Dear members of the Murrieta council,

Please don't take away the Santa Stops after last year's vote to re-instate them.

This would be really disturbing for people, keep your word! (Seems a bit ridiculous that it has to be voted on again just because "it didn't get put on the calendar".) How is that anyone else's fault?

And why not continue them? You have an excellent volunteer in Joanie willing and able to head this up every year and at a time when everything about California is turning to pot. High crime, homelessness, lawlessness, financial distress, etc.

Why not give people some joy when you can?

Many folks look forward to the fun Santa Stops.

We moved to Murrieta when the Santa Stops were coming to our Mapleton Community. I still remember them quite well and all the excitement it brought the kids!
