# Fire and Rescue

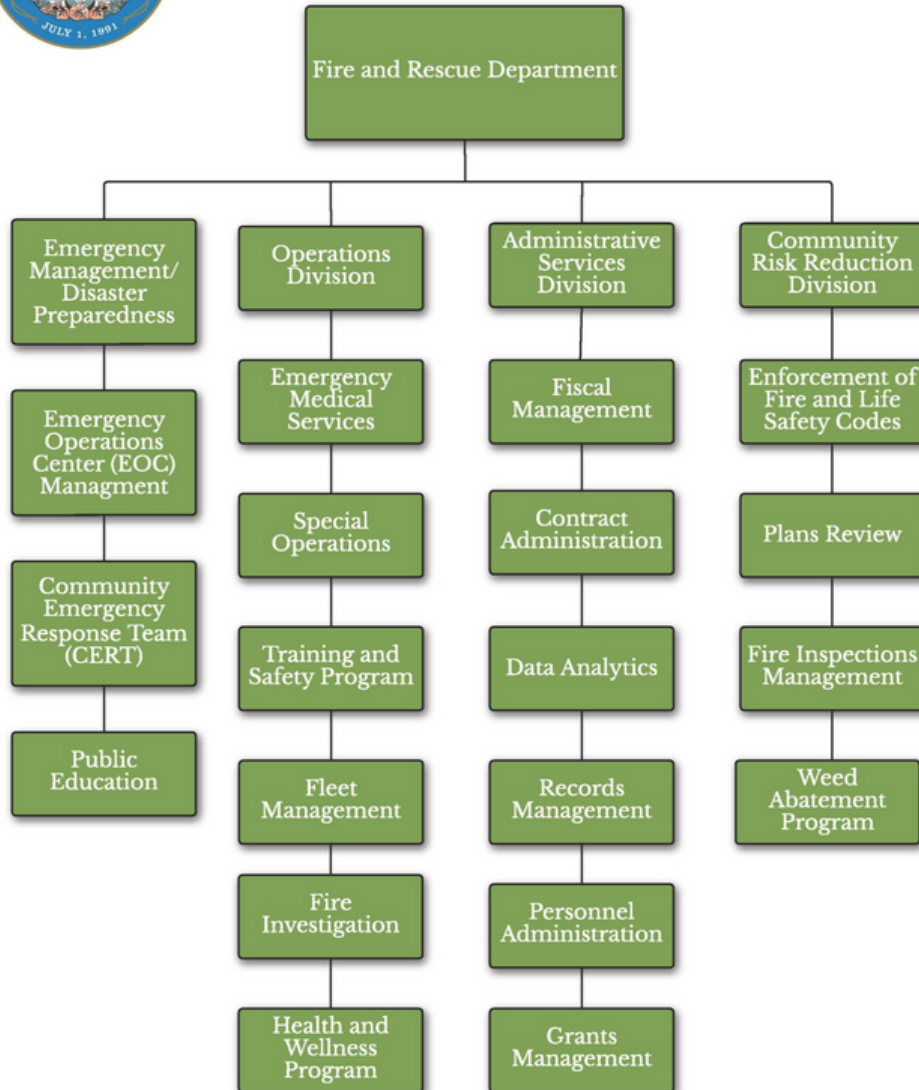

**Bernie Molloy**  
Fire Chief

Murrieta Fire & Rescue (MFR) is a dedicated team committed to serving the community by providing all risk emergency and non-emergency services.

No. of Full-Time Equivalent Positions in FY24: 80

## Organizational Chart

# Program Statement

## **VISION**

To become the standard by which other progressive fire departments are measured.

- Develop an identity that embraces continuous improvement
- Maintain sustainable processes
- Not dependent on any single person

## **VALUES**

Professional, Responsive, Integrity, Dedicated, Excellence - (PRIDE)

- Professional workforce planning and development will ensure that resources are allocated appropriately and supported while empowering employees to engage with one another through improved internal communication practices.
- Responsive approaches to delivering emergency services are supported by quality and coordinated communications, current and applicable fire prevention programs and initiatives, and disaster preparedness planning to safeguard our community better.
- Integrity will be evident in the execution of all responsibilities and interaction with the public through enhanced internal and external communications.
- Dedication to the community and department will consistently demonstrate our commitment to being responsible agents of the physical resources that enable us to perform our duties.
- Excellence is achieved by holding one another accountable for carrying out our mission, living our motto and values, accomplishing our goals, and ensuring these values become a reality.

## **OVERVIEW**

MFR is an all-risk fire department, divided into four key divisions, responsible for providing: Fire Suppression and Emergency medical services (EMS), Fire Prevention and Disaster Preparedness, Hazard Mitigation, and Recovery Services, Wildland Fire Assistance, Swift Water Rescues, Vehicle Accident Response, Technical Rescue Calls, Non-Emergency Community Service Calls, Elder and Disabled Medical Care Safety Visits, Training and Public Education, Occupational Safety and Wellness Evaluations, Fire Code Enforcement, Abatement, Plan Check Reviews, Fire Inspections, Fire Investigations, Facility and Fleet Maintenance, Strategic Planning, Fiscal Management Services, Budgetary Development, Revenue Programs Oversight, Cost Recovery Analysis, Records Management, Personnel Management, Project Management, and Grants Administration.

## **BUDGET UNIT DESCRIPTION**

Fire Administration – provides support, fiscal management services, personnel administration, supervision, and leadership for Murrieta Fire & Rescue through the efforts of the Fire Chief and three principal divisions.

Fire Operations – provides comprehensive fire suppression and emergency response, thereby minimizing the loss of life and destruction of property through the rapid deployment of highly trained personnel and modern equipment. Murrieta Fire & Rescue (MFR) is a First-Responder Fire Department with 65% of its dispatch calls for emergency medical services. Services are provided by skilled firefighter-paramedic and rescue personnel strategically situated in five (5) fire stations throughout the city.

MFR Emergency Medical Services (EMS) provides Advanced Life Support with emergency medical first responders in response to a variety of medical emergencies. MFR apparatus are equipped with emergency medical supplies and cardiac EKG monitors used to resuscitate and stabilize patients. MFR EMS provides MFR-based Tactical Medics to the Murrieta Police Department (MPD) SWAT for “hot zone” medical care and assistance to the MPD with calls involving injuries stemming from altercations. The Technical Rescue Team provides for the rescue of persons trapped and injured beyond the scope of normal fire operations. These specialized rescues involve high/low angle, trench, swift water, vehicle extrication, structural collapse, confined space rescue emergencies, and Urban Search & Rescue (USAR).

Fire Fleet – responsible for providing all mechanical and preventative work following state and federal mandates for more than 60 wheeled, motorized, towed, and all-terrain type vehicles for five (5) fire stations, fire prevention inspection staff, EMS staff, and fire pool vehicles.

Community Risk Reduction – prevents and reduces the loss of life, injury, and property damage due to fire or natural disaster in commercial, factory, institutional, business, educational, mercantile, and assembly occupancies. Works with the fire department resources to provide public outreach and education in various settings and capacities.

**PROGRAM ACTIVITIES**

Fire Administration

Strategic Planning	Cost Recovery and Billing Oversight
Fiscal Management Services	City-wide Program Development and Administration
Budgetary Planning, Development, and Revenue Management	Capital Improvement Project Budgeting
Personnel Administration	Internal IT Administration
EMS Management	Community Outreach Activities
Record Management	Inventory of Assets
Operational Policies and Procedures	MFR Website
Grants Management	Project Management

Fire Operations

- Manages the Fire Investigation Team, which provides fire causation and origin determination and investigates all fires of a suspicious nature.
- Administers the MFR Safety and Training Program handled by the Training Fire Captain.
- MFR Emergency Medical Services (EMS):
  - Provides Advanced Life Support with emergency medical first responders in response to a variety of medical emergencies.
  - Provides MFR-based Tactical Medics to the Murrieta Police Department (MPD) SWAT for “hot zone” medical care and assistance to the MPD with calls involving altercations resulting in injuries.
- The Technical Rescue Team provides for the rescue of persons trapped and injured beyond the scope of normal fire operations. These specialized rescues involve high and low angles, trenches, swift water, vehicle extrication, structural collapse, confined space rescue emergencies, and Urban Search and Rescue (USAR).

Fire Fleet

Maintenance responsibilities include mechanical work for all apparatus associated with the fire fleet to accommodate emergency medical services, fire prevention, and fire suppression operations.

Community Risk Reduction (Fire Prevention)

- Provides comprehensive enforcement of mandated fire and life safety codes and regulations, including inspecting properties for fire code violations and regulating the design and implementation of building features and fire protection systems.
- Conducts state mandated inspections of fixed occupancies and defensible space inspections during home sales in required areas.
- Annual implementation of the Weed Abatement Program to reduce fire hazards city-wide.
- In conjunction with the Disaster Preparedness Coordinator, coordinates planning, development, and implementation of a city-wide Disaster Preparedness Plan and continued efforts to educate the public and collaborate with surrounding services to assist during a disaster.
- Oversee the Community Emergency Response Team (CERT) applications and the Community Fire Education Program (CFEP), which provides educational programs about the causes and prevention of fire and burn injuries. The CFEP encourages an active link between MFR and the community by instituting outreach programs such as the “Think First Program,” the “Every 15-Minutes Program”, the “Ready-Set-Go Program,” smoke detector campaigns, fire extinguisher training, fire safety training, programs for older people involving health and fire safety, and other community safety training.

# Department Goals and Objectives

## KEY DEPARTMENTAL GOALS FOR FISCAL YEAR 2023/24 and 2024/25

### Administration and Fiscal Management

GOAL: Use industry standards and best practices to prevent, train for and respond to fires, rescue, and emergency medical calls for service.

OBJECTIVES: Educate, brand, and market adaptive efforts made to enhance the efficiency and quality of service provided by Murrieta Fire & Rescue to the community.

- Measure: Meet with stakeholder groups annually and conduct an assessment by 3rd quarter for FY24 and FY25.
- Continue providing proactive Fire Dispatch EMS training to improve 911 service each fiscal year.
- Host a fire dispatcher continuing education session by the 4th quarter FY24 and FY25
- Integrate a comprehensive new hirer dispatcher orientation training by the 3rd quarter FY24.
- Update recruitment practices to retain talented staff and a diverse workforce.
- Develop learning modules covering various City functions, forms, reports, and procedures for Fire personnel by the 4th quarter of FY24 and FY25.
- Update and expand Fire's onboarding and the offboarding process by the 3rd quarter of FY24.
- Design a Project Management Timelines template to track all MFR projects and program progress.
- Measure: Continue coordinating with local high schools and colleges to provide training and education to enhance organizational diversity. Ongoing. Program progress will be evaluated and measured by the 3rd quarter of FY24 and FY25.
- Install living accommodations at a fire station for a female firefighter by the 4th quarter of FY24.

GOAL: Provide an enhanced wellness, fitness, and injury prevention program for suppression personnel.

OBJECTIVES: Benchmark the Fire Department Safety and Workers' Compensation programs against industry best practices.

- Measure: Update the incident safety officer program requirement (CPSE Site Team Strategic Recommendation) by the end of 3rd quarter FY24.
- Measure: Provide regular training on identifying and managing mental health awareness. Continue the training program by conducting refresher training by the 2nd quarter of FY24 and FY25. Continue evaluating training results to improve course curriculum and mental health awareness employee needs.
- Benchmark Fire Department Safety and Workers' Compensation programs against industry practices.
- Measure: Coordinate with Risk Management to design a workers' compensation analysis assessment and prevention program by 1st quarter of FY25.

GOAL: Provide for proper design, development, and maintenance of the Fire Department's equipment and facilities.

OBJECTIVES: Ensure facilities are sufficiently designed, updated, repaired, and maintained.

- Measure: Update facilities management plans for maintenance and capital repairs by the 3rd quarter of FY24 and FY25.
- Conduct quarterly facilities walk-throughs to avoid deferred maintenance costs.
- Update MFR's Assets Inventory and Replacement Plan each fiscal year by the 4th quarter.

GOAL: Increase the Fire Department's organizational capacity and efficiency.

OBJECTIVES: Facilitate and manage the principals of continuous improvement identified within the Center for Public Safety Excellence (CPSE) accreditation process.

- Measure: Publish an updated Strategic Plan by the 1st quarter of each fiscal year.
- Measure: Monitor alarm handling and turnout times, identify and report outcomes and consider opportunities for further enhancements that would reduce times (CPSE Site Team Strategic Recommendation) – ongoing weekly and monthly measurement during the fiscal year.
- Update committee charters as needed each fiscal year by the 2nd quarter.
- Evaluate the progress of MFR Committee goals and report performance outcomes by the 2nd quarter of each fiscal year.
- Measure: Update and post senior staff Work Plans to reflect progress of actions. Ongoing (quarterly).
- Engage a wide range of Fire Department project managers as contributors in the budget management process bi-annually each fiscal year.
- Measure: Update and manage program budgets for project managers, including special operations, facilities, EMS, and training. Ongoing through monthly financial reports.
- Utilize technology at full capacity to improve communications and deploy resources effectively.
- Measure: Continue working with the Police Department and Dispatch to improve the Emergency Medical Dispatch (EMD) Program (CPSE Site Team Strategic Recommendation). Process and communicate program adjustments by the 3rd quarter of FY24 and FY25.
- Measure: Test existing radio communications functions in the operating platform and ensure standardized requirements are met by the 2nd quarter of FY24 and FY25.

### Fire Operations and Emergency Response

GOAL: Use industry standards and best practices to prevent, train, and respond to fire, rescue, and emergency medical calls for service.

OBJECTIVES: Recruit highly qualified employees to fill vacancies within the organization.

- Measure: Maintain an active lateral and entry-level firefighter list to minimize vacancies at any one time to less than 7% of the shift personnel workforce by the 2nd quarter of each fiscal year.

GOAL: Ensure workforce readiness and leadership development by providing innovative education and training programs.

OBJECTIVES: Enhance professional development opportunities and specify pathways for employee career development.

- Measure: Revise the career path matrix that covers fire suppression department employees by the 2nd quarter FY24 and FY25.
- Measure: Continue hosting a dispatch academy during April of FY24 and FY25.

GOAL: Develop a comprehensive pre-incident plan program.

OBJECTIVES: Fully implement a comprehensive pre-incident plan program prioritizing target hazards.

- Measure: Pre-plan identifies target hazards and maintains an up-to-date database by the 1st quarter of each fiscal year.

GOAL: Provide an enhanced wellness, fitness, and injury prevention program for suppression personnel.

OBJECTIVES: Build upon the existing mental health, safety, and wellness approaches to develop a more comprehensive program.

- Measure: Revised the Incident Safety Officer Program requirement (CPSE Site Team Strategic Recommendation) by the end of the 3rd quarter of FY25.
- Measure: Provide regular training on identifying and managing mental health awareness. Ongoing each fiscal year.

### Fire Fleet Management

GOAL: Ensure that the department fleet and apparatus is well maintained.

OBJECTIVES: Repair and replace fleet and apparatus per the existing fleet replacement schedule.

Measure: Update and post the heavy and light duty fleet replacement schedule. Ongoing each fiscal year.

- Measure: Revise the internal equipment inventory, accountability, replacement, disposal, and maintenance process by the 2nd quarter of each fiscal year.

GOAL: Ensure workforce readiness and leadership development by providing innovative education and training programs.

OBJECTIVES: Comply with all federal, state, and local training mandates and measure with industry standards.

- Measure: Fleet maintenance personnel maintain required fire mechanic certifications throughout the fiscal year. Ongoing each fiscal year.

GOAL: Provide for proper design, development, and maintenance of the Department's apparatus and shop facility.

OBJECTIVES: Ensure the mechanic's shop and repair garage is sufficiently designed, updated, and maintained.

- Measure: Reassess fleet shop equipment and garage repairs by the 2nd quarter of each fiscal year.

GOAL: Increase control of vehicle operating and repair costs.

OBJECTIVES: Reduce costs by reviewing previous repairs and monitoring current maintenance to ensure no duplication or overlapping of services.

- Measure: Analyze expenditures to identify unnecessary or repeated repairs and parts ordered each quarter during the fiscal year, and report the outcome of the analysis to command staff. Ongoing each fiscal year.

### Community Risk Reduction

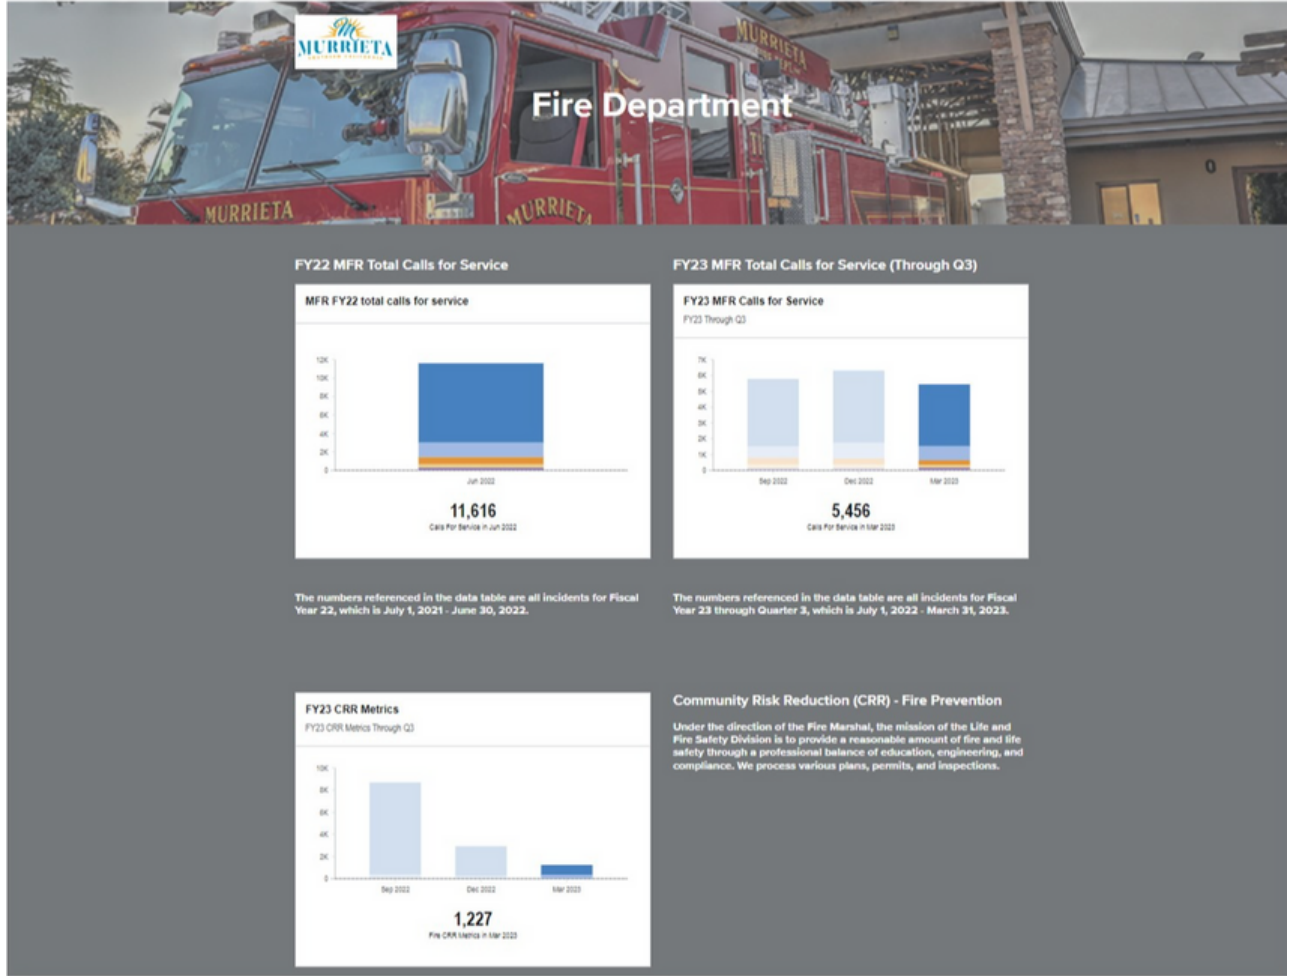

GOAL: Safeguard the community through proactive prevention, enforcement, engineering, preparedness, and public education programs.

OBJECTIVES: Identify target strategies that support older adults, families, youth, schools, and public education.

- Measure: Update the Public Safety Afterschool Program by the 2nd quarter of each fiscal year.
- Measure: Coordinate with community services and local schools to complete a Community Risk Assessment by the 3rd quarter of FY24.
- Measure: Develop a program to educate the public on various safety measures and awareness by the 4th quarter of each fiscal year.
- Assess and update the comprehensive building inspection and code enforcement program, and ensure compliance with laws, local ordinances, and industry best practices. Complete each fiscal year.
- Measure: Continue training employees on the MFR code enforcement standards by the 2nd quarter of FY24 and FY25.
- Train and prepare the community to respond effectively to natural disasters and disasters caused by humans. Generate one or more training sessions per fiscal year and identify gaps in practice to improve future training activities. Ongoing each fiscal year.
- Measure: Coordinate with local CERT-trained citizens to increase and enhance training and preparedness opportunities. Ongoing each fiscal year.

# Fire Operations

**Mike Lopez**  
Deputy Chief Lopez

## Fire Operations

- Manages the Fire Investigation Team, which provides fire causation and origin determination and investigates all fires of a suspicious nature.
- Administers the MFR Safety and Training Program handled by the Training Fire Captain.
- MFR Emergency Medical Services (EMS):
  - Provides Advanced Life Support with emergency medical first responders in response to a variety of medical emergencies.
  - Provides MFR-based Tactical Medics to the Murrieta Police Department (MPD) SWAT for “hot zone” medical care and assistance to the MPD with calls involving altercations resulting in injuries.
- The Technical Rescue Team provides for the rescue of persons trapped and injured beyond the scope of normal fire operations. These specialized rescues involve high/low angle, trench, swift water, vehicle extrication, structural collapse, and confined space rescue emergencies.

No. of Full-Time Equivalent Positions in FY24: 62

## Expenditures Summary

**\$21,255,493** **\$1,938,044**  
(10.03% vs. prior year)
