in conjunction with a property owner ballot proceeding conducted by the City in compliance with the provisions of the California Constitution Article XIIID. Landscaping and Lighting District Number 31 was annexed into the Consolidated District as Zone 31.

The Consolidated District will be comprised of thirty-one (31) Zones, four (4) of which represent a total of thirteen (13) Sub-zones.

The word “parcel,” for the purposes of this Report, refers to an individual property assigned its own Assessor’s Parcel Number (“APN”) by the Riverside County Assessor’s Office. The Riverside County Auditor/Controller uses APNs and specific Fund Numbers to identify on the tax roll properties assessed for special district benefit assessments.

The assessments for the Consolidated District and the Zones therein as described in this Report, have been prepared in accordance with the 1972 Act and in compliance with the provisions of the California Constitution Article XIIID (hereafter referred to as the “Constitution”). The City Council annually conducts a noticed public hearing to accept property owner and public comments and testimony regarding the Consolidated District and assessments. Following consideration of public comments and written protests, the City Council may confirm the Report (as submitted or amended) and by resolution, order the levy and collection of assessments for the fiscal year as approved. The assessment information so approved will be submitted to the County Auditor/Controller and included on the property tax roll for each benefiting parcels.

B. COMPLIANCE WITH THE CURRENT LEGISLATION

In compliance with the provisions of the Constitution, property owner ballot proceedings have been conducted to approve and confirm the Maximum Assessments described in this Report. The proceedings and approval of the Maximum Assessment Rates and Assessment Range Formulas (inflationary factor) for Zones 1 through 9; Zones 13 through 16 and 18 were conducted by the City as part of the formation process of the original landscaping and lighting districts that were consolidated as part of the Consolidated District in fiscal year 2003/2004. The proceedings and approval of the Maximum Assessments and Assessment Range Formulas (inflationary factor) for Zones 10 and 12 were conducted by the County of Riverside as part of the establishment of these areas within County Service Area 143 (CSA 143). The improvements, boundaries, zones and assessments associated with these properties were converted to Zones 10 and 12 when these territories were annexed to the City in fiscal year 2002/2003.

Similarly, Zone 11 was formed in 2002/2003 when the improvements, boundaries, zones and assessments associated with these properties were annexed to the City. However, unlike Zones 10 and 12, the improvements and assessments associated with Zone 11 were originally levied and administered by two Agencies as two separate districts, one for lighting and one for landscaping. The lighting improvements were provided and assessed by the County of Riverside as part of County Service Area 103 (CSA 103). The landscaping improvements were provided and assessed by Valley-wide Park and Recreation District. Each held separate proceedings for the approval of Maximum Assessments and an Assessment Range Formula (inflationary factor) associated with the improvements and services provided in compliance with Article XIIID before the territory was annexed to the City. In fiscal year 2002/2003 the City formed Zone 11 to assume the maintenance, administration and assessments associated with both the lighting and landscaping improvements. For Zone 11, the Maximum Assessment Rate and Assessment Range Formula (inflationary factor) reflects the combined lighting and landscaping assessments balloted and approved by the property owners.

The conversion of the Zones previously administered by the County of Riverside and Valley-wide Park and Recreation District to City administered landscaping and lighting districts and incorporated as Zones 10, 11 and 12 in the Consolidated District in fiscal year 2003/2004, did not change the assessments previously approved by the property owners including any inflationary adjustments authorized. Therefore, either through proceedings conducted by the City or another local agency, it has been determined that the assessments for these Zones identified in this Report as the Maximum Assessment Rates including the applicable inflationary adjustments, have been previously approved by the property owners pursuant to the provisions of the Constitution.

Since the formation of the Consolidated District in fiscal year 2003/2004, the following Zones have been annexed into the Consolidated District. The Maximum Assessment Rates and Assessment Range Formulas (inflationary factor) applicable to these Zones have been established pursuant to the 1972 Act and the provisions of the Constitution.

II. DESCRIPTION OF THE DISTRICT

A. ZONES AND SERVICES

The City annually levies and collects assessments in order to maintain and service specific improvements to be provided by the Consolidated District. For fiscal year 2026/2027, the Consolidated District consists of thirty-one (31) primary benefit zones, with Zones 10, 11, 12 and 25 being further defined by Sub-zones (thirteen (13) Sub-zones total). Each of the corresponding Zones and Sub-zones funds specific improvements that benefit the parcels within those Zones and Sub-zones.

The City annually levies special benefit assessments to ensure the ongoing maintenance, operation and servicing of local parks, landscaping, street lighting and associated appurtenances located within the public right-of-ways and dedicated easements installed in connection with development of parcels within the Consolidated District. The annual costs and expenses for which parcels are assessed may include, but are not limited to the materials, equipment, utilities, labor, administrative expenses and other incidental expenses or services necessary for the maintenance and operation of the Consolidated District improvements authorized under the provisions of the 1972 Act and provide special benefits to the parcels within the Consolidated District. The net costs associated with the improvements are equitably spread among benefiting parcels in proportion to a calculation of their special benefits. The improvements and the costs of those improvements are identified and budgeted separately for each Zone based on the planned services, operation, administration, and maintenance required to keep the improvements in a healthy, vigorous, and satisfactory condition including the estimated expenditures, deficits, surpluses, revenues, and fund balances for the fiscal year.

The improvements maintained by the Consolidated District and associated with each Zone vary, but may include the maintenance and servicing of: turf, ground cover, natural vegetation, shrubs and trees, hardscapes, irrigation systems, ornamental lighting, water features, monuments, recreational equipment and facilities, drainage systems, street lighting and associated appurtenances. The proposed improvements to be maintained and funded entirely or partially through the Consolidated District's assessments may include, but are not limited to:

- Parkway and median landscaping along the arterial and collector streets within and adjacent to each Zone;
- Landscaped slopes, entryways, retention basins or other landscaped areas directly associated with the properties or specific developments within the Zone;
- Parkway and perimeter landscaping adjacent and associated with specific properties or developments;
- Natural and passive parks, trails, fire breaks, wet lands, open space areas, channel-ways, and natural habitats that are maintained and/or abated with each Zone;
- Active parks including landscaping, lighting, equipment and facilities (i.e., playgrounds, tot-lots, ball fields, restrooms, sidewalks, landscaped areas and greenbelts) associated with the properties in the respective Zone;
- Public lighting facilities including street lighting, safety lights, traffic signals, lighting within the parks and other public areas of the Zone;
- Appurtenant facilities, equipment, materials and utilities related to the aforementioned improvements.

The estimated annual cost to provide and maintain the improvements within the Consolidated District shall be allocated to each property in proportion to the special benefits received. The Method of Apportionment described in this Report utilizes commonly accepted assessment

engineering practices and have been established pursuant to the 1972 Act and the provisions of the Constitution.

B. AUTHORIZED IMPROVEMENTS AND SERVICES (PURSUANT TO THE 1972 ACT)

As generally defined by the Landscaping and Lighting Act of 1972 and applicable to the Consolidated District, improvements and the associated assessments may include one or more of the following:

- The installation or planting of landscaping;
- The installation or construction of statuary, fountains, and other ornamental structures and facilities;
- The installation or construction of public lighting facilities including but not limited to streetlights and traffic signals;
- The installation of park or recreational improvements including but not limited to the following:
  a) Land preparation, such as grading, leveling, cutting and filling, sod, landscaping, irrigation systems, sidewalks, and drainage;
  b) Lights, playground equipment, play courts, and public restrooms;
  c) The acquisition of land for park, recreational, or open-space purposes;
- The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof;
- The acquisition of any associated existing improvement;
- The maintenance or servicing of any of the foregoing including the furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement including, but not limited to:
  a) Repair, removal, or replacement of improvements or any part thereof;
  b) Grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities;
  c) Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury;
  d) The removal of trimmings, rubbish, debris, and other solid waste;
  e) The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti;
  f) Electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements;
  g) Water for the irrigation of any landscaping, the operation of any fountains, or the maintenance of any other improvements.
- Incidental expenses associated with the improvements including, but not limited to:
  a) The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
  b) The costs of printing, advertising, and the publishing, posting and mailing of notices;
  c) Compensation payable to the County for collection of assessments;
  d) Compensation of any engineer or attorney employed to render services;
  e) Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;

f) Costs associated with any elections held for the approval of a new or increased assessment.

C. CONSOLIDATED DISTRICT ZONE DESIGNATIONS

The Zones within the Consolidated District in fiscal year 2026/2027 are outlined in the following table:

Zone Number	Zone Name
Zone #01	Copper Canyon
Zone #02	Grizzly Ridge
Zone #03	Cherry Street Business Park
Zone #04	Western Pacific Housing
Zone #05	Murrieta Ranchos
Zone #06	Fallsgrove

Zone #30	Murrieta 64 – KB Homes
Zone #31	Willow Springs

D. PLANS AND SPECIFICATIONS

The boundaries of each Zone, the location of improvements and special benefits received by the parcels are described in this section of the Report. The allocation of special benefit and general benefit from the various improvements are summarized in the Method of Apportionment section of this Report and are addressed in the budget for each Zone.

As applicable within each of the Zones or Sub-zones in the Consolidated District, the following improvements may include, but are not limited to:

Landscaping Improvements to be funded by the assessments may include, but are not limited to: turf; shrubs and plants; trees; ground cover (both hardscape and vegetation); weed and vector control; irrigation and drainage systems; ornamental lighting structures; related sidewalks, masonry walls or other fencing; entryway monuments or other ornamental structures and signs; labor and incidental expenses directly associated with the improvements and deemed necessary by the City for the ongoing maintenance and operation of the Zone and said improvements; and associated appurtenant facilities and utilities located within and associated with the District, as detailed for each Zone or Sub-Zone below.

Local Park and Recreational Improvements may include, but are not limited to, the maintenance and care of landscaping and facilities within designated local park and open space areas including trees, plant material, sod, irrigation systems, sidewalks, drainage facilities, weed control and other abatements, sport fields, courts, lights, playground equipment, play courts, public restrooms, signs, monuments, park lighting, or other public facilities, labor and incidental expenses directly associated with the improvements and deemed necessary by the City for the ongoing maintenance and operation of the Zone and said improvements; and associated appurtenant facilities and utilities. The parks and recreational facilities to be operated maintained and serviced as detailed for each Zone or Sub-Zone below.

Public Street Lighting Improvements may include, but are not limited to, electrical energy, lighting fixtures, poles, meters, conduits, electrical cable labor and incidental expenses directly associated with the improvements and deemed necessary by the City for the ongoing maintenance and operation of the Zone and said improvements; and associated appurtenant facilities and utilities associated as detailed for each Zone or Sub-Zone below.

The maintenance and servicing of the improvements generally include, but are not limited to all materials, equipment, utilities, labor and incidental expenses including administrative expenses required for the annual operation of the Zones or Sub-zones in the District as well as the performance of periodic repairs, replacement and expanded maintenance activities as needed to provide for the growth, health, and beauty of landscaping and/or the proper operation and functioning of lighting, irrigation and drainage systems. Detailed maps and descriptions of the location and extent of the improvements to be maintained are on file at the City in the Office of Community Services, and by reference are made part of this Report.

The estimated annual cost to provide and maintain the improvements within the Zone shall be allocated to each property in proportion to the special benefits received. The Method of Apportionment described in this Report utilizes commonly accepted assessment engineering practices and has been established pursuant to the 1972 Act and the provisions of the California Constitution.

Any portion of the flood control channel within the Zone that is dedicated to flood and drainage control is maintained through the Murrieta Community Services District rates and charges and is not included in the Zone assessments.

Zone #1 (Copper Canyon)

This Zone consists of lots, parcels and subdivisions of land located in the development area and specific plan known as "Copper Canyon" Tracts 28677-00 through 28677-14 and 30727. The Zone (Copper Canyon Specific Plan) covers approximately five hundred seventy-five (575) acres in the Northwest region of the City and is generally located:

- West of the easterly line of the Rancho Santa Rosa line, identified on the County Assessor's Parcel Maps as the Rancho Temecula/Rancho Santa Rosa Boundary;
- Southwest of the boundary line identified on the County Assessor's Parcel Maps as the La Laguna Boundary;
- East and Southeast of Clinton Keith Road and the existing gated community known as Bear Creek;
- South of the existing residential developments known as the Vineyard Knolls and the Spirit/Continental Tracts of the Bear Valley; and,
- Generally, North of the southern Murrieta City Limits (East of Cellar Springs Drive, excluding Assessor Parcel Numbers 904-050-046, 904-060-056, and 904-070-093) and North of Calle Rambla Orienta (West of Cellar Springs Drive).

The Zone is primarily comprised of single-family residential subdivisions with some commercial retail development and large areas of open space, trails and parks. The original development plan for the Zone is based on the Copper Canyon Specific Plan and includes:

- Two hundred sixty-five (265) acres of low/medium density single-family residential housing with eight hundred ninety-nine (899) residential units;
- Twenty-two (22) acres of retail commercial development, which was approved in fiscal year 2003/2004 to be re-zoned to residential development of eighty-three (83) single-family residential units;
- Eight (8) acres designated for a school site plus an additional joint use park area of approximately three (3) acres;
- Seven (7) acres designated for an active park site;
- Thirteen (13) acres of oak tree parks, passive parks and trails;
- Four (4) acres of landscaped slopes and streetscape easements;
- Two hundred fifty-four (254) additional acres of open space that includes fuel modification areas (firebreaks), detention basins, and water quality/wet land areas. (There has been some discussion of developing portions of the open space area as a golf course, but no changes to the original development plan have been made).

The improvements installed as part of the development of properties within this Zone or for the benefit of those properties and to be maintained and funded entirely or partially through annual special benefit assessments may include, but are not limited to the following:

1. Landscape Improvements

Approximately six acres (253,928 square feet) of parkway and median landscaping (Streetscape) including:

- Various slopes dispersed throughout portions of the residential development including slope areas adjacent to various street parkways, downward slopes between the residential lots and the open space areas, and the slopes adjacent to the neighborhood park. The costs and special benefits of these improvements are proportionally allocated to the residential properties within Sub-zone A.

2. Park and Recreational Improvements

A local neighborhood park site located on the northeast corner of Baxter road and Whitewood Road will be maintained within the Zone. The park site encompasses a total area of approximately 261,200 square feet that may include but is not limited to:

- Various landscape amenities including trees, plant material, sod, irrigation systems, sidewalks and drainage facilities; and
- Various recreational facilities that may include ball fields, playground equipment, play courts, public restrooms, signs and associated appurtenant.

The costs and special benefits of the park and recreational facilities to be operated, maintained and serviced are proportionally shared by the residential properties within Sub-zone A.

3. Public Street Lighting Improvements

- Public streetlights on each of the streets within and adjacent to the properties within the Zone including arterial streets, collector streets and residential streets; and,
- Lighting facilities within the neighborhood park including, ornamental lighting, security lighting and recreational lighting for the ball fields and courts.

The costs and special benefits of the various public lighting improvements are proportionally allocated to properties within both Sub-zone A and Sub-zone B of the zone.

Zone #26 (Murrieta Fields / Oakmont)

This Zone consists of the lots, parcels and subdivision of land within the development known as Murrieta Fields/Oakmont, Tract Number 31168, which encompasses an area of land totaling approximately eighteen acres (17.8 acres).

This development includes ninety-six (96) single-family residential home sites and 10,451 sq. ft. of streetscape. This development is located generally south of Keller Road, north of Brians Way, west of Menifee Road and east of Meadowlark Lane.

The purpose of this Zone is to ensure the ongoing maintenance, operation and servicing of local landscaping and lighting improvements established or installed in connection with

development of residential properties within Tract Number 31168. The improvements installed as part of this development shall be maintained and funded entirely or partially through the Zone assessments.

1. **Landscaping Improvements**

- Streetscape maintenance areas associated with the Zone, totaling approximately 10,451 square feet.

2. **Public Street Lighting Improvements**

- The street lighting within the residential subdivision of the Zone; and,
- Public street lighting and other public lighting facilities on the streets surrounding or adjacent to the development and other public areas associated or necessary for development of properties within the Zone.

Zone #27 (Hunter's Ridge)

This Zone consists of the lots, parcels and subdivision of land within the development known as Hunter's Ridge, Tract Number 31878, which encompasses an area of land totaling approximately ninety-one acres (90.56 acres).

This development includes one-hundred thirteen (113) single-family residential home sites and associated public areas and easements identified on the approved Hunter's Ridge – Tract 31878 subdivision. This development is located generally southeast of Los Alamos Road, north of and adjacent to Hunter Road, and west of Calle de Amor.

The purpose of this Zone is to ensure the ongoing maintenance, operation and servicing of local landscaping and lighting improvements established or installed in connection with development of properties within Hunter's Ridge (Tract 31878). These improvements generally include non-irrigated open space areas; streetscape landscaping; slope landscaping; open space fuel modification areas; drainage easement (bio-swale); local park improvements; and public street lighting within and associated with the development of properties within Hunter's Ridge (Tract 31878).

1. **Landscaping Improvements**

- Non-irrigated open space area totaling approximately 5,203 square feet, generally located south of Rangeview Drive and east of Conejo Avenue, between lots 18 and 20 of Tract 31878; and
- Streetscape (parkway) area totaling approximately 4,435 square feet, including:
- 1,935 square feet located south of Rangeview Drive and east of Conejo Avenue, between lots 18 and 20 of Tract 31878;
- 2,500 square feet located north of Hunter Road, along the south sides of lots 51, 77, 78, 97, 98 and 113 of Tract 31878, and along Golden Eagle Avenue on the east side of lot 50 of Tract 31878; and
- Irrigated slope area totaling approximately 56,054 square feet, including:
- 7,672 square feet located north of Rangeview Drive, between lots 21 and 22 of Tract 31878;
- 4,529 square feet located east of Mockingbird Avenue and north of Hunter Road, adjacent to lots 1 through 5 of Tract 31878;
- 37,473 square feet located in the southern portion of the Zone, south of Hunter Road and lots 47 through 50 of Tract 31878;

- 6,380 square feet located in the southern portion of the Zone along Golden Eagle Avenue and Hunter Road within Tract 31878; and
- Fuel modification area totaling approximately 139,266 square feet, including:
- 73,508 square feet of non-irrigated fuel modification/open space located directly north of the residential lots of Tract 31878;
- 65,758 square feet of irrigated fuel modification/open space generally located on the west side of the development, adjacent to lots 38, 39, 46, 47 and 114 of Tract 31878; and
- Drainage easement (bio-swale) totaling approximately 9,590 square feet located across lot 31 of Tract 31878, near the center of the Zone.

2. Park and Recreational Improvements

- Park Improvements generally located south of Hunter Road and lots 47 through 50 of Tract 31878 which encompasses an area totaling approximately 121,776 square feet comprised of both landscape improvements and recreational facilities. The recreational improvements may include, but are not limited to, the maintenance and care of sport fields and equipment; courts; playground equipment; park lighting; restrooms or other public facilities; signs; and hardscapes within the park.

3. Public Street Lighting Improvements

- Public street lighting located within Tract 31878; and
- Public street lighting and other public lighting facilities on the streets surrounding or adjacent to Tract 31878 and other public areas associated with or necessary for the development of properties within the Zone.

Zone #28 (Lantana)

This Zone consists of the lots, parcels and subdivision of land within the development known as Lantana, Tract Number 32266, which encompasses an area of land totaling approximately forty-two acres (41.56 acres).

This development of one-hundred and five (105) parcels encompasses ninety-five (95) single-family residential home sites, associated public areas and easements identified for the approved Lantana — Tract 32266 subdivision.

The purpose of this Zone is to ensure the ongoing maintenance, operation and servicing of local landscaping and lighting improvements established or installed in connection with development of properties within Lantana (Tract 32266). These improvements include, but are not limited to irrigated open space areas; non-irrigated open space or fuel modification areas; streetscape landscaping; slope landscaping; drainage easement areas and/or detention basins (both irrigated and non-irrigated); trails; and public street lighting within and associated with the development of properties within Lantana (Tract 32266).

1. Landscaping Improvements

- Non-irrigated open space area totaling approximately 59,462 square feet;
- Irrigated open space area totaling approximately 15,384 square feet;
- Streetscape (parkway) area totaling approximately 73,223 square feet;
- Slope area totaling approximately 81,323 square feet;
- Irrigated Detention Basin area totaling approximately 61,042 square feet;
- Non-Irrigated Detention Basin area totaling approximately 21,160 square feet;

- Dirt and gravel ("DG") trail along sidewalk totaling approximately 16,403 square feet generally located along Meadowlark Road within Tract 32266.

2. Public Street Lighting Improvements

- Public street lighting located within Tract 32266; and
- Public street lighting and other public lighting facilities on the streets surrounding or adjacent to Tract 32266 and other public areas associated with or necessary for the development of properties within the Zone.

Zone #29 (Gallery Estates)

This Zone consists of the lots and parcels of land within the residential development known as Gallery Estates (Tract 34250). This residential subdivision is generally located southwest of Washington Avenue and northwest of Vineyard Parkway on the southwest side of Douglas Avenue between Fullerton Road and Pomerado Court.

The territory within the District totals approximately seven acres (7.48 acres) and is comprised of thirteen (13) parcels identified on the Riverside County Assessor's Parcel Number (APN) Maps as Book 906, Page 270, Parcels 062 through 074. This Zone has developed into ten (10) single family residential home sites. Three parcels are considered exempt and are not subject to assessment. Specifically, these three exempt properties include:

- Parcels 906-270-072 (0.080 acres) and 906-270-074 (0.150 acres) which are identified as Homeowner Association easement properties adjacent to Dove Creek Court within Tract 34250. These two parcels are restricted by utility easements and cannot be developed independently and as such, these two parcels do not receive any special benefit from the improvements and are therefore excluded (exempt) from the District assessments;
- Parcel 906-270-073 (0.320 acres) incorporates a detention basin for the development. This basin is to be planted with California native material and will be maintained by the Homeowner Association established for this development and not maintained as part of the District improvements. However, being similar in nature to the landscape improvement areas associated with this District, this detention basin is excluded (exempt) from the District assessments.

The purpose of this Zone is to provide funding for the continued maintenance, operation and servicing of the local landscape improvements within the public right-of-ways established or installed in connection with development of properties within Gallery Estates (Tract 34250) that provide a particular and distinct benefit (special benefit) to those properties.

1. Landscaping Improvements

- The parkway landscaping behind the sidewalk on the southwest side of Douglas Avenue adjacent to the Gallery Estates (Tract 34250), from the northwest boundary line of Tract 34250 to the corner parkway return area at Dove Creek Court totaling approximately 1,873 square feet;
- The corner parkway return area behind the sidewalk on the northwest corner of Dove Creek Court and Douglas Avenue, adjacent to Lot 1 of Tract 34250 totaling approximately 256 square feet;
- The parkway landscaping behind the sidewalk on the northwest side of Dove Creek Court adjacent to Lot 1, from the corner parkway return area to the mid-point of Lot 1, a distance of approximately 40 feet, totaling approximately 247 square feet of landscaped area;
- The corner parkway return area behind the sidewalk on the southwest corner of Dove Creek Court of Douglas Avenue, adjacent to Lot 10 of Tract 34250 totaling approximately 256 square feet;

- The parkway landscaping behind the sidewalk of the southwest side of Douglas Avenue adjacent to the Gallery Estates (Tract 34250), from the corner parkway return area at Dove Creek Court to the southeast boundary line of Tract 34250 totaling approximately 501 square feet.

Zone #30 (Murrieta 64 – KB Homes)

This Zone consists of the lots and parcels of land within the residential development known as Murrieta 64 – KB Homes (Tract 31467). The residential subdivision is located on the northeast side of Washington Avenue at Fullerton Road, which is generally located northwest of Davenport Way and Lemon Street and southeast of Nighthawk Way.

The territory within the District totals approximately six acres (5.750 acres) and is comprised of sixty-four (64) single-family residential properties currently identified on the Riverside County Assessor's Parcel Map 906-04 and Condominium Map 906-042.

It is the desire of KB Homes (the developer of Tract 31467,) the City, and the Tract 31467 HOA that the Tract 31467 HOA be responsible for the funding, maintenance and operation of improvements and facilities for the Zone. The purpose of this Zone is to provide a funding mechanism for the continued maintenance, operation, and servicing of the local improvements within the public right-of-ways established or installed in connection with development of properties within Murrieta 64 – KB Homes (Tract 31467) that provide a particular and distinct benefit (special benefit) to those properties in the event that the Tract 31467 HOA is dissolved or does not maintain the improvements to City standards.

- Landscaping improvements that may be funded and assessed may include, but are not limited to: turf, shrubs and plants; trees; ground cover (both hardscape and vegetation); weed and vector control; irrigation and drainage systems; related sidewalks; entryway monuments or other ornamental structures and signs; and associated appurtenant facilities located within the street right-of-way on Washington Avenue (between the curb and sidewalk) extending the full length of the development on either side of Petra Street (the entryway to Tract 31467 from Washington Avenue). This area incorporates approximately 3,092 square feet of landscaped/hardscape area comprised of various plantings and decorative river rock and serves in part as a drainage and water treatment area (filterra bioretention system) for the development.
- Excluded improvements are any streetlights within Tract 31467 and any landscaping improvements and appurtenant facilities located on private property, excluding those areas within the street right-of-way that may be owned by the Homeowner Association.

Zone #31 (Willow Springs)

This Zone consists of the lots and parcels of land within the residential development known as Willow Springs (Tract 36779) and the non-residential development knows as Willow Springs Commerce Center (PM 36733), both part of the City's Adobe Springs Specific Plan. The development is generally located west of Winchester Road, north of Via Mira Mosam and southwest of Benton Road. It is bordered by the subdivision known as Murrieta Springs to the south and west.

The territory within the District totals approximately fifty acres (49.71 acres) of which approximately thirty-three acres were developed into taxable property. The residential development is comprised of two-hundred eighty-three (283) single-family residential properties. The three (3) non-residential parcels consists of a 9.48 acre commercial/industrial commerce center.

The purpose of this Zone is to provide funding for the continued maintenance, operation, and servicing of the local street lighting and landscaping improvements established or installed in

connection with development of properties within Willow Springs that provide a particular and distinct benefit (special benefit) to those properties.

1. **Landscaping Improvements**

- The parkway areas located behind the sidewalk and the sidewalk itself on the northwest side of Winchester Road running the length of Willow Springs development. (Approximately 63,902 square feet of landscaped area, and 18,214 square feet of sidewalk.)

2. **Public Street Lighting Improvements**

- Public street lighting and other public lighting facilities along the northwest side of Winchester Road bordering Willow Springs development and other public areas associated with or necessary for the development of properties within the District.

3. **Excluded Improvements**

- Open space parcel 963-070-062;
- Homeowner Association maintenance areas, located throughout the residential development, including parks, play areas, slopes, open areas, and community amenities;
- The Eastern Municipal Water District lift station and lift station site;
- The estimated 2.13 acres of commercial area entry streetscape, and 1.34 acres of commercial area slopes.

III. METHOD OF APPORTIONMENT

A. General

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the construction, maintenance and servicing of public lights, landscaping and appurtenant facilities. The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

> "The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

The formula used for calculating assessments in each Zone of the Consolidated District therefore reflects the composition of the parcels, and the improvements and services provided, to fairly apportion the costs based on the special benefits to each parcel.

In addition, pursuant to the Constitution (with some exceptions) a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel and provides that only special benefits are assessable, and the Consolidated District must separate the general benefits from the special benefits. Therefore, in compliance with these assessment requirements, only assessments that are identified as either "Exempt Assessments" or "Special Benefit Assessments" are assessed. Improvements considered a "General Benefit" have been eliminated from the Consolidated District assessments.

B. Benefit Analysis

Each of the proposed improvements, the associated costs and assessments have been reviewed, identified and allocated based on special benefit pursuant to the provisions of the Constitution and 1972 Act. Improvements associated with the Consolidated District have been identified as necessary, required and/or desired for the orderly development of the properties within the Consolidated District to their full potential, consistent with the proposed development plans and applicable portions of the City General Plan. As such, these improvements would be necessary and required of individual property owners for the development of such properties, and the ongoing operation, servicing and maintenance of these improvements would be the financial obligation of those properties. Therefore, the improvements and the annual costs of maintenance and operation of the improvements are of direct and special benefit to the properties.

The method of apportionment (method of assessment) is based on the premise that each assessed parcel within the Consolidated District receives special benefits from the improvements. The desirability and security of properties is enhanced by the presence of street lighting, well maintained landscaping, parks and open space areas in close proximity to those properties.

The special benefits associated with landscaping, parks, trails and open space improvements are specifically:

1. Enhanced desirability of properties through association with the improvements.
2. Improved aesthetic appeal of properties providing a positive representation of the area.
3. Enhanced adaptation of the urban environment within the natural environment from adequate green space, parks, trails, open space areas and landscaping.

4. Environmental enhancement through improved erosion resistance, dust and debris control, and fire prevention.
5. Increased sense of pride in ownership of property within the Consolidated District resulting from well-maintained improvements associated with the properties.
6. Enhanced quality of life and recreational opportunities through well maintained recreational facilities, equipment, green belts and trails.
7. Reduced criminal activity and property-related crimes (especially vandalism) against properties in the Consolidated District through well-maintained surroundings and amenities including abatement of graffiti.
8. Enhanced environmental quality of the parcels by moderating temperatures, providing oxygenation and attenuating noise.

The special benefits of street lighting are the convenience, safety, and security of property, improvements, and goods. Specifically:

1. Enhanced deterrence of crime and the aid to police protection.
2. Increased nighttime safety on roads and streets.
3. Improved ability of pedestrians and motorists to see.
4. Improved ingress and egress to property.
5. Reduced vandalism and other criminal act and damage to improvements or property.
6. Improved traffic circulation and reduced nighttime accidents and personal property loss.
7. Increased promotion of business during nighttime hours in the case of commercial properties.

The preceding special benefits contribute to a specific enhancement and desirability of each of the assessed parcels within the Consolidated District. Although the improvements include public parks, streets and other amenities available or visible to the public at large, the improvements provided and maintained by the Consolidated District are local improvements and the construction and installation of these improvements were only necessary for the development of properties within the Consolidated District and were not required nor necessarily desired by any properties or developments outside the various Zone boundaries. Therefore, any public access or use of the improvements by others is incidental, and there is no measurable general benefit to properties outside the Consolidated District and the respective Zones therein or to the public at large.

C. Assessment Methodology

The methods of apportionment utilized for the Consolidated District calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use of the parcels within each respective Zone. The special benefit received by each lot or parcel is equated to the overall land use of the parcel based on the parcel's actual land use or proposed planned development and is reliant upon the special benefit received from the improvements planned or existing within the Consolidated District and each Zone therein.

To identify and determine the special benefit to be received by each parcel, it is necessary to consider the entire scope of the improvements associated with each Zone as well as individual property development within that Zone. The costs associated with the improvements shall be fairly distributed among the parcels based upon the special benefit received by each parcel. Additionally, in compliance with the Constitution each parcel's assessment may not exceed the

reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels within each Zone of the Consolidated District as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

Equivalent Benefit Units:

In order to equitably apportion the cost of the improvements to each parcel, it is necessary to establish a correlation between the different properties and types of properties that benefit from those improvements. The Equivalent Benefit Unit ("EBU") method of apportioning benefit is typically seen as the most appropriate and equitable assessment methodology for districts formed under the 1972 Act, as the benefit to each parcel from the improvements are apportioned as a function of each parcel's land use type, size and development status.

Most of the Zones are comprised primarily or entirely of subdivided residential properties or planned residential subdivisions with just a few exceptions including Zone 3, which is comprised of commercial/industrial properties only. Therefore, the method of apportioning assessments utilizes the single-family home site as the basic unit of assessment. A single-family home site is assigned one EBU and other land uses within the Consolidated District are assigned proportional EBU's based on an assessment formula that equates the property's specific development status, type of development (land use), and size of the property, as compared to the single-family home site (Except for Zone 3). Although an Equivalent Benefit Unit method of apportionment is also applicable to properties within Zone 3, because this Zone is comprised of commercial/industrial properties only, the weighting factors applied in this Zone are slightly different than the weighting factors used for non-residential properties in other Zones.

For non-residential properties (zoned for commercial or industrial use), it has been determined that the most appropriate measure of special benefits derived from Consolidated District improvements is best represented by each parcel's proportional acreage. Although street front footage or building square footage are sometimes used as a measure of special benefit for non-residential properties, these standards of identifying proportional benefit can create inequities in apportioning the overall improvement costs. For example, an apportionment based on front footage alone overly weights corner properties and under-weights properties commonly referred to as flag parcels. The use of building square footages typically excludes properties that have not been developed, and alone is not a good indicator of overall property benefits with respect to landscaping and lighting improvements. However, the use of a parcel's acreage provides a fair and reasonable reflection of each parcel's benefit from the improvements by accounting for both the average front footage and average building footprint (square footage) that a commercial or industrial property would typically have. Therefore, in the Consolidated District, the EBU's assigned to non-residential properties are based on the total number of residential units that have historically been constructed on that same acreage in the City (estimated at 4 units per acre). However, for Zone 3 this weighting comparison to residential properties is not necessary since the Zone is comprised of non-residential properties only. It has been determined that the proportional benefit to each parcel in Zone 3 is directly related to the parcel's gross acreage (including their possessor interest in any common areas) and since the improvements benefit assessable properties in the Zone, a distinction between developed and undeveloped property is not appropriate.

The following identifies the various land use designations and application of EBU's currently used for apportioning improvement costs amongst properties within the Consolidated District and Zones therein:

EBU Application by Land Use:

Single-family Residential — This land use is defined as a fully subdivided residential home site with or without a structure. This land use is assessed 1.0 EBU per lot or parcel. This is the base value to which other land use types are compared and weighted (i.e. Equivalent Benefit Unit EBU).

Multi-family Residential — This land use is defined as a fully subdivided residential parcel that has more than one residential unit developed on the property. This land use is assessed 1.0 EBU per unit.

Planned Residential Development — This land use is defined as any property not fully subdivided with a specific number of proposed residential lots to be developed on the parcel. This land use type is assessed at 1.0 EBU per planned (proposed) residential lot.

Vacant Residential Property — This land use is defined as property currently zoned for residential development, but a tentative or final tract map has not been submitted and/or approved. This land use is assessed at 0.5 EBU per acre. Parcels less than 2 acres are assigned a minimum of 1.0 EBU. Parcels over 100 acres are assigned a maximum of 50 EBU.

Vacant Non-Residential Property— This land use is defined as property currently zoned for commercial or industrial use, but not specifically approved for commercial or industrial development. This land use is assessed at 1.0 EBU per acre. Parcels less than 1 acre are assigned a minimum of 1.0 EBU. Parcels over 50 acres are assigned a maximum of 50 EBU.

Developed Non-Residential Property — This land use is defined as property developed for either commercial or industrial use. This land use type is assessed at 4.0 EBU per gross acre except in Zone 3. Parcels less than 0.25 acres are assigned a minimum of 1.0 EBU and there is no maximum acreage cap, as is the case with Vacant Non-residential Property. In Zone 3 Developed Non-residential properties are assessed at 1.0 EBU per gross acre including any possessor interest in a common area.

Planned Non-Residential Development — This land use is defined as any property designated for commercial or industrial use for which specific development plans have been submitted or approved, or were included and identified as part of a specific commercial or industrial development project, but for which development of the property has not commenced or completion is not anticipated prior to the end of the fiscal year. This land use type is assessed at 2.0 EBU per gross acre except in Zone 3. Parcels less than half an acre are assigned a minimum of 1.0 EBU and there is no maximum acreage cap. In Zone 3 Planned Non-residential properties are assessed at 1.0 EBU per gross acre including any possessor interest in a common area.

Recreational or Limited Non-Residential Use — This land use is defined as property used for recreational or commercial use that is not part of the improvements provided by the Consolidated District. This land use classification may include, but is not limited to golf courses, commercial parking lot s or commercial properties for which less than ten percent of the total acreage has been developed. This land use is assessed at 2.0 EBU per gross acre. Parcels less than half an acre are assigned a minimum of 1.0 EBU and there is no maximum acreage cap.

Exempt Parcels — This land use identifies properties that are not assessed and are assigned 0.00 EBU. This land use classification may include, but is not limited to lots or parcels identified as public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas and right-of-ways including greenbelts and parkways; utility right-of-ways; common areas, sliver parcels and bifurcated lots or any other property that cannot be developed; park properties and other publicly owned properties that are part of the Consolidated District improvements or that have little or no improvement value. These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment.

Special Cases — In districts where multiple land use classifications are involved, there are usually one or more properties for which the standard land use classifications do not accurately identify the special benefits received from the improvements. For example, a parcel may be identified as a Vacant Residential property, however only a small percentage of the parcel's total acreage can actually be developed. In this case, an appropriate calculation would be based on the net acreage that can be utilized rather than the gross acreage of the parcel.

The following table provides a summary of land use types, land use code designations, the Equivalent Benefit Unit factor applied to that land use type, and the multiplying factor used to calculate each parcel's individual EBU.

Land Use Codes and Equivalent Benefit Units		
Property Type	**Equivalent Benefit Unit**	**Multiplier**
Single-family Residential	1	Unit/ Lot/ Parcel
Multi-family Residential	1	Units/ Dwelling Units
Planned Residential Development	1	Planned Residential Lot
Vacant Residential Property	0.5	Acreage
Vacant Non-Residential Property	1	Acreage
Developed Non-Residential Property (Excluding Zone 3)	4	Acreage
Developed Non-Residential Property (Zone 3 Only)	1	Acreage
Planned Non-Residential Development (Excluding Zone 3)	2	Acreage
Planned Non-Residential Development (Zone 3 Only)	1	Acreage
Recreational or Limited Non-Residential Use	2	Acreage
Exempt	0	Parcel

The benefit formula applied to parcels within the Consolidated District is based on the preceding EBU analysis. Each parcel's EBU correlates the parcel's special benefit received as compared to other parcels benefiting from the improvements.

The following formula is used to calculate each parcel's EBU (proportional benefit).

Parcel Type EBU x Acres or Units = Parcel EBU

The total number of Equivalent Benefit Units (EBU's) is the sum of individual EBU's applied to parcels that receive a special benefit from the improvement. An assessment amount per EBU (Rate) for each improvement is established by taking the total cost of the improvement to be assessed and dividing that amount by the total number of EBU's of parcels benefiting from the improvement. This Rate is then applied back to each parcel's individual EBU to determine the parcel's proportionate benefit and assessment obligation for that improvement.

Total Balance to Levy / Total EBU = Levy per EBU

Levy per EBU x Parcel EBU = Parcel Levy Amount

D. Assessment Range Formula

Any new or increased assessment requires certain noticing and meeting requirements. Prior to the passage of Proposition 218 (California Constitution Articles XIIIC and XIIID), legislative changes in the Brown Act defined a "new or increased assessment" to exclude certain conditions. These conditions included "any assessment that does not exceed an assessment formula or range of assessments previously adopted by the agency or approved by the voters in the area where the assessment is imposed." This definition and conditions were later confirmed through Senate Bill 919 (Proposition 218 implementing legislation).

The purpose of establishing an Assessment Range Formula is to provide for reasonable increases and inflationary adjustment to annual assessments without requiring costly noticing and mailing procedures, which could add to the Consolidated District costs and assessments. For the existing, new or increased assessments described in this Report, property owner protest ballot proceedings have been conducted pursuant to Article XIIID Section 4 of the California Constitution. With the exception of three Zones, the property owner protest ballot proceedings included the establishment of an initial Maximum Assessment Rate as well as an Assessment Range Formula for annual adjustments to this Maximum Assessment Rate for inflation, hereafter referred to as “Adjusted Maximum Assessment Rate or Rates”. [Exceptions: Properties within Zone 10A (Tracts 24799 and 29250); Zone 10B (Tracts 21560, 21560-2 and 23404); and Zone 12E (Tracts 23629 and 23629-1) have been balloted for a set Maximum Assessment Rate that does not include an inflationary adjustment].

The Adjusted Maximum Assessment Rate for each Zone is calculated annually and is independent of the Zone’s annual budget and proposed assessment (rate per EBU). Any proposed assessment rate less than or equal to this Adjusted Maximum Assessment Rate is not considered an increased assessment, even if the assessment rate is much greater than the assessment rate applied in the prior fiscal year. Beginning in the second fiscal year of assessments and each fiscal year thereafter, the Maximum Assessment Rates shall be recalculated, and new Adjusted Maximum Assessment Rates established.

Although the Adjusted Maximum Assessment Rate will increase each year, the actual Zone assessment rate in any given Zone may remain virtually unchanged. The Adjusted Maximum Assessment Rate is designed to establish a reasonable limit on each Zone’s annual assessments. The Adjusted Maximum Assessment Rate calculated each year does not require or facilitate an increase to the annual assessment, but also does not restrict assessments to the adjustment maximum amount. If the budget and assessment rate for the fiscal year do not require an increase, or the increase is less than the Adjusted Maximum Assessment Rate, then the required budget and proposed assessment rate may be applied without additional property owner balloting. If the budget and assessment rate calculated require an increase greater than the Adjusted Maximum Assessment Rate, then the assessment rate is considered an increased assessment, and to impose the increase, the City must comply with the provisions of the Constitution Article XIIID Section 4c, that require a public hearing and certain procedures including mailed notice of the hearing and a property owner protest balloting. Property owners, through the balloting process, must approve the proposed assessment increase. If the proposed assessment increase is approved, then a new Maximum Assessment is established for the Zone. If a majority protest exists, the City may not levy an assessment greater than the Adjusted Maximum Assessment previously established for the Zone. The Assessment Range Formula approved and adopted for each Zone (if applicable) shall be applied to future assessments within each respective Zone.

Property owners approved an annual adjustment to the Adjusted Maximum Assessment of three percent (3%) for the following Zones:

Zone 1	Copper Canyon	Zone 2	Grizzly Ridge
Zone 3	Cherry Street Business Park	Zone 4	Western Pacific Housing
Zone 5	Murrieta Ranchos	Zone 6	Fallsgrove
Zone 7	Copper Creek	Zone 8	Lincoln Ranch
Zone 9	Tapestry	Zone 13	Rancho Mira Loma
Zone 14	Sycamore Ranch	Zone 15	Greer Ranch
Zone 16	Mapleton	Zone 17	Country Gate
Zone 18	Vineyards	Zone 19	Murrieta Oaks
Zone 20	Blackmore Ranch	Zone 21	Murrieta Springs
Zone 22	US Home	Zone 23	Creekside Village
Zone 24	Springbrook / Murrieta Meadows	Zone 25	Alderwood (Golden Cities) Sub-zone A
Zone 25	Alderwood (Golden Cities) Sub-zone B	Zone 26	Murrieta Fields / Oakmont
Zone 27	Hunter's Ridge	Zone 28	Lantana
Zone 29	Gallery Estates	Zone 30	Murrieta 64 – KB Homes
Zone 31	Willow Springs		

Property owners approved an annual adjustment to the Adjusted Maximum Assessment of two percent (2%) for the following Zones:

Zone 10	CSA #143	Zone 11	Sub-zone A – Highway 79
Zone 11	Sub-zone B – Hunter Road	Zone 12	Sub-zone A
Zone 12	Sub-zone B	Zone 12	Sub-zone C
Zone 12	Sub-zone D	Zone 12	Sub-zone F

There are no inflationary factors for the following Zones:

Zone 10	Sub-zone A	Zone 10	Sub-zone B
Zone 12	Sub-zone E		

IV. CONSOLIDATED DISTRICT BUDGETS

The following pages provide the proposed budgets and assessment rates for each of the Zones and Sub-zones within the Consolidated District for fiscal year 2026/2027. These budgets include the City's estimate of expenditures, deficits, surpluses, revenues, and reserves. Each parcel within a Zone is assessed proportionately for only those improvements that provided special benefits to the parcel at the proposed budgeted assessment rate.

Appendix A – Consolidated District Boundary Maps

The voluminous Boundary Diagrams for the Zones have previously been submitted to the Clerk of the City in the format required under the 1972 Act and are made part of this Report by reference.

The parcel identification, lines and dimensions of each parcel within the District are those lines and dimensions shown on the Assessor Maps of Riverside County for the year in which this Report was prepared and is incorporated by reference and made part of this Report.

Appendix B – Assessment Roll

Parcel identification, for each lot or parcel within the Consolidated District, shall be the parcel as shown on the Riverside County Assessor's parcel maps for the year in which this Report is prepared.

Non-levied lots or parcels include areas of public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas and rights-of-ways including public greenbelts and parkways; utility rights-of-way; common areas (such as in condominium complexes); landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed; and park properties and other publicly owned, government-owned, public utility-owned properties that have little or no improvement value. These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from rates and charges.

The land use classification for each parcel has been based on the Riverside County Assessor's Roll or updated data provided by the City. A listing of parcels charged within this Consolidated District, along with the proposed levy amount has been submitted to the City Clerk, under a separate cover, and by reference is made part of this Report.

At the conclusion of the public hearing for the Consolidated District, the City Council may amend this Report or approve the Report as submitted. Approval of the Report (as submitted or as modified) confirms the method of apportionment and the rates and charges to be levied against each eligible parcel and thereby constitutes the approved levy for fiscal year 2026/2027. The listing of parcels and the amount of charges to be levied shall be submitted to the County Auditor/Controller and included on the property tax roll for each parcel in fiscal year 2026/2027.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and rates approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the levy amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and rate rather than a proportionate share of the original charge.

A copy of the fiscal year 2026/2027 Consolidated Lighting and Landscape District Preliminary Assessment Roll is on file with the Clerk of the City and is made part of this Report by reference.

CITY OF MURRIETA
City Council Meeting Agenda Report

7/7/2026
Agenda Item No. 16.

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: Brian Ambrose, Community Services Director

PREPARED BY: Crystal Arora, Management Analyst - Parks & Recreation

SUBJECT:
Public Hearing of the Murrieta Community Services District to Consider Ordering the Levy and Collection of Annual Assessments

ABSTRACT

The following agenda report requests that the Community Services District Board of Directors' hold a public hearing, approve the final Engineer's Annual Levy Report, and order the collection of the rates and charges within the Murrieta Community Services District. A public hearing is held annually to review the rates and charges of the Murrieta Community Services District.

RECOMMENDATION

Conduct the public hearing; and

Amend the Fiscal Year (FY) 2026/27 Operating Budget to reflect revenue budget and expenditure appropriations across all Community Services District Local Zones to include final totals from the Engineer's Report; and

Adopt Resolution No. CSD 26-288 entitled: *A Resolution of the Board of Directors of the Murrieta Community Services District (1) Approving the Engineer's Annual Levy Report for the Levy and Collection of Rates and Charges within the Murrieta Community Services District for Fiscal Year 2026/27, and (2) Ordering the Levy and Collection of Rates and Charges within the Murrieta Community Services District for Fiscal Year 2026/27;* and

Direct the Board Secretary to file the levy with the County Auditor upon adoption.

PRIOR ACTION/VOTE

On May 5, 2026, the Board of Directors approved Resolution No. CSD 26-287, preliminarily approving the Fiscal Year 2026/27 Engineer's Report and setting a public hearing date for July 7, 2026 (Vote: 5-0).

STRATEGIC ALIGNMENT

This item aligns with the City Council goal of: maintaining a high performing organization that values fiscal sustainability, transparency, accountability and organizational efficiency relating to an administrative priority.

DISCUSSION

On May 5, 2026, the Community Services District (CSD) Board of Directors (Board) adopted a resolution for the approval of the preliminary Engineer's Levy Report (Report) and initiated proceedings for the levy and collection of annual assessments to be placed on the County tax rolls for parcels within the limits of the Murrieta Community Services District. There were no proposed changes by the Board, and the final Engineer's Annual Levy Report, including the annual assessments, is presented herein for approval. The Report is an exhibit to the attached Resolution. These assessments provide funding for costs and expenses required for the following services provided by the CSD for Fiscal Year 2026/27:

a) Local Benefit Zone: Personnel and expenditures required for maintenance, servicing, and operations of the local parks and open space areas, local perimeter and parkways, and local street lighting; and

b) Exempt Services: Personnel and expenditures required for maintenance, servicing, and operations of flood/drainage control improvements, and street sweeping services.

The "Local Benefit Zones" span fourteen (14) zones. The rates and charges (Assessments) to each Assessor's Parcel Number (APN) in its respective zone is directly related to the improvements, the number and types of services provided, the cost associated with those improvements and services, and the number and types of parcels that benefit from those improvements. Much of the development within the City consists of planned developments, referred to as Specific Plans. Most of the zones can be identified geographically by Specific Plan boundaries or by individual tract boundaries. The annual assessments associated with local improvements are budgeted separately for each zone and charged to only those APNs or parcels that benefit from those improvements and services. The annual assessment for each zone varies and is based on the services received, ranging from $45.44 for just flood/drainage control and street sweeping to $751.16, which also includes landscape maintenance and local street lighting in a commercial business center. Please refer to the charts on pages 19-21 of the Engineer's Report for each zone assessment.

The annual assessments are for "Exempt Services" for flood/drainage control at $39.72 per APN and street sweeping at $5.72 per applicable APN in specific residential tracts and developments. These improvements and services continue to be levied at the same rates and methods of apportionment established prior to the adoption of Proposition 218.

Pursuant to the CSD Code, annual notices were mailed to each parcel owner subject to the annual rates and charges, indicating that an Engineer's Report has been filed, and the time and place of the Public Hearing to be held before the Board. Following consideration of public comments and any written protests presented to the Board, the Board may order amendments to the Engineer's Report or approve the report and confirmation of the rates and charges. The Board may then order the levy and collection of the charges for Fiscal Year 2026/27 through approval of the presented resolution.

History

The CSD was formed in 1993 with rates and charges set and established annually pursuant to *Community Services District Law 61000, Section 61621* (repealed in 2005 and replaced with *Section 61115), Title 6, Division 3 of the California Government Code* (CSD Code) and in compliance with the substantive and procedural requirements of the *California State Constitution Article XIIID*. The parcels receiving this assessment are identified by their own APN. The County Auditor/Controller uses APNs to identify on the tax roll properties charged for this special district benefit. In accordance with the State Constitutional amendments

set forth in Proposition 218 (approved by California voters in November 1996), the costs and rates and charges associated with the services and improvements by the CSD were re-established for the services listed above.

In 1997, the Board initiated and conducted property owner protest ballot proceedings establishing the charges for the local improvements and services in each zone. The property owners approved the local benefit assessments for each zone that established a maximum rate for each zone. ***These assessments have not increased for this next fiscal year and continue to be levied at the rate approved by the property owners in 1997.*** Any future increase to the approved assessments will require additional property owner ballot proceedings and approval by the affected properties.

PUBLIC NOTICING

The agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Council considers the item). Property owners within the Community Services District received notice of the public hearing as required by state law.

CEQA AND REGULATORY OVERVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly.

FISCAL IMPACT

The CSD levy assessment amount for Fiscal Year 2026/27 is estimated to total $2,882,186.13. The levy and collection of these annual assessments will help pay for the costs associated with the services provided by the CSD.

RESOLUTION NO. CSD 26-288

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE MURRIETA COMMUNITY SERVICES DISTRICT, (1) APPROVING THE ENGINEER'S ANNUAL LEVY REPORT FOR THE LEVY AND COLLECTION OF RATES AND CHARGES WITHIN THE MURRIETA COMMUNITY SERVICES DISTRICT FOR FISCAL YEAR 2026/27, AND (2) ORDERING THE LEVY AND COLLECTION OF RATES AND CHARGES WITHIN THE MURRIETA COMMUNITY SERVICES DISTRICT FOR FISCAL YEAR 2026/27

WHEREAS, on May 5, 2026, the Board of Directors (Board) of the Murrieta Community Services District (District), pursuant to the provisions of the Community Services District Law, California Government Code section 61000, et seq. (Code), initiated proceedings for and declared its intent to levy and collect rates and charges within the District for Fiscal Year 2026/27; and

WHEREAS, on May 5, 2026, the Board caused notice to be given of the filing of the Engineer's Annual Levy Report and of the time and place of the public hearing regarding the proposed rates and charges within the District for Fiscal Year 2026/27, in accordance with Government Code section 61115; and

WHEREAS, on July 7, 2026, the Board received and reviewed the Engineer's Annual Levy Report for Fiscal Year 2026/27, prepared by Willdan Financial Services (Report), which, pursuant to the Code, describes the rates and charges against parcels of land within the District for the fiscal year commencing July 1, 2026, and ending June 30, 2027, and provides for the collection of rates and charges by the County of Riverside for the District to pay for the operation, maintenance and services that the District is authorized to provide by the Code; and

WHEREAS, the Board has examined and reviewed the Report and is satisfied with the District, the budget items and documents set forth therein, and is satisfied that the proposed rates and charges have been apportioned in accordance with the benefits received from the improvements, operation, maintenance, and services to be performed within the District and each benefit zone, as set forth in the Report; and

WHEREAS, the rates and charges described in the Report are consistent with the charges approved by the property owners within the District, in accordance with the requirements of the California Constitution, Article XIII D, and the remaining exempt charges are levied pursuant to applicable law and the existing rate and method of apportionment described in the Report; and

WHEREAS, following notice duly given, the Board has held a full and fair public hearing regarding its approval of the Report and the levy and collection of rates and charges, and has considered oral and written statements, protests and communications made or filed by interested persons; and

WHEREAS, the Board desires to approve the Report and levy and collect rates and charges against parcels of land within the District for Fiscal Year 2026/27 to pay for the operation, maintenance and services authorized for the District.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE MURRIETA COMMUNITY SERVICES DISTRICT AS FOLLOWS:

Section 1. That the Report is ordered to be filed in the Office of the Secretary of the Board as a permanent record and to remain open to public inspection.

Section 2. Based upon its review (and amendments, if any) of the Report, a copy of which has been presented to the Board and which has been filed with the Secretary of the Board, the Board hereby finds and determines that:

a) The parcels charged within the District receive benefit from the operation, maintenance and services and appurtenant facilities and administration related thereto; and

b) The District includes the lands so benefited; and

c) The net amount to be charged against the lands within the District is either exempt from Article XIII D of the California Constitution or, where applicable, consistent with the rates and charges previously approved by the property owners within the affected areas of the District, and is apportioned by a formula and method that fairly distributes the net amount among affected parcels in proportion to the benefits received by each parcel.

Section 3. That the Report and rates and charges described therein, as presented to the Board or as amended by the Board, are hereby approved.

Section 4. That the Board hereby orders the continued provision of the services, facilities, operation, and maintenance described in the Report, which are briefly described as follows: street lighting, landscaping, flood and drainage control, park and open space maintenance, street sweeping and related appurtenant facilities, and administration authorized for the District.

Section 5. That reference is hereby made to the Report for a description of improvements, the boundaries of the District and zones within the District, and the proposed rates and charges upon lots and parcels of land within the District.

Section 6. That the maintenance, operation, and services shall be performed pursuant to the Code. The County Auditor of the County of Riverside shall enter the amount of the charges and penalties against each affected parcel of real property as they appear on the current assessment roll. The County Tax Collector shall include the amount of the charges and penalties on the tax bills for each affected parcel of real property and collect the charges and penalties in the same manner as property taxes. After collection by the County, the net amount of the charges and penalties shall be paid to the City Treasurer.

Section 7. That the Treasurer of the City of Murrieta shall deposit money representing rates and charges collected by the County for the District to the credit of the Murrieta Community Services District and such money shall be expended only for the maintenance, operation, services and administration as described in Section 4.

Section 8. That the adoption of this Resolution constitutes the Board's approval of the Report and its order for the levy and collection of rates and charges for the fiscal year commencing July 1, 2026, and ending June 30, 2027.

Section 9. That the Secretary of the Board is hereby authorized and directed to file with the County Auditor, a copy of the final Report adopted by the Board.

PASSED, APPROVED AND ADOPTED this 7th day of July, 2026.

I. OVERVIEW

A. INTRODUCTION

The Murrieta Community Services District ("District") was formed in 1992 through a resolution of the Local Agency Formation Commission (LAFCO) under provisions of the District Reorganization Act, and pursuant to the provisions of the California Government Code, Section 56100, to continue services previously provided by Riverside County ("County"). The boundaries of the original District and the subsequent annexations have been approved by LAFCO, and the boundaries of the District are coterminous with the boundaries of the City of Murrieta ("City"). The District was formed with rates and charges set and established annually pursuant to Section 61000, et seq., Title 6, Division 3 "Community Services Districts" of the California Government Code, (the "CSD Code") and in compliance with the substantive and procedural requirements of the California State Constitution Article XIIID (the "Constitution").

This Engineer's Annual Levy Report ("Report") describes the District, any changes to the District and the proposed rates and charges for fiscal year 2026/2027 based on the estimated budget (cost) to provide services and maintain improvements within the District. Each eligible parcel charged receives direct benefit from various improvements and services provided through the District. Charges are apportioned by a formula and method that fairly distributes the net amount to provide each improvement and service among the eligible parcels in proportion to the benefits to each parcel.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number ("APN") by the County Assessor's Office. The County Auditor/Controller uses APNs and specific Fund Numbers to identify on the tax roll properties charged for special district benefits.

Pursuant to the CSD Code annual notices are mailed to the parcels subject to the annual rates and charges indicating that a Report has been filed and the time and place of the Public Hearing to be held before the Community Services District Board of Directors ("Board"). At the Public Hearing, the Board shall allow the public an opportunity to hear and be heard regarding the District. Following consideration of the public comments and any written protest, the Board may order amendments to the Report. Following final approval of the Report and confirmation of the rates and charges therein, the Board may then order the levy and collection of the charges for fiscal year 2026/2027. In such case, the levy information will be submitted to the County Auditor/Controller and included on the property tax roll for each parcel in fiscal year 2026/2027.

B. DISTRICT BACKGROUND

Historically, the District provides services and the maintenance of specific improvements within public right-of-ways and dedicated landscape easements that

benefit various parcels and properties throughout the City. Pursuant to the original formation documents, the District has the authority to provide and collect charges for several services and improvements. These services and improvements encompass but are not limited to eight (8) different categories. The categories of services and improvements that may be provided through the District include:

- Community Parks and Recreation Services
- Law Enforcement
- Landscape Maintenance
- Street Lighting
- Street Sweeping
- Trash Control (Refuse Collection/Recycling)
- Traffic Signals
- Flood/Drainage Control

Although the District is authorized to provide a wide range of services and improvements, only flood/drainage control, street sweeping, street lighting and landscape maintenance service continue to be levied as District rates and charges. In fiscal year 1995/1996 the rates and charges for law enforcement and trash control (Refuse Collection/Recycling) were no longer budgeted or levied through the District.

In accordance with the Constitutional amendments set forth in Proposition 218 (approved by California Voters in November 1996) the costs and charges associated with the services and improvements provided by the District were reviewed. The improvements and services provided by the District and the corresponding charges were identified as general benefit, special benefit, or exempt charges. Based on this review, the following changes were made to the District in fiscal year 1997/1998:

- Those services and improvements identified primarily as general benefit were eliminated and no longer levied through District rate and charges, including the rates and charges for Traffic Signals, the Community Parks and Recreation services.
- The costs and charges associated with flood/drainage control improvements and street sweeping services throughout the District were determined to be exempt from the substantive and procedural requirements of the Constitution (Articles XIIID Section 5a). These improvements and services continue to be levied at the same rates and method of apportionment established prior to the Constitutional amendment.
- The rates and charges for the remaining improvements, services and associated costs were identified as special benefits and subject to both

the substantive and procedural requirements of the Constitution. Parcels receiving special benefits from these various improvements and services were identified and the applicable rates and charges to the affected properties within the District were submitted to the property owners for approval. The Board initiated and conducted property owner protest ballot proceedings for the special benefit (local improvement) charges applicable to the various Zones within the District and the properties within those Zones. The property owner ballots returned were tabulated separately for each Zone to determine if majority protest existed. The tabulation of the ballots indicated that majority protest did not exist and that the property owners approved the special benefit rates and charges for the improvements and services within each of the District Zones. The rates and charges approved by the property owner balloting established a maximum rate for each of the local services and improvements provided in each Zone. Any future increase to the approved rates and charges will require additional property owner ballot proceedings and approval of the affected properties.

Although many of the charges historically levied for the District have been eliminated, the District continues to have the authority to provide the original services and to levy rates and charges for these services, provided the charges are in compliance with the provisions of the Constitution. For example, although the District no longer includes refuse and recycling collection charges as part of the regular District charges, the District has the authority to levy such charges. The costs associated with this service are currently billed directly by the waste hauler to each of the property owners receiving this service, but the District may still levy a charge against properties as deemed necessary by the Board for services rendered by the District or its contractor related to refuse collection, recycling, weed abatement or nuisance abatement.

II. DESCRIPTION OF THE DISTRICT

A. SERVICES

The following describes the services and improvements authorized and currently provided by the District. Those improvements and services identified as “General Benefit” are not funded through District rates and charges. The services and improvements identified as flood/drainage control or street maintenance (street sweeping) are classified as “Exempt Benefits” and levied district-wide utilizing the rates and method established prior to the passage of Proposition 218 (Expenses not recovered through District charges will be funded from other revenue sources). Those District services and improvements identified as “Special Benefits” and the corresponding charges were approved through a property owner protest ballot proceeding and shall be levied at a rate equal to or less than the amount approved

by the property owners. Any subsequent increase to rates and charges shall be subject to the procedural and approval process required by law.

Flood/Drainage Control — This service provides for the maintenance and improvement of detention basins, storm drains, landscaped slopes, flood channels, parkland and open space areas that are directly related to flood/drainage control throughout the City. The District charges related to the maintenance of these improvements are identified as exempt from the substantive and procedural requirements of the Constitution at the current rate and method of apportionment. The funds required for flood/drainage control within the District that are not funded by rates and charges are provided through other revenue sources.

Street Sweeping — The District contracts with professionals for regular street sweeping services of paved streets that the District has contracted to sweep. This service helps ensure both the beauty of the City and the quality of life for the property owners. Since the primary function of street sweeping is to maintain the roads and drainage system from debris, the charges associated with this service (local street sweeping) are identified as exempt from the substantive and procedural requirements of the Constitution at the current rate and method of apportionment. Although this service is applicable district-wide, the charge is applied to only specific residential tracts and developments where local street sweeping services are performed (in-tract and adjacent streets), including the new residential developments. Street sweeping on the major streets and arterial streets (Citywide services) are funded through other revenue sources and are not part of the street sweeping charges levied through the District. The parcels, tracts, subdivisions, and developments that are provided local street sweeping services proportionately share in the costs associated with this service.

Local Landscape Maintenance — This service provides for labor, material, administration, personnel, equipment, and utilities necessary to maintain landscaped improvements within the public right-of-ways, parkways, slopes, local parks, open space areas and other public easements funded by the District. Improvements include, but are not limited to: turf, ground cover, shrubs, trees, hardscape, irrigation systems, lighting, water features, playground equipment, fencing, entry monuments, drainage systems and associated appurtenances. The parcels that receive special benefit from the improvements proportionately share in the improvement costs. The local parks and landscaped areas maintained by the District provide a special benefit to various developments that may include parcels within specific commercial developments, residential tracts, individual residential units, and multi-family residential units. Parcels in the District are charged for only the local parks and landscape improvements and services that are considered a special benefit to the parcels within each respective Zone.

Street Lighting — Street lighting is provided throughout the City including those on major streets and intersections as well as locally (within specific developments). The City pays Southern California Edison Company to furnish power and perform

maintenance and repairs for the streetlights. The costs associated with streetlights on the arterial and major streets have been identified primarily as a general benefit and these costs are not budgeted or levied through the District rates and charges. Local street lighting is identified as a special benefit to the parcels within the developments that have these facilities. These improvements provide no measurable benefit to the public at large and therefore, local street lighting improvements provided through the District are funded by the benefiting parcels through annual rates and charges.

B. BENEFIT ZONES

The District provides some improvements and services that benefit the eligible parcels within the District, while other improvements and services benefit specific areas or groups of parcels. To address these differences, the District is comprised of fourteen (14) Zones, each identified with specific improvements, and combinations of services or types of service that benefit the parcels within that Zone. The overall charge to each parcel within the District and respective Zone is directly related to the improvements, the number and types of services provided, the cost associated with those improvements and services, and the number and types of parcels that benefit from those improvements.

Much of the development within the City of Murrieta consists of planned developments referred to as Specific Plans. Within each of these Specific Plan areas, the services and improvements provided by the District specifically benefit the parcels in that particular area and were installed as an integral part of developing the area. To this extent, most of the Zones within the District can be identified geographically by Specific Plan boundaries or by individual tract boundaries.

The costs associated with the exempt improvements (flood/drainage control and street sweeping) are budgeted district-wide and apportioned to each of the Zones based on the total proportionate benefit of parcels within that Zone. However, the costs associated with local improvements are budgeted separately for each Zone and charged to only those parcels that benefit from those improvements. The Zones within the District were created to identify specific developments or regions of the District that have similar local improvements provided to properties within that area (similar benefits). However, within a particular Zone some parcels may be charged different amounts for local improvements depending on their special benefit and association with each type of improvement provided. While most parcels within a Zone typically benefit from similar improvements (i.e., landscaped parkways, local parks, and street lighting), some parcels (specific developments) may not benefit from one or more of these improvements. These parcels are charged for only those improvements that benefit the property and are not charged for the other local improvements that may be provided in that Zone.

The following is a brief description of the Zone designations and their general geographical location:

- **Zone A** — Parcels within this Zone include the areas known as Alta Murrieta and Rancho Acacia Specific Plans. This Zone is generally located East of Interstate 215, West of the Rancho California Line, South of the Murrieta City Limits and North of Murrieta Hot Springs Road. The major streets in this Zone include Whitewood Road, Los Alamos Road, and Alta Murrieta Drive.

- **Zone B** — Parcels within this Zone include the area generally known as the California Oaks Specific Plan. This Zone generally includes developments and planned developments East of Interstate 15, West and South of the Murrieta City Limits and North of Los Alamos Road including the gated community known as the Colony. The major streets in this Zone include California Oaks Road, Jackson Avenue, Nutmeg Street and Clinton Keith Road.

- **Zone C** — Parcels within this Zone are known as the Jefferson Avenue Development. This Zone includes specific tracts along Jefferson Avenue North of Lemon Street and South of the Murrieta City Limits. This Zone includes but is not limited to the Antigua development (Tracts 216191-01, 22346-00, and 22603-00); the Montafino development (Tract 21759-00); and the San Raphael development (Tract 23127-00).

- **Zone D** — Parcels within this Zone include the area known as the Rancho Las Brisas Specific Plan. This Zone consists of developments and planned developments between California Oaks Road and Interstate 215, North of Murrieta Hot Springs Road. The major streets in this Zone include Los Alamos Road, Hancock Avenue and Las Brisas Road.

- **Zone E** — Parcels within this Zone are known as the Washington Avenue Development. This Zone includes but is not limited to specific tracts west of Washington Avenue just South of Lemon Street. This Zone includes the Northfork Development and the Standard Pacific Development (Tracts 23095).

- **Zone F** — Parcels within this Zone are known as the Rancon Business Center. This Zone includes the commercial development and planned commercial development between Jefferson Avenue and Adams Avenue, North of Reagan Avenue and South of Elm Street known as the Rancon Business Center.

- **Zone G** — Parcels within this Zone are known as the Rural Development. This Zone generally includes the parcels within the original District boundaries that were not within a Specific Plan area or planned development. This Zone includes a large number of undeveloped parcels, rural residential parcels, older residential tracts and both new and older commercial developments.

- **Zone H** — Parcels within this Zone are known as the Spirit and Continental developments of the Bear Valley area. These developments are located South of Clinton Keith Road near Calle Del Oso Oro. This Zone includes the Spirit development (Tracts 23879-00, 23879-01, 23879-02, and 23879-03); and the Continental Homes development (Tracts 23880-00 and 23881-00).

- **Zone I** — Parcels within this Zone are known as the Vineyard Knolls. This Zone is located South of Clinton Keith Road near Calle Del Oso Oro and is within the area known as the Bear Valley. This Zone includes the Vineyard Knolls development (Tract 21419-00). This particular development currently has a Homeowner's Association that maintains the local landscape amenities in and around the development.

- **Zone J** — Parcels within this Zone are mainly within the gated community development known as Bear Creek. This Zone is just South of the Murrieta City Limits and North of Clinton Keith Road. This particular Zone currently has a Homeowner's Association that services and maintains the local streetlights and landscape amenities in and around the development.

- **Zone K** — Parcels within this Zone originally consisted of the planned development areas within the region known as Bear Valley that had not been previously subdivided. As development progressed in this region, Landscaping and Lighting Districts were formed to provide for local improvements associated with new developments and the properties within these developments were re-designated within the District as Zone L. The remaining parcels within Zone K now include only the development known as Lake Villas Bear Valley (Tracts 21370-00 and 21370-01) adjacent to Bear Creek.

- **Zone L** —This Zone was originally established in the District in fiscal year 1999/2000 as a result of new development within the City after the original District Zones (A through K) were balloted and established in fiscal year 1997/1998. Parcels within this Zone consist of new developments within the District that are subject to exempt charges (flood/drainage control and street sweeping), but their local improvements are funded and levied through other revenue sources (specifically, the Murrieta Consolidated Landscape Maintenance District). This Zone will continue to be expanded in future years to identify parcels, properties, and subdivisions throughout the District for which their local landscaping and lighting improvements are funded through another District rather than through the Community Services District.

- **Zone M** — Parcels within this Zone consist of the territory annexed to the City of Murrieta in February 1999 and included in the District charges beginning in fiscal year 2000/2001. This Zone and territory are generally

located East of Interstate 215, South of Scott Road and North of Clinton Keith Road and includes a number of undeveloped parcels, new developments, and some rural residential parcels. Most of the properties within this Zone are part of a proposed Specific Plan Area known as the Golden City/Murrieta Highlands area. Properties within Zone M are subject to exempt District charges (flood/drainage control and street sweeping) based on their current land use. However, the services in this Zone may be expanded in future years to include specific improvements and services necessary for the development of properties within this region of the City. These new services and improvements may be added to the District rates and charges or funded through other special districts. The new residential subdivisions developed in this area since the territory was annexed to the City and District, are being conditioned to form and/or annex to a Landscaping and Lighting District to fund their local improvements.

- **Zone N –** Parcels within this Zone consists of the territory annexed to the City of Murrieta and the District in fiscal year 2002/2003 (July 2002). This Zone is generally South of Clinton Keith Road, West of Winchester Road, North of the Murrieta/Temecula City Limits and East of the previously established Murrieta City Limits. The properties within this annexation territory include both developed and undeveloped properties including several residential tracts. Properties within this Zone are subject to exempt District charges (flood/drainage control and street sweeping) based on their current land use. In conjunction with the annexation of this territory to the City and District, several Landscaping and Lighting Districts were formed in fiscal year 2002/2003 to continue the maintenance and operation of local landscaping and lighting improvements previously provided to specific developments by County Service Area 143, County Service Area 103, or Valleywide Park and Recreation District. These properties and developments are now part of the Consolidated Landscaping and Lighting District.

III. CHANGES TO THE DISTRICT

A. GENERAL PROVISIONS

Modifications to the District structure, if any, could include, but are not limited to: changes in the types of services provided; changes or expansion of existing services; addition of new Zones or restructuring of the current Zones; annexation of parcels into the District; addition or restructuring of services or service levels; or revisions in the method of apportionment.

B. HISTORICAL CHANGES TO THE DISTRICT

Prior to the levy of rates and charges for fiscal year 1997/1998, an extensive review of the District was conducted to ensure full compliance with both the substantive and procedural requirements set forth in the California Constitution Article XIIID. This review resulted in the following:

- General Benefit services and improvements were eliminated from the District rates and charges. These improvements and services included recreational services and programs, much of the arterial and park landscaping, arterial street lighting and traffic signals.
- Services and improvements related to street maintenance and flood/drainage control were carefully reviewed and identified within the District. The existing cost and charges related to these improvements and services were identified as exempt from the substantive and procedural requirements of the Constitutional amendment. These improvements and services include portions of landscaped slopes, open space areas, park areas, detention and retention basins specifically identified as flood/drainage control areas; as well as local street sweeping services. Although the City provides street sweeping on arterial and major streets, this service was not funded through District charges prior to fiscal year 1997/1998 and therefore not included as part of the exempt charges. The rates and charges for flood/drainage control and street sweeping were fixed at the existing rates and method of calculation, which means the only increase in revenue for these services will be the result of parcel land use changes, parcel subdivisions, or annexations to the District.
- Local improvements that provide special benefit to specific parcels were identified. These improvements included local parks, open space areas, perimeter and parkway landscaping, slope landscaping, and local street lighting and were identified and associated with specific Zones and the parcels within those Zones. At that time, there were eleven Zones (A through K), each representing regional areas of the District and the improvements and services provided in those areas. These local improvements and the costs associated with the improvements including personnel and administration were apportioned to each parcel benefiting from the specific improvements in each Zone to establish a maximum rate and charge. The property owners, through the required balloting process subsequently approved the maximum rate and charges for these improvements and services in each Zone.

  In conjunction with establishing the maximum local improvement rate and charges in each of the Zones, the method of apportionment was reviewed and modified to directly reflect the special benefits provided to the properties within each Zone. Most of the local improvements and services are specifically related to the residential developments within the Zones including parcels within specific residential subdivisions,

individual single family residential units, and multi-family residential units, however there are some exceptions such as Zone F (Rancon Business Center), which includes only commercial and industrial properties.

Although the Community Services District has the authority to provide a wide range of services and improvements, it was recognized that as the City continues to grow, creating numerous benefit zones within the District to address specific local and special benefit improvements for new developments was not efficient. Therefore, in fiscal year 1999/2000 the City began to establish Landscaping and Lighting Districts to address local improvements associated with most of these new developments. A new zone “Zone L” was established within the District to identify these properties and developments. Properties designated as “Zone L” continue to be subject to District rates and charges for flood/drainage control and street sweeping, but their local landscaping and lighting improvements are provided through a landscaping and lighting district.

In fiscal year 2000/2001 “Zone M” was established within the District. This zone designation identified the territory annexed to the City and the District in February 1999 and is commonly known as the Golden City/Murrieta Highlands area. Properties within this Zone are subject to exempt District charges (flood/drainage control and street sweeping). As this area develops, the improvement and services provided to this region of the City will likely require additional funding. This funding may be from other revenue sources or from an expansion and increase of the District charges. An increase to the District rates and charges would require property owner ballot proceedings.

In fiscal year 2002/2003 “Zone N” was established within the District to designate the territory annexed to the City and the District in July 2002. Properties within this Zone are subject to exempt District charges (flood/drainage control and street sweeping). However, unlike Zone M, which was largely undeveloped at the time of annexation, this annexation territory was comprised of several existing commercial and residential developments. For most of the residential developments, local landscaping and lighting improvements were being funded by assessments through a County Service Area or the Valley-wide Park and Recreation District. Rather than establishing several new zones within the District for these special benefit improvements, the City converted the pre-existing assessments to assessments levied under the provisions of the Landscaping and Lighting Act of 1972. These developments are now designated as Zone L and the remaining parcels within the annexation territory are included in Zone N. In conjunction with this annexation, the apportionment of rates and charges for flood/drainage control applied to mobile homes within a mobile home park or development was reduced from one (1.0) benefit units per mobile home to half (0.5) benefit units per mobile home. This modification is now applied to this Land Use classification throughout the District. This change did not impact or increase the rates and charges to any other Land Use classification.

IV. METHOD OF APPORTIONMENT

A. GENERAL

The revenues collected through District rates and charges will partially cover annual operation and maintenance costs, and administrative expenses related thereto, as stated in the Budget section of this Report. Since the rates and charges are for the annual operation, maintenance and servicing of the improvements, the cost of providing these improvements shall be established annually and there is no prepayment option afforded to the property owners.

The CSD Code permits the establishment of rates and charges for the purpose of providing certain public improvements and services authorized for the Agency. The cost to provide services within the District is fairly distributed among each eligible parcel based on the services and improvements provided to that parcel. The formula used to determine rates and charges is based on the land use, size, development limitations, and development status of each parcel as compared to other parcels that benefit from a specific improvement or service.

Section 4 of the Constitution requires that a parcel's charge may not exceed the reasonable cost of the proportional special benefit conferred on that parcel and further requires that the District must separate the general benefits from the special benefits, only levying charges for special benefits. (The existing charges for streets and flood/drainage control services are considered exempt charges under the provisions of the Constitution unless the charge is increased).

B. SPECIAL BENEFIT ANALYSIS

The formula used for calculating the District charges reflects the composition of the parcels, the improvements and services provided, and fairly apportions the costs to each parcel. Pursuant to the provisions of the Constitution, properties may only be levied charges for improvements and services that are identified as either exempt charges or special benefit charges.

Exempt Rates and Charges

It has been determined that the rates and charges associated with flood/drainage control improvements and street sweeping services throughout the District were identified as exempt charges pursuant to the Constitution, Section 5a. The rates and method of apportionment established prior to the passage of Proposition 218 shall be applied to the future charges for these services. The costs associated with streets and flood/drainage control related services and improvements have historically been levied as a district-wide service to specific property types. Because the rates and charges for these services and improvements are considered

exempt, at their current rate they will continue to be spread district-wide utilizing the existing Equivalent Benefit Unit (EBU) method of apportionment.

Special Benefit Rates and Charges (Local Improvements)

The improvement and services identified and levied as local improvement charges in various Zones of the District enhance the desirability of the benefiting properties by the presence of well-maintained local parks, parkway landscaping, open space areas, street lighting and appurtenant facilities in close proximity to those properties. Having well-maintained local landscaping and local park improvements means that the assessed properties and property owners may enjoy the benefits of having such improvements associated with their property.

The special benefits associated with landscape improvements, open space areas and local parks include:

- The aesthetic value of green space.
- Improved aesthetic appeal of nearby parcels.
- Enhanced adaptation of the urban environment within the natural environment.
- Improved erosion resistance.
- Improved dust and debris control.
- Enhanced availability and access to nearby open space areas, parks and facilities that are safe and well maintained for the local residents and their families.
- Reduced noise and air pollution (environmental enhancement).
- Enhanced sense of pride within the development and community.
- Reduced property-related crimes (especially vandalism) against properties through the abatement of graffiti.

The special benefits of local street lighting are the convenience, safety, and security of property, improvements, and goods. Specifically:

- Enhanced deterrence of crime and the aid to police protection.
- Increased nighttime safety on roads and highways.
- Improved ability of pedestrians and motorists to see.
- Improved ingress and egress to property.
- Reduced vandalism and other criminal acts and damage to improvements or property.

- Improved traffic circulation and reduced nighttime accidents and personal property loss.
- Increased promotion of business during nighttime hours in the case of commercial properties.

The preceding special benefits contribute to a specific enhancement and desirability of each of the benefiting parcels within the District Zones.

General Benefits

Those services and improvements that were previously provided by the District but were considered (in whole or in part) to be a general benefit to the public at large are no longer levied through the District charges. These improvements and services included recreational services and programs, portions of the landscape improvements on arterial streets and within the community parks, arterial street lighting and traffic signals.

C. RATE AND CHARGES METHODOLOGY

Equivalent Benefit Units:

To apportion property benefits equitably, it is necessary to relate the different types of parcels benefiting from specific improvements to each other. The Equivalent Benefit Unit (EBU) method of apportioning benefits is typically seen as the most appropriate and equitable methodology for maintenance type districts, as the benefit to each parcel from the improvements are apportioned as a function of land-use type, size, and development. This method of apportioning benefits typically uses the single-family home as the base unit of comparison (A single family home is assigned one EBU). Every other land-use is converted to EBU's based on a formula that equates the property's specific land-use to a single-family home and is considered appropriate for the improvements and service provided in this District. However, because the improvements provided and the properties benefiting from those improvements may vary, the weighting factors (EBU) applied to a particular Zone or improvement may be altered to appropriately reflect the proportional benefit to the properties.

Every parcel in the District is assigned a weighting factor known as a Benefit Unit Factor (BUF). The BUF reflects the parcel's land use and planned or potential development. Similar parcel types and development benefiting from the same improvements are assigned a similar BUF. The BUF factor in conjunction with each parcel's specific characteristics such as size, number of units, development status, and development limitations is used to establish each parcel's individual EBU. The EBU calculated for each parcel therefore provides a direct comparison to other parcels and proportional relationship of benefit received by each parcel from a specific improvement

or group of improvements. Although some parcels may require special calculations due to specific development restrictions or unique circumstances, generally a parcel's BUF, multiplied by its acres or units determines the parcel's EBU.

Parcel BUF x (Acre or Units) = Parcel EBU

The Total Equivalent Benefit Units (EBU's) in a Zone or for a specific improvement or service is the sum of the EBU's for parcels that benefit from the improvements. Taking the Total Service Cost to be levied and dividing that amount by the Total EBU of the parcels benefiting from that specific service establish a Rate Per EBU for each service provided.

Total Service Cost / Total EBU (for Service) = Rate per EBU (for Service)

This rate is then applied back to each parcel's individual EBU to determine the parcel's charge and proportionate benefit from that service.

Parcel EBU x Rate per EBU (for Service) = Parcel Charge (for Service)

A parcel's Total District charge is the accumulation of the services they receive benefit from, at the rate established for each service. Therefore, each parcel is charged for only the services they benefit from, and similar parcels receiving similar benefits will be charged the same amount.

Parcel Total Charge = Sum of Applicable Charges for each Service

Exempt Services

The rates and charges calculated for flood/drainage control and street sweeping are identified as exempt charges and not subject to the substantive and procedural requirements of the Constitution, Article XIIID at the existing rate and method of apportionment. Changes in property development such as land use changes or parcel splits that facilitate changes in a parcel's charges for these services are not considered new or increased charges. The following two tables provide the Benefit Unit Factors (BUF) and applicable multiplier used to calculate the EBU and charges applied to various property types for flood/drainage control within the District.

Street sweeping charges are typically applied to residential developments, but there are some commercial developments, such as Zone F (Rancon Business Center) in which these charges are applicable. The street sweeping charge of $5.72 is applied equally to the parcels that receive this service regardless of the parcel's size or development status (per parcel charge).

Local Improvement and Services — Zone F

The improvements and services identified as special benefits within Zone F (Rancon Business Center) include local street lighting and perimeter and parkway landscaping associated with this commercial development.

- **Local Street Lighting** — Street lighting provides safety and security related benefits to properties. To this extent, it was determined that the properties within the Zone regardless of size or location benefit equally from street lighting. Therefore, the apportionment of special benefit shall be per parcel. Each benefiting parcel within the Zone will share equally in the costs associated with the streetlights.
- **Local Landscaping** — The special benefits properties receive from landscaping are more related to the special enhancement of the property rather than safety and security and each parcel's use and optimum development potential must be considered. Since the benefiting properties are zoned for commercial use, it was determined the most equitable apportionment of special benefit for landscape improvements should be based on the size of the property (reflective of potential use and benefit). The acreage of each parcel provides a proportional comparison of benefit received by each parcel in relationship to other parcels.

Government-owned land and public utility-owned property may not be excluded from charges unless they clearly derive no special benefit. As noted previously, the special benefits properties receive from the landscaping are directly related to aesthetics and special enhancement of the property. For street lighting the special benefits are safety and security related, and to a lesser degree enhancement of the property. Each parcel within Zone F has been carefully evaluated for current land use and potential uses. It has been determined that ten (10) of the parcels within Zone F currently do not receive identifiable benefits or special enhancement of the property from the landscaping improvements and are not charged.

APN	Acreage	Property Description
909-353-028	3.36	Common Area
909-354-007	2.67	Common Area
909-390-016	3.18	Common Area
909-353-028	1.22	Common Area
909-300-050	0.10	Non-Buildable sliver parcel (easement)
909-300-046	0.44	Street Parcel (Beckman Court)
909-300-047	0.39	Street Parcel (Kelvin Court)
909-300-048	0.50	Street Parcel (Deere Court)
909-352-011	0.89	Telephone relay station (GTE of California)
909-300-056	4.36	Warm Springs Creek (Flood Channel)

Nine (9) of the parcels listed above have no development potential, and include designated streets, common areas, a flood control channel, and a sliver parcel that is part of a street easement. The other property is a telephone substation which does not benefit from the improvements and clearly receives no special enhancement of the property.

Similarly, twelve (12) of the existing one hundred nineteen (119) parcels within Zone F are not charged for street lighting improvements. These twelve (12) parcels include:

APN	Acreage	Property Description
909-300-016	0.30	Bifurcated: (This parcel and 909-300-052 are charged as one lot)
909-351-002	0.49	Bifurcated: (This parcel and 909-351-001 are charged as one lot)
909-301-003	1.22	Common Area
909-353-028	3.36	Common Area
909-354-007	2.67	Common Area
909-390-016	3.18	Common Area
909-352-011	0.89	Telephone relay station (GTE of California)
909-300-050	0.10	Non-Buildable sliver parcel (easement)
909-300-046	0.44	Street Parcel (Beckman Court)
909-300-047	0.39	Street Parcel (Kelvin Court)
909-300-048	0.50	Street Parcel (Deere Court)
909-300-056	4.36	Warm Springs Creek (Flood Channel)

Nine (9) of the parcels listed above have no development potential and include designated streets, common areas, a flood control channel, and a sliver parcel that is part of a street easement. The remaining parcels include one (1) telephone substation and two (2) are part of bifurcated lots. A bifurcated lot is a single lot split by a tax rate area code into more than one APN. These parcels are treated as part of their larger corresponding parcel and are levied as one parcel for street lighting.

Local Improvement and Services — Zones A, B, C, D, E, H, and I

The local improvements and services that have been identified as special benefits in Zones A, B, C, D, E, H, and I provide a special benefit to only residential developments, including the parcels within specific residential tracts, individual single family residential units, and multi-family residential units. The local improvements and services provided by the District in these Zones are directly associated with improvements installed as part of the residential developments and Specific Plans.

- **Local parks** — Residential properties within Zones A, B, C, D and H benefit from the local parks and open space areas provided in each respective Zone, (local parks are not associated with Zones E and I). Each parcel is charged at a minimum of one EBU (including vacant residential tract lots), and Multi-family dwelling units are charged one EBU per Unit. Developed Residential parcels within a Zone but not within a tract development are charged for local parks if they are within similar

proximity to the park improvements and benefit from those improvements.

- **Local landscaping**— Residential properties within Zones A, B, C, D, E and H benefit from the local landscaping adjacent to their parcel or tract development within each Zone, (local landscaping for Zone I is provided by the Homeowner's Association for properties in this Zone). Each parcel is charged at one EBU including Vacant Single-family residential tract lots and Multi-family residential parcels. Residential units or developments not adjacent to or associated with the improvements receive no special benefit and are not charged.
- **Local street lighting**—the Residential Tracts within Zones A, B, C, D, E, H, and I have local streetlights that are provided and funded by District charges. These parcels receive special benefits from this improvement that is not provided by the District to other residential properties. No distinction is made between developed or vacant residential lots within a tract; each shares equally in the cost of local streetlights and is assigned one EBU per parcel. Residential parcels that have no in-tract street lighting are not charged for this improvement.

Local Improvement and Services — Zones G, J, K, M and N

Those properties identified within Zones G, J, K, M and N are not charged for local landscape improvements and services (landscaping, parks, and streetlights). The District does not currently maintain any specific local improvements in these areas identifiable as local special benefits. As future development occurs in these areas and local improvements are installed, the affected properties could be reassigned to Zone L with their local improvements funded through a separate maintenance district. Any new or increased charge will be subject to both the substantive and procedural requirements of the Constitution.

Local Improvement and Services —Zone L

Those properties identified within Zone L are not charged for local landscape and lighting improvements and services through the District. Properties included in Zone L are part of a separate maintenance district and the local improvements that provide special benefits to these parcels are funded through a Landscaping and Lighting District.

V. DISTRICT BUDGETS

The fiscal year 2026/2027 District Budgets are summarized in the following tables.

District Budgets for

(Zones: A, B, C, D and E)

Budget Item	Zone A Amount	Zone B Amount	Zone C Amount	Zone D Amount	Zone E Amount
Local Parks and Open Space	$103,722.27	$196,295.00	$19,959.01	$53,214.44	$0.00
Perimeter and Parkway Maintenance	96,794.48	150,075.54	19,959.01	41,279.70	9,203.86
