

RESOLUTION NO. 24-4744

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA, APPROVING THE FISCAL YEAR 2024/25 PROJECT LIST FOR THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017 TO THE CALIFORNIA TRANSPORTATION COMMISSION

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017), was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of Murrieta are aware of the projects proposed for funding in our community, which projects have been completed each fiscal year; and

WHEREAS, Murrieta must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, Murrieta will receive an estimated \$2,833,125 in RMRA funding in Fiscal Year 2024/25 from SB 1; and

WHEREAS, this is the eighth year in which Murrieta is receiving SB 1 funding and will enable Murrieta to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, Murrieta used a Pavement Management Program to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help Murrieta maintain and rehabilitate approximately 3.0 miles of streets/roads throughout the City this year and similar projects in the future; and

WHEREAS, the 2021 California Statewide Local Streets and Roads Needs Assessment found that Murrieta's streets and roads are in good condition, and this revenue will help the City increase the overall quality of our road system and, over the next decade, will maintain our streets and roads in a good condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure, with a focus on basic maintenance and safety, investing in complete street

infrastructure, and using cutting-edge technology, materials, and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MURRIETA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS

Section 1. The City Manager of the City of Murrieta or his/her designee is hereby authorized to submit an application to the California Transportation Commission for any and all funds that may become available to the City from the RMRA; and

Section 2. Exhibit A is a true and correct copy of the proposed project list that will be funded in part or solely with Fiscal Year 2024/25 RMRA funds and previously proposed and adopted projects list, which may utilize Fiscal Year 2023/24, Fiscal Year 2022/23 and Fiscal Year 2021/22 RMRA funds, and is approved by the City Council; and

Section 2. The City Manager, or his/her designee, is hereby authorized as Signature Authority to execute all documents necessary to implement and secure any and all funds that may become available to the City from the RMRA.

PASSED, AND ADOPTED this 4th day of June, 2024.
